2. “City economic development entity” means a local development corporation, not-for-profit corporation, public benefit corporation, or other entity that provides or administers economic development benefits and with which the department of small business services serves as a liaison pursuant to paragraph b of

Notwithstanding, city financial assistance shall include any discretionary assistance that is negotiated or awarded by the city or by a city economic development entity, and shall not include as-of-right assistance, tax abatements or benefits, such as those under the industrial and commercial abatement program, the J-51 program, and other similar programs.

6. “Financial assistance recipient” means any entity or person that receives financial assistance, or any assignee or successor in interest of real property improved or developed with financial assistance, including any entity to which financial assistance is conveyed through the sale of a condominium.

c. Certification of eligibility required. Any for-profit institution of higher education, upon executing a project agreement that includes city financial assistance, and annually thereafter for such agreement’s duration,

Further, such institution shall certify that United States secretary of education has not deemed upon final determination such institution to be in violation of any provision of 34 CFR 668 during the immediately previous three years.
