and approval by such agency of the material terms of any contract or transaction, direct or indirect, between an institution and any [member of its governing board] person in a leadership position at such institution, any partnership of which [he or she] <u>such person</u> is a member or any corporation in which [he or she] <u>such person</u> holds ten per cent or more of the outstanding common stock.

2. Preclude any [member of the governing board of] <u>person in a leadership position at</u> any institution from sharing, participating or benefiting, directly or indirectly, in the proceeds from any contract or transaction entered into between the institution and any third party unless such participation or benefit has been approved in advance by the agency and the governing board of the institution has approved the transaction by a two-thirds majority excluding the vote of [member] <u>any such person</u> to be benefited.

3. Require each [member of its governing board] <u>person in a leadership position</u> to submit to the agency each year a disclosure statement including such [member's] <u>person's</u> name, home address, principal occupation and business interests from which such [member] <u>person</u> or such [member's] <u>person's</u> spouse or domestic partner received income equal to or greater than ten per cent of their aggregate gross income during the previous year.

b. For purposes of this section a person in a leadership position means a person who is a member on a governing board, the president or the chief executive officer of a charitable institution.

§2. This local law shall take effect immediately.
