3. Encouraging the creation of living wage jobs. a. Except as provided in Subdivision e of this Article, the Corporation may only convey, lease as lessor or otherwise dispose of real property for use as a living wage property.

b. For the purposes of this Article, the term "living wage property" means real property where, pursuant to a restrictive covenant, possibility of reverter or other similar deed restriction for the property or an agreement made with or approved and enforceable by the Corporation, all natural persons performing work of any kind, other than construction work, at the property for a covered owner or occupant of the property, including work of any kind, other than construction work, performed at the property pursuant to an agreement made between such covered owner or occupant and a third party, are paid no less than a living wage.

c. (i) For the purposes of this Article, a "covered owner or occupant" means an owner or occupant of real property, other than real property in which more than seventy-five percent (75%) of the floor area is comprised of affordable housing units, as such terms are defined by Section 25-701 of the Administrative Code of the City of New York; provided, however, that such affordable housing units may be permanently affordable to households whose incomes at the time of initial occupancy do not exceed one hundred twenty-five percent

(125%) of the area median income, as such terms are defined by Section 25-701 of the Administrative Code of the City of New York.

(ii) Notwithstanding Paragraph i of this Subdivision, the term “covered owner or occupant” shall not include an owner or occupant that:

(A) Has annual gross revenues of less than five million dollars (\$5,000,000.00) when such revenues are aggregated with the revenues of each parent entity of such owner or occupant, each subsidiary entity of such owner or occupant and each entity owned or controlled by a parent entity of such owner or occupant;

As of the effective date of the local law that added Chapter 7 of Title 25 of the Administrative Code of the City of New York, the living wage rate shall be ten dollars and 20 cents (\$10.20) per hour and the health benefits supplement rate, which may be provided in the form of cash wages, health benefits or any combination of the two, shall be one dollar and 55 cents (\$1.55) per hour. The value of health benefits shall be determined based on the prorated hourly cost to the person paying for the health benefits.

(ii) In 2015 and each year thereafter:

(A) On January 1, the living wage rate and the health benefits supplement rate shall be adjusted based on the 12-month percentage increases, if any, in the Consumer Price Index for All Urban Consumers for All Items and the Consumer Price Index for All Urban Consumers for Medical Care, respectively, or their successor indexes, if any, as published by the Bureau of Labor Statistics of the United States Department of Labor, based on the most recent 12-month period for which data is available. The adjusted living wage rate and health benefits supplement rate shall each then be rounded to the nearest five cents.

(B) On April 1, the adjusted living wage rate and health benefits supplement rate shall become effective as the new living wage rate and health benefits supplement rate, respectively.

(iii) For persons who customarily and regularly receive tips, any tips received and retained by the person may be credited towards the living wage rate if, for each pay period that the sum of the person’s cash wages and tips received is less than the living wage rate multiplied by the number of hours worked, the person receives the difference in additional cash wages.

e. The Corporation may convey, lease as lessor or otherwise dispose of real property for a use other than use as a living wage property only where the Corporation complies with Section 25-705(b) of the Administrative Code of the City of New York; provided further that, in the report required by Section 25-705(b) (2) of such code, the Corporation shall specify the reason that disposition of the property for use a living wage property is impracticable or undesirable.

4. Strategic Plan. The Corporation shall develop a strategic plan to address the purposes for which it has been formed and shall update such plan from time to time as needed. The Corporation shall provide a copy of such plan, and any updates thereto, to each member.

5. Nondiscrimination and Affirmative Action Policy. The Corporation shall have a nondiscrimination and affirmative action policy which shall read as follows:

NYCLC shall also ensure that any transferee or purchaser of any property from NYCLC, and any successor in interest thereto, abides by this policy in the sale, lease or rental, or in the use or occupancy of the property or improvements erected or to be erected thereon or any part thereof.”
