RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report (C 140207 HAM) and incorporated by reference herein, the Council approves the Decision of the City Planning Commission.

The Council approves the designation of the Project Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the project as an urban development action area project pursuant to Section 694 of the General Municipal Law (the "Project") and subject to the terms and conditions of the Project Summary.
