language, including sign language, whether in person or via a real-time feed and whether by means of another

person or software and (ii) if practicable, prior or simultaneous translation of written text central to the meeting

at issue, including documents covered by subdivision e of section 103 of the public officers law.

b. Except as otherwise provided by law, each city entity, for every meeting thereof (i) that is required to

be public pursuant to article 7 of the public officers law and which 65 or more members of the public are

expected to attend, or (ii) that is open to the public pursuant to section 42, 43, 85 or 2800 of the charter, shall

ensure that simultaneous language services for such meeting are available in each of the top three non-English

languages spoken, as determined by the department of city planning, in the city or in the relevant borough or

community district, as applicable.

c. Except as otherwise provided by law, each city entity, for every meeting thereof required by law to be

public shall provide a mechanism by which members of the public may request simultaneous language services

for any meeting or language not required by subdivision b of this section. Such city entity shall, upon receiving

such a request, provide the requested simultaneous language services if possible. Providing such services is

presumed to be possible if the request is received at least 72 hours in advance of the meeting at issue.

d. This section does not create any cause of action or constitute a defense in any legal, administrative, or

other proceeding, and does not authorize any violation of any other federal, state, or local law.

§ 2. This local law takes effect 180 days after it becomes law.
