Res. No. 45

Resolution calling upon the State Legislature to pass, and the Governor to sign, legislation that would create a tax incentive for small businesses to hire from within the communities in which they are located.

By Council Members Cornegy, Brannan and Maisel

Whereas, While New York City's unemployment rate has been declining since its peak during the midst of the Great Recession, according to the New York State Department of Labor (DOL), as of November 2017 it still remained at 4.0 percent; and

Whereas, The unemployment rate varies from borough to borough, with the unemployment rate in November 2017 in the Bronx at 5.7 percent, Brooklyn at 4.1 percent, Staten Island at 4.0 percent, Manhattan at 3.6 percent, and Queens at 3.5, according to DOL; and

Whereas, In order to address unemployment in the City and to promote economic development within the City's communities, small businesses should receive a tax incentive to encourage them to hire employees

from within the communities in which they are located; and

Whereas, Such tax incentive could be modeled after existing federal and New York State tax credits that reward businesses that hire employees from a specific pool of workers; and

Whereas, On the federal level, the Work Opportunity Tax Credit (“WOTC”) offers employers a federal tax credit to hire from a targeted group of job seekers with barriers to employment, including veterans, people with disabilities, individuals receiving certain types of public assistance, ex-felons, and youth; and

Whereas, The maximum credit ranges from \$1,200 to \$9,600, depending on the type of employee hired; and

Whereas, In December 2015, President Obama signed an appropriations bill that renewed the WOTC through December 31, 2019; and

Whereas, The legislation also expanded the category of job seeker to include job seekers who are long-term unemployment compensation recipients; and

Whereas, New York State offers the Hire-A-Veteran, Workers with Disabilities, and Urban Youth Jobs Programs Tax Credits; and

Whereas, The Hire-A-Veteran Tax Credit is available to businesses that hire veterans in an amount of up to \$15,000 for disabled veterans hired and \$5,000 for non-disabled veterans hired; and

Whereas, The Workers with Disabilities Tax Credit provides a credit up to \$5,000 per full-time employee with a disability and \$2,500 per part-time employee with a disability hired; and

Whereas, The Urban Youth Jobs Program Tax Credit provides a credit up to \$5,000 for full-time youth and \$2,500 for part-time youth hired; and

Whereas, Similarly, a tax credit could be provided to small businesses in New York City that hire employees from their local communities; and

Whereas, Encouraging small businesses to hire locally would also serve to strengthen the City’s diverse neighborhoods and deepen residents’ investment and commitment in their communities; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the State Legislature to pass, and the Governor to sign, legislation that would create a tax incentive for small businesses to hire from within the communities in which they are located.
