Int. No. 268-A

By Council Members Richards, Miller, Constantinides and Holden

A Local Law to amend the administrative code of the city of New York, in relation to backflow prevention

device reporting, and to repeal subdivision d of section 24-343.1 of the administrative code of the city of New York, relating to reporting on the installation of backflow prevention devices

Be it enacted by the Council as follows:

Section 1. Subdivision d of section 24-343.1 of the administrative code of the city of New York is REPEALED and a new subdivision d is added to read as follows:

d. On or before February 15, 2020, and on or before every February 15 thereafter, the department shall submit a report to the mayor and the speaker of the council setting forth the following information:

1. The number of all facilities that the department estimates requires the installation of one or more backflow prevention devices;

2. The number of such facilities that the department has determined to be hazardous facilities;

3. The number of all facilities in which backflow prevention devices were installed in the preceding calendar year;

4. The number of hazardous facilities in which backflow prevention devices were installed in the preceding calendar year;

5. The number of annual backflow prevention device test reports filed with the department in the preceding calendar year;

6. The number of violations issued in the preceding calendar year for failure to install a backflow prevention device; and

7. The number of violations issued in the preceding calendar year for failure to file an annual backflow prevention device test report with the department.

§ 2. This local law takes effect immediately.
