c. Each borough president shall make community board membership applications available on such borough president's website. Nothing in subdivision b of this section shall limit a borough president's ability to require applicants for community board membership to submit additional information on additional forms.

d. The city planning commission, after each council redistricting pursuant to chapter two-A, and after each community redistricting pursuant to section twenty-seven hundred two, shall determine the proportion of the community district's population represented by each council member. Copies of such determinations shall be filed with the appropriate borough president, community board, and council member. One-half of the members appointed to any community board shall serve for a term of two years beginning on the first day of April in each odd-numbered year in which they take office and one half of the members appointed to any community board shall serve for a term of two years beginning on the first day of April in each even-numbered year in which they take office.
