Int. No. 1430

By the Public Advocate (Mr. Williams) (by request of the Queens Borough President) (by request of the Brooklyn Borough President)

A Local Law in relation to establishing a pilot program to provide bleeding control training and kits

Be it enacted by the Council as follows:

Section 1. a. The department of health and mental hygiene, in consultation with any other appropriate agency, shall establish a pilot program to provide bleeding control training to residents of the city of New York, with a particular emphasis on providing such training to students, those who work with children, clergy and parishioners.

b. On or before the first anniversary of the effective date of this local law, the department of health and mental hygiene shall post online and provide to the speaker of the council a written report containing information regarding the pilot program established pursuant to this local law, including interest in and attendance at the trainings provided pursuant to such pilot program, the cost of such pilot program,

recommendations with respect to expanding or making such pilot program permanent, an analysis of the impact and effectiveness of such pilot program, and any other recommendations regarding such pilot program.

§ 2. This local law takes effect 30 days after it becomes law and shall expire and be deemed repealed upon receipt of the report due pursuant to subdivision b of section one of this local law.
