A Local Law in relation to establishing a pilot program to provide bleeding control training and kits

Be it enacted by the Council as follows:

Section 1. a. The department of health and mental hygiene, in consultation with any other appropriate agency, shall establish a pilot program to provide bleeding control training to residents of the city of New York, with a particular emphasis on providing such training to students, those who work with children, clergy and parishioners.

b. On or before the first anniversary of the effective date of this local law, the department of health and mental hygiene shall post online and provide to the speaker of the council a written report containing information regarding the pilot program established pursuant to this local law, including interest in and attendance at the trainings provided pursuant to such pilot program, the cost of such pilot program,
