WHEREAS, the City Planning Commission filed with the Council on April 13, 2007 its decision dated April 11, 2007 (the "Decision"), on the application submitted by the Department of Housing Preservation and Development pursuant to Section 197-c of the New York City Charter and Article 16 of the General Municipal Law of New York State regarding:

pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by the Department of Housing Preservation and Development to facilitate development of two, ten-story residential buildings, tentatively known as Grant Avenue Cooperative Apartments, with approximately 162 residential units, to be developed under the New York City Housing Development Corporation's Affordable Cooperative Housing Program and the New York State Affordable Housing Corporation (the "Disposition"), Community District 4, Borough of the Bronx (ULURP No. C 070311 HAX) (the "Application");

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application;

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 070311 HAX).

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Council approves the disposition of said property to a developer selected by the Department of Housing Preservation and Development.
