A Local Law to amend the New York city charter and the administrative code of the city of New York, in relation to campaign finance.

Be it enacted by the Council as follows:

Section 1. Subdivision 3 of section 3-702 of the administrative code of the city of New York, as amended by local law number 17 for the year 2006, is amended, and three new subdivisions 18, 19 and 20 are added, to read as follows:

3. The term “matchable contribution” shall mean (i) a contribution, (ii) contributions or (iii) a portion of a contribution or contributions, not greater than the applicable contribution limitation set forth in paragraph (f) of subdivision one of section 3-703 for all covered elections held in the same calendar year, made by a natural person resident in the city of New York to a participating candidate which has been reported in full to the campaign finance board in accordance with subdivision six of section 3-703 by the candidate’s principal committee and has been contributed on or before December thirty-first in the year of such election that may be matched by public funds in accordance with the provisions of this chapter. Any contribution, contributions, or a portion of a contribution determined to be invalid for matching funds by the board may not be treated as a matchable contribution for any purpose. A loan may not be treated as a matchable contribution. The following contributions are not matchable:

- (a) in-kind contributions of property, goods, or services;
- (b) contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value;
- (c) contributions in the form of the purchase price paid for or otherwise induced by a chance to participate in a raffle, lottery, or similar drawing for valuable prizes;
- (d) money order contributions from any one contributor that are, in the aggregate, greater than \$100;
- (e) contributions from individuals under the age of eighteen years;

(f) contributions from individual vendors to whom the participating candidate or his or her principal committee makes an expenditure, in furtherance of the nomination for election or election covered by the candidate's certification, unless such expenditure is reimbursing an advance; [and]

(g) contributions from lobbyists or other persons required to be included in a statement of registration filed pursuant to section 3-213(c)(1) or section 3-213-d. The board shall rely on the database maintained by the city clerk pursuant to section 3-221 or such other information known to the board to determine whether a contribution is not matchable based on the contributor's status as a lobbyist or person required to be included in a statement of registration filed pursuant to section 3-213[.]; and

(h) contributions from contributors subject to the limitations of subdivision one-a of section 3-703 of this chapter.

18. a. The term “business dealings with the city” shall mean (i) any contract for the procurement of goods or services or construction that is entered into or in effect with the city of New York or any agency or entity affiliated with the city of New York (other than a contract procured through competitive sealed bidding, or one or more contracts with a single person or entity for the procurement of goods or services totaling not more than the dollar value set forth in section 6-116.2(i)(3)(a) of the administrative code, or for construction totaling not more than five hundred thousand dollars, or an emergency contract awarded pursuant to section 315 of the charter), and shall include any contract for the underwriting of the debt of the city of New York or any agency or entity affiliated with the city of New York and the retention of any bond counsel, disclosure counsel or underwriter’s counsel in connection therewith; (ii) any acquisition or disposition of real property (other than a public auction or competitive sealed bid transaction or the acquisition of property pursuant to the department of environmental protection watershed land acquisition program) with the city of New York or any agency or entity affiliated with the city of New York; or (iii) any application for approval sought from the city of New York pursuant to the provisions of section 195 of the charter, any application for approval sought from the city of New York that has been certified pursuant to the provisions of section 197-c of the charter, and any

For purposes of this subdivision, actions, transactions, and agreements for the purpose of providing affordable housing pursuant to

the Private Housing Finance Law or the General Municipal Law or any other city, state or federal program, including but not limited to actions, transactions and agreements for such purposes which involve land dispositions, loans, grants, real property tax exemptions, zoning bonuses, low income housing tax credits, rent subsidies, or agreements imposing limitations on the incomes of residents or on the rents or other charges to be paid by such residents, shall not constitute business dealings with the city of New York. For purposes of this subdivision, “agency or entity affiliated with the city of New York” shall mean the city school district of the city of New York and any public authority, public benefit corporation or not for profit corporation, the majority of whose board members are officials of the city of New York or are appointed by such officials.

submission of a proposal and during the term of any agreement and one year after; for purposes of clause (iii) of paragraph (a) of this subdivision, applications for approval sought from the city of New York pursuant to the provisions of sections 197-c or 201 of the charter, except for applications for leases as described in clause (ii), shall only constitute business dealing with the city from the date of the certification of such application to the date that is one hundred twenty days after the date of filing by the council with the mayor of its action pursuant to subdivision e of section 197-d of the charter or in the case of a decision of the city planning commission for which the council takes no action pursuant to paragraph (3) of subdivision (b) of section 197-d of the charter, the date which is twenty days following the filing of such decision with the council pursuant to subdivision a of section 197-d of the charter, provided, however, that in the case of a disapproval of a council action by the mayor pursuant to subdivision e of section 197-d of the charter, such date shall be one hundred twenty days after expiration of the ten day period for council override pursuant to such section; for purposes of clause (iv) of paragraph (a) of this subdivision, bids or proposals for franchises and concessions shall only constitute business dealings with the city of New York for the period from the submission of the bid or proposal until twelve months after the date of such submission, concessions shall only constitute business dealings with the city of New York during the term of such concession and for twelve months after the end of such term, and franchises shall only constitute business dealings with the city of New York for the period of one year after the commencement of the term of the franchise or after the commencement of any renewal; for purposes of clause (v) of paragraph (a) of this subdivision, grants shall constitute business dealings with the city of New York for one year after the grant is made; for purposes of clause (vi) of paragraph (a) of this subdivision, economic development agreements shall constitute business dealings with the city from the submission of an application for such agreement and during the term of such agreement and for one year after the end of such term; and for purposes of clause (vii) of paragraph (a) of this subdivision, contracts for the investment of pension funds, including the investments in a private equity firm and contracts with investment related consultants shall constitute business dealings with the city from the time of presentation of investment opportunity or the

submission of a proposal, whichever is earlier, and during the term of such contract and for twelve months after the end of such term.

c. Notwithstanding anything in this subdivision, a person, as defined by subdivision 20 of section 3-702, who has submitted bids or proposals on contracts for the procurement of goods, services or construction or who has submitted bids or proposals for franchises or concessions that are no longer being considered for an award or a person who for any other reason believes he or she should not be on the database may apply to the city chief procurement officer or other person designated by the mayor for removal from the doing business database and shall be removed from the database upon a determination that said person should not be included in the database.

d. A person, as defined by subdivision 20 of section 3-702, shall be considered to have business dealings with the city as of the date the person's name is entered in the doing business database, as such date is indicated in such database or the date the person began doing business with the city, as such date is indicated in such database, whichever is earlier, except that the date on which the person is considered doing business with the city shall not be earlier than thirty days before the date the person's name is entered into such database.

19. The term "economic development agreement" means any contract or agreement in which financial incentives including, but not limited to, tax incentives, payments in lieu of taxes and financing are offered in return for the development, attraction or retention of business; provided, however that no financial incentives which are given to a person who qualifies for such incentive by operation of law shall be deemed to be pursuant to an economic development agreement for purposes of this chapter.

20. The term "doing business database" means a computerized database accessible to the board that contains the names of persons who have business dealings with the city; provided, however that for purposes of this chapter the doing business database shall not be required to contain the names of any person whose business dealings with the city are solely of a type for which the board has not certified that such database includes the names of those persons engaged in such type of business dealings with the city. Such database

shall be developed, maintained and updated by the office of the mayor in a manner so as to ensure its reasonable accuracy and completeness; provided, however, that in no event shall such database be updated less frequently than once a month. Such computerized database shall contain a function to enable members of the public to determine if a given person is in the database because such person has business dealings with the city. For purposes of this definition, the term “person” shall include an entity that has business dealings with the city, any chief executive officer, chief financial officer and/or chief operating officer of such entity or persons serving in an equivalent capacity, any person employed in a senior managerial capacity regarding such entity, or any person with an interest in such entity which exceeds ten percent of the entity provided, however, that “entity” for purposes of this definition shall not include a neighborhood, community or similar association consisting of local residents or homeowners organized on a non-profit basis where such association is the applicant pursuant to subsection (3) of subdivision (a) of section 197-c of the charter or pursuant to section 201 of the charter or is a parent company or an affiliated company of an entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a supervisory capacity, either by virtue of title or duties, in which substantial discretion is exercised over the solicitation, letting or administration of any contract, franchise or concession, grant or economic development agreement with the city or application for any land use approval from the city.

§2. Section 3-703 of the administrative code of the city of New York is amended by adding two new subdivisions 1-a and 1-b to read as follows:

1-a. Notwithstanding any inconsistent provision of this section, a participating candidate or his or her principal committee may accept, either directly or by transfer, a contribution or contributions for a covered election from a natural person who has business dealings with the city, as that term is defined in subdivision eighteen of section 3-702 of this chapter, if the aggregate of such contributions to such candidate from such person for such election does not exceed: (i) for the office of mayor, public advocate or comptroller four hundred dollars; (ii) for borough president three hundred twenty dollars; (iii) for member of the city council

two hundred fifty dollars. Any contribution made pursuant to this section shall not be a matchable contribution. For purposes of this subdivision, “person” shall include any chief executive officer, chief financial officer and/or chief operating officer of an entity which has business dealings with the city, any person employed in a senior managerial capacity regarding such an entity, or any person with an interest in such an entity which exceeds ten percent of the entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a supervisory capacity, either by virtue of title or duties, in which substantial discretion is exercised over the solicitation, letting or administration of any contract, franchise, or concession, grant or economic development agreement with the city or application for any land use approval from the city. Notwithstanding any provision of this subdivision, the limitations on contributions contained herein shall not apply to any contribution made by a natural person who has business dealings with the city to a participating candidate or his or her principal committee where such participating candidate is the contributor, or where such participating candidate is the contributor’s parent, spouse, domestic partner, sibling, child, grandchild, aunt, uncle, cousin, niece or nephew by blood or by marriage.

1-b. Individuals and organizations having business dealings with the city of New York. a. Each participating candidate and his or her principal committee shall inquire of every individual or entity making, a contribution, loan, guarantee or other security for such loan in excess of the amounts set forth in subdivision 1-a of section 3-703, through a question, in a form prescribed by the campaign finance board, as to whether such individual, corporation, partnership, political committee, employee organization or other entity has business dealings with the city, as that term is defined in this chapter, and, if so, the name of the agency or entity with which such business dealings are or were carried on and the appropriate type or category of such business dealings. Such form shall contain in prominent typeface and in a prominent location the statement “If a contributor has business dealings with the City as defined in the campaign finance act, such contributor may contribute only up to two hundred fifty dollars for city council, three hundred twenty dollars for borough president and four hundred dollars for mayor, comptroller or public advocate.” Upon receipt of the response to

such inquiry (including any failure to respond), the principal committee shall keep a copy in its records and shall report each contribution to the board on the next applicable filing deadline in accordance with the board's disclosure schedule. The board shall check each contribution against the doing business database and shall notify the principal committee within twenty days of the reporting of such contribution if a contribution exceeding the doing business contribution limitation set forth in subdivision 1-a of section 3-703 is subject to such limitations of this subchapter or if a contribution is not matchable pursuant to such subdivision. Notwithstanding any provision in this subdivision, in the six weeks preceding the covered election the board shall provide such notification to the principal or authorized committee within three business days of the reporting of such contribution to the board in accordance with applicable reporting deadlines. If the board fails to notify the principal committee that a contribution is in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter in accordance with this subdivision, any such contribution shall be deemed valid for purposes of such limitation provided, however, that no such contribution shall be matchable. Such principal committee shall have twenty days from the date of any such notification to return the amount of any contribution in excess of the limitations set forth in subdivision 1-a of section 3-703 to the contributor. No violation shall issue and no penalty shall be imposed where such excess amount is postmarked or delivered within twenty days of such notification by the board and the board shall not designate a candidate as having accepted a contribution in excess of such limitations where such excess has been returned in accordance with the time limitations set forth herein. Failure to return such excess amount in accordance with the provisions herein shall not result in the board withholding public funds for which the participating candidate's principal committee is otherwise eligible pursuant to section 3-705 of this chapter; provided, however, that the board may deduct an amount equal to the total unreturned contributions in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter from such payment of public funds. For purposes of this section, "individual" shall include any chief executive officer, chief financial officer, and/or chief operating officer of an entity or persons serving in an equivalent capacity, any person in a senior managerial capacity

regarding an entity, or any person with an interest in an entity, which exceeds ten percent of the entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a supervisory capacity, either by virtue of title or duties, in which substantial discretion is exercised over the solicitation, letting or administration of any contract, franchise or concession, grant or economic development agreement with the city or application for any land use approval from the city. Notwithstanding any other provision of this section, no participating candidate shall be liable for any fine or penalty for the failure of any contributor to respond to any such request or for any erroneous response.

(i) the [first] tenth day of June in the year of the covered election, or such other later date as the board shall provide, provided, however that any candidate who files such written certification prior to such date shall be permitted to rescind such certification in writing on or before such date;

§5. Paragraph (d) of subdivision 1 of section 3-703 of the administrative code of the city of New York, as amended by local law 59 for the year 2004, is amended to read as follows:

(d) obtain and furnish to the campaign finance board and his or her principal committee or authorized committees must obtain and furnish to the board any information it may request relating to his or her campaign

expenditures or contributions and furnish such documentation and other proof of compliance with this chapter as may be requested by such board, provided, however, that the board shall accept such required documentation through an electronically scanned transmission;

§6. Section 3-703 of the administrative code of the city of New York is amended by adding a new subdivision 15 to read as follows:

15. Participating candidates, their campaign managers, treasurers or persons with significant managerial control over a campaign shall be required to attend a training provided by the campaign finance board concerning compliance with the requirements of the campaign finance program and use of the campaign finance program software.

§7. Subdivision 4 of section 3-705 of the administrative code of the city of New York, as amended by local law 58 for the year 2004, is amended to read as follows:

4. The campaign finance board shall make possible payment within four business days after receipt of reports of matchable contributions, or as soon thereafter as is practicable, but not earlier than the earliest dates for making such payments as provided in subdivisions five and six of section 3-709; provided, however, that the board shall withhold up to five percent of all public funds payments to participating candidates until the final pre-election payment for any given election. The board shall schedule a minimum of three payment dates within the thirty days prior to a covered election. For purposes of such payment dates, the board shall provide each candidate with a written determination specifying the basis for any non-payment. The board shall provide candidates with a process by which they may immediately upon receipt of such determination petition the board for reconsideration of any such non-payment and such reconsideration shall occur within five business days of the filing of such petition. In the event that the board denies such petition then it shall immediately notify the candidate of its right to appeal to appeal pursuant to article 78 of the civil practice law and rules.

§8. Subdivision 8 of section 3-708 of the administrative code of the city of New York, as separately amended by local laws numbered 58, 59 and 60 for the year 2004, is amended to read as follows:

8. The board shall have the authority to promulgate such rules and regulations and provide such forms as it deems necessary for the administration of this chapter. The board shall promulgate regulations concerning the form in which contributions and expenditures are to be reported, the periods during which such reports must be filed and the verification required. The board shall require the filing of reports of contributions and expenditures for purposes of determining compliance with paragraph (f) of subdivision one of section 3-703, section 3-706, subdivision 1-a of section 3-703, section 3-718, and section 3-719 in accordance with the schedule specified by the state board of elections for the filing of campaign receipt and expenditure statements.

§9. Paragraphs (a) and (b) of subdivision 5 of section 3-709.5 of the administrative code of the city of New York, as added by local law 58 for the year 2004, are amended, and a new subdivision 12 is added to read as follows:

In the case of a run-off primary election or a run-off special election, the sponsor may invite a non-participating candidate to participate in such debate. However, if a non-participating candidate does not accept such invitation to debate or does not appear at such debate, the debate shall go forward as scheduled; provided, however, if there is only one participating candidate or limited participating candidate participating in any such debate, [upon agreement by the debate sponsor, the board and the potential debater,] such debate [may] shall be canceled.

12. The city of New York shall indemnify each sponsor for any liability of such sponsor arising out of the acts or omissions of the city of New York in connection with the selection of candidates for participation in any debate, held pursuant to this section 3-709.5.

participating candidate from the fund was used for purposes other than qualified campaign expenditures, it shall notify such candidate and committee of the amount so disqualified and such candidate and committee shall pay to the board an amount equal to such disqualified amount; provided, however that in considering whether or not a participating candidate shall be required to pay to the board such amount or an amountlessamount less than the entire disqualified amount, the board shall act in accordance with the following: (i) where credible documentation supporting each qualified campaign expenditure exists but is incomplete, the board shall not impose such liability for such expenditure; (ii) where there is an absence of credible documentation for each qualified campaign expenditure, the board may impose liability upon a showing that such absence of credible documentation for such expenditure arose from a lack of adequate controls including, but not limited to trained staff, internal procedures to follow published board guidelines and procedures to follow standard financial controls.

§11. Paragraph b of subdivision 1 of section 3-719 of the administrative code of the city of New York, as added by local law 60 for the year 2004, is amended to read as follows:

Notwithstanding any contribution limitations in paragraphs (f) and (h) of subdivision one of section 3-703 and

Two members of the board shall be appointed by the mayor, provided that not more than one such member shall be enrolled in any one political party, and two members shall be appointed by the speaker of the council, provided that not more than one such member shall be enrolled in any one political party, and one member, who shall be the chairperson, shall be appointed by the mayor after consultation with the speaker. The members shall first be appointed to serve as follows:

- (a) one member appointed by the speaker for a term of one year;

- (e) the chairperson for a term of five years.

Each term shall commence on April first, nineteen hundred eighty-eight. Thereafter, each member shall be appointed for a term of five years by the mayor or the speaker, according to the original manner of appointment. Upon expiration of the term of a member, if the mayor or the speaker, as appropriate, shall fail to appoint a member within one hundred twenty days of the expiration of such term, the member whose term has

expired shall be deemed appointed for an additional term of five years, provided, however, that if the expiration of such term occurs in a year in which elections, except special elections, covered by the voluntary system of campaign finance reform are scheduled, the member whose term has expired shall be deemed appointed for an additional term of five years if the mayor or the speaker, as appropriate, shall fail to appoint a member within ninety days of the expiration of such term. In case of a vacancy in the office of a member, a member shall be appointed to serve the remainder of the unexpired term by the mayor or the speaker, according to the original manner of appointment. If the mayor or the speaker, as appropriate, shall fail to appoint a member within one hundred eighty days of such vacancy, then a member shall be appointed by the board to serve for the remainder of the unexpired term, if additional time remains in such term, provided, however, that if such vacancy occurs in a year, or within ninety days prior to a year, in which elections, except special elections, covered by the voluntary system of campaign finance reform are scheduled, then a member shall be appointed by the board to serve for the remainder of the unexpired term, if additional time remains in such term, if the mayor or the speaker, as appropriate, shall fail to appoint a member within ninety days of such vacancy. Except for the chairperson, such member shall not be enrolled in the same political party as the other member appointed by the official who failed to so appoint. Each member shall be a resident of the city, registered to vote therein. Each member shall agree not to make contributions to any candidate for nomination for election, or election, to the office of mayor, public advocate, comptroller, borough president, or member of the council which in the aggregate are in excess of the maximum contribution applicable to such office pursuant to any local law establishing a voluntary system of campaign finance reform. No member shall serve as an officer of a political party, or be a candidate, or participate in any capacity in a campaign by a candidate, for nomination for election or election to the office of mayor, public advocate, comptroller, borough president or member of the city council. Officers and employees of the city or any city agency, lobbyists required to file a statement of registration under section 3-213 of the administrative code and the employees of such lobbyists shall not be eligible to be members of the board. In appointing members to the board, the mayor and the speaker shall

§14. Subdivision a of section 1052 of chapter 46 of the New York city charter, as amended by vote of the electors of the city of New York at a general election held on November 3, 1998, is amended by adding a new paragraph 14 to read as follows:

14 a. The council and the mayor, in conjunction with the campaign finance board, shall develop a curriculum to be used to train members of the campaign finance board and staff. Such curriculum shall include the issues and problems confronted by campaigns for covered office and how the application and enforcement of the city's campaign finance laws impacts these campaigns.

§15. Paragraph 5 of subdivision a of section 1052 of chapter 46 of the New York city charter, as amended by vote of the electors of the city of New York at a general election held on November 3, 1998, is amended to read as follows:

5. The board shall have the power to investigate all matters relating to the performance of its functions and any other matter relating to the proper administration of any voluntary system of campaign finance reform established by local law and for such purposes shall have the power to require the attendance and examine and take the testimony under oath of such persons as it shall deem necessary and to require the production of books, accounts, papers and other evidence relative to such investigation. Notwithstanding any other provision of law, the investigative and adjudicatory powers and functions of the staff to the board shall be separate and no staff member of the board shall perform both investigative and adjudicatory tasks or functions.

§16. Subdivision 12 of section 3-702 of the administrative code of the city of New York, as amended by local law 58 for the year 2004, is amended to read as follows:

12. The term “intermediary” shall mean an individual, corporation, partnership, political committee, employee organization or other entity which, (i) other than in the regular course of business as a postal, delivery

For purposes of clause (ii) of this subdivision only persons clearly identified as the solicitor of a contribution to the candidate or his or her authorized committee shall be presumed to be known to such candidate or his or her authorized committee.

“Intermediary” shall not include spouses, domestic partners, parents, children or siblings of the person making such contribution, or any fundraising agent, as such term is defined in the rules of the board or any hosts of a campaign sponsored fundraising event paid for in whole or in part by the campaign. In addition, there shall be a rebuttable presumption that the following expenditures are in furtherance of a political campaign for elective office; provided, however that the presumptions contained in this subdivision shall not apply to an expenditure made when the expenditure is to a person or entity associated with the candidate making such expenditure or on whose behalf such candidate’s committee made such expenditure; and provided further that in rebutting any such presumption the campaign finance board may consider factors including the timing of the expenditure and whether the campaign had an unusually high amount of spending on a particular type of expenditure. For purposes of this subdivision a person or entity associated with a candidate includes a spouse, domestic partner, child, parent, sibling, or a person with whom the

candidate has a business or other financial relationship:

1. Contributions to charitable organizations designated as 501(c)(3) organizations pursuant to the internal revenue code;

7. The board shall conduct its campaign audits in accordance with generally accepted government auditing standards, and shall issue rules regarding what documentation is sufficient in demonstrating financial activity. These audit and examination powers extend to all participating candidates, limited participating candidates, and non-participating candidates, and the principal and authorized committees of all participating, limited participating, and non-participating candidates, provided that:

a. Any draft audit, the subject of which is a participating, limited participating, or non-participating candidate, or the principal and/or authorized committees of any participating, limited participating, or non-participating candidate shall be completed within (i) eight months after the submission of the final disclosure report for the covered election for city council races and borough-wide races; and (ii) ten months after the submission of the final disclosure report for the covered election for citywide races, unless the subject of such audit consents in writing to a longer period of time;

b. The campaign finance board shall provide each candidate a final audit, which shall contain the final resolution of all issues raised in the draft audit; such final audit shall be provided to the candidate, where such candidate or such candidate's campaign manager or treasurer has completed audit training provided by the board, (i) within fourteen months after the submission of the final disclosure report for the covered election, for city council races and borough-wide races; and (ii) sixteen months after the submission of the final disclosure report for the covered election for citywide races, unless the subject of such audit consents in writing to a longer period of time. Where such candidate or such candidate's campaign manager or treasurer has not completed audit training provided by the campaign finance board, such final audit shall be provided to such

candidate (i) within sixteen months after the submission of the final disclosure report for the covered election, for city council races and borough-wide races; and (ii) eighteen months after the submission of the final disclosure report for the covered election for citywide races, unless the subject of such audit consents in writing to a longer period of time. Provided, however, that where the issuance of such final audit is preceded by a notice of violations and recommended penalties and/or a notice of repayment of public funds, such notice or notices shall include all potential penalties and/or repayment obligations and a notice of a candidate's right to a hearing pursuant to section 3-710.5 or section 3-710(4) of this chapter and shall be provided to the candidate according to the deadlines applicable to final audits as set forth in this paragraph.

c. Any advice provided by board staff to participating, limited participating, or non-participating candidates with regard to an action shall be presumptive evidence that such action taken in reliance on such advice should not be subject to a penalty or repayment obligation where such candidate, or such candidate's committee has confirmed such advice in a writing to such board staff by registered or certified mail to the correct address, or by electronic or facsimile transmission with evidence of receipt, that describes the action to be taken pursuant to the advice given and the board or its staff has not responded to such written confirmation within seven business days disavowing or altering such advice, provided that the board's response shall be by registered or certified mail to the correct address, or by electronic or facsimile transmission with evidence of receipt.

d. Notwithstanding the provisions of paragraphs a and b of this section, if a committee has failed to respond to a request for information made by board auditors during the post-election audit process, the time period for completing the draft and final audits shall be tolled and extended by the number of days by which the committee has exceeded the original deadline for a response, provided that the committee has received timely written notice of: (a) the original deadline to provide the information, which shall not have been less than thirty days from the date such information was requested, and (b) the commencement of the tolling period pursuant to this section. If a committee has responded to a request for information made by board auditors but such

response is inadequate, the time period for completing the draft and final audits shall be tolled and extended by the number of days until an adequate response is provided, provided that the committee has received timely written notice of: (a) the original deadline to provide the information, which shall not have been less than thirty days from the date such information was requested, (b) the commencement of the tolling period pursuant to this section and (c) the detailed reasons why the original response was inadequate.

e. Notwithstanding any provision of law to the contrary, the deadlines provided in subdivisions a and b of this section for the completion of draft and final audits shall not apply in cases where the audit raises issues involving potential campaign-related fraud, potential other criminal activity, activity that may constitute a breach of certification pursuant to rules of the board, or potential significant violations of the limits set forth in section 3-706.

f. Notwithstanding any provision of the law to the contrary, the deadlines provided in subdivisions a and b of this section for the completion of draft and final audits shall not apply in the event that board operations are interrupted due to a catastrophic emergency such as a natural disaster or criminal event, provided that once board operations resume, the board shall within two weeks announce new deadlines for the completion of draft and final audits consistent with provisions a and b.

§27. Paragraph (c) of subdivision 2 of section 3-710 of the administrative code of the city of New York, as amended by local law 69 for the year 1990, is amended to read as follows:

2. (c) (i) If the total of contributions, other receipts, and payments from the fund received by a participating candidate and his or her principal committee exceed the total campaign expenditures of such candidate and committee for all covered elections held in the same calendar year or for a special election to fill a vacancy such candidate and committee shall use such excess funds to reimburse the fund for payments received by such committee from the fund during such calendar year or for such special election. [Such reimbursement shall be made not later than ten days after all liabilities have been paid and in any event, not later than either the closing date of the final disclosure report, or the day on which the campaign finance board

issues its final audit report for such participating committee, for such covered election, as shall be set forth in rules promulgated by the campaign finance board.] No such excess funds shall be used for any other purpose, unless the total amount of the payments received from the fund by the principal committee has been repaid.
