A Local Law to amend the administrative code of the city of New York, in relation to campaign finance.

*Be it enacted by the Council as follows:*

Section 1. Subdivisions 18 and 20 of section 3-702 of the administrative code of the city of New York, as added by local law number 34 for the year 2007, are amended to read as follows:

18. a. The term “business dealings with the city” shall mean (i) any contract (other than an emergency contract or a contract procured through publicly-advertised competitive sealed bidding) which is for the procurement of goods, [or] services or construction that is entered into or in effect with the city of New York or any agency or entity affiliated with the city of New York [(other than a contract procured through competitive sealed bidding, or one or more contracts with a single person or entity for the procurement of goods or services totaling not more than] and is valued at or above the dollar value [set forth] defined in [section 6-116.2(i)(3)(a)] subparagraph (a) of paragraph (3) of subdivision i of section 6-116.2 of the administrative code, or, [for construction totaling not more than] with respect to a contract for construction, at or above five hundred thousand dollars, or an emergency contract awarded pursuant to section 315 of the charter[]], and shall include any contract for the underwriting of the debt of the city of New York or any agency or entity affiliated with the city of New York and the retention of any bond counsel, disclosure counsel or underwriter’s counsel in connection therewith; or (ii) any acquisition or disposition of real property (other than a public auction or competitive sealed bid transaction or the acquisition of property pursuant to the department of environmental protection watershed land acquisition program) with the city of New York or any agency or entity affiliated with the city of New York; or (iii) any application for approval sought from the city of New York pursuant to the provisions of section 195 of the charter, any application for approval sought from the city of New York that has been certified pursuant to the provisions of section 197-c of the charter, and any application for a zoning text amendment that has been certified pursuant to section 201 of the charter; provided, however, that for purposes of this clause, with respect to section 195 an applicant shall include the lessor of an office building or office space, and with respect to section 197-c an applicant shall include a designated developer or sponsor of a project for which a city agency or local development corporation is the applicant and provided, further,

however, that owner-occupants of one, two and three family homes shall not be considered applicants pursuant to this clause; or (iv) [one or more concessions] any concession (other than [concessions] a concession awarded through publicly-advertised competitive sealed bid) or [franchises] any franchise from the city of New York or any agency or entity affiliated with the city of New York [with] which has an estimated [aggregate payments to the city of more than] annual value at or above the dollar value [set forth] defined in [section 6-116.2(i)(3)(a)] subparagraph (a) of paragraph (3) of subdivision i of section 6-116.2 of the administrative code [per fiscal year]; or (v) [one or more grants totaling not more than] any grant that is valued at or above the dollar value [set forth] defined in [section 6-116.2(i)(3)(a)] subparagraph (a) of paragraph (3) of subdivision i of section 6-116.2 of the administrative code, received from the city of New York or any agency or entity affiliated with the city of New York; or (vi) any economic development agreement entered into or in effect with the city of New York or any agency or entity affiliated with the city of New York; or (vii) any contract for the investment of pension funds, including investments in a private equity firm and contracts with investment related consultants. In addition, for purposes of this chapter a lobbyist as defined in section 3-211 of this title shall be deemed to be engaged in business dealings with the city of New York during all periods covered by a registration statement. For purposes of clauses (i), (iv) and (v) of this subdivision, all contracts, concessions, franchises and grants that are five thousand dollars or less in value shall be excluded from any calculation as to whether a contract, concession, franchise or grant is a business dealing with the city. For purposes of clauses (ii) and (iii) of this subdivision, the department of city planning, in consultation with the board, may promulgate rules to require the submission by applicants to the city of information necessary to implement the requirements of subdivisions 1-a and 1-b of section 3-703 of this chapter as they relate to clauses (ii) and (iii) of paragraph (a) of this subdivision for purposes of inclusion in the doing business database established pursuant to subdivision [(20)] 20 of this section. [For purposes of this subdivision, actions, transactions, and agreements for the purpose of providing affordable housing pursuant to the Private Housing Finance Law or the General Municipal Law or any other city, state or federal program, including but not limited to actions, transactions and agreements for

such purposes which involve land dispositions, loans, grants, real property tax exemptions, zoning bonuses, low income housing tax credits, rent subsidies, or agreements imposing limitations on the incomes of residents or on the rents or other charges to be paid by such residents, shall not constitute business dealings with the city of New York.] For purposes of this subdivision, “agency or entity affiliated with the city of New York” shall mean the city school district of the city of New York and any public authority, public benefit corporation or not for profit corporation, the majority of whose board members are officials of the city of New York or are appointed by such officials. The department of housing preservation and development shall promulgate rules setting forth which categories of actions, transactions and agreements providing affordable housing shall and shall not constitute business dealings with the city of New York for purposes of this subdivision. The department shall consider the significance of the affordable housing program and the degree of discretion by city officials in determining which actions, transactions and agreements shall and shall not constitute such business dealings. Notwithstanding any provision of this subdivision, a housing assistance payment contract between a landlord and the department of housing preservation and development or the New York city housing authority relating to the provision of rent subsidies pursuant to Section 8 of the United States Housing Act of 1937, 42 USC 1437 et., seq., shall not constitute business dealings with the city of New York for the purposes of this subdivision.

b. Business dealings with the city as defined in this subdivision shall be [limited] as follows: for purposes of clause (i) of paragraph (a) of this subdivision, bids or proposals on contracts for the procurement of goods, services, or construction shall only constitute business dealings with the city of New York for the period from the later of the submission of the bid or proposal or the date of the public advertisement for the contract opportunity until twelve months after the date of such submission or advertisement, and contracts for the procurement of goods, services or construction shall only constitute business dealings with the city of New York during the term of such contract (or in the case of purchase contracts for goods, from the date of such purchase) and for twelve months [after the end of such term] thereafter, provided, however that where such

contract award is made from a line item appropriation and/or discretionary funds made by an elected official other than the mayor or the comptroller, such contract shall only constitute business dealings with the city from the date of adoption of the budget in which the appropriation of such contract is included until twelve months after the end of the term of such contract; for purposes of clause (ii) of paragraph a of this subdivision, leases in which the city of New York is the proposed lessee[,] shall only constitute business dealings with the city from the date the application for acquisition is filed pursuant to section 195 or the date of the certification of such application pursuant to section 197-c to a period of one year after the commencement of the lease term or after the commencement of any renewal and, where the city or any city affiliated entity is disposing of any real property interest, shall only constitute business dealings with the city from the date of the submission of a proposal and during the term of any agreement and one year after; for purposes of clause (iii) of paragraph (a) of this subdivision, applications for approval sought from the city of New York pursuant to the provisions of sections 197-c or 201 of the charter, except for applications for leases as described in clause (ii), shall only constitute business ~~[dealing]~~ dealings with the city from the date of the certification of such application to the date that is one hundred twenty days after the date of filing by the council with the mayor of its action pursuant to subdivision e of section 197-d of the charter or, in the case of a decision of the city planning commission for which the council takes no action pursuant to paragraph (3) of subdivision (b) of section 197-d of the charter, the date which is twenty days following the filing of such decision with the council pursuant to subdivision a of section 197-d of the charter, provided, however, that in the case of a disapproval of a council action by the mayor pursuant to subdivision e of section 197-d of the charter, such date shall be one hundred twenty days after expiration of the ten day period for council override pursuant to such section; for purposes of clause (iv) of paragraph (a) of this subdivision, bids or proposals for franchises and concessions shall only constitute business dealings with the city of New York for the period from the submission of the bid or proposal until twelve months after the date of such submission, concessions shall only constitute business dealings with the city of New York during the term of such concession and for twelve months after the end of such term, and

franchises shall only constitute business dealings with the city of New York for the period of one year after the commencement of the term of the franchise or after the commencement of any renewal; for purposes of clause (v) of paragraph (a) of this subdivision, grants shall constitute business dealings with the city of New York for one year after the grant is made; for purposes of clause (vi) of paragraph (a) of this subdivision, economic development agreements shall constitute business dealings with the city from the submission of an application for such agreement and during the term of such agreement and for one year after the end of such term; and for purposes of clause (vii) of paragraph (a) of this subdivision, contracts for the investment of pension funds, including the investments in a private equity firm and contracts with investment related consultants shall constitute business dealings with the city from the time of presentation of investment opportunity or the submission of a proposal, whichever is earlier, and during the term of such contract and for twelve months after the end of such term.

c. Notwithstanding anything in this subdivision, a person, as defined by subdivision 20 of section 3-702, who has submitted bids or proposals on contracts for the procurement of goods, services or construction or who has submitted bids or proposals for franchises or concessions that are no longer being considered for an award or a person who for any other reason believes he or she should not be on the database may apply to the city chief procurement officer or other person designated by the mayor for removal from the doing business database and shall be removed from the database upon a determination that said person should not be included in the database. The city chief procurement officer may promulgate rules for a process by which a person, as defined by subdivision 20 of section 3-702, may apply to the city chief procurement officer for a waiver from inclusion in the doing business database as defined by such subdivision in instances in which such person is providing essential goods, services or construction such as those necessary for security or other essential government operations. Such rules shall provide that the city chief procurement officer shall transmit to the board a copy of any application for a waiver and any such waiver may not be granted prior to the expiration of ten days from the date such application is received by the board. Such rules shall also provide that any such

waiver may be granted only after substantial efforts have been made by the city chief procurement officer to obtain the information required by this law. Such rules shall also provide that the city chief procurement officer may grant the waiver only upon a finding that it is in the best interests of the city, which finding shall only be made upon a determination that (i) there is a compelling need to obtain such essential goods, services or construction from the person seeking the exemption and (ii) no other reasonable alternative exists in light of such considerations as cost, uniqueness and the critical nature of such goods, services or construction to the accomplishment of the purchasing agency's mission. Such rules may also provide that a waiver may be granted when a person is doing business with the city by virtue of the city's exercise of its powers of eminent domain. Any grant of a waiver shall be posted on the city's and the board's website in locations that are accessible by the public.

d. A person, as defined by subdivision 20 of section 3-702, shall be considered to have business dealings with the city as of the date the person's name is entered in the doing business database, as such date is indicated in such database, or the date the person began doing business with the city, as such date is indicated in such database, whichever is earlier, except that the date on which the person is considered doing business with the city shall not be earlier than thirty days before the date the person's name is entered into such database.

20. The term "doing business database" means a computerized database accessible to the board that contains the names of persons who have business dealings with the city; provided, however, that for purposes of this chapter the doing business database shall not be required to contain the names of any person whose business dealings with the city are solely of a type for which the board has not certified that such database includes the names of those persons engaged in such type of business dealings with the city. Such database shall be developed, maintained and updated by the office of the mayor in a manner so as to ensure its reasonable accuracy and completeness; provided, however, that in no event shall such database be updated less frequently than once a month. Such computerized database shall contain a function to enable members of the public to determine if a given person is in the database because such person has business dealings with the city.

For purposes of this definition, the term “person” shall include an entity that has business dealings with the city, any chief executive officer, chief financial officer and/or chief operating officer of such entity or persons serving in an equivalent capacity, any person employed in a senior managerial capacity regarding such entity, or any person with an interest in such entity which exceeds ten percent of the entity, provided, however, that “entity” for purposes of this definition shall not include a neighborhood, community or similar association consisting of local residents or homeowners organized on a non-profit basis where such association is the applicant pursuant to subsection (3) of subdivision (a) of section 197-c of the charter or pursuant to section 201 of the charter or is a parent company or an affiliated company of an entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a high level supervisory capacity, either by virtue of title or duties, in which substantial discretion and oversight is exercised over the solicitation, letting or administration of [any contract, franchise or concession, grant or economic development agreement with the city or application for any land use approval from the city] business transactions with the city, including contracts, franchises, concessions, grants, economic development agreements and applications for land use approvals.

§2. Subdivisions 1-a and 1-b of section 3-703 of the administrative code of the city of New York, as added by local law 34 for the year 2007, are amended to read as follows:

1-a. Notwithstanding any inconsistent provision of this section, a participating candidate or his or her principal committee may not accept, either directly or by transfer, [a] any contribution or contributions for a covered election in which he or she is a participating candidate from a natural person who has business dealings with the city, as that term is defined in subdivision eighteen of section 3-702 of this chapter, if the aggregate of such contributions to such candidate from such person for [such election does not exceed] all covered elections in the same calendar year exceeds: (i) for the office of mayor, public advocate or comptroller four hundred dollars; (ii) for borough president three hundred twenty dollars; and (iii) for member of the city council two hundred fifty dollars; provided that a participating candidate or his or her principal committee may accept additional contributions which do not exceed one half the amount of the applicable limitation for any run-off

primary election, additional day for voting held pursuant to section 3-108 of the New York state election law, special election to fill a vacancy, run-off special election to fill a vacancy, delayed or otherwise postponed election, or election held pursuant to court order which is a covered election and in which the candidate seeks nomination for election or election. Any contribution made pursuant to this section shall not be a matchable contribution. For purposes of this subdivision, “person” shall include any chief executive officer, chief financial officer and/or chief operating officer of an entity which has business dealings with the city, any person employed in a senior managerial capacity regarding such an entity, or any person with an interest in such an entity which exceeds ten percent of the entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a high level supervisory capacity, either by virtue of title or duties, in which substantial discretion and oversight is exercised over the solicitation, letting or administration of [any contract, franchise, or concession, grant or economic development agreement with the city or application for any land use approval from the city] business transactions with the city, including contracts, franchises, concessions, grants, economic development agreements and applications for land use approvals. Notwithstanding any provision of this subdivision, the limitations on contributions contained herein shall not apply to any contribution made by a natural person who has business dealings with the city to a participating candidate or his or her principal committee where such participating candidate is the contributor, or where such participating candidate is the contributor’s parent, spouse, domestic partner, sibling, child, grandchild, aunt, uncle, cousin, niece or nephew by blood or by marriage.

1-b. Individuals and organizations having business dealings with the city of New York. a. Each participating candidate and his or her principal committee shall inquire of every individual or entity making, a contribution, loan, guarantee or other security for such loan in excess of the amounts set forth in subdivision 1-a of section 3-703, through a question, in a form prescribed by the campaign finance board, as to whether such individual, corporation, partnership, political committee, employee organization or other entity has business dealings with the city, as that term is defined in this chapter, and, if so, the name of the agency or entity with

which such business dealings are or were carried on and the appropriate type or category of such business dealings. Such form shall contain in prominent typeface and in a prominent location the statement “If a contributor has business dealings with the City as defined in the campaign finance act, such contributor may contribute only up to two hundred fifty dollars for city council, three hundred twenty dollars for borough president and four hundred dollars for mayor, comptroller or public advocate.” Upon receipt of the response to such inquiry (including any failure to respond), the principal committee shall keep a copy in its records and shall report each contribution to the board on the next applicable filing deadline in accordance with the board’s disclosure schedule. The board shall check each contribution against the doing business database and shall notify the principal committee within twenty days of the reporting of such contribution if a contribution exceeding the doing business contribution limitation set forth in subdivision 1-a of section 3-703 is subject to such limitations of this subchapter or if a contribution is not matchable pursuant to such subdivision. Notwithstanding any provision in this subdivision, in the six weeks preceding the covered election the board shall provide such notification to the principal or authorized committee within three business days of the reporting of such contribution to the board in accordance with applicable reporting deadlines. If the board fails to notify the principal committee that a contribution is in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter in accordance with this subdivision, any such contribution shall be deemed valid for purposes of such limitation, provided, however, that no such contribution shall be matchable. Such principal committee shall have twenty days from the date of any such notification to return the amount of any contribution in excess of the limitations set forth in subdivision 1-a of section 3-703 to the contributor. No violation shall issue and no penalty shall be imposed where such excess amount is postmarked or delivered within twenty days of such notification by the board and the board shall not designate a candidate as having accepted a contribution in excess of such limitations where such excess has been returned in accordance with the time limitations set forth herein. Failure to return such excess amount in accordance with the provisions herein shall not result in the board withholding public funds for which the participating candidate’s principal

committee is otherwise eligible pursuant to section 3-705 of this chapter; provided, however, that the board may deduct an amount equal to the total unreturned contributions in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter from such payment of public funds. For purposes of this section, “individual” shall include any chief executive officer, chief financial officer, and/or chief operating officer of an entity or persons serving in an equivalent capacity, any person in a senior managerial capacity regarding an entity, or any person with an interest in an entity, which exceeds ten percent of the entity. For purposes of this subdivision, the phrase “senior managerial capacity” shall mean a high level supervisory capacity, either by virtue of title or duties, in which substantial discretion and oversight is exercised over the solicitation, letting or administration of [any contract, franchise, or concession, grant or economic development agreement with the city or application for any land use approval from the city] business transactions with the city, including contracts, franchises, concessions, grants, economic development agreements, and applications for land use approvals. Notwithstanding any other provision of this section, no participating candidate shall be liable for any fine or penalty for the failure of any contributor to respond to any such request or for any erroneous response.

§3. Subparagraph (i) of paragraph c of subdivision 1 of section 3-703 of the administrative code of the city of New York, as amended by local law 34 for the year 2007, is amended to read as follows:

(i) the tenth day of June in the year of the covered election, or such other later date as the board shall provide, provided, however, that any candidate who files such written certification prior to such date shall be permitted to rescind such certification in writing on or before such date;

§4. Subdivision 10 of section 3-705 of the administrative code of the city of New York, as added by local law 34 for the year 2007, are amended to read as follows:

10. [Participating candidates] A participating candidate who [lose] loses in the primary election but [remain] remains on the ballot for the general election must certify to the board before receiving public funds that [they] he or she will actively campaign for office; [by including,] such campaign activity shall include, but

not be limited to, raising and spending funds, seeking endorsements, and broadly soliciting votes [before receiving public funds].

§5. Subdivision 4 of section 3-705 of the administrative code of the city of New York, as amended by local law 34 for the year 2007, is amended to read as follows:

4. The campaign finance board shall make possible payment within four business days after receipt of reports of matchable contributions, or as soon thereafter as is practicable, but not earlier than the earliest dates for making such payments as provided in subdivisions five and six of section 3-709; provided, however, that the board shall withhold up to five percent of all public funds payments to participating candidates until the final pre-election payment for any given election. The board shall schedule a minimum of three payment dates within the thirty days prior to a covered election. For purposes of such payment dates, the board shall provide each candidate with a written determination specifying the basis for any non-payment. The board shall provide candidates with a process by which they may immediately upon receipt of such determination petition the board for reconsideration of any such non-payment and such reconsideration shall occur within five business days of the filing of such petition. In the event that the board denies such petition then it shall immediately notify the candidate of [its] his or her right to [appeal to appeal] bring a special proceeding pursuant to article 78 of the civil practice law and rules.

§6. Subparagraph (i) of paragraph (b) of subdivision 5 of section 3-709.5 of the administrative code of the city of New York, as amended by local law 34 for the year 2007, and subdivision 12 of section 3-709.5 of the administrative code of the city of New York, as added by local law 34 for the year 2007, are amended to read as follows:

(b)(i) Except as otherwise provided in subparagraph (ii) below, each debate for a primary, general or special election shall include only those participating candidates or limited participating candidates the sponsor of each such debate has determined meet the non-partisan, objective, and non-discriminatory criteria set forth in any agreement between the sponsor and the board; provided, however, that the criteria for the first debate for a

primary, general, or special election shall provide, among other criteria, (A) that a participating candidate shall be eligible to participate in such debate if he or she has, by the last filing date prior to such debate, (I) spent, contracted, or obligated to spend, and (II) received in contributions, an amount equal to or more than twenty percent of the threshold for eligibility for public funding applicable to participating candidates contained in subdivision two of section 3-703, and (B) that a limited participating candidate shall be eligible to participate in such debate if he or she has, by the last filing date prior to such debate, spent, contracted, or obligated to spend, an amount equal to or more than twenty percent of the threshold for eligibility for public funding applicable to participating candidates seeking the office for which such debate is being held contained in subdivision two of section 3-703; provided, however, that for the purpose of determining whether a candidate has met the financial criteria to be eligible to participate in such debate, only contributions raised and spent in compliance with the act shall be used to determine whether the candidate has raised and spent twenty percent of the threshold for eligibility for public funding applicable to participating candidates contained in subdivision two of section 3-703; provided, further, that the second debate for a primary, general, or special election shall include only those participating candidates or limited participating candidates who the sponsor has also determined are leading contenders on the basis of additional non-partisan, objective, and non-discriminatory criteria set forth in any agreement between the sponsor and the board. Nothing in this provision is intended to limit the debates to the two major political parties.

12. The city of New York shall indemnify each sponsor for any liability of such sponsor arising out of the acts or omissions of the city of New York in connection with the selection of candidates for participation in any debate[,] held pursuant to this section 3-709.5.

§7. Paragraph b of subdivision 2 of section 3-710 of the administrative code of the city of New York, as amended by local law 34 for the year 2007, is amended to read as follows:

b. If the board determines that any portion of the payment made to a principal committee of a participating candidate from the fund was used for purposes other than qualified campaign expenditures, it shall

notify such candidate and committee of the amount so disqualified and such candidate and committee shall pay to the board an amount equal to such disqualified amount; provided, however, that in considering whether or not a participating candidate shall be required to pay to the board such amount or an ~~[amountless]~~ amount less than the entire disqualified amount, the board shall act in accordance with the following: (i) where credible documentation supporting each qualified campaign expenditure exists but is incomplete, the board shall not impose such liability for such expenditure; and (ii) where there is an absence of credible documentation for each ~~[qualified\_campaign]~~ qualified campaign expenditure, the board may impose liability upon a showing that such absence of credible documentation for such expenditure arose from a lack of adequate controls including, but not limited to trained staff, internal procedures to follow published board guidelines and procedures to follow standard financial controls.
