By Council Members Katz and Garodnick

WHEREAS, the City Planning Commission filed with the Council on March 19, 2008, its decision and report dated March 12, 2008 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development ("HPD"), pursuant to Section 505 of Article 15 of the General Municipal Law of New York State and Section 197-c of the New York City Charter, regarding the proposed Third Amended Bathgate Urban Renewal Plan (the "Plan") for the Bathgate Urban Renewal Area (the "Area") (ULURP No. C 080232 HUX), Community District 3, Borough of the Bronx (the "Application");

WHEREAS, the Application is related to ULURP Applications Numbers C 080233 ZMX (L.U. No. 727), an urban development action area project designation and project approval, and disposition of city-owned properties to a developer to be selected by the Department of Housing Preservation and Development;

WHEREAS, the City Planning Commission has certified that the Plan for the Area complies with the provisions of Section 502 of the General Municipal Law, conforms to the comprehensive community plan for the development of the municipality as a whole and is consistent with local objectives, and that the Plan is in conformity with the findings and designation of the Area;

RESOLVED:

The Council finds that the actions described herein will have no significant effect on the environment;

Pursuant to Section 504 of the General Municipal Law, the Council approves the Designation of the Area.

Pursuant to Section 505(4) of the General Municipal Law, the Council finds that:

1. The Area is a substandard or insanitary area or is in danger of becoming a substandard or insanitary area and tends to impair or arrest the sound growth and development of the municipality;
2. The financial aid to be provided to the municipality is necessary to enable the project to be undertaken in accordance with the Plan;
3. The Plan affords maximum opportunity to private enterprise, consistent with the sound needs of the municipality as a whole, for the undertaking of an urban renewal program;
4. The Plan conforms to a comprehensive community plan for the development of the municipality as a whole;
5. There is a feasible method for the relocation of families and individuals displaced from the Area into decent, safe and sanitary dwellings, which are or will be provided in the Area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities, at rents or prices within the financial means of such families or individuals, and reasonably accessible to their places of employment; and

6. The undertaking and carrying out of the urban renewal activities in stages is in the best public interest and will not cause any additional or increased hardship to the residents of the Area.

Pursuant to Section 505 of the General Municipal Law, the Council approves the Third Amended Bathgate Urban Renewal Plan for the Bathgate Urban Renewal Area, dated December 2007.

Pursuant to Section 197-d of the New York City Charter, and on the basis of the Decision and Application, the Council approves the Decision.

Adopted.
