A Local Law to amend the administrative code of the city of New York, in relation to the sale of water liens.

Be it enacted by the Council as follows:

Section 1. Subdivisions a and a-1 of section 11-319 of the administrative code of the city of New York, as amended by local law number 68 for the year 2007, are amended to read as follows:

a. A tax lien or tax liens on a property or any component of the amount thereof may be sold by the city as authorized by subdivision b of this section, when such tax lien or tax liens shall have remained unpaid in whole or in part for one year, provided, however, that a tax lien or tax liens on any class 1 property or on class 2 property that is a residential condominium or residential cooperative, as such classes of property are defined in subdivision 1 of section 1802 of the real property tax law, may be sold by the city only when the real property tax component of such tax lien or tax liens shall have remained unpaid in whole or in part for three years or, in the case of abandoned class 1 property or abandoned class 2 property that is a residential condominium or residential cooperative, for eighteen months, and after such sale, shall be transferred, in the manner provided by this chapter, and provided, further, however, that (i) the real property tax component of such tax lien may not be sold pursuant to this subdivision on any residential real property in class 1 that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or where the owner of such residential real property in class 1 has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date and (ii) the sewer rents component, sewer surcharges component or water rents component of such tax lien may not be sold pursuant to this subdivision on any one family residential real property in class 1 or on any two or three family residential real property in class 1 that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or pursuant to subdivision 4 of section four hundred twenty five of the real property tax law or where the owner of any two or three family residential real property in class 1 has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date.

A tax lien or tax liens on any property classified as a class 2 property, except a class 2 property that is a residential condominium or residential cooperative, or class 3 property, as such classes of property are

defined in subdivision 1 of section 1802 of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale. Notwithstanding any provision of this subdivision to the contrary, any such tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component. A tax lien or tax liens on a property classified as a class 4 property, as such class of property is defined in subdivision 1 of section 1802 of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component or sewer rents component or sewer surcharges component or water rents component as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, provided, however, that any tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component, sewer rents component, sewer surcharges component or water rents component. For purposes of this subdivision, the words "real property tax" shall not include an assessment or charge upon property imposed pursuant to section 25-411 of the administrative code. A sale of a tax lien or tax liens shall include, in addition to such lien or liens that have remained unpaid in whole or in part for one year, or, in the case of any class 1 property or class 2 property that is a residential condominium or residential cooperative, when the real property tax component of such lien or liens has remained unpaid in whole or in part for three years, any taxes, assessments, sewer rents, sewer surcharges, water rents, any other charges that are made a lien subject to the provisions of this chapter, the costs of any advertisements and notices given pursuant to this chapter, any other charges that are due and payable, a surcharge pursuant to section 11-332 of this chapter, and interest and penalties thereon or such component of the amount thereof as shall be determined by the commissioner of finance. The commissioner of finance may promulgate rules defining "abandoned" property, as such term is used in this subdivision.

a-1. A subsequent tax lien or tax liens on a property or any component of the amount thereof

may be sold by the city pursuant to this chapter, provided, however, that notwithstanding any provision in this chapter to the contrary, such tax lien or tax liens may be sold regardless of whether such tax lien or tax liens have remained unpaid in whole or in part for one year and, notwithstanding any provision in this chapter to the contrary, in the case of any class 1 property or class 2 property that is a residential condominium or residential cooperative, such tax lien or tax liens may be sold if the real property tax component of such tax lien or tax liens has remained unpaid in whole or in part for one year, and provided, further, however, that (i) the real property tax component of such tax lien may not be sold pursuant to this subdivision on any residential real property in class 1 that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or where the owner of such residential real property in class 1 has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date and (ii) the sewer rents component, sewer surcharges component or water rents component of such tax lien may not be sold pursuant to this subdivision on any one family residential real property in class 1 or on any two or three family residential real property in class 1 that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or pursuant to subdivision 4 of section four hundred twenty five of the real property tax law or where the owner of any two or three family residential real property in class 1 has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date. For purposes of this subdivision, the term "subsequent tax lien or tax liens" shall mean any tax lien or tax liens on property that become such on or after the date of sale of any tax lien or tax liens on such property that have been sold pursuant to this chapter, provided that the prior tax lien or tax liens remain unpaid as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale of the subsequent tax lien or tax liens. A subsequent tax lien or tax liens on any property classified as a class 2 property, except a class 2 property that is

a residential condominium or residential cooperative, or class 3 property, as such classes of property are defined in subdivision 1 of section 1802 of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale. Notwithstanding any provision of this subdivision to the contrary, any such tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component. A subsequent tax lien or tax liens on a property classified as a class 4 property, as such class of property is defined in subdivision 1 of section 1802 of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component or sewer rents component or sewer surcharges component or water rents component as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, provided, however, that any tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component, sewer rents component, sewer surcharges component or water rents component. For purposes of this subdivision, the words "real property tax" shall not include an assessment or charge upon property imposed pursuant to section 25-411 of the administrative code. Nothing in this subdivision shall be deemed to limit the rights conferred by section 11-332 of this chapter on the holder of a tax lien certificate with respect to a subsequent tax lien.

§ 2. Subdivisions a-2 and a-3 of section 11-319 of the administrative code of the city of New York, as added by local law 68 for the year 2007, are amended to read as follows:

a-2. In addition to any sale authorized pursuant to subdivision a or subdivision a-1 of this section and notwithstanding any provision of this chapter to the contrary, beginning on [December] August first, two thousand [seven] nine, the water rents, sewer rents and sewer surcharges components of any tax lien on any class of real property, as such real property is classified in subdivision one of section eighteen hundred two of the real property tax law, may be sold by the city pursuant to this chapter, where such water rents, sewer rents

or sewer surcharges component of such tax lien, as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale: (i) shall have remained unpaid in whole or in part for [one year] three years, and (ii) equals or exceeds the sum of one thousand dollars; provided, however, that such water rents, sewer rents or sewer surcharges component of such tax lien may not be sold pursuant to this subdivision on any one family residential real property in class one or on any two or three family residential real property in class one that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or pursuant to subdivision 4 of section four hundred twenty five of the real property tax law or where the owner of any two or three family residential real property in class one has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date. After such sale, any such water rents, sewer rents or sewer surcharges component of such tax lien may be transferred in the manner provided by this chapter. Beginning August 1, 2009, the commissioner of the department of environmental protection, after consultation with the commissioner of finance, shall use best efforts to identify owners of residential real property in class 1 listed in such publication eligible to receive an exemption pursuant to section 11-245.3 or 11-245.4 of this title or pursuant to subdivision 4 of section four hundred twenty five of the real property tax law or any two or three family residential real property in class 1 eligible to receive a credit pursuant to subsection (e) of section six hundred six of the tax law, and may exclude such real property from the sale of a tax lien or tax liens imposed by this subdivision. Such efforts shall include the use of public or private online databases that reliably ascertain the name and age of owners of residential real property in class 1, and the use of financial information on file at the department of finance for other exemptions, credits, and abatements that are received by such owner.

a-3. In addition to any sale authorized pursuant to subdivision a or subdivision a-1 of this section and notwithstanding any provision of this chapter to the contrary, beginning on [December] August

first, two thousand [seven] nine, a subsequent tax lien on any class of real property, as such real property is classified in subdivision one of section eighteen hundred two of the real property tax law, may be sold by the city pursuant to this chapter, regardless of whether such subsequent tax lien, or any component of the amount thereof, shall have remained unpaid in whole or in part for [one year] three years, and regardless of whether such subsequent tax lien, or any component of the amount thereof, equals or exceeds the sum of one thousand dollars; provided, however, that such subsequent tax lien may not be sold pursuant to this subdivision on any one family residential real property in class one or on any two or three family residential real property in class one that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title or pursuant to subdivision 4 of section four hundred twenty five of the real property tax law or where the owner of any two or three family residential real property in class one has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date. After such sale, any such subsequent tax lien, or any component of the amount thereof, may be transferred in the manner provided by this chapter. For purposes of this subdivision, the term “subsequent tax lien” shall mean the water rents, sewer rents or sewer surcharges component of any tax lien on property that becomes such on or after the date of sale of any water rents, sewer rents or sewer surcharges component of any tax lien on such property that has been sold pursuant to this chapter, provided that the prior tax lien remains unpaid as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale of the subsequent tax lien. Nothing in this subdivision shall be deemed to limit the rights conferred by section 11-332 of this chapter on the holder of a tax lien certificate with respect to a subsequent tax lien.
