Int. No. 28

By Council Members Barron, Gentile, James, Chin and Dromm

A Local Law to amend the administrative code of the city of New York in relation to requiring carbon monoxide detectors in certain public spaces.

Be it enacted by the Council as follows:

Section 1. Section 908.7.2 of section BC 908 of the administrative code of the city of New York is amended to read as follows:

§908.7.2 Group A-1, A-2, E, I-2 and I-4 occupancies. Listed carbon monoxide alarms or detectors shall be installed as follows:

1. Carbon monoxide alarms shall be installed within any occupied space containing carbon monoxide producing equipment and in all occupied spaces above and below the story where carbon monoxide producing equipment or enclosed parking is located.

2. Carbon monoxide detectors and audible notification appliances shall be installed within any

unoccupied space containing carbon monoxide producing equipment. Such detector shall activate an audible alarm at a constantly attended location.

§2. This local law shall take effect thirty days from its enactment.
