water service pipelines and known private shared water service pipelines on the city's website in the form of an

online interactive map, pursuant to section 23-803. Such online interactive map shall be searchable by address

and borough, block and lot number.

§ 2. Chapter 5 of title 24 of the administrative code of the city of New York is amended by adding a new

section 24-532 to read as follows:

§ 24-532 Locations of temporary or shared sewer service pipelines. a. Definitions. For purposes of this

section, the term "shared sewer service pipeline" means a sewer pipeline that connects to one or more

properties from one service pipe connection to the city sewer main.

b. The department of environmental protection shall publish the locations of known temporary sewer

service pipelines, as defined in section 24-506, and known shared sewer service pipelines on the city's website

in the form of an online interactive map, pursuant to section 23-803. Such online interactive map shall be

searchable by address and borough, block and lot number.

§ 3. Section 23-803 of the administrative code of the city of New York, as added by local law number

65 for the year 2019, is amended to read as follows:

§ 23-803 Online interactive map. The department of environmental protection shall provide to the

public, at no charge, on the city's website, an online interactive map pursuant to [section] sections 24-309.1, 24

-309.2 and 24-532. All information required by section 24-309.1 shall be available on the city's website on or

before June 1, 2019 and updated, at minimum, in June of each year. All information required by sections 24-

309.2 and 24-532 shall be available on the city's website on or before June 1, 2023 and updated, at minimum,

in June of each year. The mayor shall ensure that agencies provide such department with assistance and

information as it requires to compile and update the interactive map.

§ 4. This local law takes effect 120 days after it becomes law.
