By Council Members Crowley, Comrie and Nelson

A Local Law to amend the administrative code of the city of New York, in relation to illegal signs.

Be it enacted by the Council as follows:

Section 1. Article 501 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-501.4.1 to read as follows:

§28-501.4.1. Notice. Notice of violation to a person charged with a violation for any outdoor sign that violates any provision of the zoning resolution, this code, the 1968 building code or rules adopted pursuant thereto, shall be made upon such person no later than five days after an authorized employee or agent of the department initially drafts such notice of violation.

§2. Title 28 of the administrative code of the city of New York is amended by adding a new section 28-501.7 to read as follows:

§28-501.7 Grace period. Where a person has been charged with a violation for any outdoor sign that

violates any provision of the zoning resolution, this code, the 1968 building code or rules adopted pursuant thereto, and such person has never previously been found in violation of any provision of the zoning resolution, this code, the 1968 building code or rules adopted pursuant thereto, relating to outdoor signs, the commissioner shall provide such person with a grace period to correct the alleged violation. The commissioner shall determine the duration of the grace period, provided that (1) such grace period commences on the date when the first notice of violation is issued and (2) no subsequent notice of violation for the same violation at the same location be issued to the respondent and no penalty imposed upon the respondent unless such respondent has not corrected the alleged violation within the time period provided by the grace period. For the purposes of this section, each day's continuance of the violation shall not be a separate and distinct violation, as provided by section 28-501.4 of this title, unless the alleged violation is not corrected by the end of the grace period, in which case, each day's continuance of the violation after the grace period has expired shall be a separate and distinct violation.

§3. Chapter 5 of title 20 of the administrative code of the city of New York is amended by adding a new subchapter 16 to read as follows:

SUBCHAPTER 16

2. "Knowledge" means only actual knowledge of a defect or condition on the part of the seller of residential real property.

3. "Real estate purchase contract" means any of the following: (a) a contract which provides for the purchase and sale or exchange of residential real property;

(b) a lease with an option to purchase residential real property;
