COMMITTEE ON AGING

SERGEANT AT ARMS: Good afternoon and welcome to today's New York City Council Hearing for the Committee on Aging. At this time, please silence all electronic devices. Chair, we are ready to begin.

CHAIRPERSON HUDSON: Thank you so much and welcome again to today's hearing with the Aging Committee. My name is Crystal Hudson, I'm Chair of the Committee and I'm really excited and proud to be voting on three really great bills today as part of my Age in Place NYC package. One is to ensure culturally competent services in older adult centers. Another is to ensure that folks ages 60 and older will not be evicted from their homes and will have access to the right to counsel and the third is a bill that would require DFTA or NYC Aging, as we know them to be now to maintain and distribute a Know Your Rights pamphlet for older adults. It's not enough for folks to be able to come into older adult centers and get information. We need to make sure that the information is getting to them in their hands and at their doors.

So, thank you to all of my colleagues for being here and for being on the bills and supporting this package of legislation.
