After consulting with the City Clerk and Clerk of the Council (Mr. McSweeney), the presence of a quorum was announced by the Majority Leader and Acting President Pro Tempore (Council Member Cumbo).

There were 45 Council Members marked present at this Stated Meeting held in the Council Chambers of City Hall, New York, N.Y.

INVOCATION

The Invocation was delivered by Rev. Shaun J. Lee of Mount Lebanon Baptist Church located at 228 Decatur Street Brooklyn, New York 11233.

Let us join in heart, mind and spirit as we go in prayer together.
 We thank you for this day, oh God,
 and are grateful for another opportunity
 to serve the people of this great city.
 We ask now that you endow this Council
 with the attributes they need in making decisions
 that will affect the lives of so many.
 Give them wisdom so that their legislation
 will have long-term positive effects,
 helping them to choose what is right instead of what is expedient.
 Give them compassion, so the Council will have
 the disenfranchised and marginalized in mind,
 especially our children, seniors, and those who are disabled.
 Give them out-of-the-box thinking
 so they can develop creative ways
 to help those who need it the most.
 Give them integrity so that they will always work
 toward the greater good for all
 and not the selfish ambition and goals of the few.
 Give them courage so that they will not back down
 from doing what is right in your eyes, but to stand tall and firm.
 Give them strength so that they can manage the difficult burden
 that comes with such a great responsibility.
 Give them humility to help them remember their job
 is not one of overbearing power, but of service.
 Give them leadership so that they will know
 how to navigate the various road blocks they will encounter
 in creating a better city for all New Yorkers.
 And in a world where those in power seek to divide us,
 give this council a sense of unity and comradery.
 Remind them of the African proverb:
 When two elephants fight, it is the grass that gets trampled.
 Show not only this Council, but the people of this city
 that our differences should not be used
 to make us combative toward one another,
 but our unity in the midst of our diversity
 is what makes this city so great.
 So bind us together now, God,
 no matter what our socioeconomic background may be.
 Bind us together now, God,
 no matter what our sexual orientation or gender identity may be.
 Bind us together now, God,

no matter what our religion, age, or color may be.
Bind us together now, God,
with cords that cannot be broken.
This is our hope and this is our prayer.
Amen.

Council Member Cornegy moved to spread the Invocation in full upon the record.

During the Communication from the Speaker segment of this Meeting, the Speaker (Council Member Johnson) asked for a Moment of Silence in memory of the following New Yorkers who passed away recently:

Robert Martinez, 64, who worked with the NYPD at Police Headquarters, was tragically killed in an August 1, 2018 accident on the Gowanus Expressway. The Speaker (Council Member Johnson) offered his thoughts and prayers to Mr. Martinez's family.

Retired NYPD Officer Paul Johnson, 60, was a 9/11 first responder with the NYPD Emergency Services Unit. He died on July 22, 2018 from an illness related to his work at Ground Zero. The Speaker (Council Member Johnson) offered his thoughts and prayers to Officer Johnson's wife, nine children, and nineteen grandchildren.

Wanda Rios, 45, was a security guard working in the Bronx when she was murdered on July 11, 2018 while on duty. The Speaker (Council Member Johnson) offered his thoughts and prayers to her spouse, daughter, and family.

ADOPTION OF MINUTES

Council Member Cohen moved that the Minutes of the Stated Meetings of June 7, 2018 and June 28, 2018 be adopted as printed.

REPORTS OF THE STANDING COMMITTEES**Report of the Committee on Consumer Affairs and Business Licensing**

Report for Int. No. 965-A

Report of the Committee on Consumer Affairs and Business Licensing in favor of approving and adopting, as amended, a Local Law in relation to applications for retail dealer licenses for sale of cigarettes or tobacco products.

The Committee on Consumer Affairs and Business Licensing, to which the annexed proposed amended local law was referred on June 7, 2018 (Minutes, page 2131), respectfully

REPORTS:**I. INTRODUCTION**

On August 7, 2018, the Committee on Consumer Affairs and Business Licensing, chaired by Council Member Rafael Espinal, will hold a vote on one piece of legislation: Proposed Introductory Bill Number 965-A (Int. 965-A), in relation to applications for retail dealer licenses for the sale of cigarettes or tobacco products. On June 21, 2018, the Committee held a hearing on this bill, gathering testimony from the Administration, business representatives and stakeholders. The feedback and suggestions from that hearing has been incorporated into the final version of the bill.

II. BACKGROUND

Enacted on August 28, 2017, Local Law 146 of 2017 (LL 146/2017) expanded the existing retail cigarette dealer license administered by the Department of Consumer Affairs (DCA) to include all retailers of tobacco products, not just cigarettes. It also restricted the availability of new retail dealer licenses by capping the number of licenses in each community district. Due to operational challenges in outreach, more time is needed to bring into compliance existing tobacco retailers who are now required to be licensed by LL 146/2017. This bill grants a 60 day grace period after it goes into effect for these tobacco retailers comply with the new licensing requirement. However, these licensees will not be included in the cap established by LL 146/2017.

III. BILL ANALYSIS

Section one of this bill provides that the community licensing cap will not apply (for 60 days after the enactment of the bill) to tobacco retailer applicants provided that the applicant (i) held a valid certificate of registration as of February 24, 2018; (ii) has not sold cigarettes at any time after February 24, 2015; and (iii) has not applied for a retailer license between February 25, 2015 and February 24, 2018.

Section two of Int. 964-A outlines that any violation of subdivision a of section 20-202 of the administrative code issued on or after the effective date of LL 146/2017 and before 90 days after the effective date of this local law, shall be an affirmative defense that the person issued the violation has (i) applied for a retail dealer license after such effective date; (ii) has not engaged in the retail sale of cigarettes at any time after February 24, 2015; (iii) held a valid and current certificate of registration on February 24, 2018 for use at the same address at which the violation was issued; and (iv) had not applied for a retail dealer license at any time after February 24, 2015 and before February 24, 2018. This section shall not apply to a person issued a tobacco retail dealer license pursuant to paragraph 4 of subdivision e of section 20-202 of the administrative code, nor to a person whose retail dealer license application was denied after having been submitted pursuant to section one of this local law, for any violation issued after such denial. A determination by the office of administrative trials and hearings that a person meets the affirmative defense in this section shall not affect any determination of whether an applicant

meets the criteria in section one of this local law or any other criteria related to an application for a retail dealer license.

Lastly, section three specifies that any licenses issued under the first section of Int. 964-A will not affect the initial community district retail dealer cap determined by DCA, or any or any recommendations by the department of health and mental hygiene to further reduce this cap.

**THE COUNCIL OF THE CITY OF NEW YORK
FINANCE DIVISION
LATONIA MCKINNEY, DIRECTOR
FISCAL IMPACT STATEMENT**

PROPOSED INTRO. NO. 965-A

COMMITTEE: Consumer Affairs and Business
Licensing

TITLE: A Local Law in relation to applications for retail dealer licenses for sale of cigarettes or tobacco products

SPONSORS: Council Members Espinal, Ampry-Samuel and Koslowitz

SUMMARY OF LEGISLATION: Proposed Intro. 965-A would allow businesses selling tobacco products a 60-day grace period after new licensing requirements go into effect. Local Law 146 of 2017 expanded the existing retail cigarette dealer license administered by the Department of Consumer Affairs (DCA) to include all retailers of tobacco products, not just cigarettes, and capped the number of licenses in each community district. Proposed Intro. 965-A would grant effected businesses more time to comply with the new law. In addition, DCA would be required to conduct additional outreach about the license application process and deadline.

EFFECTIVE DATE: This local law would take effect 30 days after it becomes law.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	\$0	\$0	\$0
Expenditures	\$0	\$0	\$0
Net	\$0	\$0	\$0

IMPACT ON REVENUES: It is anticipated that there would be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: It is anticipated that there would be no impact on expenses resulting from the enactment of this legislation because DCA would use existing resources to conduct the required outreach.

LEGISLATIVE HISTORY: This legislation was introduced by the Council on June 7, 2018 as Intro. 965 and was referred to the Committee on Consumer Affairs and Business Licensing (Committee). A hearing was held by the Committee on June 21, 2018, and the bill was laid over. The legislation was subsequently amended and the amended version, Proposed Intro. 965-A, will be voted on by the Committee at a hearing on August 7, 2018. Upon a successful vote by the Committee, the bill will be voted on by the full Council on August 8, 2018.

DATE PREPARED: July 26, 2018.

Accordingly, this Committee recommends its adoption, as amended.

Int. No. 965-A

By Council Members Espinal, Ampry-Samuel, Koslowitz and Borelli.

A Local Law in relation to applications for retail dealer licenses for sale of cigarettes or tobacco products

Be it enacted by the Council as follows:

Section 1. For 60 days following the effective date of this local law, subparagraph (D) of paragraph 1 of subdivision d of section 20-202 of the administrative code of the city of New York shall not apply to any applicant for a retail dealer license that (i) held a valid and current certificate of registration pursuant to paragraph (a) of subdivision 1 of section 480-a of the tax law on February 24, 2018 for use at the same address as the premises address provided by the applicant on its retail dealer license application, (ii) has not engaged in the retail sale of cigarettes at any time after February 24, 2015, and (iii) had not applied for a retail dealer license pursuant to subdivision a of section 20-202 of the administrative code of the city of New York at any time after February 24, 2015 and before February 24, 2018. For the purposes of this local law, any applicant that, after February 24, 2015, held a retail dealer license pursuant to subdivision a of section 20-202 of the administrative code of the city of New York or was found to have engaged in the retail sale of cigarettes without such license shall be deemed to have engaged in the retail sale of cigarettes.

§ 2. For any violation of subdivision a of section 20-202 of the administrative code of the city of New York issued on or after the effective date of local law 146 for the year 2017 and before 90 days after the effective date of this local law, it shall be an affirmative defense that the person issued the violation (i) applied for a retail dealer license after such effective date, (ii) has not engaged in the retail sale of cigarettes as described in section one of this local law at any time after February 24, 2015, (iii) held a valid and current certificate of registration pursuant to paragraph (a) of subdivision 1 of section 480-a of the tax law on February 24, 2018 for use at the same address at which the violation was issued, and (iv) had not applied for a retail dealer license pursuant to subdivision a of section 20-202 of the administrative code of the city of New York at any time after February 24, 2015 and before February 24, 2018. This section shall not apply to a person issued a tobacco retail dealer license pursuant to paragraph 4 of subdivision e of section 20-202 of the administrative code of the city of New York. This section shall not apply to a person whose retail dealer license application was denied after having been submitted pursuant to section one of this local law, for any violation issued after such denial. A determination by the office of administrative trials and hearings that a person meets the affirmative defense in this section shall not affect any determination of whether an applicant meets the criteria in section one of this local law or any other criteria related to an application for a retail dealer license.

§ 3. A license issued pursuant to section one of this local law shall not affect the calculation of the initial community district retail dealer cap determined by the department of consumer affairs pursuant to paragraph 1

of subdivision e of section 20-202 of the administrative code of the city of New York, or any recommendations by the department of health and mental hygiene to further reduce the community district retail dealer cap pursuant to paragraph 2 of such subdivision.

§ 4. This local law takes effect 30 days after it becomes law.

RAFAEL L. ESPINAL, Jr., *Chairperson*; MARGARET S. CHIN, PETER A. KOO, KAREN KOSLOWITZ, BRADFORD S. LANDER; Committee on Consumer Affairs and Business Licensing, August 7, 2018.

On motion of the Speaker (Council Member Johnson), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report of the Committee on Finance

At this point, the Speaker (Council Member Johnson) announced that the following items had been **preconsidered** by the Committee on Finance and had been favorably reported for adoption.

Report for Res. No. 469

Report of the Committee on Finance in favor of approving a Resolution supporting additional financing by the Hudson Yards Infrastructure Corporation.

The Committee on Finance, to which the annexed preconsidered resolution was referred on August 8, 2018, respectfully

REPORTS:

I. Introduction

On August 8, 2018, the Committee on Finance, chaired by Council Member Daniel Dromm, will hold hearing on a preconsidered resolution, sponsored by the Speaker, Council Member Johnson, titled *Resolution supporting additional financing by the Hudson Yards Infrastructure Corporation*.

II. Background

The Hudson Yards Financing District (“HYFD”) is generally located within the boundaries of West 29th and West 30th Streets to the south, Seventh and Eighth Avenues to the east, West 42nd and 43rd on the north and Eleventh and Twelfth Avenues to the west.¹ Since 2001, the City, the Metropolitan Transportation Authority, and the State have collaborated on planning initiatives to create a development program that would transform the Hudson Yards area into a vibrant, pedestrian-friendly, transit-oriented, mixed-use district.²

Key components of the development plan included:

- The 2005 Rezoning of the Hudson Yards area and 2009 Rezoning of the Western Rail Yard, from manufacturing to commercial and residential;
- The extension of the No. 7 subway line from Times Square to a new terminal station at 34th Street and 11th Avenue;
- Mixed-use development over the eastern and western portions of the MTA West Side Rail Yards; and

- Creation of new parks and public open space throughout the Hudson Yards area.³

Two entities were formed to implement the HYFD: the Hudson Yards Infrastructure Corporation (“HYIC”), and the Hudson Yards Development Corporation (“HYDC”). HYIC, formed in 2004, is a local development corporation created to finance the Hudson Yards infrastructure improvements and related construction costs.⁴ HYIC’s six board members include four mayoral representatives, the City Comptroller, and the Speaker of the City Council. HYDC, formed in 2005, is a local development corporation created to manage the redevelopment process of the Hudson Yards.⁵ HYDC’s 13 board members include eight mayoral representatives, the City Comptroller, the Speaker of the City Council, Manhattan Borough President, the Council members representing Manhattan District 3, and the Chair of Manhattan Community Board 4.

In 2005, the Council approved a \$3 billion plan for financing Phase I of the infrastructure improvement for the HYFD. Res. No. 760 of 2005 provided, inter alia, that (1) payments in lieu of property taxes or “PILOTs” from the area would be used to fund the infrastructure improvements (pursuant to Local Law 73 of 2005 through which the Council subsequently approved the use of the PILOTs as outlined in the financing plan); (2) the Council, subject to annual appropriation, would ensure that interest payments on the debt to fund the infrastructure improvements were made until the revenues generated from development were sufficient to make all payments; and (3) approved the use of the City’s Transitional Finance Authority (TFA) to provide credit support for a portion of the debt subject to unanimous approval of the TFA Board.

III. Analysis of Preconsidered Res. 469

Now, there is a need for additional financing to complete the infrastructure projects in the HYFD, including the expansion of the Hudson Boulevard and Park three blocks northward from West 36th Street to West 39th Street (defined as Phase 2 Hudson Boulevard and Park in the New York City Zoning Resolution). In Fiscal 2017, HYIC refinanced most of its debt under a Second Indenture. HYIC still has about \$500 million in bonding capacity left. Similar to Res. No. 760 of 2005 in support of the initial financing, this resolution would (1) support an additional borrowing of up to \$500 million to finance the completion of infrastructure projects in the HYFD, including Phase 2 Hudson Boulevard and Park; (2) Supports an undertaking by the City to pay current interest, subject to appropriation, to the extent not paid from revenues of HYIC, on such HYIC indebtedness; and (3) ratify, confirm, and authorize that interest support payments may be made by the City, subject to appropriation, in connection with interest on any bonds heretofore or hereafter issued by HYIC to refund or refinance any HYIC bonds for which the City was or is currently obligated to provide interest support

Accordingly, this Committee recommends its adoption.

(The following is the text of Res. No. 469:)

Res. No. 469

Resolution supporting additional financing by the Hudson Yards Infrastructure Corporation.

By the Speaker (Council Member Johnson).

Whereas, The Council adopted Res. No. 760 on January 19, 2005, Res. No. 1214 on October 27, 2005, and Res. No. 547 on October 11, 2006 (collectively, the “Resolutions”), and Local Law 73 of 2005 (“the Local Law”) was adopted on July 20, 2005, in connection with the redevelopment of the Hudson Yards Financing District (“HYFD”) as defined in Res. No. 547;

³ *Id.*

⁴ See <https://www1.nyc.gov/site/hyic/index.page>, last accessed August 3, 2018.

⁵ See <http://www.hydc.org/>, *supra* fn. 2.

Whereas, The Council, pursuant to the Resolutions and the Local Law, supported the borrowing by the Hudson Yards Infrastructure Corp. (“HYIC”) of approximately \$3 billion for the financing of infrastructure projects within the HYFD (including the construction of the first phase of the Hudson Boulevard and Park from West 33rd Street to West 36th Street);

Whereas, The repayment of the outstanding HYIC bonds, together with the additional bonds authorized by this resolution, will be payable from various sources as more particularly described in the Resolutions;

Whereas, The Council, pursuant to the Resolutions and the Local Law, also supported an undertaking by the City to pay current interest, to the extent not paid from revenues of HYIC, on all HYIC indebtedness issued for such infrastructure projects; and

Whereas, There is a need for additional financing to complete the infrastructure projects in the HYFD, including the expansion of the Hudson Boulevard and Park three blocks northward from West 36th Street to West 39th Street (defined as Phase 2 Hudson Boulevard and Park in the New York City Zoning Resolution); now, therefore, be it

Resolved, that the Council of the City of New York hereby:

- (i) Supports an additional borrowing in an amount not to exceed \$500 million by HYIC to be repaid in the same manner and from the same sources as the outstanding HYIC bonds to finance the completion of infrastructure projects in the HYFD, including Phase 2 Hudson Boulevard and Park;
- (ii) Supports an undertaking by the City to pay current interest, subject to appropriation, to the extent not paid from revenues of HYIC, on such HYIC indebtedness; and
- (iii) Ratifies, confirms and authorizes that interest support payments may be made by the City, subject to appropriation, in connection with interest on any bonds heretofore or hereafter issued by HYIC to refund or refinance any HYIC bonds for which the City was or is currently obligated to provide interest support.

At this point, the Speaker (Council Member Johnson) announced that the following items had been **preconsidered** by the Committee on Finance and had been favorably reported for adoption.

Report for L.U. No. 173

Report of the Committee on Finance in favor of approving 526 West 158th Street, Block 2116, Lot 19; Manhattan, Community District No. 12, Council District No. 7.

The Committee on Finance, to which the annexed preconsidered Land Use item was referred on August 8, 2018 and which same Land Use item was coupled with the resolution shown below, respectfully

REPORTS:

(The following is the text of a Memo to the Finance Committee from the Finance Division of the New York City Council:)

August 8, 2018

TO: Hon. Daniel Dromm
Chair, Finance Committee
Members of the Finance Committee

FROM: Rebecca Chasan, Counsel, Finance Division

RE: Finance Committee Agenda of August 8, 2018- Resolution approving a tax exemption for two Land Use items (Council Districts 7 and 17)

Item 1: 526 West 158th Street

526 West 158th Street consists of one building with 29 units of co-operative housing. 526 West 158th Street Housing Development Fund Corporation (“HDFC”), the owner and operator, acquired the property in 1989. Over time, due to a variety of factors, the building fell into disrepair and accumulated thousands of dollars in property tax and water debt arrears. As a result, the City proceeded to take the necessary steps to convey the property through Round X of the Department of Housing Preservation and Development’s (“HPD”) Third Party Transfer Program. In an effort to avoid transfer, the property manager and the board of the building developed a plan to make routine repairs and a capital improvement plan to properly maintain the building in the future is being developed. In addition, shareholders have approved a five-year financial plan that mandates a two percent annual increase of rent and maintenance and \$200 per residential unit designated annually to the building’s

reserve account. Lastly, the HDFC entered into a payment plan with the Department of Environmental Protection (“DEP”) to pay off its outstanding water debt. Nevertheless, because of the remaining property tax arrears, the property is still moving towards transfer.

HPD is requesting that the Council approve a full, 40-year Article XI property tax exemption that will be retroactive to July 1, 2011. HPD and the HDFC will enter into a regulatory agreement ensuring that the units will be sold only to households earning up to 120% of the Area Median Income (“AMI”). With the approval of the property tax exemption, the property will no longer be transferred through the Third Party Transfer Program.

Summary:

- Borough-Manhattan
- Block 2116, Lot 19
- Council District-7
- Council Member-Levine
- Council Member approval-Yes
- Number of buildings-1
- Number of units-29
- Type of exemption-Article XI, Full, 40 years

- Sponsor- 526 West 158th Street HDFC
- Purpose-Preservation
- Cost to the City-\$2.2M
- Housing Code Violations-
 - Class A – 27
 - Class B – 62
 - Class C – 12
- Anticipated AMI targets-120% AMI

Item 2: 941 Rogers Place

941 Rogers Place consists of one building with 20 units of co-operative housing. 941 Rogers Place HDFC, the owner and operator, acquired the property in 1990 and obtained a partial Article XI property tax exemption from the Board of Estimate that is scheduled to expire in 2029. Over time, due to a variety of factors, the building fell into disrepair and accumulated thousands of dollars in property tax and water debt arrears. As a result, the City proceeded to take the necessary steps to convey the property through Round X of HPD’s Third Party Transfer Program. In an effort to avoid transfer, the property manager and the board of the building developed a plan to make routine repairs and a capital improvement plan to properly maintain the building in the future is being developed. In addition, shareholders have approved a five-year financial plan that mandates a two percent annual increase of rent and maintenance and \$200 per residential unit designated annually to the building’s reserve account. Lastly, in March 2018, the HDFC entered into a payment plan with DEP to pay off its outstanding water debt. Nevertheless, because of the remaining property tax arrears, the property is scheduled to be transferred on September 20, 2018.

HPD is requesting that the existing Article XI property tax exemption be terminated and that the Council approve a new, full, 40-year Article XI property tax exemption that will be retroactive to April 1, 2007. HPD and the HDFC will enter into a regulatory agreement ensuring that the units will be sold only to households earning up to 120% of AMI. With the approval of the property tax exemption, the property will no longer be transferred through the Third Party Transfer Program.

In connection herewith, Council Member Dromm offered the following resolution:

Res. No. 481

Resolution approving an exemption from real property taxes for property located at (Block 2116, Lot 19) Manhattan, pursuant to Section 577 of the Private Housing Finance Law (Preconsidered L.U. No. 173).

By Council Member Dromm.

WHEREAS, the New York City Department of Housing Preservation and Development (“HPD”) submitted to the Council its request dated July 11, 2018 that the Council take the following action regarding a housing project located at (Block 2116, Lot 19) Manhattan (“Exemption Area”):

Approve an exemption of the Project from real property taxes pursuant to Section 577 of the Private Housing Finance Law (the “Tax Exemption”);

WHEREAS, the project description that HPD provided to the Council states that the purchaser of the Project (the “Sponsor”) is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

WHEREAS, the Council has considered the financial implications relating to the Tax Exemption;

RESOLVED:

The Council hereby grants an exemption from real property taxes as follows:

1. For the purposes hereof, the following terms shall have the following meanings:
 - a. “Effective Date” shall mean July 1, 2011.

- b. "Exemption" shall mean the exemption from real property taxation provided hereunder.
 - c. "Exemption Area" shall mean the real property located in the Borough of Manhattan, City and State of New York, identified as Block 2116, Lot 19 on the Tax Map of the City of New York.
 - d. "Expiration Date" shall mean the earlier to occur of (i) a date which is forty (40) years from the Effective Date, (ii) the date of the expiration or termination of the Regulatory Agreement, or (iii) the date upon which the Exemption Area ceases to be owned by either a housing development fund company or an entity wholly controlled by a housing development fund company.
 - e. "HDFC" shall mean 526 West 158th Street Housing Development Fund Corporation or a housing development fund company that acquires the Exemption Area with the prior written consent of HPD.
 - f. "HPD" shall mean the Department of Housing Preservation and Development of the City of New York.
 - g. "Owner" shall mean the HDFC.
 - h. "Regulatory Agreement" shall mean the regulatory agreement between HPD and the Owner establishing certain controls upon the operation of the Exemption Area during the term of the Exemption on or after the date such Regulatory Agreement is executed.
2. All of the value of the property in the Exemption Area, including both the land and any improvements (excluding those portions, if any, devoted to business, commercial, or community facility use), shall be exempt from real property taxation, other than assessments for local improvements, for a period commencing upon the Effective Date and terminating upon the Expiration Date.
3. Notwithstanding any provision hereof to the contrary:
- a. The Exemption shall terminate if HPD determines at any time that (i) the Exemption Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the Exemption Area is not being operated in accordance with the requirements of the Regulatory Agreement, (iii) the Exemption Area is not being operated in accordance with the requirements of any other agreement with, or for the benefit of, the City of New York, (iv) any interest in the Exemption Area is conveyed or transferred to a new owner without the prior written approval of HPD, or (v) the construction or demolition of any private or multiple dwelling on the Exemption Area has commenced without the prior written consent of HPD. HPD shall deliver written notice of any such determination to Owner and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than sixty (60) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the Exemption shall prospectively terminate.
 - b. The Exemption shall apply to all land in the Exemption Area, but shall only apply to a building on the Exemption Area that exists on the Effective Date.
 - c. Nothing herein shall entitle the HDFC, the Owner, or any other person or entity to a refund of any real property taxes which accrued and were paid with respect to the Exemption Area prior to the Effective Date.
4. In consideration of the Exemption, the owner of the Exemption Area shall (a) execute and record the Regulatory Agreement, and (b) for so long as the Exemption shall remain in effect, waive the benefits of any additional or concurrent exemption from or abatement of real property taxation which may be authorized under any existing or future local, state, or federal law, rule, or regulation.

DANIEL DROMM, *Chairperson*; ANDREW COHEN, ROBERT E. CORNEGY, Jr., LAURIE A. CUMBO, VANESSA L. GIBSON, RORY I. LANCMAN, ADRIENNE E. ADAMS, FRANCISCO P. MOYA, KEITH POWERS, STEVEN MATTEO; Committee on Finance, August 8, 2018.

On motion of the Speaker (Council Member Johnson), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point, the Speaker (Council Member Johnson) announced that the following items had been **preconsidered** by the Committee on Finance and had been favorably reported for adoption.

Report for L.U. No. 174

Report of the Committee on Finance in favor of a Resolution approving 941 Rogers Place, Block 2698, Lot 63; Bronx, Community District No. 2, Council District No. 17.

The Committee on Finance, to which the annexed preconsidered Land Use item was referred on August 8, 2018 and which same Land Use item was coupled with the resolution shown below, respectfully

REPORTS:

(For text of the Memo, please see the Report of the Committee on Finance for L.U. No. 173 printed in these Minutes)

Accordingly, this Committee recommends its adoption.

In connection herewith, Council Member Dromm offered the following resolution:

Res. No. 482

Resolution approving an exemption from real property taxes for property located at (Block 2698, Lot 63) Bronx, pursuant to Section 577 of the Private Housing Finance Law (Preconsidered L.U. No. 174).

By Council Member Dromm.

WHEREAS, the New York City Department of Housing Preservation and Development (“HPD”) submitted to the Council its request dated June 21, 2018 that the Council take the following action regarding a housing project located at (Block 2698, Lot 63) Bronx (“Exemption Area”):

 - d. "HDFC" shall mean 941 Rogers Place Housing Development Fund Corporation or a housing development fund company that acquires the Exemption Area with the prior written consent of HPD.
 - e. "HPD" shall mean the Department of Housing Preservation and Development of the City of New York.
 - f. "New Exemption" shall mean the exemption from real property taxation provided hereunder with respect to the Exemption Area.
 - g. "Owner" shall mean the HDFC.
 - h. "Prior Exemption" shall mean the exemption from real property taxation for the Exemption Area approved by the Board of Estimate on May 24, 1990 (Cal. No. 27).
 - i. "Regulatory Agreement" shall mean the regulatory agreement between HPD and the Owner establishing certain controls upon the operation of the Exemption Area during the term of the New Exemption on or after the date such Regulatory Agreement is executed.
2. The Prior Exemption shall terminate upon the Effective Date.
3. All of the value of the property in the Exemption Area, including both the land and any improvements (excluding those portions, if any, devoted to business, commercial, or community facility use), shall be exempt from real property taxation, other than assessments for local improvements, for a period commencing upon the Effective Date and terminating upon the Expiration Date.
4. Notwithstanding any provision hereof to the contrary:
 - a. The New Exemption shall terminate if HPD determines at any time that (i) the Exemption Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the Exemption Area is not being operated in accordance with the requirements of the Regulatory Agreement, (iii) the Exemption Area is not being operated in accordance with the requirements of any other agreement with, or for the benefit of, the City of New York, (iv) any interest in the Exemption Area is conveyed or transferred to a new owner without the prior written approval of HPD, or (v) the construction or demolition of any private or multiple dwelling on the Exemption Area has commenced without the prior written consent of HPD. Report of the Committee on For-Hire Vehicles

Report for Int. No. 144-B

Report of the Committee on For-Hire Vehicles in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to conducting a study of the impact vehicles for hire have on the city of New York, and authorizing the commission to establish and revise vehicle utilization standards for high-volume for-hire services and to regulate the issuance of new licenses to for-hire vehicles.

The Committee on For-Hires Vehicles, to which the annexed proposed amended local law was referred on January 31, 2018 (Minutes, page 304), respectfully

REPORTS:

INTRODUCTION

On August 8, 2018 the Committee on For-Hire Vehicles, chaired by Council Member Ruben Diaz Sr., will hold a hearing on legislation related to the taxi and for-hire vehicle industry. The bills are Proposed Int. No. 144-B, a Local Law in relation to conducting a study of the impact vehicles for hire have on the city of New York, and authorizing the commission to establish and revise vehicle utilization standards for high-volume for-hire services and to regulate the issuance of new licenses to for-hire vehicles, Proposed Int. No. 634-B, a Local Law in relation to the waiver of licensing fees for accessible taxi-cabs and for-hire vehicles, Proposed Int. No. 838-C, a Local Law in relation to the licensing and regulation of high-volume for-hire transportation services, Proposed Int. No. 890-B, a Local Law in relation to establishing minimum payments to for-hire vehicle drivers and authorizing the establishment of minimum rates of fare, and Proposed Int. No. 958-A, in relation to reducing penalties for unauthorized street hails by licensed for-hire vehicle drivers.

This is the second hearing on each of the items included in this package of legislation. The first hearing on Int. No. 144, Int. No. 634, Int. No. 838, and Int. No. 890 was held on April 30, 2018. The first hearing on Int.

No. 958 was held on June 25, 2018. At both hearings the committee heard testimony from the New York City Taxi and Limousine Commission (TLC) and other interested stakeholders and advocates.

BACKGROUND

The for-hire vehicle (FHV) and taxi sectors have gone through significant changes in the last several years as technological innovations have altered the traditional way people signal taxis and arrange FHV trips. Today, application-based technology has allowed passengers to have fast, on-demand service at the click of a button. While these companies abide by TLC's licensing requirements and operate as FHVs, the sector's rapid growth over the past several years has led to economic and environmental concerns that some argue need to be addressed.

TLC Regulated Industries¹

Yellow taxicabs—which must have a medallion to operate in the City—serve riders who hail vehicles on the street.² While taxicabs primarily serve customers in Manhattan, street hail livery vehicles—also known as green taxis, borough taxis, or SHLs—are allowed to accept street hails outside of the exclusionary zone, which includes Manhattan south of East 96th Street and south of West 110th Street, as well as the City's airports.³ Street hail livery service is authorized by State laws that allow the City to issue up to 18,000 hail licenses, which are issued in three rounds.⁴ Since sales began in 2013, just over 5,609 licenses have been issued.⁵

Liveries, also known as community cars, may accept passengers by prearrangement.⁶ Similarly, black cars and luxury limousines are also limited to accepting rides through prearrangement, but must also receive more than ninety percent of payments in a non-cash method.⁷ Luxury limousines differ from black cars in that they may carry up to 20 passengers and have additional insurance requirements.⁸

Each for-hire vehicle⁹ must be affiliated with a base that is authorized to dispatch vehicles in its class.¹⁰ As such, when a vehicle owner applies for an FHV license, they must list the name of the base that the vehicle will affiliate with. A driver may accept dispatches from other bases within the same class as the affiliated base, and may also change their base affiliation.¹¹ For each trip, the dispatching base must provide the customer with the name and license number of both the affiliated base and the dispatching base.¹²

Base owners in the FHV sector can set their own fares, subject to the requirement that the base submit its rate schedules annually to the TLC,¹³ which must include surge or variable pricing policies, and any and all additional fees charged to the customer.¹⁴ Owners must also submit rates to the TLC whenever rates are changed, with every renewal application, and with any application to change the ownership or location of the base.¹⁵

In 2016, the City Council passed legislation that requires black car bases to provide the passenger with an upfront binding fare quote.¹⁶ Additionally, black car bases must display an option that allows customers to acknowledge and accept that surge pricing is in effect prior to dispatching a vehicle to a customer.¹⁷

The current number of taxicabs in New York City—13,587—has remained relatively level for decades.¹⁸

¹ The TLC also regulates certain specialized services such as commuter vans and paratransit vehicles; however, these topics will not be discussed in this report.

The most recent allowance for an increase in the number of medallions was included in the State law that authorized street hail livery service, which also authorized the sale of up to 2,000 medallions that may only be used with wheelchair accessible taxicabs.¹⁹

The TLC conducts a review of the impact of selling new taxicab medallions through an analysis that considers the weight of the environmental, human, and community resources that would be affected, as well as social and economic considerations.²⁰ This process, conducted pursuant to the State Environmental Quality Review Act (SEQRA) and the City's Environmental Quality Review (CEQR) rules, generally results in the issuance of an Environmental Impact Statement (EIS) examining how adding new taxicabs could affect a number of factors such as existing for-hire industries, medallion values, driver income, traffic, parking, safety, air quality, and public health.²¹ Although the TLC issues new for-hire vehicle licenses on a rolling basis with no limits, no EIS has accompanied this growth.

Livery bases are required to have off-street parking and submit an application for service to the community board and Council Member in the impacted area.²² The application requires base owners to submit a business plan, indicate how many vehicles will affiliate with the base and how many trips they anticipate each vehicle will conduct per day.²³ Black car bases are exempt from these requirements.²⁴

Growth in the For-Hire Industry

Advances in smartphone technology have led to the development of the so-called “sharing economy,” which links consumers to peers providing a service, such as transportation or lodging, resulting in a new model of non-professional drivers offering passengers transportation in their own vehicle, often known as ridesharing.²⁵ It was in this context that Uber, Lyft and other app-based companies first entered the New York City market between 2011 and 2014. Rideshare FHV's are subject to the same requirements as non-rideshare FHV's, including being subject to regular drug testing, background check, and TLC licensure, and are regulated by the TLC, although they may operate in other jurisdictions with fewer regulations.^{26 27}

App-based companies operate most of their bases under the black car designation due to the fact that more than 90% of their transactions are non-cash.²⁸ Traditionally, black car companies served business clients; however, as many new providers elected to operate as black car services, this sector has exploded in growth and now caters to a much larger number and variety of customers.²⁹ The chart on the following page illustrates historic changes in the number of licensed for-hire vehicles. TLC Commissioner Meera Joshi testified at recent City Council hearing that currently TLC has issued licenses to around 130,000 vehicles, and they process approximately 2,000 vehicle applications per month.³⁰

In February 2017, transportation consultant and former DOT Deputy Commissioner for Traffic and Planning Bruce Schaller, who helped to produce the City's earlier FHV Study, released a report which found that, between June 2015 (the end of the period covered by the FHV Study) and the fall of 2016, e-dispatch passenger volumes tripled, to 500,000 riders per day, far outpacing the drop in yellow taxi trips, leading to large additions in overall

taxi/FHV trip volumes.³¹ The February 2017 Schaller report found that e-dispatch accounted for an additional 600 million miles of driving on City streets in 2016. Notably, the report found that “in 2015, and to an even greater extent in 2016, growth in taxi and for-hire ridership outpaced growth in transit (subway and bus) ridership” and is now the leading source of growth in non-personal vehicle travel in the city.³² This is significant because in the previous two decades the transit system was able to absorb nearly all of the growth of travel in the City generated by increases in population and economic activity, largely avoiding the increases in congestion that would have otherwise been inevitable.³³

Number of Licensed For-Hire Vehicles³⁴

This upward trend in registered vehicles may, in part, be related to app-based companies’ vehicle lease programs. In New York City, Uber has partnerships with dealerships that offer vehicle financing options to drivers with low credit scores.³⁵ The companies have payment plans for drivers that charge as high as \$500 per week and that require drivers to sign a payment deduction authorization that allows the dealer take the fees directly from the driver’s Uber earnings.³⁶ Drivers are incentivized with the promise that they will own their vehicle within three years. However, the driver may end up paying more than the actual sticker price of the vehicle.³⁷ A report released by the Independent Driver’s Guild, an advocacy group that represents app-based drivers, found that drivers who lease their vehicles have on average annual expenses up to \$35,000 and drivers

who own their vehicles or have a loan had an average annual cost of \$30,000.³⁸

The app-based FHV sector is growing unsustainably and is now at crisis level. High-volume app-based FHV trips grew 800% between 2014-17, and the growth in FHV and taxis was greater from 2016 to 2017 than the previous four years combined. Since May 2016, an average of 1700 net additional app-based FHV have become active every month. High-volume FHV trip volumes were 1.5 times higher in May 2018 compared to May 2017.³⁹ Growth in high-volume FHV trips means that taxis and for-hire vehicles combined now perform 14 million more trips in a month when compared to January 2015.⁴⁰ FHV/taxi growth was greater between 2016 and 2017 than the prior four years combined.⁴¹ Since May 2016, an average of 1,700 app-based FHV have become active every month.⁴²

The below graphs indicate that the growth of app-based FHV has more than compensated for a decline in yellow taxis, leading to overall growth in the sector:

Impacts on Traditional Sectors

Due to the different licensing requirements between the medallion and FHV sectors, members of the taxi industry have argued that the less stringent rules and operating requirements in the FHV sector have given FHV, and, in particular, app-based FHV, an unfair advantage, allowing the FHV industry to grow rapidly in a just a few years. Taxi medallion owners have frequently expressed that they are facing financial hardship because of the difficulties in finding passengers when drivers are on the road.

The graph below indicates that as Uber trips have increased, the number of taxi trips have declined. As of July of 2017, Uber has surpassed the number of taxi trips per day in New York City.

The Price of Medallions

The price of medallions on the secondary market has significantly decreased, with medallions selling at recent secondary auctions between \$120,000 and \$400,000.⁴³ According to TLC Commissioner’s testimony at the Fiscal Year 2019 preliminary budget hearing, “[t]he reason being is that some are foreclosures, some are bankruptcies, some have financing, most do not and some are all-cash deals.” This is a substantial decrease from the \$1.3 million price recorded in 2013 and 2014, though industry experts have cautioned that those prices may have been inflated.⁴⁴ The chart below shows the medallion prices from 1998 to July 2016.

The chart below shows the average number of taxi trips per day, comparing January trip data from 2010-2018:

The effect of app-based service has been felt by the traditional FHV sector. On February 5, 2018, a Doug Schifter, a livery driver, committed suicide outside of City Hall. Hours before the incident, Mr. Schifter wrote about his experience as a driver, indicating that he had to work more than 100 hours a week to make ends meet. Mr. Schifter blamed Mayor Michael Bloomberg and Mayor Bill de Blasio for allowing a proliferation of vehicles on the streets, and blamed the TLC for the fines it imposed.⁴⁷

This incident uncovered the previous death of another TLC driver, Danilo Corporan Castillo, who took his life on December 20, 2017, after a TLC hearing where he was facing the possibility of having his license revoked.⁴⁸

After the death of Mr. Schifter, there were several deaths of TLC drivers. On March 16, 2018, Nicanor Ochisor, a medallion owner and driver, took his life reportedly because of the debt he was facing.⁴⁹ Subsequently, Alfredo Perez, a livery driver, took his own life, though little is known as to why.⁵⁰ In May 2018, Yu Mein “Kenny” Chow, a medallion owner, committed suicide while facing financial trouble.⁵¹ In June 2018, Abduel Saleh, a taxi driver, also committed suicide.⁵²

Impact on Driver Income

The TLC released a report in July 2018 on app-driver earnings titled “An Earnings Standard for New York City’s App-based Drivers: Economic Analysis and Policy Assessment” (“the Earnings Standard”). The report was prompted by concerns with how app-companies compensate drivers. The Earnings Standard was based on the research of economists James Parrot and Michael Reich, who studied TLC trip data and driver pay data supplied by Uber, Lyft, Juno, and Via.⁵³

The report found that the majority of app-based drivers in New York City are immigrants.⁵⁴ Two-thirds of drivers list driving as their only occupation, which they rely on because they provide the bulk of their family’s income.⁵⁵ Almost 60% of these drivers work more than thirty hours per week.⁵⁶ The report found that 40% of drivers have incomes low enough to qualify for Medicaid and 16% of drivers have no coverage at all.⁵⁷ Additionally, 18% of drivers qualify for federal supplemental nutrition assistance (also known as SNAP), twice the rate for New York City workers overall.⁵⁸ Reich and Parrot determined that the current median net hourly earnings in the industry is \$14.25, which 85% of app-based drivers are paid per week.⁵⁹

The TLC commissioned the study in order to examine the effects of a potential raise of the pay floor to \$17.22 per hour, which would be equivalent to the New York State minimum wage in New York City that will take effect on December 31, 2018, and includes an additional 90 cents for paid time off and the employee’s \$1.32 share of payroll tax.⁶⁰ ⁶¹ Currently, 85% of drivers earn below \$15 per hour, after expenses. This means that the hourly earnings for drivers is down more than \$3 from between 2016 and 2017.

The floor, which would be met by companies based on a “minimum pay standard formula” for each trip, also includes a \$1 bonus per pickup for shared riders, because 40% of drivers with the lowest estimated hourly earnings provided shared rides. It would allow the average driver to see their pay increase by 22.5% or \$6,345 additionally per year.⁶² For the remainder of drivers who do make above the proposed standard, most of them drive vehicles that qualify for premium services and higher fares.⁶³ The policy proposal encourages the industry to reduce overcharging commissions rather than raising fares.⁶⁴ The pay floor is also intended to incentivize improved driver utilization (the amount of time a passenger is in a vehicle), shared rides, and reduce the growth in the number of new app-based drivers. The pay standard is not the passenger fare and is not a mandated pay method, but rather sets a basis for a driver’s earnings floor.

The formula calculates the minimum pay per trip by multiplying distance of the trip in miles and \$0.58 (which the authors determined based on drivers’ per mile expenses) to cover driving costs, as well as the time of the trip multiplied by \$0.287 (which compensates drivers for their time at \$17.22/60 minutes) to cover net expenses.⁶⁵ These factors are divided by the company’s specific utilization rate in the previous quarter. The utilization rate is the amount of time drivers had passengers in their vehicles, which TLC analyzed based on company trip data from the previous quarter.⁶⁶

The first chart below indicates the app company utilization rate for 2017.

App-Company Utilization

Here are 2017 utilization rates for each of the four major app-dispatch companies serving New York City:

Juno	50%
Lyft	58%
Uber	58%
Via	70%

Below is an example of how the proposed pay standard applies to a typical trip.

Exhibit 17: The Proposed Driver Pay Standard Applied to a Typical Trip

A typical FHV trip might be 7.5 miles in distance and 30 minutes in time.

Here is how the driver minimum pay standard (not the passenger fare) would be calculated under the proposal pay standard (assuming an industry-wide average utilization of 58%):

$$\frac{(.580 * 7.5 \text{ miles})}{.58 \text{ utilization}} + \frac{(\$0.287 * 30 \text{ minutes})}{.58 \text{ utilization}} = \$22.34$$

Note: this is the minimum pay standard (for a non-shared ride), not the passenger fare, and the company and the driver can always agree that driver pay for any trip should be higher.

The driver pay standard ensures that the driver can cover vehicle expenses as well as get paid at least the independent contractor equivalent of \$15.00 an hour.

The formula incentivizes each company to raise its company-wide utilization rate from one quarter to the next, by increasing the average number of trips per driver hour,⁶⁷ since a higher company utilization rate lowers the company's costs for the expense and time components.⁶⁸

The proposed pay increase and shared ride bonus would cost companies an additional 13.2%,⁶⁹ but the authors argue that companies would limit the entry of new drivers onto the platform, queue future rides, allocate trips to drivers who drive longer hours, and promote more shared rides.⁷⁰ These efforts would assist in increasing the utilization rate, absorbing much of the effect of the proposed plan. The Parrot and Reich report expected response time to increase by an average of 18 seconds.⁷¹

The authors note that the proposed plan would likely have a moderate effect on improving congestion and it might also help taxi and street hail services, as it would reduce competition between the sectors. However, the authors note that non-app FHV companies may continue to lose market share.⁷²

Since 2014, there has been a dramatic increase in the use of app-based FHV's. App-based FHV trips grew 800% from 2014 to 2017, from 20 to 160 million annual trips.⁷³ In May 2018, almost 18.5 million trips were dispatched by high-volume FHV companies, more than six times the trip volume in May 2015.⁷⁴ As of July 2018, over 78,000 vehicles were affiliated with high-volume FHV bases, up from about 12,500 in January 2015.

These bases can also dispatch to any licensed FHV in their vehicle class (i.e., black car) that is not affiliated with their base.⁷⁵ Drivers were dispatched on almost 18.5 million trips per month for high-volume FHV bases in May 2018—twice as many trips as the yellow taxi industry—in 76,000 vehicles, or six times as many FHV as taxis. App-based FHV now providing over 575,000 trips a day during the week and nearly 675,000 trips on the weekend.⁷⁶ As of May 2018, app-based FHV trips have increased by 520,000 trips per day compared to May 2015. Yellow cab trips have declined by 127,000 trips per day during the same period.

Drivers for app-based FHV do not have sufficient worker protections, and are left vulnerable. If Uber's drivers were recognized as employees, Uber would be the largest private sector employer in the CITY of New York⁷⁷ 85% of drivers for the four largest FHV companies (Uber, Lyft, Via, and Juno) currently earn below \$17.22, the independent contractor equivalent of a \$15 hourly wage, with an allowance for paid time off, which NYS will soon implement as the minimum wage.⁷⁸ Driver earnings before expenses have declined since 2014. Between 2016 and 2017, mean hourly earnings for drivers across all four companies decreased by more than \$3 per hour.⁷⁹ Between 60-65% of FHV drivers work full-time and 80% acquired a car, at least in part, to drive professionally.⁸⁰ According to Reich and Parrott, “app companies have been able to expand their workforce by drawing principally immigrants without a four-year college degree and who face restricted labor market opportunities; and 60–65 percent of app drivers are full-time, without another job, and about 80 percent acquired a car to earn a living by driving.”⁸¹ Moreover, “[t]he proposed policy would increase driver net earnings (after expenses) by 22.5 percent or an average of \$6,345 per year among the 85 percent of drivers who would get increases The policy could be fully paid for by combining an increase of 2.4 minutes in driver trips with passengers per working hour with reductions in company commissions. Fare increases would then be small (five percent or less) and average wait times for passengers would increase by about 12 to 15 seconds.”⁸²

Impact on Congestion

Local Law 75 of 2015 required the TLC to conduct a study on how growth in the taxi and FHV industries had impacted traffic, air quality, noise, and public health. In January 2016, the City released its For-Hire Vehicle Transportation Study (“FHV Study”).⁸³ The study found that traffic congestion in the Manhattan central business district (“CBD”) had gotten worse over the preceding five years, with average vehicle speeds falling nearly 10% in the preceding two years.⁸⁴ Worsening congestion not only has implications for personal vehicle drivers, taxi and FHV drivers and passengers, but also on bus speeds, businesses and individuals who rely on the delivery of goods via trucks.⁸⁵ The study found that the recent decrease in vehicle speeds was caused primarily “by increased freight movement, construction activity, and population growth.”⁸⁶ While all vehicle trips played a role in congestion, the study determined that app-based FHV services were not contributing to the increased traffic congestion in the CBD because “increases in e-dispatch trips [were] largely substituting for yellow taxi trips.”⁸⁷

Vehicle Efficiency

In December of 2017, a report was released by Bruce Schaller that specifically focused on Manhattan traffic congestion comparing taxi/transportation network company (TNC) data from June 2013 and June 2017.⁸⁸

⁸⁸ Note that “TNC” is the term used by Schaller, and so will be used here only in the context of discussing his research.

Schaller looked at vehicle speeds, the number of taxis/TNC on the road and the declining amount of time a vehicle has a passenger, known as vehicle utilization – according to Schaller, TNC “trip growth has added a significant number of trips in certain already-congested neighborhoods where... traffic conditions can as much as double the time required to travel a few miles.”⁸⁹ Additionally, “the City has historically used pricing of taxicab fares and parking to discourage auto use in Manhattan. As they steadily cut fares, app-based FHV’s are erasing these longstanding financial disincentives for traveling by motor vehicle in Manhattan.”⁹⁰

The report found that the Manhattan CBD is most congested during peak times on weekdays from 8 AM to 7 PM, when traffic speed is the slowest.⁹¹ The combined number of taxi/TNC vehicles on weekdays in the CBD increased by 59 percent between 2013 and 2017. The number of unoccupied taxi/TNCs increased by 81 percent, more rapidly than overall vehicle hours due to declining utilization. The number of taxi and TNC vehicles increased in the CBD and weekday mileage increased more rapidly.⁹²

From 2013-17 the number of combined trips from yellow taxis and app-based FHV’s in the Manhattan core increased by 19%, and the number of hours FHV’s spent in the area while carrying passengers increased 42%.⁹³

The impact of the increased use of app-based FHV’s on roads in the Manhattan core is 4 times higher than upper Manhattan and 5 times higher than in inner Brooklyn.⁹⁴

Bruce Schaller stresses that the City’s January 2016 report studied a time period that mostly did not reflect the explosion of app-based FHV’s. The City analyzed data from June 2013 to June 2015, which meant the data mostly reflected conditions before the accelerated expansion of app-based FHV’s began in the spring of 2015.⁹⁵ As Schaller and DOT have documented extensively, the situation has evolved dramatically since then. In 2018, traffic slowed to roughly 5 mph in Midtown and 7 mph in Manhattan CBD.⁹⁶

Meanwhile, DOT have stated that the growth in app-based FHV services is also a likely significant factor in the decline in travel speeds since 2014, as these services have added a substantial volume of traffic on Manhattan streets.⁹⁷

The below chart shows decreasing CBD and Midtown Core taxi speeds from 2010-2017:

The increased time and mileage that drivers spend between trips exacerbates congestion and does not help with the actual transportation of New Yorkers.⁹⁸ He also argues that reducing the amount of time a vehicle is unoccupied is the best policy proposal because it reduces the amount of time app-drivers spend waiting for their next trip request which now averages 11 minutes.⁹⁹ Reducing unoccupied time between trips for taxis and TNCs can substantially reduce overall vehicle mileage in the CBD and thus overall congestion levels.

The New Automobility: Lyft, Uber and the Future of American Cities

In July 2018, Schaller released another report that analyzed the benefits and drawbacks of e-dispatch services and “microtransit,” which Schaller defines as shared-ride services (trips that involve multiple passengers picked up from different locations) in which passengers walk to a pick up location. Chariot and Via are both examples of this type of service.¹⁰⁰

The report analyzed the ways in which lawmakers can mitigate congestion and traffic impacts, and the implications of ridesharing services in future city planning across nine major U.S. cities.¹⁰¹ The Schaller report found that app-based passengers tend to be individuals who have a college degree and earn over \$50,000 annual income, and who are between the ages of 25-34. This demographic is twice as likely to use TNCs as individuals who are less educated, less affluent, and older. The chart below shows the number of trips per person annually by income.¹⁰²

Figure 8. TNC trip rates by household income

According to the report, TNC services, such as Uber and Lyft, add 2.8 new TNC vehicle miles on the road for each mile of personal driving removed.¹⁰³ This translates to an overall 180% increase in driving on city streets.¹⁰⁴ Additionally, shared services such as UberPool and Lyft Line only slightly reduce the vehicle miles added for each mile in personal vehicles removed, shifting from 2.8 to 2.6 miles added.¹⁰⁵ Despite claims by Lyft that customers sharing rides “are helping to reduce the carbon footprint left by our country’s dominant mode of transportation – driving alone”, even if half of rides were shared, TNC services would still add 120% vehicle miles. Schaller argues that shared rides also add to traffic because passengers who choose pooled options are switching from non-vehicle forms of transportation.¹⁰⁶ In 2017, New York State passed legislation to legalize and regulate TNCs, and which applies to all counties outside of New York City. The State imposes an annual

licensing fee per service of \$50,000.¹⁰⁷ Schaller also found that TNC services added 976 million miles of driving between 2013 and 2017.

Schaller had specific policy recommendations for combating congestion including implementing trip fees, congestion pricing, increasing the number of bus lanes, and implementing traffic signal timing.¹⁰⁸ Additionally, policies should increase vehicle utilization so that TNCs spend less time without a passenger.¹⁰⁹ In addition, the report points out that the impending introduction of autonomous, or so called driverless vehicles to city streets requires steps to be taken sooner in order to mitigate further congestion.¹¹⁰

Drivers who perform trips for high-volume FHV bases drive an average of 35,000 miles per year. Multiplied across the average monthly total of active licensed vehicles from June 2017 to May 2018, these FHV drivers drove about 2.42 billion miles in a year.¹¹¹ After holding steady in the 2000's, the number of registered vehicles in NYC increased by 200,000 from 2010 - 2016, an increase of 10%. DOT and TLC estimate that 10-15% of these vehicles were purchased to be used as FHV's.¹¹² App-based FHV drivers must drive to the pick-up location and drive between trips, adding to overall mileage. App-based FHV's cover 8.6 miles per trip in NYC, higher than in San Francisco or Chicago, and spend 40% of their trips without a passenger.¹¹³ From June 2017 to May 2018, app-based FHV's drove about 2.42 billion miles in a year.¹¹⁴

Proposed Int. No. 144-B would pause the issuance of for-hire vehicle licenses for one year while the TLC and DOT study congestion in the for-hire vehicle sector and develop ways to maximize the efficiency of vehicles that operate through high volume for-hire services.

Impact on Public Transportation

Schaller noted that while TNCs and microtransit options can be key extensions of public transit, these services should not replace public transportation. According to the Metropolitan Transportation Authority (MTA), 50% of regular app-based FHV users in NYC reported formerly using transit for trips they now make with app services.¹¹⁵ This is consistent with reports from other major cities.¹¹⁶ While some argue that app-based FHV's can complement transit, by providing travel to and from subway or bus stations, over 95% of individuals walk to or from transit.¹¹⁷ Bus ridership is down 20% from its 2008 peak and subway ridership is down 5% from its 2015 peak.¹¹⁸ The below graph indicates the relationship between decreased subway use and increasing use of app-based FHV's, particularly during traditional commuting hours.¹¹⁹

High-volume FHV trip volumes were 1.5 times higher in May 2018 compared to May 2017.¹²¹ Growth in High-volume FHV trips means that taxis and for-hire vehicles combined now perform 14 million more trips in a month when compared to January 2015.¹²² FHV/taxi growth was greater between 2016 and 2017 than the prior four years combined.¹²³ Since May 2016, an average of 1,700 app-based FHV's have become active every month¹²⁴

The below graph indicates that the growth of app-based FHV's has more than compensated for a decline in yellow taxis, leading to overall growth in the sector.

¹²⁴ TLC Ride Data (July 2018)

Impact on outer boroughs

App-based FHV's have helped grow coverage in the outer boroughs. In recent years there has been significant growth in FHV coverage in the outer-boroughs. 46% of app-based FHV trips do not either start or end in the Manhattan core.¹²⁵

The below graph illustrates how the Taxi/FHV sector grew in 2017 across NYC.

Accessibility

¹²⁵ NYC DOT (July 2018)

In December 2013, disability advocates, along with the TLC and the Mayor's Office for People with Disabilities (MOPD), entered into a settlement to require that 50% of yellow taxicabs be wheelchair accessible by 2020.¹²⁶ In June 2014, in accordance with the state Hail Accessible Inter-borough License (HAIL) Act, the TLC submitted a Disabled Accessibility Plan ("DAP") describing strategies it would use to increase the accessibility of the taxi and for-hire vehicle fleets for people with disabilities.¹²⁷ The DAP lays out a plan to make 54% of the yellow and green taxi fleets wheelchair-accessible, including 12,700 accessible vehicles by 2024.

Prior to 2017, the TLC had not imposed any vehicle requirements related to accessibility on the FHV sector. In July 2017, after discussions with disability advocates the TLC released proposed FHV Accessible Vehicle Rules.¹²⁸ These rules would have required bases to provide 10% of their trips in accessible vehicles beginning in 2018, increasing the requirement by 5% over the course of four years, so that by 2021, 25% of trips dispatched by bases would have to be made in a wheelchair accessible vehicle.¹²⁹ In response, the FHV industry created a counter proposal based on a central dispatch, where bases could refer requests for accessible vehicles to a centralized dispatch that would be responsible for locating wheelchair accessible FHV's.¹³⁰ On December 13, 2017, the TLC adopted the FHV Accessible Rules, which included a Pilot Resolution ("The Pilot") modeled after the industry's proposal. The Pilot is described as an alternative to complying with the FHV Accessible Rules.¹³¹ The Pilot will last for two years beginning in July 2018. TLC is using the Pilot as an opportunity to test the industry's approach. If a participant is terminated from the Pilot they would "transition" into complying with the Rules.

In April 2018, Uber, Lyft, and Via filed a lawsuit against the TLC over the TLC's accessibility rules.¹³² The companies have argued that vehicle manufacturers do not have wheelchair accessible vehicles ("WAV") readily available and that the TLC's Rules are arbitrary because the TLC can terminate the Pilot at any time.¹³³ In June of 2018, TLC and the app-companies reached a settlement that, after new TLC rules are enacted, will allow companies to measure their ability to comply with the rules by the amount of time a passenger waits for a vehicle.¹³⁴

TLC Enforcement

The TLC's Uniform Services Bureau is responsible for enforcing state and local laws and TLC rules related to taxi and for-hire vehicle service. The TLC currently has 197 enforcement inspectors and 60 vacancies.¹³⁵ In 2017, TLC and NYPD conducted 267 joint operations to combat illegal for-hire operators and reckless drivers, while independently conducting 159 illegal commuter van enforcement operations.¹³⁶ The violations that TLC enforces range from compliance with generally-applicable traffic laws such as speeding to more TLC-specific violations. TLC-specific violations range from relatively minor rules such as lack of vehicle cleanliness or proper display of a license, to more consequential violations such as service refusals and, crucially, illegal pick-ups. Illegal pick-ups can include vehicles/drivers not licensed with the TLC performing for-hire service illegally (sometimes known as "straight plates"), licensed FHV's responding illegally to street hails, and the Street Hail

Liveries (“SHLs” or “boro taxis”) which cannot pick up street hails in the “exclusionary zone” (below East 96th and West 110th Streets in Manhattan as well as JFK and LaGuardia airports).¹³⁷

The penalties associated with TLC violations are outlined in the various provisions of the Administrative Code and TLC Rules. For example, taxi drivers cannot ask a passenger their destination before the passenger is in the vehicle, taxi drivers cannot refuse to take a passenger to any destination within the city, taxis are prohibited from charging an amount to the passenger that goes above the metered amount, and for-hire vehicle drivers are not permitted to accept street hails.¹³⁸ Over time, the Council has increased the penalties for these provisions. Prior to 2011, the penalties for each of these violations ranged from \$200 and \$350 for the first offense and \$350 and \$500 for a second offense occurring in a 24-month period. Local Law 35 of 2011 raised the penalties specific to taxi drivers. For the first offense, penalties were raised to between \$200 and \$500 and the second offense in a 24-month period to between \$350 and \$1,000 and up to \$1,000 for three or more offenses occurring within a 36-month period.¹³⁹ Local Law 35 of 2011 also raised the penalties for FHV drivers who accept street hails to between \$200 and \$350 for the first offense and between \$350 and \$500 for a second offense within a 24-month period, and could face license revocation upon a third offense within a 36-month period.¹⁴⁰

ANALYSIS

ANALYSIS OF PROPOSED INT. NO. 144-B

Section one of Proposed Int. No. 144-B would prohibit TLC from issuing new for-hire vehicle licenses for 12 months after the effective date of this proposed legislation, with exceptions including an exception for wheelchair accessible vehicles.

Section two would add a definition of “vehicle utilization standard” to Chapter 5 of Title 19 of the Administrative Code (Code). Section three would add new section 19-550 to the Code to require TLC to study various aspects of the vehicle for hire industry in the City and determine whether to establish vehicle utilization standards or regulate the number of for-hire vehicle licenses. TLC would also be authorized to require that certain data be provided to the TLC by high-volume for-hire services. The definition of “vehicle utilization standard,” in combination with subdivision c of the new section 19-550, gives TLC the flexibility, based on the results of the study required by section three, to take such measures as regulating the percentage of time or miles that vehicles for high-volume for-hire services must spend servicing passengers, regulating the total number of miles that such vehicles may drive in a given period of time in specific geographic areas of the city, or regulating the total number of such vehicles that may operate in specific geographic areas of the city at any given time.

Section four would state that this local law takes effect immediately.

ANALYSIS OF PROPOSED INT. NO. 634-B

Section one of Proposed Int. No. 634-B would amend subdivision b of section 19-504 of the Code by waiving the current \$275 license fee for any wheelchair accessible FHV or any taxi-cab license used with an accessible vehicle.

Section two would state that this local law takes effect immediately.

ANALYSIS OF PROPOSED INT. NO. 838-C

Section one of Int. 838-C would add definitions of base, high-volume for-hire service to section 19-502 of the Code.

Section two would add section 19-548 to the Code to require high-volume for-hire services to be licensed by TLC, and sets the conditions on licensing.

¹³⁷ 35 R.N.Y.C § 80-19(c)(2)

¹³⁸ N.Y.C Ad Code §19-507(a)(1), (a)(2) and (a)(3)

¹³⁹ Local Law 35 of 2011

¹⁴⁰ 35 R.C.N.Y. § 80-19(c)(1)

Section three would state that this local law takes effect 120 days after it becomes law, except that section one would take effect immediately and section d of section 19-548 would take effect 180 days after it becomes law.

ANALYSIS OF PROPOSED INT. NO. 890-B

Section one of Int. No. 890-B would add a new section 19-549 to the Code. Subdivision b of section 19-549 would require TLC to establish minimum payment standards for trips dispatched by high-volume for-hire services. Subdivision c of such section would require TLC to study payments to for-hire vehicle drivers for trips not dispatched by high-volume for-hire services and authorizes TLC to establish minimum payments for such trips. Such subdivision d would require TLC to determine whether to establish minimum rates of fare charged by vehicles licensed by TLC.

Section two would state that this local law takes effect immediately.

ANALYSIS OF PROPOSED INT. NO. 958-A

Local Law 52 of 2016 created the fines issued to for-hire vehicle drivers and street hail livery drivers for accepting street hails specifically in the exclusionary zone, at airports, and in other areas as TLC may designate.¹⁴¹ The penalties are \$2,000 for the first offense, \$4,000 for the second offense within a 24-month period, and \$10,000 and license revocation for a third or subsequent offense within a 120-month period.¹⁴² In 2017, TLC enforcement officers issued 4,138 summons to drivers accepting illegal-street hails and 100 summons to drivers of streets hail liveries who accepted illegal-street hails.¹⁴³ Proposed Int. No. 958-A would change the fine for illegal street hails to the pre-2016 amount in order to bring the law in line with fines citywide.

Section one of Int. No. 958-A would amend section 19-507 of the Code to remove the elevated penalties for unauthorized street hails in the HAIL exclusionary zone by licensed drivers.

Section two would state that this local law takes effect 90 days after it becomes law.

¹⁴³ Taxi and Limousine Commission 2017 Annual Report, available at http://www.nyc.gov/html/tlc/downloads/pdf/annual_report_2017.pdf.

SUMMARY OF LEGISLATION: Proposed Intro. 144-B would prohibit the Taxi and Limousine Commission (TLC) from issuing new for-hire vehicle (FHV) licenses for 12 months, except i) to certain applicants who already have a TLC issued driver’s license and who have already entered into a lease for the use of an FHV that contains a conditional purchase agreement; ii) for wheelchair accessible vehicles; and iii) upon a determination by the TLC that issuing new FHV licenses would increase the availability of for-hire services in different areas of the City where such services are needed and the licenses would not substantially contributed to congestion.

During the course of the 12 months, TLC in conjunction with the Department of Transportation (DOT) would be required to conduct a study on issues including, but not limited to, driver income, congestion, traffic safety, vehicle utilization rates, access to services in different geographic areas of the City, the number of hours drivers make themselves available to accept dispatches. Based on the study the TLC may to adopt vehicle utilizations standards for the operation of vehicles dispatched by high-volume for-hire services or regulations on the number of FHV licenses. Annual reporting to the Council and the Mayor on these standards and regulations would be required. In addition, TLC would be required to establish penalties for the violation of any vehicle utilization standards by a high-volume for-hire service.

Lastly, the legislation authorizes TLC to require high-volume for-hire services to provide data on each trip.

EFFECTIVE DATE: This local law would take effect immediately

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	\$0	\$0	\$0
Expenditures	\$2,103,450	\$745,864	\$745,864
Net	(\$2,103,450)	(\$745,864)	(\$745,864)

IMPACT ON REVENUES: It is estimated that there would be no impact on revenues resulting from the enactment of this legislation because full compliance with the legislation is anticipated.

IMPACT ON EXPENDITURES: It is estimated that the annual fiscal impact of this legislation on expenditures would be \$724,140 in personal services costs and that there would be a one-time cost of \$1.5 million to contract with a third-party to conduct the study required by the legislation. TLC estimates that it would need an additional seven staff positions, including one analyst position at the DOT, to support the work of this legislation, including: one attorney, analytical staff, and technical staff. The total annual cost of these additional positions is estimated to be \$724,140, including fringe benefits costs. For Fiscal 2019, the prorated personal services cost would be \$603,450 in addition to \$1.5 million cost for a study, bringing the total costs in Fiscal 2019 to \$2.1 million. In Fiscal 2020, a three-percent increase due to inflation would bring the total cost to \$745,864.

Int. No. 144-B

By Council Members Levin, Constantinides, Holden, Rivera, Brannan, Chin, Rosenthal, Ayala, Menchaca and Lander.

A Local Law to amend the administrative code of the city of New York, in relation to conducting a study of the impact vehicles for hire have on the city of New York, and authorizing the commission to establish and revise vehicle utilization standards for high-volume for-hire services and to regulate the issuance of new licenses to for-hire vehicles

Be it enacted by the Council as follows:

Section 1. a. The taxi and limousine commission shall not issue new for-hire vehicle licenses for 12 months after the effective date of this local law, during which period the commission shall submit a report to the council every 3 months on the impact of this section on vehicle ridership throughout the city.

b. Notwithstanding subdivision a of this section, the taxi and limousine commission may issue a new for-hire vehicle license to an applicant who (i) possesses a taxi and limousine commission issued driver's license, (ii) provides written proof that, prior to the effective date of this local law, the applicant entered into a lease for the use of a licensed for-hire vehicle that contains a conditional purchase agreement for the vehicle, and (iii) demonstrates that the term of such lease is no less than 2 years.

c. Notwithstanding subdivision a of this section, the taxi and limousine commission shall continue to issue new for-hire vehicle licenses for wheelchair accessible vehicles.

d. The taxi and limousine commission shall continue to renew for-hire vehicle licenses existing on the effective date of this local law pursuant to the rules of the commission.

e. Notwithstanding subdivision a of this section, the taxi and limousine commission may issue any number of new for-hire vehicle licenses upon a determination by the commission that issuing such number of new for-hire vehicle licenses would increase the availability of for-hire services in different geographic areas of the city where such services are needed, and where such licenses would not substantially contribute to traffic congestion, and the promulgation of rules pursuant to chapter 45 of the New York city charter shall not be required for any action taken by the commission pursuant to this subdivision.

f. The taxi and limousine commission may promulgate rules to address the need of any person who has been issued a for-hire vehicle license prior to the effective date of this local law to ensure that such license may remain operable during the 12-month period after the effective date of this local law.

§ 2. Section 19-502 of the administrative code of the city of New York is amended by adding a new subdivision hh to read as follows:

hh. The term “vehicle utilization standard” means the standard for the efficient use of for-hire vehicles as determined by the commission based on the time spent, distance traveled or both by drivers of for-hire vehicles transporting passengers on trips dispatched by a base or, as applicable, a high-volume for-hire service; the time spent, distance traveled or both by drivers who have made themselves available to accept dispatches from such base or from such high-volume for-hire service; and the number of passengers transported by such drivers.

§ 3. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-550 to read as follows:

§ 19-550 *Vehicle utilization standards. a. The commission, in conjunction with the department of transportation, shall study (i) income drivers derive from operating vehicles that provide transportation services to passengers, (ii) traffic congestion throughout the city, (iii) the extent to which various categories of vehicles for hire contribute to such congestion, (iv) traffic safety, (v) vehicle utilization rates, (vi) access to services in different geographic areas of the city for one or more categories of vehicles for hire, (vii) the number of hours that drivers have made themselves available to accept dispatches from a base or from a high-volume for-hire service by day or week, (viii) driver income and well-being, and (ix) such other topics as the commission and the department of transportation deem appropriate. The study shall be conducted during the 12 months following the effective date of the local law that added this section.*

b. Based on the results of the study conducted pursuant to subdivision a of this section, the commission:

1. may establish vehicle utilization standards for the operation of vehicles dispatched by high-volume for-hire services in the city and, if such standards are established, shall review such standards on a periodic basis, but not less than once annually, and based on such review may revise such standards for the operation of such vehicles; and

2. shall review the number of for-hire vehicle licenses on a periodic basis, but not less than once annually, and based on such review may regulate the number of for-hire vehicle licenses issued pursuant to section 19-504.

c. The commission may vary the vehicle utilization standards established, and the number of licenses issued, pursuant to subdivision b of this section, by geographic area of the city, time of day, day of the week, whether a vehicle is a wheelchair accessible vehicle or a low- or zero-emission vehicle and by such other factors as the commission deems appropriate to address traffic congestion, shared rides, traffic safety, vehicle emissions, for-hire vehicle ridership, the income drivers derive from providing transportation services to passengers and the availability of for-hire vehicle services in different geographic areas of the city.

d. For each trip a high-volume for-hire service offers or otherwise facilitates through one or more black car base, luxury limousine base or livery base station, the commission may require the following data be provided:

1. For each trip dispatched by such base or base station:

(a) the driver license number issued by the commission;

(b) the license number, issued by the commission, of the vehicle that fulfilled the trip request and the base or base station with which such vehicle is affiliated;

(c) the location from which each passenger is picked up and subsequently dropped off;

(d) the total number of passengers picked up and dropped off from the location referenced in subparagraph (c);

(e) the date and time such passenger is picked up;

(f) the date and time such passenger is dropped off;

(g) the total trip mileage;

(h) the date and time such trip request was made by a passenger;

(i) the itemized fare for each trip including the amount of the fare, any toll, surcharge, commission rate, other deduction and any gratuity and a breakdown of the amount such passenger paid for the trip; and

(j) the payment that each driver received for each trip or the hourly rate paid;

2. The total amount of time a vehicle is connected to the electronic platform of a high-volume for-hire service each day;

3. The amount of time spent each day by each vehicle transporting passengers for hire, as well as the time spent each day by such vehicle on the way to a passenger, and time spent by such vehicle between trips but not on the way to a passenger; and

4. Any additional information required by the commission to conduct the study required by subdivision a or to review:

(a) the vehicle utilization standards authorized to be established by subdivision b of this section; and
 (b) the issuance of licenses authorized to be regulated by subdivision b of this section.

e. The commission shall establish penalties to be imposed on a high-volume for-hire service for the failure of such service to meet any vehicle utilization standards established pursuant to this section. Such penalties shall be calculated by multiplying the total number of trips dispatched by such service within a 24-hour period by the following penalty ranges: no less than \$0.01 per trip dispatched and no greater than \$0.10 per trip dispatched for the first violation of any vehicle utilization standard; no less than \$0.50 per trip dispatched and no more than \$0.80 per trip dispatched for a second violation within a 24-month period; and no less than \$1 per trip dispatched and no greater than \$5 per trip dispatched for any subsequent violation within a 24-month period. The establishment of penalties by the commission shall depend on an assessment of factors, which shall include but need not be limited to the extent to which the high-volume for-hire service has failed to meet any vehicle utilization standard established by the commission during the previous 12 months, the scale of the divergence from such standard, and the number of vehicles dispatched by such service in a 24-hour hour period. Such civil penalties shall not affect the authority of the commission to suspend or revoke the license of any high-volume for-hire service or the license of any base or base station.

f. A high-volume for-hire service shall not deduct any payment owed to any driver for a trip dispatched by such service for the payment of any penalties imposed by the commission pursuant to subdivision e of this section. The commission shall establish penalties no less than \$500 and no greater than \$1,000 for each violation of this subdivision.

g. The commission shall no later than December 31, 2020 and annually thereafter submit to the council and the mayor a report on the effects of vehicle utilization standards and the regulation of the number of licenses issued to for-hire vehicles authorized by subdivision b of this section.

§ 3. This local law takes effect immediately.

LATONIA MCKINNEY, DIRECTOR
FISCAL IMPACT STATEMENT
PROPOSED INTRO. NO: 634-B
COMMITTEE: For-Hire Vehicles

TITLE: A local law to amend the administrative code of the city of New York, in relation to the waiver of licensing fees for assessable taxi-cabs and for-hire vehicles

SPONSORS: Council Members Diaz, Constantinides, Rivera, Yeger, Brannan, Powers and Ampry-Samuel

SUMMARY OF LEGISLATION: Proposed Intro. 634-B would require the Taxi and Limousine Commission (TLC) to waive the licensee fee for taxis and for-hire vehicles (FHV) if the vehicles being licensed are wheelchair accessible. The current taxi license fee is \$550 and the current FHV license fee is \$275.

EFFECTIVE DATE: This local law would take effect immediately

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	(\$1,400,000)	(\$4,357,450)	(\$4,357,450)
Expenditures	\$0	\$0	\$0
Net	(\$1,400,000)	(\$4,357,450)	(\$4,357,450)

IMPACT ON REVENUES: It is anticipated that there would be a loss of \$1.4 million in revenue in Fiscal 2019 due to waived licensing fees. Currently, there are approximately 2,311 wheelchair accessible yellow taxis, subject to a \$550 licensee fee, and 253 wheelchair accessible green taxis and FHVs, subject to a \$275 licensee fee. However, in the outyears, the amount of loss revenue is anticipated to increase as new TLC rules to increase the number of accessible vehicles in the yellow and FHV fleets take effect, including the exception for wheelchair accessible vehicles proposed under Intro. Number 144.

IMPACT ON EXPENDITURES: It is estimated that this legislation would have no impact on expenditures since existing resources would be used by the administering agency to comply with this local law.

By Council Members Diaz, Constantinides, Rivera, Yeger, Brannan, Powers, Ampry-Samuel, Ayala, Levin and Miller.

A Local Law to amend the administrative code of the city of New York, in relation to the waiver of licensing fees for accessible taxi-cabs and for-hire vehicles

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 19-504 of the administrative code of the city of New York, as amended by local law number 57 for the year 1991, is amended to read as follows:

b. The license fee for each taxi-cab and coach shall be five hundred fifty dollars annually. The license fee for each wheelchair accessible van and each for-hire vehicle shall be two hundred seventy-five dollars annually. If a license is granted for a period other than one year, the fee shall be prorated accordingly. There shall be an additional fee of twenty-five dollars for late filing of a wheelchair accessible van or for-hire vehicle license renewal application where such filing is permitted by the commission. *Notwithstanding the foregoing, the license fee authorized by this subdivision shall be waived for any for-hire vehicle license that shall be used with a wheelchair accessible vehicle, as defined in subdivision w of section 19-502, or a taxi-cab license used with an accessible vehicle, as defined in section 53-03 of title 35 of the rules of the city of New York, as of the date such license fee is due and payable.*

§ 2. This local law takes effect immediately.

THE COUNCIL OF THE CITY OF NEW YORK

FINANCE DIVISION

LATONIA MCKINNEY, DIRECTOR

FISCAL IMPACT STATEMENT

PROPOSED INTRO. NO: 838-C

COMMITTEE: For-Hire Vehicles

TITLE: A local law to amend the administrative code of the city of New York, in relation to the licensing and regulation of high-volume for-hire transportation services.

SPONSORS: Council Members Diaz, Deutsch, Cabrera, Miller, Constantinides, Torres, Koslowitz, Grodenchik, Lancman, Brannan, Williams, Gjonaj, Dromm, Koo, King, Maisel, Moya, Cohen, Rivera, Powers and Ayala

SUMMARY OF LEGISLATION: This legislation would create a new license for providing high-volume for-hire service in the City, which would only impact for-hire services that dispatch 10,000 or more trips per day. The new license would require applicants to: (i) submit a business plan, (ii) comply with any requirement of the Taxi and Limousine Commission to assess the impact of the service on the environment, (iii) provide a description of all deductions (such as commissions and lease fees) it proposes to charge for-hire vehicle owners or drivers as well as estimates of gross hourly earnings of drivers, and (iv) provide detailed trip and revenue data. This legislation would also set a \$10,000 per day penalty for operating a high-volume for-hire service without a valid TLC license to do so.

EFFECTIVE DATE: This local law would take effect 120 days after it becomes law, except that the provision adding definitions to section 19-502 would take effect immediately and the provision imposing penalties for operating a high-volume for-hire service without a valid license would take effect 180 days after it becomes law.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	\$0	\$0	\$0
Expenditures	\$455,890	\$862,501	\$862,501
Net	(\$735,017)	(\$862,501)	(\$862,501)

IMPACT ON REVENUES: It is anticipated that this legislation would have no impact on revenues because full compliance with the legislation is anticipated.

IMPACT ON EXPENDITURES: It is estimated that the annual fiscal impact of this legislation on expenditures would be \$837,380, excluding one-time OTPS costs of \$37,200 for associated with technological needs. TLC estimates that it would need an additional eight staff positions to support the work of this legislation, including: two attorneys, analytical staff, and technical staff. The total annual cost of these additional positions is estimated to be \$837,380, including fringe benefits costs. For Fiscal 2019, the prorated cost would be \$418,690 in addition to \$37,200 for OTPS related costs, bringing the total cost in Fiscal 2019 to \$455,890.

LEGISLATIVE HISTORY: This legislation was introduced to the full Council as Intro. No. 838 on April 25, 2018 and was referred to the Committee on For-Hire Vehicles (Committee). A hearing was held by the Committee on April 30, 2018, and the legislation was laid over. The legislation was subsequently amended three times and the most recently amended version, Proposed Intro. No. 838-C, will be considered by the Committee on August 8, 2018. Upon a successful vote by the Committee, Proposed Intro. No. 838-C will be submitted to the full Council for a vote on August 8, 2018.

DATE PREPARED: August 1, 2018.

Accordingly, this Committee recommends its adoption, as amended.

By Council Members Diaz, Deutsch, Cabrera, Miller, Constantinides, Torres, Koslowitz, Grodenchik, Lancman, Brannan, Williams, Gjonaj, Dromm, Koo, King, Maisel, Moya, Cohen, Rivera, Powers, Ayala and Levin.

A Local Law to amend the administrative code of the city of New York, in relation to the licensing and regulation of high-volume for-hire transportation services

Be it enacted by the Council as follows:

Section 1. Section 19-502 of the administrative code of the city of New York is amended by adding new subdivisions ff and gg to read as follows:

ff. Base. The term “base” has the same meaning as “for-hire base (or “base”)” in subdivision (f) of section 59B-03 of title 35 of the rules of the city of New York.

gg. High-volume for-hire service. The term “high-volume for-hire service” means an individual, partnership, limited liability company, business corporation, sole proprietorship or any combination of one or more individuals, partnerships, limited liability companies, business corporations or sole proprietorships operating under, or in affiliation with, one brand or trade name or a common brand, trade, business or operating name, that offers, facilitates or otherwise connects passengers to for-hire vehicles by prearrangement, including through one or more licensed black car bases, luxury limousine bases or livery base stations, as these terms are defined in section 51-03 of title 35 of the rules of the city of New York, utilizing software that allows a passenger or prospective passenger to arrange for transportation using a passenger-facing booking tool, including a smartphone or other electronic device, and that dispatches, or facilitates the dispatching of, 10,000 or more trips in the city in one day. Any and all bases using a common brand, trade, business or operating name will be considered together for purposes of determining whether they satisfy the definition of high-volume for-hire service.

§ 2. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-548 to read as follows:

§ 19-548 *Licensing and operation of high-volume for-hire services. a. It is unlawful for a high-volume for-hire service to operate unless licensed to do so by the commission.*

b. A license to operate as a high-volume for-hire service is valid for a period of two years and the biennial fee for such license shall be set by the commission.

c. A license for a high-volume for-hire service may be issued, or renewed, in whole or in part as applicable, by the commission, if the applicant:

1. Submits a business plan that includes:

(a) The number of trips arranged or dispatched through a black car base, a luxury limousine base or a livery base station during the previous calendar year, to the extent trips were arranged or dispatched through such a base or station during the previous calendar year, and an estimate of the number of trips expected to be dispatched through a black car base, a luxury limousine base or a livery base station on a daily basis upon receipt or renewal of the said license and for the two calendar years immediately following the issuance or renewal of the said license;

(b) A projection of the number of for-hire vehicles needed to operate in accordance with the business plan of such high-volume for-hire service, and the average number of trips per vehicle that is anticipated to be provided by such service;

(c) The geographic areas in the city such high-volume for-hire service intends to serve; and

(d) Any other information the commission deems important to consider relating to the issuance or renewal of a license to operate as a high-volume for-hire service;

2. Complies with any requirement established by the commission to assess the impact of the operation of a high-volume for-hire service on the environment, including, but not limited to, providing an analysis of the impact such service has on the following:

(a) traffic congestion;

(b) local transportation, including public transit, private motor vehicles, and other modes of transit; and

(c) noise;

3. (a) Provides a description of all deductions, including any commissions, lease fees and other charges such high-volume for-hire service proposes to charge either the for-hire vehicle owner or the driver, or both, as applicable, including an estimate of the average gross hourly earnings of a driver, based upon actual or anticipated trips and fares, and affirms that it will not charge or deduct from any for-hire vehicle owner or driver any charge that has not been filed with the commission; and

(b) Files its rates of fare with the commission; and

4. Provides trip and revenue data that includes:

(a) For each trip dispatched by a black car base, luxury limousine base or livery base station:

(1) the driver license number issued by the commission;

(2) the license number, issued by the commission, of the vehicle that fulfilled the trip request and the base or base station with which such vehicle is affiliated;

(3) the location from which each passenger is picked up and subsequently dropped off;

- (4) the total number of passengers picked up and dropped off from the location referenced in subparagraph (3);
- (5) the date and time such passenger is picked up;
- (6) the date and time such passenger is dropped off;
- (7) the total trip mileage;
- (8) the date and time such trip request was made by a passenger;
- (9) the itemized fare for each trip including the amount of the fare, any toll, surcharge, commission rate, other deduction and any gratuity and a breakdown of the amount such passenger paid for the trip; and
- (10) the payment that each driver received for each trip or the hourly rate paid;
- (b) The total amount of time a vehicle is connected to the electronic platform of a high-volume for-hire service each day;
- (c) The amount of time spent each day by each vehicle transporting passengers for hire, as well as the time spent each day by such vehicle on the way to a passenger, and time spent by such vehicle between trips but not on the way to a passenger; and
- (d) Other information as required by the commission.
- d. The penalty for operating a high-volume for-hire service without a valid license issued by the commission is \$10,000 for each day such operation takes place, except that no such penalty shall be imposed upon a high-volume for-hire service while the initial licensing application of such service is pending and until the commission has made a determination pursuant to subdivision c of this section regarding the initial licensing of such service and communicated such determination in writing to the applicant.

§ 3. This local law takes effect 120 days after it becomes law, except that section one of this local law takes effect immediately, and provided that the taxi and limousine commission shall take such measures as are necessary for the implementation of this local law, including the promulgation of rules and the processing of applications for licenses, prior to such date and provided further that subdivision d of section 19-548 of the administrative code of the city of New York, as added by section two of this local law takes effect 180 days after this local law becomes law.

FISCAL IMPACT STATEMENT
PROPOSED INTRO. NO: 890-B
COMMITTEE: For-Hire Vehicles

TITLE: A local law to amend the administrative code of the city of New York, in relation to setting the minimum payments to for-hire vehicle drivers and minimum fares

SPONSORS: Council Members Landers, Constantinides, Rivera, Powers and Chin

SUMMARY OF LEGISLATION: Proposed Intro. 890-B would require the Taxi and Limousine Commission (TLC) to set minimum payments for for-hire vehicle drivers for trips dispatched by high volume for-hire services. TLC would also be required to study payments for other for-hire vehicle trips and would be authorized to set payments for those trips as well as set minimum rates of fare.

EFFECTIVE DATE: This local law would take effect immediately.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	\$0	\$0	\$0

Net	(\$584,908)	(\$431,251)	(\$431,251)

IMPACT ON REVENUES: It is estimated that there would be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: It is estimated that the annual impact of this legislation on expenditures would be \$418,690 in personal services costs and a one-time cost of \$200,000 to contract with a third-party to conduct the study required by the legislation. TLC estimates that it would need an additional four staff positions to support the work of this legislation, including: one attorney, one analytical staff, one coordinator and one technical staff. The total annual cost of these additional positions is estimated to be \$418,690, including fringe benefits costs. For Fiscal 2019, the prorated cost would be \$384,908 in addition to \$200,000 for a study, bringing the total cost in Fiscal 2019 to \$584,908.

Int. No. 890-B

By Council Members Lander, Constantinides, Rivera, Powers, Chin, Ayala, Levin and Rosenthal.

A Local Law to amend the administrative code of the city of New York, in relation to establishing minimum payments to for-hire vehicle drivers and authorizing the establishment of minimum rates of fare

Be it enacted by the Council as follows:

Section 1. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-549 to read as follows:

§ 19-549 Minimum payments to for-hire vehicle drivers and minimum fares. a. Definitions. For purposes of this section, the term “trip” means a transportation service that involves picking up a passenger at a location, and taking and depositing such passenger at a different location requested by such passenger.

b. The commission shall by rule establish a method for determining the minimum payment that must be made to a for-hire vehicle driver for a trip dispatched by a high-volume for-hire service to such driver. In establishing such method, the commission shall, at a minimum, consider the duration and distance of the trip, the expenses of operation to the driver, any applicable vehicle utilization standard, rates of fare and the adequacy of for-hire vehicle driver income considered in relation to for-hire vehicle driver expenses. Such rule promulgated by the commission shall not prevent payments to for-hire vehicle drivers from being calculated on an hourly or weekly basis, or by any other method, provided that the actual payments made to such drivers are no less than the minimum payments determined in accordance with the method established by the commission.

c. The commission shall study payments to for-hire vehicle drivers dispatched by bases other than through high-volume for-hire services for trips dispatched by such bases and may by rule establish a method for determining the minimum payment that must be made to a for-hire vehicle driver for a trip dispatched by any such base.

d. Following completion of the study required by section 19-550, the commission shall determine whether the establishment of minimum rates of fare to be charged by vehicles licensed by the commission would substantially alleviate any of the problems identified in such study. If the commission determines that such minimum rates of fare would have such an effect, the commission is authorized to establish by rule such minimum

rates of fare. In setting such minimum rates of fare, the commission may consider the category of vehicle, the type of trip, including trips in which the vehicle is available for the transportation of two or more passengers, the rates of fare for other categories of vehicles carrying passengers for hire, including but not limited to taxicabs, the location of the trip, including trips originating, terminating or passing through the hail exclusionary zone, as defined in section 51-03 of title 35 of the rules of the city of New York, and any other factors the commission determines to be appropriate to achieve their intended result. Such minimum rates of fare shall not include any taxes, fees or surcharges imposed on trips made by vehicles licensed by the commission. The commission shall, on a periodic basis, but not less than once annually, review such minimum rates of fare in order to determine whether any amendment of such minimum rates of fare is warranted or necessary in order for such minimum rates of fare to continue to achieve their intended result. If the commission determines that such an amendment is warranted or necessary, it is hereby authorized, by rule, to promulgate such amendment.

§ 2. This local law takes effect immediately.

reducing penalties for unauthorized street hails by licensed for-hire vehicle drivers

SUMMARY OF LEGISLATION: Proposed Intro. 958-A would remove enhanced financial penalties for unauthorized street hails in the hail exclusionary zones.

EFFECTIVE DATE: This local law would take effect 90 days after it becomes law.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2020

FISCAL IMPACT STATEMENT:

	Effective FY19	FY Succeeding Effective FY20	Full Fiscal Impact FY20
Revenues	(\$113,825)	(\$113,825)	(\$113,825)
Expenditures	\$0	\$0	\$0
Net	(\$113,825)	(\$113,825)	(\$113,825)

IMPACT ON REVENUES: It is anticipated that this legislation would reduce revenues by approximately \$113,825 annually. This assumption takes into account the current number street hail summonses issued by the TLC in Fiscal 2017 and Fiscal 2018 pursuant to 19-507(b)(1)(b)(2) and assumes that the new fine amount from such summonses issued under the enhanced category would now be limited to a \$500 fine. For Fiscals 2017 and 2018, the TLC issued 378 and 201 summonses respectively.

IMPACT ON EXPENDITURES: It is estimated that this legislation would have no impact on expenditures since existing resources would be used by the administering agency to comply with this local law.

A Local Law to amend the administrative code of the city of New York, in relation to reducing penalties for unauthorized street hails by licensed for-hire vehicle drivers

Be it enacted by the Council as follows:

Section 1. Paragraph 1 of subdivision b of section 19-507 of the administrative code of the city of New York, as amended by local law number 52 for the year 2016, is amended to read as follows:

b. 1. (a) Any driver who has been found to have violated a provision of paragraph 1, 2, or 3 of subdivision a of this section, or any combination thereof, shall be fined not less than \$200 nor more than \$500 for the first offense. Any driver who has been found in violation of any of the provisions of such paragraphs, or any combination thereof, for a second time within a 24 month period shall be fined not less than \$350 nor more than \$1,000, and the commission may suspend the driver's license of such driver for a period not to exceed 30 days. Any driver who has been found to have violated any of the provisions of such paragraphs, or any combination thereof, three or more times within a 36 month period shall be fined not more than \$1,000 for each such third or subsequent offense, and the commission shall revoke the driver's license of such driver.

(b)[(1)] Any driver who has been found to have violated any of the provisions of paragraph 4 of subdivision a of this section shall be fined not less than \$200 nor more than \$350 for the first offense. Any driver who has been found in violation of any of the provisions of such paragraph for a second time within a 24 month period shall be fined not less than \$350 nor more than \$500, and the commission may suspend the driver's license of such driver for a period not to exceed 30 days. The commission shall revoke the driver's license of any driver who has been found to have violated any of the provisions of paragraph 4 of such subdivision three or more times within a 36 month period.

[(2)] Notwithstanding clause 1 of this subparagraph, any driver who has been found to have violated any of the provisions of paragraph 4 of subdivision a of this section shall be fined \$2,000 for the first offense, \$4,000 for a second offense within a 24 month period, and \$10,000 for a third or subsequent offense within a 120 month period, with these enhanced fines not affecting any otherwise applicable license revocation or penalty, if the violation occurred in any of the following areas: (i) airports in the city of New York; (ii) that area of Manhattan that is south of east 96th street and south of west 110th street in which a HAIL vehicle is prohibited from picking up passengers by street hail; and (iii) in such other areas as the commission shall identify by rule.]

§ 2. This local law takes effect 90 days after it becomes law.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), pursuant to Section 197-c of the New York City Charter, regarding an application submitted by the Department of Citywide Administrative Services, for the disposition of three city-owned properties (Block 2185, Lot 36; Block 2197, Lot 47; and Block 2197, Lot 75), pursuant to zoning, which in conjunction with the related actions would facilitate a series of land use actions, including a comprehensive rezoning plan, to advance the goals of the Mayor's *Housing New York: A Five-Borough, Ten-year Plan* and to begin implementation of the Inwood NYC Action Plan, a comprehensive planning effort aimed at supporting growth and vitality by fostering a vibrant mix of uses, public access to the waterfront and the preservation of areas with an existing strong built context in the Inwood neighborhood of Manhattan, Community District 12, (Application No. C 180206 PPM), Community District 12, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications C 180204(A) ZMM (L.U. No. 135), a zoning map amendments; N 180205(A) ZRM (L.U. No. 136), a zoning text amendments, as modified; C 180207 PQM (L.U. No. 138), an acquisition of a condominium unit in a future development and of property for public access easements and to rationalize lot boundaries; C 180208 HAM (L.U. No. 139), an urban development action area project (UDAAP) designation and project approval and the disposition of City-owned property; and C 180073 MMM (L.U. No. 140), a city map amendment to eliminate portions of streets in the Sherman Creek subarea;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the positive declaration (CEQR No. 17DME007M) issued on August 11, 2017 and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 14, 2018 which included an (E) designation to avoid the potential significant adverse impacts related to hazardous materials, air quality and noise (E-459) and the Technical Memoranda dated June 22, 2018 and August 3, 2018, (the "Technical Memoranda").

RESOLVED:

Having considered the FEIS and the Technical Memoranda, with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable; and
- (3) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating, as conditions to the approval, those project components related to the environmental and mitigation measures that were identified as practicable.
- (4) The Decision, together with the FEIS and the Technical Memoranda, constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180206 PPM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission.

In connection herewith, Council Members Salamanca and Moya offered the following resolution:

Res. No. 484

Resolution approving the application submitted by the New York City Department of Housing Preservation and Development (“HPD”) and the decision of the City Planning Commission, ULURP No. C 180208 HAM, approving the designation of an Urban Development Action Area, an Urban Development Action Area Project, and the disposition of city-owned property located at 4780 Broadway (Block 2233, Lot 13) and 630 Academy Street (Block 2233, p/o Lot 20), Community District 12, Borough of Manhattan to a developer selected by HPD (L.U. No. 139; C 180208 HAM).

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development (“HPD”) regarding city-owned property located at 4780 Broadway (Block 2233, Lot 13) and 630 Academy Street (Block 2233, p/o Lot 20), (the “Disposition Area”), approving:

- a) pursuant to Article 16 of the General Municipal Law of New York State the designation of Disposition Area as an Urban Development Action Area;
- b) pursuant to Article 16 of the General Municipal Law of New York State an Urban Development Action Area Project for the Disposition Area (the "Project"); and
- c) pursuant to Section 197-c of the New York City Charter the disposition of the Disposition Area to a developer to be selected by the New York City Department of Housing Preservation and

Development;

to facilitate a mixed-use affordable housing development with both a new library, a Universal Pre-Kindergarten facility, a social services delivery center, and 175 units of affordable housing, which in conjunction with the related actions would facilitate a series of land use actions, including a comprehensive rezoning plan, to advance the goals of the Mayor's *Housing New York: A Five-Borough, Ten-year Plan* and to begin implementation of the Inwood NYC Action Plan, a comprehensive planning effort aimed at supporting growth and vitality by fostering a vibrant mix of uses, public access to the waterfront and the preservation of areas with an existing strong built context in the Inwood neighborhood of Community District 12, Borough of Manhattan, (ULURP No. C 180208 HAM) (the "Application");

WHEREAS, the Application is related to applications C 180204(A) ZMM (L.U. No. 135), a zoning map amendment; N 180205(A) ZRM (L.U. No. 136), a zoning text amendment, as modified; C 180206 PPM (L.U. No. 137), a disposition of City-owned property; C 180207 PQM (L.U. No. 138), an acquisition of a condominium unit in a future development and of property for public access easements and to rationalize lot boundaries; C 180073 MMM (L.U. No. 140), a city map amendment to eliminate portions of streets in the Sherman Creek subarea;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

WHEREAS, by letter June 18, 2018 and submitted to the Council on June 25, 2018, and such letter having been superseded by letter dated August 1, 2018 and submitted to the Council on August 1, 2018, to facilitate the inclusion of a robotics center into the aforesaid mixed-use affordable housing development, HPD submitted its requests (the "HPD Requests") respecting the Application including the submission of the project summary for the Project (the "Project Summary");

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision and the HPD Requests on July 10, 2018;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the positive declaration (CEQR No. 17DME007M) issued on August 11, 2017 and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 14, 2018 which included an (E) designation to avoid the potential significant adverse impacts related to hazardous materials, air quality and noise (E-459) and the Technical Memoranda dated June 22, 2018 and August 3, 2018 (the "Technical Memoranda").

RESOLVED:

Having considered the FEIS and the Technical Memoranda, with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable;
- (3) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the

maximum extent practicable by incorporating, as conditions to the approval, those project components related to the environmental and mitigation measures that were identified as practicable; and

- (4) The Decision, together with the FEIS and the Technical Memoranda constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report (C 180208 HAM) and incorporated by reference herein, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law and subject to the terms and conditions of the Project Summary.

The Project shall be developed in a manner consistent with Project Summary submitted by HPD, copy of which is attached hereto and made a part hereof.

Res. No. 488

Resolution approving the decision of the City Planning Commission on ULURP No. C 180201 ZMM, a Zoning Map amendment (L.U. No. 144).

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 27, 2018 its decision dated June 27, 2018 (the "Decision"), on the application submitted by Fourteenth at Irving, LLC, and the New York

City Economic Development Corporation, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment of the Zoning Map, Section No. 12c, by changing from a C6-1 District to a C6-4 District, changing from a C6-2A District to a C6-4 District and changing from a C6-3X District to a C6-4 District on Manhattan Block 559, Lots 16 and 55, which in conjunction with the related actions would facilitate the redevelopment of City-owned property with a 21-story, 209,246-square-foot technology-focused office and retail commercial building in the Union Square neighborhood of Manhattan, (ULURP No. C 180201 ZMM), Community District 3, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications N 180202 ZRM (L.U. No. 145), a zoning text amendment to designate a Mandatory Inclusionary Housing (MIH) area and to modify bulk regulations and C 180203 ZSM (L.U. No. 146), a special permit to modify rear yard and height and setback requirements;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 17DME002M) issued on January 22, 2018 which included an (E) designation to avoid the potential for significant adverse impacts related to hazardous materials and air quality (E-457) (the "Negative Declaration").

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Section 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180201 ZMM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section No. 12c:

1. changing from a C6-1 District to a C6-4 District property bounded by a line midway between East 14th Street and East 13th Street, the southerly centerline prolongation of Irving Place, East 13th Street, and a line 475 feet westerly of Third Avenue;
2. changing from a C6-2A District to a C6-4 District property bounded by a line midway between East 14th Street and East 13th Street, a line 325 feet westerly of Third Avenue, East 13th Street, and the southerly centerline prolongation of Irving Place; and
3. changing from a C6-3X District to a C6-4 District property bounded by East 14th Street, a line 325 feet westerly of Third Avenue, a line midway between East 14th Street and East 13th Street, and the southerly centerline prolongation of Irving Place;

as shown on a diagram (for illustrative purposes only) dated January 29, 2018, and subject to the conditions of the CEQR Declaration E-457, Community District 3, Borough of Manhattan.

In connection herewith, Council Members Salamanca and Moya offered the following resolution:

Res. No. 489

Resolution approving the decision of the City Planning Commission on Application No. N 180202 ZRM (L.U. No. 145), for an amendment of the Zoning Resolution of the City of New York, modifying Article VII, Chapter 4 (Special Permits by the City Planning Commission) and modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, Community District 3, Borough of Manhattan.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 27, 2018 its decision dated June 27, 2018 (the "Decision"), pursuant to Section 201 of the New York City Charter, regarding an application submitted by Fourteenth at Irving, LLC, and the New York City Economic Development Corporation, for an amendment of the text of the Zoning Resolution of the City of New York, modifying Article VII, Chapter 4 (Special Permits by the City Planning Commission) and modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, which in conjunction with the related actions would facilitate the redevelopment of City-owned property with a 21-story, 209,246-square-foot technology-focused office and retail commercial building in the Union Square neighborhood of Community District 3 in Manhattan, (Application No. N 180202 ZRM), Community District 3, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications C 180201 ZMM (L.U. No. 144), a zoning map amendment to change existing C6-2A, C6-3X, and C6-1 districts to a C6-4 district and C 180203 ZSM (L.U. No. 146), a special permit to modify the rear yard and height and setback requirements;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 17DME002M) issued on January 22, 2018 which included an (E) designation to avoid the potential for significant adverse impacts related to hazardous materials and air quality (E-457) (the “Negative Declaration”).

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Section 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, N 180202 ZRM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission.

74-72
Bulk Modification

74-721
Height and setback and yard regulations

- (a) In C4-7, C5-2, C5-3, C5-4, C6-1A, C6-4, C6-5, C6-6, C6-7 or M1-6 Districts, the City Planning Commission may permit modification of the height and setback regulations, including tower coverage controls, for #developments# or #enlargements# located on a #zoning lot# having a minimum #lot area# of 40,000 square feet or occupying an entire #block#.

In C5-3, C6-6 and C6-7 Districts on such #zoning lots#, and in C6-4 Districts as set forth in paragraph (e) of this Section, the Commission also may modify #yard# and court regulations, and regulations governing the minimum required distance between #buildings# and/or the minimum required distance

between #legally required windows# and walls or #lot lines#, provided that the Commission finds that such modifications:

- (1) provide a better distribution of #bulk# on the #zoning lot#;
- (2) result in a better relationship of the #building# to open areas, adjacent #streets# and surrounding development; and
- (3) provide adequate light and air for #buildings# on the #zoning lot# and neither impair access to light and air to #legally required windows# in adjacent #buildings# nor adversely affect adjacent #zoning lots# by unduly restricting access to light and air to surrounding #streets# and properties.

As a condition of this special permit, if any open area extending along a #side lot line# is provided at any level, such open area shall be at least eight feet in width.

* * *

(e) The City Planning Commission may also permit modification of all #bulk# regulations as set forth in paragraph (a) of this Section on #zoning lots# with a minimum #lot area# of 30,000 square feet, where such #zoning lot# is located in a C6-4 District in Manhattan Community District 3, has frontage on a #wide street# and existed on [date of amendment].

Res. No. 490

Resolution approving the decision of the City Planning Commission on ULURP No. C 180203 ZSM (L.U. No. 146), for the grant of a special permit pursuant to Section 74-721 of the Zoning Resolution to modify the rear yard regulations of ZR Section 23-53 (Rear Yards) and the height and setback regulations of ZR Section 33-43 (Maximum Height of Walls and Required Setbacks) to facilitate the development of a 21-story commercial building on property located at 124 East 14th Street (Block 559, Lots 16 & 55), in a C6-4 District, partially within the Special Union Square District, Community District 3, Borough of Manhattan.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 27, 2018 its decision dated June 27, 2018 (the "Decision"), on the application submitted by Fourteenth at Irving, LLC, and the New York City Economic Development Corporation, pursuant to Sections 197-c and 200 of the New York City Charter, for the grant of a special permit pursuant to Section 74-721 of the Zoning Resolution to modify the rear yard regulations of ZR Section 23-53 (Rear Yards) and the height and setback regulations of ZR Section 33-43 (Maximum Height of Walls and Required Setbacks), which in conjunction with the other related actions, would facilitate the redevelopment of City-owned property with a 21-story, 209,246-square-foot technology-focused office and retail commercial building located at 124 East 14th Street (Block 559, Lots 16 & 55) in a C6-4 District, partially within the Special Union Square District, in the Union Square neighborhood of Community District 3 in Manhattan, (ULURP No. C 180203 ZSM) Community District 3, Borough of Manhattan, (the "Application");

WHEREAS, the Application is related to applications C 180201 ZMM (L.U. No. 144), a zoning map amendment to change existing C6-2A, C6-3X, and C6-1 districts to a C6-4 district and N 180202 ZRM (L.U. No. 145), a zoning text amendment to designate a Mandatory Inclusionary Housing (MIH) area and to modify bulk regulations;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

WHEREAS, the City Planning Commission has made the findings required pursuant to Section 74-721 of the Zoning Resolution of the City of New York;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 17DME002M) issued on January 22, 2018 which included an (E) designation to avoid the potential for significant adverse impacts related to hazardous materials and air quality (E-457) (the “Negative Declaration”).

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180203 ZSM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission subject to the following conditions:

1. The property that is the subject of this application (C 180203 ZSM) shall be developed in size and arrangement substantially in accordance with the dimensions, specifications and zoning computations indicated on the following plans, prepared by Davis Brody Bond, LLP, filed with this application and incorporated in this resolution:

<u>Drawing No.</u>	<u>Title</u>	<u>Last Date Revised</u>
A.001	Zoning Analysis Table	1/3/2018

A.302	Sectional Height Diagram	1/3/2018
A.303	Sectional Height Diagram	1/3/2018

2. Such development shall conform to all applicable provisions of the Zoning Resolution, except for the modifications specifically granted in this resolution and shown on the plans listed above which have been filed with this application. All zoning computations are subject to verification and approval by the New York City Department of Buildings.
3. Such development shall conform to all applicable laws and regulations relating to its construction, operation and maintenance.
4. All leases, subleases, or other agreements for use or occupancy of space at the subject property shall give actual notice of this special permit to the lessee, sublessee or occupant.
5. Upon the failure of any party having any right, title or interest in the property that is the subject of this application, or the failure of any heir, successor, assign, or legal representative of such party, to observe any of the covenants, restrictions, agreements, terms or conditions of this resolution whose provisions

shall constitute conditions of the special permit hereby granted, the City Planning Commission may, without the consent of any other party, revoke any portion of or all of said special permit. Such power of revocation shall be in addition to and not limited to any other powers of the City Planning Commission, or of any other agency of government, or any private person or entity. Any such failure as stated above, or any alteration in the development that is the subject of this application that departs from any of the conditions listed above, is grounds for the City Planning Commission or the City Council, as applicable, to disapprove any application for modification, cancellation or amendment of the special permit hereby granted.

5. In the event that the property that is the subject of the application is developed as, sold as, or converted to condominium units, a homeowners' association or cooperative ownership, a copy of this report and resolution and any subsequent modifications shall be provided to the Attorney General of the State of New York at the time of application for any such condominium, homeowners' or cooperative offering plan and, if the Attorney General so directs, shall be incorporated in full in any offering documents relating to the property.
6. Neither the City of New York nor its employees or agents shall have any liability for money damages by reason of the city's or such employee's or agent's failure to act in accordance with the provisions of this special permit.

Res. No. 492

Resolution approving the application submitted by the New York City Department of Housing Preservation and Development (“HPD”) and the decision of the City Planning Commission, ULURP No. C 180244 HAK, approving the designation of an Urban Development Action Area, an Urban Development Action Area Project, the disposition of city-owned property located at 1027 Fulton Street (Block 1991, Lot 3) and 1029 Fulton Street (Block 1991, Lot 2), Community District 2, Borough of Brooklyn, to a developer selected by HPD (L.U. No. 149; C 180244 HAK).

By Council Members Salamanca and Kallos.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development (“HPD”) regarding city-owned property located at 1027 Fulton Street (Block 1991, Lot 3) and 1029 Fulton Street (Block 1991, Lot 2) (the “Disposition Area”), approving:

- a. pursuant to Article 16 of the General Municipal Law of New York State for the designation of properties located at 1027 Fulton Street (Block 1991, Lot 3) and 1029 Fulton Street (Block 1991, Lot 2), as an Urban Development Action Area;
- b. pursuant to Article 16 of the General Municipal Law of New York State an Urban Development Action Area Project for the Disposition Area (the “Project”); and
- c. pursuant to Section 197-c of the New York City Charter for the disposition of the Disposition Area located at 1027 Fulton Street (Block 1991, Lot 3) and 1029 Fulton Street (Block 1991, Lot 2), to a developer to be selected by the New York City Department of Housing Preservation and Development;

which in conjunction with the related action would facilitate the construction of a mixed-use building with approximately 49 mixed-income residential units, one superintendent’s unit, and ground floor retail space in the Clinton Hill neighborhood of Community District 2, Borough of Brooklyn, (ULURP No. C 180244 HAK) (the "Application");

WHEREAS, the Application is related to application C 180245 ZSK (L.U. No. 150), a special permit to waive accessory off-street residential parking requirements for an affordable housing development;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

WHEREAS, by letter dated June 29, 2018 and submitted to the Council on July 2, 2018, HPD submitted its requests (the "HPD Requests") respecting the Application including the submission of the project summary for the Project (the "Project Summary");

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision and the HPD Requests on July 17, 2018;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 16HPD062K) issued on February 9, 2018 (the "Negative Declaration").

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report (C 180244 HAK) and incorporated by reference herein, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an Urban Development Action Area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law and subject to the terms and conditions of the Project Summary.

The Project shall be developed in a manner consistent with Project Summary submitted by HPD, copy of which is attached hereto and made a part hereof.

The Council approves the disposition of the Disposition Area under Section 197-d of the New York City Charter, to a developer to be selected by the New York City Department of Housing Preservation and Development for the development of the Project consistent with the Project Summary.

Res. No. 493

Resolution approving the decision of the City Planning Commission on ULURP No. C 180245 ZSK (L.U. No. 150), for the grant of a special permit pursuant to Section 74-533 of the Zoning Resolution to waive all required accessory off-street parking spaces for dwelling units in a proposed mixed use development within a Transit Zone, that includes at least 20 percent of all dwelling units as income-restricted housing units as defined in Section 12-10 (DEFINITIONS), on property located on the west side of Downing Street between Putnam Avenue and Fulton Street (Block 1991, Lot 1, 2, 3, 4, 5, 6, 7, 16, & 106), in an R7A/C2-4 District, Community District 2, Borough of Brooklyn.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development and Fulton Star, LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for the grant of a special permit pursuant to Section 74-533 of the Zoning Resolution to waive all required accessory off-street parking spaces for dwelling units in a proposed mixed use development within a Transit Zone, that includes at least 20 percent of all dwelling units as income-restricted housing units as defined in Section 12-10 (DEFINITIONS), on property located on the west side of Downing Street between Putnam Avenue and Fulton Street (Block 1991, Lot 1, 2, 3, 4, 5, 6, 7, 16, & 106), in an R7A/C2-4 District, (ULURP No. C 180245 ZSK), Community District 2, Borough of Brooklyn (the "Application");

WHEREAS, the Application is related to application C 180244 HAK (L.U. No. 149), an Urban Development Action Area Project (UDAAP) designation, project approval, and disposition of City-owned property;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

WHEREAS, the City Planning Commission has made the findings required pursuant to Section 74-533 of the Zoning Resolution of the City of New York;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 17, 2018;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 16HPD062K) issued on February 9, 2018 (the “Negative Declaration”).

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Sections 197-d and 201 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180245 ZSK, incorporated by reference herein, the Council approves the Decision of the City Planning Commission subject to the following conditions:

1. The property that is the subject of this application (C 180245 ZSK) shall be developed in size and arrangement substantially in accordance with the dimensions, specifications and zoning computations indicated on the following plans, prepared by Aufgang Architects LLC filed with this application and incorporated in this resolution:

<u>Dwg. No.</u>	<u>Title</u>	<u>Last Date Revised</u>
Z-002	Zoning Analysis	08/03/17
C-001	Zoning Lot Site Plan	08/03/17

2. Such development shall conform to all applicable provisions of the Zoning Resolution, except for the modifications specifically granted in this resolution and shown on the plans listed above which have been filed with this application. All zoning computations are subject to verification and approval by the New York City Department of Buildings.
3. Such development shall conform to all applicable laws and regulations relating to its construction, operation and maintenance.
4. All leases, subleases, or other agreements for use or occupancy of space at the subject property shall give actual notice of this special permit to the lessee, sublessee or occupant.
5. Upon the failure of any party having any right, title or interest in the property that is the subject of this application, or the failure of any heir, successor, assign, or legal representative of such party, to observe any of the covenants, restrictions, agreements, terms or conditions of this resolution whose provisions shall constitute conditions of the special permit hereby granted, the City Planning Commission may, without the consent of any other party, revoke any portion of or all of said special permit. Such power of revocation shall be in addition to and not limited to any other powers of the City Planning

Commission, or of any other agency of government, or any private person or entity. Any such failure as stated above, or any alteration in the development that is the subject of this application that departs from any of the conditions listed above, is grounds for the City Planning Commission or the City Council, as applicable, to disapprove any application for modification, cancellation or amendment of the special permit hereby granted.

6. Neither the City of New York nor its employees or agents shall have any liability for money damages by reason of the city's or such employee's or agent's failure to act in accordance with the provisions of this special permit.

Res. No. 495

Resolution approving the application submitted by the New York City Department of Housing Preservation and Development (“HPD”) and the decision of the City Planning Commission, ULURP No. C 180249 HAM, for the designation of an Urban Development Action Area, an Urban Development Action Area Project, and the disposition of city-owned property located at 263-267 West 126th Street (Block 1932, Lots 5, 7, and 107), Borough of Manhattan, Community District 10, to a developer selected by HPD (L.U. No. 156; C 180249 HAM).

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on July 13, 2018 its decision dated July 11, 2018 (the "Decision"), on the application (the "Application") submitted by the New York City Department of Housing Preservation and Development ("HPD") regarding city-owned property located at 263-267 West 126th Street (Block 1932, Lots 5, 7, and 107 (the "Disposition Area")), approving:

- a) pursuant to Article 16 of the General Municipal Law of New York State the designation of Disposition Area as an Urban Development Action Area;
- d) pursuant to Article 16 of the General Municipal Law of New York State an Urban Development Action Area Project for the Disposition Area (the "Project"); and
- e) pursuant to Section 197-c of the New York City Charter the disposition of the Disposition Area to a developer to be selected by the New York City Department of Housing Preservation and Development;

to facilitate a seven-story building containing residential, community facility and commercial space, Community District 10, Borough of Manhattan, (ULURP No. C 180249 HAM);

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

WHEREAS, by letter dated July 5, 2018 and submitted to the Council on July 9, 2018, HPD submitted its requests (the "HPD Requests") respecting the Application including the submission of the project summary for the Project (the "Project Summary");

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision and the HPD Requests on July 17, 2018;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 18HPD034M) issued on February 7, 2018 (the "Negative Declaration");

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set for in the Negative Declaration.

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report (C 180249 HAM) and incorporated by reference herein, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law and subject to the terms and conditions of the Project Summary.

The Project shall be developed in a manner consistent with Project Summary submitted by HPD, a copy of which is attached hereto and made a part hereof.

The Council approves the disposition of the Disposition Area pursuant to Section 197-d of the New York City Charter, to a developer to be selected by HPD for the development of the Project consistent with the Project Summary.

Report of the Committee on Parks and Recreation

At this point, the Speaker (Council Member Johnson) announced that the following items had been **preconsidered** by the Committee on Parks and Recreation and had been favorably reported for adoption.

Report for Int. No. 1087

Report of the Committee on Parks and Recreation in favor of approving and adopting, a Local Law in relation to the naming of one thoroughfare and public place, Jean-Jacques Dessalines Boulevard in the Borough of Brooklyn.

The Committee on Parks and Recreation, to which the annexed preconsidered proposed local law was referred on August 8, 2018, respectfully

REPORTS:

BACKGROUND

On July 31, 2018, the Committee on Parks and Recreation will hold a vote on Preconsidered Int. No. 1087 which co-names one (1) thoroughfare and public place. The Council acts upon the authority granted in subdivision (b) of section 25-102.1 of the New York City Administrative Code which states:

- b. Unless the local law specifically provides otherwise, any local law changing the name of a street, park, playground or portion thereof, or any facility or structure, located and laid out on the city map, that bears a name indicated on the city map shall not be construed to require a change in such name as it is indicated on the city map; provided, however, that in the case of a local law changing the name of a street or portion thereof, the name added by such local law shall be posted on a sign placed adjacent to or near a sign bearing the name of such street or portion thereof indicated on the city map.

The following street name change are not to be construed as a change in the City Map, but as an additional name to be posted near or adjacent to the street or location indicated on the City Map.

Section 1. Jean-Jacques Dessalines Boulevard

Introduced by Council Members Williams, Cumbo and Eugene
September 20, 1758 – October 17, 1806

Jean-Jacques Dessalines is one of the founding fathers of Haiti, having taken charge of the Haitian Revolution to victory in defeating the French Napoleon Army in 1804. Significant to world history, the Haitian

Revolution is not only the first and only successful slave revolution in the Americas, but also resulted in Haiti being the first Latin American country and second in the Western Hemisphere to declare its independence, after the United States declared independence from Britain in 1776. Furthermore, the Haitian Revolution was inspirational and gave support to the enslaved and subjugated peoples throughout the world. More significantly, the Haitian Revolution was a truly transcultural event, joining three interlocking and intersectional 18th Century struggles, which continue to reverberate to the present: the challenge to imperial European authority; the fight for racial equality and the movement to end to slavery. Jean-Jacques Dessalines was born into slavery in the French colony of Saint-Domingue. In 1791, he joined the fight for freedom when thousands of brutally exploited enslaved people rose up against their colonial masters, and their enablers in France, who murdered and massacred hundreds of thousands of people across the Caribbean. By 1793, he was fighting under General Toussaint Louverture, earning the nickname “the Tiger” for his intensity in battle and his military skill. Within a few years, the slave insurgents forced the French administrators of the colony to emancipate them, a decision ratified by revolutionary Paris in 1794. From 1794 through 1802, Dessalines fought with Louverture both for and against France for the eradication of slavery and the self-determination of the people of Saint-Domingue.

After Louverture was kidnapped, shackled and deported to France in 1802, Dessalines led the Revolution, as Napoleon appointed General Rochambeau to lead the French military expedition to re-conquer Saint-Domingue. Rochambeau immediately embarked on a massacre of much of the non-white civilians, including women and children, and military population by staging mass executions via firing squads, hanging and drowning. By January 1, 1804, the French were defeated and Dessalines declared Haiti independent. Between February and April 1804, Dessalines, in response to French brutality and out of fear of future French re-conquest and re-enslavement ordered the execution of all the remaining white French on the island, estimated in the range of 3,000 to 5,000, but personally protected whites loyal to Haitian independence, including thousands of Polish soldiers who had defected from the French Army. The Haitian Revolution (1791-1804) became the first slave revolt in modern history to result in an independent nation.

The independence of Haiti reshaped the Atlantic world by leading to the French sale of Louisiana to the United States, and encouraged republican revolutions in Latin America, and eventually Africa. Under Petion, Haiti provided direct assistance to Simon Bolivar on at least two crucial occasions during the latter’s successful efforts to secure independence for the Spanish Colonial territories throughout Latin America. Dessalines was declared Emperor of Haiti in September 1804. Many of the policies he implemented were progressive even by today’s standards, including social policies, such as freedom of religion, equal rights for children born out of wedlock, marriage and divorce laws favorable to women. Dessalines also attempted land reforms, and specifically policies to address the concentration of ownership of valuable plantations throughout the country by a few wealthy families, which likely led to his death in a roadside ambush on October 17, 1806, when those who opposed his economic policies rebelled and took up arms against him. Jean-Jacques Dessalines remains a popular symbol of Haitian nationalism. The first capital of independent Haiti was renamed “Dessalines”; the national anthem of Haiti is named after him (“La Dessalinienne”); and his image appears on the 250 Haitian gourde note.

Section 2. This legislation takes effect immediately upon enactment.

REPORTS:

Topic I: New York City Board of Health – (Mayor's nominee for appointment upon advice and consent of the Council)

- **Mitchell Katz, M.D. [M-077]**

Pursuant to *New York City Charter* (“the Charter”) § 553, there shall be in the New York City Department of Health and Mental Hygiene (“the Department”)¹ a Board of Health (“the Board”)², the Chairperson of which shall be the Commissioner of the Department.

The main function of the Board is to promulgate the *New York City Health Code* (“Code”), which can encompass any matter within the jurisdiction of the Department, and has “the force and effect of law.” [*Charter* § 558.] The Board may legislate on “all matters and subjects to which the power and authority of the Department extends.” [*Charter* § 558(c).] The jurisdiction of the Department is among the most extensive and varied of all City agencies. Except as otherwise provided by law, the Department has jurisdiction to regulate all matters affecting health in the City and to perform all those functions and operations performed by the City that relate to the health of the people of the City, including but not limited to the mental health, mental retardation, alcoholism and substance abuse related needs of the people of the City. [*Charter* § 556.] The scope of the Department’s jurisdiction includes such diverse disciplines as communicable diseases, environmental health services, radiological health, food safety, veterinary affairs, water quality, pest control and vital statistics. New emerging pathogens and biological warfare are the most recent additions to the Department’s roster of concerns.

In addition to its primary legislative function in relation to the *Code*, the Board is charged with certain administrative responsibilities. The Board may issue, suspend or revoke permits (e.g., food vendor permits) or may delegate this duty to the Commissioner, in which case a party aggrieved by the decision of the Commissioner has a right of appeal to the Board. [*Charter* § 561.] The Board may declare a state of “great and imminent peril” and take appropriate steps subject to Mayoral approval. [*Charter* § 563.] Other administrative functions of the Board are contained in the *Administrative Code of the City of New York*. One important function is to declare conditions as public nuisances and to order that such conditions be abated or otherwise corrected. [*Administrative Code* § 17-145.]

In addition to the Chairperson, the Board consists of ten members, five of whom shall be doctors of medicine who shall each have had not less than ten years experience in any or all of the following: clinical medicine, neurology, psychiatry, public health administration or college or university public health teaching. The other five members need not be physicians. However, non-physician members shall hold at least a Masters degree in environmental, biological, veterinary, physical, or behavioral health or science, or rehabilitative science or in a related field, and shall have at least ten years of experience in the field in which they hold such a degree. The Chairperson of the Mental Hygiene Advisory Board³ sits as one of the ten board members, provided that such individual meets the requirements for Board membership of either a physician or non-physician member.

The nine Board members other than the Chairperson and the member who shall be the Chairperson of the Mental Hygiene Advisory Board shall serve without compensation and shall be appointed by the Mayor, each for a term

¹ On November 6, 2001, the voters of New York City approved the merger of the New York City Department of Health and the New York City Department of Health, Mental Retardation and Alcoholism Services to create a new agency called the Department of Public Health. The agency is presently known as the Department of Health and Mental Hygiene.

² The ballot proposal approved by the City’s voters on November 6, 2001, expanded the Board’s membership from five to eleven members (including the Commissioner), while maintaining the current ratio of medical to non-medical personnel. Also, member terms were reduced from eight years to six years, and staggered to assure continuity. The Charter Revision Commission (the “Commission”) asserted that these changes would ensure that the Board is better able to address today’s “more complex public health threats and meet the new and emerging public health challenges of the future.” Also, the Commission reasoned that the expansion of the Board would “provide the opportunities to increase the variety of expertise represented, and allow for inclusion of representatives with experience relating to special health needs of different racial and cultural groups in the City.” Moreover, the Commission felt “a larger Board would also bring to bear greater diversity of academic, clinical and community perspectives on the broad spectrum of public health problems and issues that need to be addressed.” Report of the New York City Charter Revision Commission, *Making Our City’s Progress Permanent*, pp69-70 (September 5, 2001).

³ This body advises the Commissioner of Health and Mental Hygiene and the Deputy Commissioner for Mental Hygiene Services in the development of community mental health, mental retardation, alcoholism and substance abuse facilities and services and programs related thereto. Charter § 568.

of six-years.⁴ In the case of a vacancy, the Mayor shall appoint a member to serve for the un-expired term. [*Charter* § 553(b).] The Mayor’s appointees are subject to the advice and consent of the New York City Council as set forth in *Charter* § 31.

The Commissioner shall designate such Department employees as may be necessary to the service of the Board, including an employee designated by him to serve as the Secretary to the Board. [*Charter* § 553 (c).]

Pursuant to *Charter* § 554, a member of the Board other than the Chairperson may be removed by the Mayor upon proof of official misconduct or of negligence in official duties or of conduct in any manner connected with his/her official duties, that tends to discredit his/her office, or of mental or physical inability to perform his/her duties. Prior to removal, however, the Board member shall receive a copy of the charges and shall be entitled to a hearing before the Mayor and to the assistance of counsel at such hearing.

If appointed, Dr. Katz, a resident of Manhattan, will fill a vacancy and serve the remainder of a six-year term that expires on May 31, 2024. A copy of the candidate’s résumé is annexed to this briefing paper.

Topic II: *New York City Civilian Complaint Review Board– (Council candidate for designation)*

- **Nathan N. Joseph [Preconsidered M-089]**

New York City Charter (“Charter”) § 440 created the New York City Civilian Complaint Review Board (“CCRB” or “the Board”) as an entity independent of the New York City Police Department (“NYPD”). Its purpose is to investigate complaints concerning misconduct by officers of NYPD towards members of the public. The Board’s membership must reflect the City’s diverse population, and all members must be residents of the City.

The CCRB consists of a board of thirteen members of the public as well as a civilian staff to assist the CCRB exercising its powers and fulfilling its duties. The members are appointed by the Mayor as follows: five members, one from each borough are designated by the City Council; five members, including the chair, are selected by the Mayor; and three members having law enforcement experience are designated by the Police Commissioner. Only those appointees to CCRB designated by the Police Commissioner may have law enforcement experience. Experience as an attorney in a prosecutorial agency is not deemed law enforcement experience for purposes of this definition. The CCRB hires the Executive Director, who in turn hires and supervises the agency’s all-civilian staff. There are two Deputy Executive Directors: one is responsible for administration and the other for investigations.

All appointees to CCRB serve three-year terms. Vacancies on the CCRB resulting from removal, death, resignation, or otherwise, are filled in the same manner as the original appointment; the successor completes the former member’s un-expired term. Board members are prohibited from holding any other public office or public employment. All CCRB members are eligible for compensation for their work on a per-diem basis. The current per-diem rate is \$315.00.

The CCRB is authorized to “receive, investigate, hear, make findings and recommend action” upon civilian complaints of misconduct by members of the NYPD towards the public. Complaints within the CCRB’s jurisdiction are those that allege excessive force, abuse of authority, discourtesy, or use of offensive language, including but not limited to slurs relating to race, ethnicity, religion, gender, sexual orientation or disability.

⁴ The term of the Board of Health Chair, who is the Commissioner of Health, is not specified. The Chair of the Mental Hygiene Advisory Board can serve an unlimited number of four-year terms on that advisory Board and, thus, on the New York City Board of Health as well. Mental Hygiene Law § 41.11(d) and Charter § 568(a)(1).

The CCRB has promulgated procedural rules pursuant to the City's Administrative Procedural Act ("CAPA"). These rules regulate the way in which investigations are conducted⁵, recommendations are made, and members of the public are informed of the status of their complaints. The rules also outline the establishment of panels consisting of at least three Board members (no panel may consist exclusively of Mayoral appointees, Council appointees or Police Commissioner appointees); these panels may supervise the investigation of complaints and hear, make findings and recommend action with respect to such complaints. The CCRB, by majority vote of all its members, may compel the attendance of witnesses and require the production of such records and other materials as are necessary for the investigation of complaints.

The CCRB's findings and recommendations with respect to a complaint, and the basis therefore, must be submitted to the Police Commissioner. In all such cases where a finding or recommendation has been submitted, the Police Commissioner is required to report to the CCRB on any action taken with respect to that complaint. The law prohibits the CCRB from making any finding or recommendation solely on the basis of an unsworn complaint or statement. In addition, the law prohibits the CCRB from using prior complaints against a member of the NYPD that have been unsubstantiated, unfounded or withdrawn as the basis for any finding or recommendation regarding a current complaint.

It should also be noted that the CCRB has established a voluntary mediation program in which a complainant may choose to resolve his or her complaint through informal conciliation. Both the alleged victim and the subject officer must voluntarily agree to mediation. Mediation is offered as an alternative to investigation to resolve certain types of complaints, none of which can involve physical injury or damage to property. If the mediation is not successful, the alleged victim has the right to request that the case be fully investigated.

Also, the CCRB is required to issue to the Mayor and to the City Council a semi-annual report describing its activities and summarizing its actions, and is also mandated to develop and administer an on-going program to educate the public about CCRB.

If designated by the Council and subsequently appointed by the Mayor, Mr. Joseph, a resident of Staten Island, will serve for the remainder of a three-year term that expires on July 4, 2019. Copies of the candidate's resume is annexed to this Briefing Paper.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSIONS

The City Planning Commission filed a letter dated August 6, 2018, with the Council on August 7, 2018, indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Salamanca and Moya offered the following resolution:

Res. No. 504

Resolution approving with modifications the decision of the City Planning Commission on ULURP No. C 180204(A) ZMM, a Zoning Map amendment (L.U. No. 135).

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), on the application submitted by the New York City Economic Development Corporation, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment of the Zoning Map, Section Nos. 1b, 1d, 3a and 3c, by eliminating from within an existing R7-2 District a C1-3, C1-4 Districts; changing from an R7-2, C4-4, C8-3, M1-1 Districts to an R7A District; changing from a C8-3 District to an R7D District; changing from an M1-1, M3-1 Districts to an R8 District; changing from an R7-2, M1-1, M3-1 Districts to an R8A District; changing from an M1-1, M3-1 Districts to an R9A District; changing from a C8-3 District to a C4-4A District; changing from an R7-2, C4-4, C8-3 Districts to a C4-4D District; changing from an R7-2, C4-4 Districts to a C4-5D District; changing from an M1-1, M2-1, M3-1 Districts to a C6-2 District; changing from a C8-4 District to a C6-2A District; changing from an M2-1, M3-1 Districts to an M1-4 District; changing from an M3-1 District to an M2-4 District; changing from an M1-1 District to an M1-5, M1-4/R7A, M1-4/R9A Districts; establishing within a proposed R7A, R7D, R8, R8A, R9A Districts a C2-4 District; and establishing a Special Inwood District (IN), which in conjunction with the related actions would facilitate a series of land use actions, including a comprehensive rezoning plan, to advance the goals of the Mayor's *Housing New York: A Five-Borough, Ten-year Plan* and to begin implementation of the Inwood NYC Action Plan, a comprehensive planning effort aimed at supporting growth and vitality by fostering a vibrant mix of uses, public access to the waterfront and the preservation of areas with an existing strong built context in the Inwood neighborhood of Manhattan, Community District 12, (ULURP No. C 180204(A) ZMM), Community District 12, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications N 180205(A) ZRM (L.U. No. 136), a zoning text amendment, as modified; C 180206 PPM (L.U. No. 137), a disposition of City-owned property; C 180207 PQM (L.U. No. 138), an acquisition of a condominium unit in a future development and of property for public access easements and to rationalize lot boundaries; C 180208 HAM (L.U. No. 139), an urban Development Action Area Project (UDAAP) designation and project approval and the disposition of City-owned property; and C 180073 MMM (L.U. No. 140), a city map amendment to eliminate portions of streets in the Sherman Creek subarea;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the positive declaration (CEQR No. 17DME007M) issued on August 11, 2017 and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 14, 2018 which included an (E) designation to avoid the potential significant adverse impacts related to hazardous materials, air quality and noise (E-459) and the Technical Memoranda dated June 22, 2018 and August 3, 2018 (the “Technical Memoranda”).

RESOLVED:

Having considered the FEIS and the Technical Memoranda, with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable;
- (3) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating, as conditions to the approval, those project components related to the environmental and mitigation measures that were identified as practicable; and
- (4) The Decision, together with the FEIS and the Technical Memoranda constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180204(A) ZMM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission with the following modifications:

Res. No. 505

Resolution approving with modifications the decision of the City Planning Commission on Application No. N 180205(A) ZRM (L.U. No. 136), for an amendment of the Zoning Resolution of the City of New York, establishing the Special Inwood District (Article XIV, Chapter 2), and modifying related Sections, including Appendix F, for the purpose of establishing a Mandatory Inclusionary Housing area, Community District 12, Borough of Manhattan.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), pursuant to Section 201 of the New York City Charter, regarding an application submitted by the New York City Economic Development Corporation, for an amendment of the text of the Zoning Resolution of the City of New York, establishing the Special Inwood District (Article XIV, Chapter 2), and modifying related Sections, including Appendix F, for the purpose of establishing a Mandatory Inclusionary Housing area, which in conjunction with the related actions, to facilitate a series of land use actions, including a comprehensive rezoning plan, to advance the goals of the Mayor's *Housing New York: A Five-Borough, Ten-year Plan* and to begin implementation of the Inwood NYC Action Plan, a comprehensive planning effort aimed at supporting growth and vitality by fostering a vibrant mix of uses, public access to the waterfront and the preservation of areas with an existing strong built context in the Inwood neighborhood of Manhattan, Community District 12, (Application No. N 180205(A) ZRM), Community District 12, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications C 180204(A) ZMM (L.U. No. 135), a zoning map amendment; C 180206 PPM (L.U. No. 137), a disposition of City-owned property; C 180207 PQM (L.U. No. 138), an acquisition of a condominium unit in a future development and of property for public access easements and to rationalize lot boundaries; C 180208 HAM (L.U. No. 139), an urban development action area project (UDAAP) designation and project approval and the disposition of city-owned property; and C 180073 MMM (L.U. No. 140), a city map amendment to eliminate portions of streets in the Sherman Creek subarea;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the positive

declaration (CEQR No. 17DME007M) issued on August 11, 2017 and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 14, 2018 which included an (E) designation to avoid the potential significant adverse impacts related to hazardous materials, air quality and noise (E-459) and the Technical Memoranda dated June 22, 2018 and August 3, 2018 (the “Technical Memoranda”).

RESOLVED:

Having considered the FEIS and the Technical Memoranda, with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable; and
- (3) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating, as conditions to the approval, those project components related to the environmental and mitigation measures that were identified as practicable.
- (4) The Decision, together with the FEIS and the Technical Memoranda constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, N 180205(A) ZRM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission with the following modifications:

ARTICLE XIV – SPECIAL PURPOSE DISTRICTS

Chapter 2 - Special Inwood District

142-00**GENERAL PURPOSES**

The “Special Inwood District” established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) to create a lively and attractive built environment that will provide amenities and services for the use and enjoyment of area residents, workers and visitors;
- (b) to encourage well-designed #development# that complements and enhances the built character of the neighborhood;
- (c) to enhance neighborhood economic diversity by broadening the range of housing choices for residents of varied incomes;
- (d) to maintain and establish physical and visual public access to and along the waterfront;
- (e) to promote the pedestrian orientation of ground floor uses in appropriate locations, and thus safeguard a traditional quality of higher density areas of the City;
- (f) to take advantage of the waterfront along the Harlem River, Sherman Creek, and the North Cove and create a public open space network;
- (g) to focus higher-density development in appropriate locations along wide, mixed-use corridors with good access to transit;
- (h) to provide flexibility of architectural design within limits established to assure adequate access of light and air to streets and public access areas, and thus encourage more attractive and economic building forms; and
- (i) to promote the most desirable use of land and development in accordance with the District Plan for the Inwood waterfront, and thus conserve and enhance the value of land and buildings, and thereby protect the City’s tax revenues.

142-01**General Provisions**

The provisions of this Chapter shall apply within the #Special Inwood District#. The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control. However, in #flood zones#, in the event of a conflict between the provisions of this Chapter and the provisions of Article VI, Chapter 4 (Special Regulations Applying in Flood Hazard Areas), the provisions of Article VI, Chapter 4, shall control.

142-02**District Plan and Maps**

The regulations of this Chapter are designed to implement the #Special Inwood District# Plan. The District Plan, including Map 1 (Special Inwood District – Subdistricts and Subareas), Map 2 (Special Inwood District – Ground Floor Use and Curb Cut Regulations), and Map 3 (Special Inwood District – Special Inwood District – Transit Easement Zones) is set forth in the Appendix to this Chapter and is hereby incorporated as part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in this Chapter apply. In order to carry out the purposes and provisions of this Chapter, district maps are located in the Appendix to this Chapter and are hereby incorporated and made an integral part of this Resolution. They are incorporated for the purpose of specifying locations where special regulations and requirements, as set forth in the text of this Chapter, apply.

142-03**Subdistricts and Subareas**

In order to carry out the provisions of this Chapter, five subdistricts are established, as follows:

Sherman Creek Subdistrict A

Tip of Manhattan Subdistrict B

Library ~~Commercial~~ “U” Subdistrict C

Upland Area Subdistrict D

Infrastructure Zone Subdistrict E

Commercial “U” Subdistrict F

In each of these subdistricts, certain special regulations apply which do not apply within the remainder of the #Special Inwood District#. Within certain subdistricts, subareas are established, as follows:

Within Sherman Creek Subdistrict A:Subarea A1Subarea A2Subarea A3Within Tip of Manhattan Subdistrict B:Subarea B1Subarea B2Subarea B3Subarea B4Within Upland Area Subdistrict DSubarea D1Subarea D2Subarea D3Subarea D4

The location and boundaries of subdistricts and subareas are outlined on Map 1 (Special Inwood District - Subdistricts and Subareas) in the Appendix to this Chapter.

142-04**Definitions**

For purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS), Section 37-311 (Definitions) and in this Section.

Shoreline adjacent lot

For the purposes of this Chapter, a “shoreline adjacent lot” shall refer to a #waterfront zoning lot# with a #shoreline# length of more than 100 feet, or any #zoning lot# that has entered into a binding agreement to improve and maintain a #waterfront public access area# for an adjoining #waterfront zoning lot#.

142-05**Applicability****142-051****Applicability of the Quality Housing Program**

In the #Special Inwood District# except for within Subdistrict E, any #building# containing #residences#, or any #building# containing #long-term care facilities# or philanthropic or non-profit institutions with sleeping

accommodations, shall be #developed# or #enlarged# in accordance with the Quality Housing Program and the regulations of Article II, Chapter 8 shall apply. The #bulk# regulations of this Chapter shall be considered the applicable #bulk# regulations for #Quality Housing buildings#. Within Subdistrict F, the provisions of 23-011 shall apply.

142-052

Applicability of the Inclusionary Housing Program

For the purposes of applying the Inclusionary Housing Program provisions set forth in Section 23-154 and 23-90, #Mandatory Inclusionary Housing areas# within the #Special Inwood District# are shown in APPENDIX F of this Resolution.

142-053

Applicability of Article XII, Chapter 3

In M1 Districts paired with a #Residence District#, the special #use#, #bulk# and parking and loading provisions of Article XII, Chapter 3 (Special Mixed Use District) shall apply, except where modified by the provisions of this Chapter, and shall supplement or supersede the provisions of the designated #Residence# or M1 District, as applicable.

142-06

Modification of Use and Bulk Regulations for Zoning Lots Fronting on Former West 208th Street

Where the #lot line# of a #zoning lot# coincides with the former boundary of West 208th Street, as shown on Map 1 in the Appendix to this Chapter, such #lot line# shall be considered a #street line# for the purpose of applying all #use# and #bulk# regulations of this Resolution.

142-07

Development over a Street in Subarea A1

In Subarea A1, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, when a volume above a #street#, or portion thereof, has been eliminated, discontinued or closed, such volume may, at the option of an owner of a #zoning lot# adjoining such volume, be considered part of the adjoining #zoning lot#, and a #development# or #enlargement# may be located within such volume that is part of or connected to a #building# on the adjoining #zoning lot# utilizing #floor area# generated by the adjoining #zoning lot#, provided that the #street# below the volume is provided with lighting in accordance with Department of Transportation standards. In no event shall such volume contribute to the amount of #lot area#

of any #zoning lot# for the purposes of generating #floor area#.

142-08

Shoreline boundary

For the purposes of this Chapter, the #shoreline# shall be as shown on a survey available on the Department of City Planning website.

142-09

Off-street Relocation of Subway Station Entrances

For all #developments# or #enlargements# involving ground floor level construction on a #zoning lot# that is wholly or partially located within a Transit Easement Zone, as shown on Map 3 (Special Inwood District – Transit Easement Zones) in the Appendix to this Chapter, a transit easement volume may be required on such #zoning lot# for public access between the #street# and the adjacent above- or below-grade subway station.

(a) Transit Easement

Prior to filing any application with the Department of Buildings for an excavation permit, foundation permit, new building permit or alteration permit for a #development# or #enlargement#, the owner of the #zoning lot# shall file an application with the Metropolitan Transportation Authority (MTA) and the Chairperson of the City Planning Commission requesting a certification as to whether or not a transit easement volume is required on the #zoning lot#.

Within 60 days of receipt of such application, the MTA and the Chairperson shall jointly certify whether or not a transit easement volume is required on the #zoning lot#. Failure to certify within the 60-day period will release the owner from any obligation to provide a transit easement volume on such #zoning lot#.

When the MTA and the Chairperson indicate that a transit easement volume is required, the MTA shall, in consultation with the owner of the #zoning lot# and the Chairperson, determine the appropriate type of transit easement and reasonable dimensions for such transit easement volume.

The owner shall submit a site plan showing a proposed location of such transit easement volume that would provide access between the #street# and the adjacent subway station and be compatible with the proposed #development# or #enlargement# on the #zoning lot# for joint approval and final certification by the MTA and the Chairperson. The MTA and the Chairperson shall comment on such site plan within 45 days of its receipt and may, within such 45-day period or following its expiration, permit the granting of an excavation permit while the location and size of the transit easement volume is being finalized. Upon joint approval of a site plan by the MTA and the Chairperson, copies of such certification shall be forwarded by the Chairperson to the Department of Buildings.

Legally enforceable instruments, running with the land, creating a transit easement volume, and setting forth the obligations of either the MTA or the owner and developer, their successors and assigns, to design and construct the improvement, shall be executed and recorded in a form acceptable

to the MTA and the Chairperson. The execution and recording of such instruments shall be a precondition to the issuance of any foundation permit, new building permit, or alteration permit by the Department of Buildings allowing such #development# or #enlargement#.

(b) Construction and Maintenance

Where a transit easement volume is required pursuant to this Section, transit access improvements within such volume shall be constructed and maintained either by the MTA or the owner of the #zoning lot# with the #development# or #enlargement#.

- (1) Where such mass transit improvement is constructed and maintained by the owner of the #development # or #enlargement#:
- (i) a transit access improvement shall be provided in accordance with standards set forth by the MTA;
 - (ii) such improvement shall be accessible to the public at all times, except as otherwise approved by the MTA;
 - (iii) such improvement shall include #signs# to announce accessibility to the public. Such #signs# shall be exempt from the maximum #surface area# of non-#illuminated signs# permitted by Section 32-642 (Non-illuminated signs); and
 - (iv) no temporary certificate of occupancy shall be granted by the Department of Buildings for the #building# until the Chairperson of the City Planning Commission, acting in consultation with the MTA, has certified that the improvement is substantially complete and usable by the public.
- (2) Where such mass transit improvement is constructed and maintained by the MTA:
- (i) Where the construction of the improvement is not contemporaneous with the construction of the #development# or #enlargement#, any underground walls constructed along the #front lot line# adjacent to a below-grade subway station shall include a knockout panel, not less than 12 feet wide, below #curb level# down to the bottom of the easement. The actual location and size of such knockout panel shall be determined through consultation with the MTA.
 - (ii) Temporary construction access shall be granted to the MTA on portions of the #zoning lot# outside of the transit easement volume, as necessary, to enable construction within and connection to the transit easement volume.
 - (iii) In the event that the MTA has approved of obstructions associated with the #development# or #enlargement# within the transit easement volume, such as building columns or footings, such construction and maintenance shall exclude any such obstructions within the transit easement volume.

(c) Additional modifications

Where a transit easement volume is required pursuant to paragraph (a) of this Section, the Chairperson of the City Planning Commission shall certify the following modifications in conjunction with such transit easement volume certification:

- (1) the edge of the transit easement volume facing the #street# shall be considered a #street wall# for the purposes of applying the #street wall# location provisions set forth in Section 142-40 (SPECIAL HEIGHT AND SETBACK REGULATIONS), inclusive, irrespective of whether such volume is incorporated into a #building#;
- (2) for #zoning lots# adjacent to a below-grade subway station, the maximum height for the #building# set forth in Section 142-40, inclusive, shall be increased by 10 feet, and the maximum number of #stories#, if applicable, shall be increased by one, except where the provisions of Section 142-48 (Special Regulations for Certain Sites in Subdistrict C) are being utilized;
- (3) the floor space contained within any transit easement volume required pursuant to this Section shall be excluded from the definition of #floor area#; and
- (4) the street frontage of such transit easement volume shall be excluded for the purpose of applying the provisions of Section 142-14 (Ground Floor Level Requirements).

(d) Temporary Use

Any easement volume required on a #zoning lot# pursuant to paragraph (a) of this Section may be temporarily used for any permitted #commercial# or #community facility uses# until such time as required by the MTA for transit access improvements. The floor space allocated to such temporary #uses# within the transit easement volume shall continue to be exempt from the definition of #floor area# and shall not be included for the purpose of calculating #accessory# off-street parking, bicycle parking, or loading berths.

Improvements or construction of a temporary nature within the easement volume for such temporary #uses# shall be removed by the owner of the #building# or portion of the #zoning lot# within which the easement volume is located prior to the time at which public #use# of the easement area is required, except as otherwise specified by the MTA. A minimum notice of six months shall be given, in writing, by the MTA to the owner of the #building# or portion of the #zoning lot# to vacate the easement volume.

(e) Termination of an easement volume

In the event that the MTA and the City Planning Commission jointly notify the Department of Buildings and the owner in writing that a transit easement volume is not required on a #zoning lot# in

its final construction plans, the restrictions imposed on such #zoning lot# by the provisions of this Section shall lapse, following receipt of notification thereof by the owner, and the owner shall have the right to record an instrument reciting the consent of the MTA to the extinguishment of the easement volume.

On any #zoning lot# which has been #developed# or #enlarged# in accordance with the provisions of this Section and on which termination of transit easement has been certified, pursuant to this paragraph, any floor space in a previously required transit easement volume shall continue to be exempt from the definition of #floor area# and shall not be included for the purpose of calculating requirements for #accessory# off-street parking, bicycle parking or loading berths. However, where such previously required volume is located within a #building#, the ground floor space shall be subject to the provisions of Section 142-14.

142-10

SPECIAL USE REGULATIONS

The underlying #use# regulations are modified by the provisions of this Section, inclusive. In M1-4/R7A and M1-4/R9A Districts, the #use# regulations of Article XII, Chapter 3 (Special Mixed Use District) shall apply, except where modified by the provisions of this Section, inclusive.

142-11

Permitted Uses

#Physical culture or health establishments# shall be permitted as-of-right in C2-4, C4-4D, ~~C4-5D~~, C6-2, M1-4 and M1-5 Districts. For the purposes of applying the underlying regulations to such #use#, a #physical culture or health establishment# shall be considered a Use Group 9 #use# and shall be within parking requirement category B.

In Subarea B1, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, commercial or public utility vehicle storage, open or enclosed, including #accessory# motor fuel pumps, as listed in Use Group 16C, shall be a permitted #use#.

In Subareas B2 and B3, as shown on Map 1, all #uses# listed in Use Groups 3 and 4 shall be permitted #uses#, and Use Group 6A food stores, including supermarkets, grocery stores, or delicatessen stores, shall not be limited to #floor area# per establishment.

In Subarea district D, as shown on Map 1, #self-service storage facilities# shall be permitted as-of-right in C6-2A Districts.

142-112**Special provisions for transient hotels**

The #development# or #enlargement# of a #building# containing a #transient hotel#, as listed in Section 32-14 (Use Group 5), or the #conversion# or change of #use# within an existing #building# to a #transient hotel#, shall only be allowed in C2 Districts, subject to the locational criteria set forth in the double-asterisked footnote of Use Group 5 in Section 32-14, and in C4, C6 or M1 Districts:

- (a) upon certification by the Chairperson of the City Planning Commission to the Commissioner of Buildings that the residential development goal, as set forth in this Section, has been met, or
- (b) where such residential development goal has not been met, by special permit by the City Planning Commission. To permit such a #transient hotel#, the Commission shall find that:
 - (1) sufficient sites are available in the area to meet the residential development goal; or
 - (2) a harmonious mix of #residential# and non-#residential# uses has been established in the area, and the #transient hotel# is consistent with the character of the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

For the purpose of applying the provisions of this Section, the residential development goal shall be met when at least 3,860 #dwelling units# within the #Special Inwood District# have received temporary or final certificates of occupancy subsequent to [date of adoption].

142-113**Regulations for manufacturing uses in Subareas B2 and B3**

In Subareas B2 and B3, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the #manufacturing uses# permitted in M1 Districts shall be subject to the modifications set forth in Section 123-22 (Modification of Use Groups 16, 17 and 18), inclusive.

142-12**Location of Uses**

In C2 Districts mapped within R7 or R8 Districts, for #buildings# constructed after [date of adoption], the underlying provisions of Section 32-421 (Limitation on floors occupied by commercial uses) shall be modified to permit #commercial uses# listed in Use Groups 6, 7, 8, 9 or 14 on the second #story# of a #building# occupied on one or more of its upper #stories# by #residential uses# or by #community facility uses#, and provided no #commercial uses# are located directly over any #dwelling units#.

Within the portion of the C2-4 District mapped within an R8A District and the portion of the C2-4 District mapped within an R9A District, located east of Tenth Avenue, south of West 207th Street, west of Ninth

Avenue and north of West 206th Street, the underlying provisions of Section 32-421 (Limitation on floors occupied by commercial uses) shall be inapplicable. In lieu thereof, Section 32-422 (Location of floors occupied by commercial uses) shall apply.

In C4 or C6 Districts, the underlying provisions of Section 32-422 (Location of floors occupied by commercial uses) shall be modified for #mixed buildings# to permit #dwelling units# on the same #story# as a #commercial use# provided no access exists between such #uses# at any level containing #dwelling units#, and provided no #commercial uses# are located directly over any #dwelling units#. However, such #commercial uses# may be located over #dwelling units# by authorization of the City Planning Commission upon a finding that sufficient separation of #residential uses# from #commercial uses# exists within the #building#.

In Subareas A1, B2 and B3, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, no #uses# listed in Use Group 6A, 6C or 10A shall be permitted above the ground floor level.

142-13

Enclosure Requirements in Subdistrict E

In Subdistrict E, #commercial# and #manufacturing# activities and storage #uses# shall not be subject to the provisions of Section 42-41 (Enclosure of Commercial and Manufacturing Activities) or Section 42-42 (Enclosure or Screening of Storage).

142-14

Ground Floor Level Requirements

For the purposes of applying the special #ground floor level# streetscape provisions set forth in Section 37-30 to this Chapter, any portion of a #ground floor level street# frontage along #streets# designated on Map 2 (Ground Floor Use and Curb Cut Regulations) in the Appendix to this Chapter shall be considered #primary street frontages#, and shall consist of Type 1, Type 2 and Type 3 #primary street frontages#. A #ground floor level street# frontage along any other #street# shall be considered a #secondary street frontage# except for frontages located within Subdistrict E. For the purposes of this Section, defined terms shall include those in Sections 12-10 and 37-311.

The provisions of this Section shall apply to #developments# or #ground floor level enlargements#.

(a) Along #primary street frontages#

(1) Type 1 #primary street frontages#

For #buildings#, or portions thereof, with Type 1 #primary street frontage#, #uses# on the #ground floor level#, to the minimum depth set forth in Section 37-32 (Ground Floor Depth Requirements for Certain Uses), shall be limited to non-#residential uses#, except for Type 1 lobbies and entrances and exits to #accessory# parking spaces provided in accordance with the applicable provisions of Section 37-33 (Maximum Width of Certain Uses). Group parking

facilities located on the #ground floor level# shall be wrapped by #floor area# in accordance with the provisions of paragraph (a) of Section 37-35 (Parking Wrap and Screening Requirements). #Ground floor level street walls# shall be glazed in accordance with the provisions set forth in Section 37-34 (Minimum Transparency Requirements).

(2) Type 2 #primary street frontages#

For #buildings#, or portions thereof, with Type 2 #primary street frontage#, all #uses# permitted by the underlying district shall be permitted on the #ground floor level#, provided that group parking facilities located on the #ground floor level# shall be wrapped by #floor area# in accordance with the provisions of paragraph (a) of Section 37-35.

(3) Type 3 #primary street frontages#

For #buildings#, or portions thereof, with Type 3 #primary street frontage#, ~~#uses# on the #ground floor level# shall comply with the regulations applicable to Type 1 #primary street frontages#. In addition,~~ the following regulations shall apply to the #ground floor level# to a depth of 30 feet from the #street line#:

~~(i) an aggregate width equal to at least 50 percent of a #building's street wall# shall be occupied by #commercial uses# listed in Use Groups 5, 6A, 6C excluding banks and loan offices, 7B, 8A, 8B, 9A, 10 or 12; and~~

(i) ~~(ii)~~ the maximum #street wall# width of a bank or loan office, as listed in Use Group 6C, shall not exceed 25 feet.

However, in Subarea A1 or B1, as shown on Map 1, for #buildings# containing predominantly commercial or public utility vehicle storage, including #accessory# fuel pumps, as listed in Use Group 16C, the screening provisions of paragraph (b) of Section 37-35 may be utilized as an alternative to such wrapping requirement and any transparency requirements need not apply.

(b) Along #secondary street frontages#

For #buildings#, or portions thereof, with #secondary street frontage#, all #uses# permitted by the underlying district shall be permitted on the #ground floor level#, provided that any off-street parking spaces on the #ground floor level# shall be wrapped or screened in accordance with Section 37-35. Entrances and exits to accessory parking facilities shall be subject to the provisions of paragraph (b) of Section 37-33.

(c) For blank walls

In #Commercial Districts# or #Manufacturing Districts#, except for portions of #zoning lots# located within Subdistrict F, any #street wall# width exceeding 50 feet with no transparent elements on the #ground floor level# shall provide planting or wall treatment in accordance with the provisions of Section 142-141 (Special Streetscape Provisions for Blank Walls).

The level of the finished floor of such ground floor shall be located not higher than five feet above nor lower than five feet below the as-built level of the adjoining #street#.

In C4-5D Districts, and in C2 Districts mapped within R7D Districts, the provisions of Section 32-434 (Ground floor use in C4-5D and C6-3D Districts and in certain C2 Districts) shall not apply. In lieu thereof, the provisions of this Section shall apply.

142-141

Special Streetscape Provisions for Blank Walls

Where visual mitigation elements are required on a blank wall along the #ground floor level street wall# pursuant to the provisions of Section 142-14 (Ground Floor Level Requirements), at least 75 percent of the linear footage of any such blank wall shall be treated by any of the following visual mitigation elements, or both.

(a) Planting

When planting is provided as a visual mitigation element, any combination of perennials, annuals, decorative grasses or shrubs shall be provided in planting beds, raised planting beds or planter boxes in front of the #street wall#. Each foot in width of a planting bed, raised planting bed or planter box, as measured parallel to the #street wall#, shall satisfy one linear foot of frontage mitigation requirement. Such planting bed shall extend to a depth of at least three feet, inclusive of any structure containing the planted material. Any individual planted area shall have a width of at least five feet, and the height of such planting, inclusive of any structure containing the planted materials, shall be at least three feet.

At least 25 percent of such #street wall# width shall be planted in accordance with the provisions of this paragraph.

(b) Wall treatment

When a wall treatment is provided as a visual mitigation element, permitted signs, graphic or sculptural art, rustication, decorative screening or latticework, or living plant material, shall be provided along the #street wall#. Each linear foot of wall treatment shall constitute one linear foot of frontage mitigation requirement. Such wall treatment shall extend to a height of at least 10 feet, as measured from the level of the adjoining sidewalk or grade, and have a minimum width of 10 feet, as measured parallel to the #street wall#.

142-20

SPECIAL FLOOR AREA REGULATIONS

The underlying #floor area# regulations are modified by the provisions of this Section, inclusive.

142-21**Floor Area Regulations on Waterfront Blocks**

On #waterfront blocks#, the provisions of Section 62-31 (Bulk Computations on Waterfront Zoning Lots) shall be modified so that #lot area# that is seaward of the #shoreline# shall not be included for the purpose of determining allowable #floor area# or to satisfy any other #bulk# regulation.

142-22**Floor Area Regulations in Subareas A2, A3 and B1**

In Subareas A2, A3 and B1, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the #floor area# regulations shall be modified as follows:

For #zoning lots# other than #shoreline adjacent lots# the maximum #residential floor area ratio# shall be 4.6. For #shoreline adjacent lots#, the maximum #residential floor area ratio# shall be as set forth in paragraph (d) of Section 23-154 (Inclusionary Housing) for the particular district.

For #zoning lots# that are divided by zoning district boundary lines, #floor area# may be distributed within a #zoning lot# without regard to zoning district boundary lines.

#Accessory# parking located below a height of 33 feet shall be exempt from the definition of #floor area#.

142-23**Floor Area Regulations in Subareas B2 and B3**

In Subarea B2, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, all permitted #uses# shall have a permitted #floor area ratio# of 2.0. In Subarea B3, as shown on Map 1, the base #floor area ratio# shall be 5.0, and may be increased only in accordance with the provisions of this Section.

The Chairperson of the City Planning Commission shall allow, by certification, a transfer of #floor area# from a #zoning lot# located in Subarea B2 to a #zoning lot# located in Subarea B3 provided that the provisions of this Section are met. For the purpose of this Section, a “granting lot” shall mean a #zoning lot# within Subarea B2 that transfers #floor area# pursuant to this Section, and a “receiving lot” shall mean a #zoning lot# within Subarea B3 that receives additional #floor area# pursuant to this Section.

Such certification for a transfer of #floor area# shall be subject to the following conditions:

- (a) the maximum amount of #floor area# that may be transferred from a granting lot shall be based on a #floor area ratio# of 2.0, less the total #floor area# of all existing #buildings# on the granting lot and any previously transferred #floor area#;
- (b) each transfer, once completed, shall irrevocably reduce the amount of #floor area# that may be #developed# or #enlarged# on the granting lot by the amount of #floor area# transferred;

- (c) for #developments# or #enlargements#, which in the aggregate for both the granting lot and the receiving lot, involve an increase in the #floor area# of more than 20,000 square feet of the amount existing on [date of adoption], a waterfront certification pursuant to Section 62-811 (Waterfront public access and visual corridors) has been granted; and
- (d) prior to the issuance of a building permit, as set forth in this Section, the owners of the granting lot and the receiving lot shall submit to the Chairperson a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer. Notice of the restrictions upon further #development# or #enlargement# of the granting lot and the receiving lot shall be filed by the owners of the respective lots in the Office of the Register of the City of New York (County of New York). Proof of recordation shall be submitted to the Chairperson.

Both the transfer instrument and the notices of restrictions shall specify the total amount of #floor area# transferred and shall specify, by #block# and lot numbers, the granting lot and the receiving lot that are a party to such transfer.

An application filed with the Chairperson for certification pursuant to this Section shall be made jointly by the owners of the granting lot and the receiving lot, and shall include site plans and zoning calculations for the granting lot and receiving lot showing the additional #floor area# associated with the transfer, and any such other information as may be required by the Chairperson.

The Chairperson shall certify to the Department of Buildings that a #development# or #enlargement# is in compliance with the provisions of this Section only after the transfer instrument and notice of restrictions required by this Section have been executed and recorded with proof of recordation provided to the Chairperson. Such certification shall be a precondition to the filing for or issuing of any building permit allowing more than the basic maximum #floor area ratio# for such #development#.

A separate application shall be filed for each transfer of #floor area# to any #zoning lot# pursuant to this Section.

142-24

Floor Area Regulations in Subdistrict D

For #zoning lots# that are located partially in a #Commercial District# mapped within an R8A District and partially in a #Commercial District# mapped within an R9A District, #residential floor area# may transfer across the zoning district boundary from the #Commercial District# mapped within an R8A District to the #Commercial District# mapped within an R9A District.

142-30

SPECIAL YARD REGULATIONS

The underlying #yard# regulations are modified by the provisions of this Section.

In M1-4/R7A and M1-4/R9A Districts, in Subareas A1 and B3 as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, and in the portion of the C2-4 District mapped within an R8A District or the portion of the C2-4 District mapped within an R9A District, located east of Tenth Avenue, south of West 207th Street, west of Ninth Avenue, and north of West 206th Street, no #rear yard equivalents# are required for #through lots# or #through lot# portions of a #zoning lot#.

In Subdistrict D, no #rear yard# is required along any portion of a #rear lot line# that is coincident with a #lot line# of the rail yard for the Metropolitan Transportation Authority located east of Tenth Avenue between West 207th Street and West 215th Street.

A #waterfront yard#, as defined in Section 62-11 (Definitions), shall be provided on any portion of a #zoning lot# located within 40 feet of the #shoreline#. Any other #yard# regulations shall be inapplicable within such portion of a #zoning lot#.

142-40

SPECIAL HEIGHT AND SETBACK REGULATIONS

In Subareas A1 and B2, and in Subdistricts E and F, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the height and setback regulations of the underlying districts shall apply.

In Subareas A2, A3, B1, B3 and B4, the height and setback regulations of the underlying district regulations are modified by Sections 142-41 through 142-47 shall apply, and all heights shall be measured from the #base plane#.

In Subdistricts C and D, the height and setback regulations of the underlying district regulations are modified by Sections 142-48 (Special Regulations for Certain Sites in Subdistrict C) and 142-49 (Height and Setback for Certain Sites in Subdistricts C and D), as applicable.

142-41

Permitted Obstructions in Subareas A2, A3, B1, B3 and B4

In Subareas A2, A3, B1, B3 and B4, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings#. In addition, along all #street# frontages, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c)(1) of Section 23-621 (Permitted obstructions in certain districts), and balconies shall be permitted in conjunction with #residential uses# as set forth in Section 23-132 (Balconies in R6 through R10 Districts).

142-42

Height and Setback for Non-Shoreline Adjacent Lots in Subareas A2, A3 and B1

In Subareas A2, A3 and B1, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, for #zoning lots# other than #shoreline adjacent lots#, the height and setback regulations for R7A Districts set forth in Sections 23-662 (Maximum height of buildings and setback

regulations) and 23-664 (Modified height and setback regulations for certain Inclusionary Housing buildings or affordable independent residences for seniors), as applicable, shall apply.

The #street wall# location requirements of paragraph (b) of Section 35-651 shall apply to #street# frontages along and within 50 feet of Ninth Avenue, and the #street wall# requirements of paragraphs (a)(1) and (2) of Section 35-651 shall apply along all other #street# frontages of the #zoning lot#. The #street wall# articulation provisions of paragraph (e) of Section 35-651 shall apply along all #street# frontages.

142-43

Height and Setback for Shoreline Adjacent Lots in Subarea A2

In Subarea A2, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, for #shoreline adjacent lots#, the following height and setback regulations shall apply:

(a) #Street wall# location

The #street wall# location requirements of paragraph (b) of Section 35-651 shall apply to #street# frontages along and within 50 feet of Ninth Avenue, and the #street wall# requirements of paragraphs (a)(1) and (2) of Section 35-651 shall apply along all other #street# frontages of the #zoning lot#. For the purposes of applying such regulations, all #street walls# shall extend to at least the minimum base height set forth in paragraph (b) of this Section, or the height of the #building#, whichever is less. The #street wall# articulation provisions of paragraph (e) of Section 35-651 shall apply along all #street# frontages.

(b) Base height and setbacks

The minimum base height shall be 60 feet on all #street# frontages. Within R9A Districts, or C1 or C2 Districts mapped within R9A Districts, the maximum base height shall be 105 feet. Within R8 Districts, or C1 or C2 Districts mapped within R8 Districts, the maximum base height before setback shall be 105 feet if the #building's# maximum overall height does not exceed 155 feet, or 85 feet if a #building# is developed with a tower in accordance with the regulations of paragraph (e) of this Section.

At a height not lower than the minimum base height nor higher than the maximum base height specified for the applicable district, a setback with a minimum depth of 10 feet shall be provided from the #street wall# of the base. The provisions of paragraphs (c)(2) through (c)(4) of Section 23-662 (Maximum height of buildings and setback regulations) shall apply to such setbacks.

(c) Within 70 feet of the #shoreline#

Within 70 feet of the #shoreline#, the height of a #building# along 30 percent of the length of a #zoning lot#, as measured parallel to Ninth Avenue, shall be limited to a maximum height of 30 feet, and the height along the remaining 70 percent may rise to a maximum height of 85 feet.

(d) Maximum #building# height

The maximum #building# height shall be 155 feet, except where towers are provided in accordance with paragraph (e) of this Section.

(e) Optional tower regulations

For #zoning lots# that have a #lot area# of more than one acre, a “tower” shall be permitted above a height of 125 feet, provided that:

- (1) the gross area of any #story# shall not exceed 9,000 square feet, except that any dormers provided within the setback area shall not be included in such gross area;
- (2) the gross area of any #story# above 205 feet shall not exceed 90 percent of the gross area of the highest #story# that is located entirely below a height of 205 feet;
- (3) no portion of such tower shall be located within 80 feet of the #shoreline#;
- (4) the width of such tower shall not exceed 100 feet, as measured parallel to Ninth Avenue. Such width shall be measured in plan and shall include the total width of the combined #lot coverage# of all #stories# above 125 feet; and
- (5) The maximum height of such tower shall not exceed 245 feet.

#Zoning lots# with a #lot area# in excess of 1.5 acres may contain a second tower, provided that the heights of the two towers differ by at least 50 feet from each other, and provided that the combined width of the towers does not exceed 140 feet, as measured parallel to Ninth Avenue. Such width shall be measured in plan and shall include the total width of the combined #lot coverage# of all #stories# above 125 feet.

142-44**Height and Setback for Shoreline Adjacent Lots in Subarea A3**

In Subarea A3, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, for #shoreline adjacent lots#, the height and setback regulations of this Section shall apply:

(a) Base along West 207th Street and Ninth Avenue

Along the West 207th Street and Ninth Avenue frontages, all #buildings# shall have a minimum base height of 60 feet, or the height of the #building#, whichever is less, and a maximum base height of 105 feet. The #street wall# location requirements of paragraph (a)(1) and (2) of Section 35-651 shall apply along both #streets#. The boundary of any easement required for a #street# or sidewalk widening pursuant to Section 142-64 shall be considered the #street line# for the purpose of this Section.

At a height not lower than the minimum base height nor higher than the maximum base height, a setback with a minimum depth of 10 feet shall be provided from the #street wall# of the base. The provisions of paragraphs (c)(2) through (c)(4) of Section 23-662 (Maximum height of buildings and setback regulations) shall apply to such setbacks.

(b) Within 70 feet of the #shoreline#

Within 70 feet of the #shoreline#, the maximum #building# height shall be 85 feet.

(c) Within 30 feet of former West 208th Street

Within 30 feet of Former West 208th Street, as shown on Map 1 in the Appendix to this Chapter, the height of a #building# along 30 percent of the length of a #zoning lot#, as measured along the former extent of West 208th Street, shall not exceed 30 feet, and the height of the remaining 70 percent may rise to a maximum height of 85 feet.

(d) Maximum #building# height

Within the portion of the #zoning lot# that is beyond 100 feet of West 207th Street, the maximum #building# height shall be limited to 145 feet. Within the portion of the #zoning lot# that is within 100 feet of West 207th Street, the maximum #building# height shall be 175 feet, except where towers are provided in accordance with paragraph (e) of this Section.

(e) Optional tower regulations

For #zoning lots# that have a #lot area# of more than one acre, a “tower” shall be permitted above a height of 175 feet within the portion of the #zoning lot# that is within 100 feet of West 207th Street, provided that:

- (1) the gross area of any #story# shall not exceed 10,000 square feet, except that any dormers provided within the setback area shall not be included in such gross area;
- (2) the gross area of any #story# above 255 feet shall not exceed 90 percent of the gross area of the highest #story# that is located entirely below a height of 255 feet; and
- (3) The maximum height of such tower shall not exceed 295 feet.

142-45

Height and Setback for Shoreline Adjacent Lots in Subarea B1

In Subarea B1, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, for #shoreline adjacent lots#, the height and setback regulations of Section 142-43 (Height and Setback for Sites in Subarea A2 With More Than 100 Feet of Shoreline) shall apply, except that paragraph (e) of such Section shall be modified to allow the gross area of any #story# in a tower to be up to 10,000 square

feet and to rise to a height of 265 feet, provided that the gross area of any #story# above 225 feet shall not exceed 90 percent of the gross area of the highest #story# that is located entirely below 225 feet. The #visual corridor# located between a line parallel to and 20 feet south of the prolongation of the centerline of West 218th Street and a line parallel to and 30 feet north of such centerline established by Section 142-60 (INWOOD WATERFRONT ACCESS PLAN) shall be treated as a narrow #street line# for the purposes of applying all height and setback regulations.

142-46

Height and Setback in Subarea B3

In Subarea B3, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the maximum #building# height shall be 125 feet within 10 feet of a #street line#. Beyond 10 feet of a #street line#, the maximum #building# height shall be 265 feet.

142-47

Height and Setback in Subarea B4

In Subarea B4, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, the height of a #building# within 10 feet of a #street line# shall not exceed 125 feet. Portions of #buildings# located beyond 10 feet of a #street line# may rise to a maximum height of 210 feet. Any #development# or #enlargement# with frontage on West 218th Street must provide a sidewalk widening with a minimum depth of five feet along such frontage. Any #development# or #enlargement# with frontage on Ninth Avenue must provide a sidewalk widening with a minimum depth of five feet along such frontage.

142-48

Special Regulations for Certain Sites in Subdistricts C and F

In Subdistrict C, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, for #zoning lots# that share a #side lot line# with an adjacent #zoning lot# that is #developed# with a #building# constructed prior to December 15, 1961 that contains #residences# with #legally required windows# facing and located within 15 feet of the shared #side lot line#, the underlying height and setback provisions shall be modified by the provisions of this Section.

The #street wall# location provisions of paragraph (b)(1) of Section 35-651 shall apply except that where an adjoining #zoning lot# contains #residences# with #legally required windows# facing and within 15 feet of a shared #side lot line#, the #street wall# of a #building# need not extend along the entire #street# frontage of such a #zoning lot# if an open area is provided above the level of the first #story# or a height of 15 feet, whichever is lower, along the entire shared #side lot line#. Where such an open area is provided, the #street# frontage of such open area may be excluded for the purpose of applying the #street wall# location provisions of paragraph (b)(2) of Section 35-651.

In addition, where an open area with a depth of at least 15 feet, as measured perpendicular from the shared #side lot line#, and is provided in the form of a recess, #court# or other open area is provided along shared

#side lot line#, and such open area is provided adjacent to all portions of a #building# on an adjoining #zoning lot# that contain #legally required windows# facing and located within 15 feet of the shared #side lot line#, the maximum height for the #building# set forth in Section 23-662, 23-664, 35-652 or 35-654, as applicable, may be increased by 10 feet; and the maximum number of #stories#, if applicable, may be increased by one. #Zoning lots# may apply the regulations of this Section along multiple #side lot lines# where applicable, but in no case shall the permitted #building# height be increased by more than one #story# or 10 feet, whichever is lower.

In addition, in Subdistrict F, as shown on Map 1 (Special Inwood District-Subdistricts and Subareas) in the Appendix to this Chapter, #buildings developed# pursuant to the Quality Housing #bulk# regulations may utilize the provisions of this section.

142-49

Height and Setback for Certain Zoning Lots in Subdistricts C and D

In Subdistricts C and D, as shown on Map 1 (Special Inwood District – Subdistricts and Subareas) in the Appendix to this Chapter, all #non-residential buildings# in C4 and C6 Districts shall follow the height and setback regulations of paragraph (b) of Section 23-664 (Modified height and setback regulations for certain Inclusionary Housing buildings or affordable independent residences for seniors) for the applicable residential equivalent.

In Subdistrict D, all #developments# or #enlargements# on zoning lots# within M1-4/R7A and M1-4/R9A Districts shall follow the height and setback regulations of paragraph (b) of Section 23-664, for the applicable #Residence District#, except portions of #zoning lots# that are located within 30 feet of West 201st Street shall be limited to a maximum #building# height to 85 feet.

In Subdistricts C and D, for portions of #zoning lots# located within 100 feet of a #street# that contains an elevated rail line, the underlying height and setback regulations shall be modified as follows, and as set forth in Section 142-491:

- (a) the minimum required base height shall be 25 feet;
- (b) the maximum permitted #building# height shall be 165 feet and the maximum number of #stories# shall be 16 in C6-2A, C4-4D, and R8A Districts and the maximum permitted #building# height shall be 135 feet and the maximum number of stories shall be 13 in C4-5D Districts; and
- (c) along the frontage of a #street# that contains an elevated rail line, the #street wall# location regulations of paragraph (a)(1) of Section 35-651 shall apply.

142-491

Special Base Height Regulations For Certain Zoning Lots in Subdistrict D

The underlying height and setback regulations shall be further modified for the following areas within Subdistrict D:

For portions of #zoning lots# located in Subarea D2, the maximum permitted base height shall be 75 feet.

For portions of #zoning lots# located in Subarea D3, the maximum permitted base height shall be 65 feet.

For portions of #zoning lots# located in Subarea D4, the maximum permitted base height shall be 85 feet, and for portions of a #development# or #enlargement# containing #residences#, the maximum permitted base height shall be 65 feet.

142-50

SPECIAL OFF-STREET PARKING AND LOADING REGULATIONS

The underlying off-street parking and loading regulations are modified by the provisions of this Section, inclusive.

142-51

Required Accessory Parking Spaces for Residences

Except for within Subdistrict F, as shown on Map 1 (Special Inwood District-Subdistricts and Subareas) in the Appendix to this Chapter, ~~the~~ requirements of Sections 25-23 (Requirements Where Group Parking Facilities Are Provided) are modified to require #accessory residential# off-street parking spaces for a minimum of 20 percent of new #residences#. The number of #accessory# off-street parking spaces required may be reduced or waived as set forth in the underlying district regulations, including as set forth in Sections 25-251 through 25-253.

Within Subdistrict F, for #buildings developed# pursuant to the Quality Housing #bulk regulations#, if at least 20 percent of the #residential floor area# of the #development# consists of #income-restricted housing units#, the requirements of Sections 25-23 (Requirements Where Group Parking Facilities Are Provided) are modified to require #accessory residential# off-street parking spaces for a minimum of 20 percent of new #residences#. For purposes of this section, the definition of #income-restricted housing units# shall be modified such that the #income-restricted dwelling units# must be affordable to households with incomes at or below 60 percent of the #income index#. The number of #accessory# off-street parking spaces required may be reduced or waived as set forth in the underlying district regulations, including as set forth in Sections 25-251 through 25-253. Prior to issuance of a building permit for such #development#, the Department of Housing Preservation and Development shall certify to the Department of Buildings that such #development# complies with the affordability provisions of this Section.

142-52**Required Accessory Parking Spaces for Commercial or Community Facility Uses in Certain Districts**

In Subdistricts A, B, C, D, and E, ~~no~~ #accessory# parking is required for new #commercial# or #community facility uses# in #mixed buildings# in C2-4, ~~and C4-4D, or C4-5D~~ Districts.

In Subdistrict F, no #accessory# parking is required for #commercial# or #community facility uses# in #mixed buildings developed# after [date of adoption] pursuant to the Quality Housing #bulk# regulations in C2-4 and C4 Districts.

142-53**Public Use of Accessory Parking**

All required or permitted #accessory# off-street parking spaces may be made available for public use. However, any such space shall be made available to the occupant of a #residence# to which it is #accessory# within 30 days after written request for such space is made to the landlord.

142-54**Accessory Parking on a Roof in Subarea A1**

In Subarea A1, the underlying off-street parking regulations of Section 44-11 (General Provisions) are modified to permit #accessory# parking to be located on the roof of any #story# of a #building#.

142-55**Curb Cuts**

Curb cuts accessing off-street parking facilities or loading berths shall not be permitted along the #streets# specified as a Type 1 or Type 2 ~~or Type 3~~ primary street on Map 2 (Special Inwood District – Ground Floor Use and Curb Cut Regulations) in the Appendix to this Chapter on #zoning lots# that also have frontage on a #street# that is not specified on Map 2.

142-60**INWOOD WATERFRONT ACCESS PLAN**

The provisions of Article VI, Chapter 2, (Special Regulations Applying in the Waterfront Area), shall apply, except as superseded, supplemented or modified by the provisions of this Section, inclusive.

Map 4 (Waterfront Access Plan: Parcel Designation), Map 5 (Waterfront Access Plan: Public Access Areas),

and Map 6 (Waterfront Access Plan: Visual Corridors) in the Appendix to this Chapter show the boundaries of the area comprising the Inwood Waterfront Access Plan, boundaries of parcels within the Plan, and the location of certain features mandated or permitted by the Plan.

The Plan has been divided into parcels consisting of tax blocks and lots and other lands as established on [date of adoption], as follows:

Parcel 1: block 2215, lots 877 and 885; and block 2197, lots 67, 71, 74 and 174

Parcel 2/3: block 2197, lot 47 and 75

Parcel 4: block 2197, portion of lot 1

Parcel 5: block 2188, lot 1

Parcel 6: block 2187, lots 1, 5, 7 and 20

Parcel 7: block 2185, lots 25, 36 and 51

Parcel 8: block 2185, lots 1 and 10

Parcel 9: block 2184, lots 20 and 40

Within the #Special Inwood District#, the parcels of land designated in this Section need not be contiguous for the area to be considered to be a Waterfront Access Plan pursuant to Section 62-911.

For the purposes of this Section, inclusive, defined terms shall include those listed in Section 12-10 (DEFINITIONS) and Section 62-11 (Definitions).

142-61

Lot area and waterfront public access area requirements

For the purposes of determining requirements for #waterfront public access areas#, #lot area# shall not include any portion of a #zoning# lot that is seaward of the #shoreline. For the purposes of determining the applicability of #waterfront public access area# requirements, pursuant to Section 62-52, all #zoning lots# with portions located within 40 feet of the #shoreline# shall be considered #waterfront zoning lots#.

On Parcel 1, as shown on Map 4 (Waterfront Access Plan: Parcel Designation) in the Appendix to this Chapter, for the purposes of calculating the total #waterfront public access area# requirements on a “granting lot,” as described in Section 142-23 (Floor Regulations in Subarea B2 and B3), #lot area# shall be the combined #lot area# of all “granting lots” and all “receiving lots.”

142-62

Tip of Manhattan, Subdistrict B

In Tip of Manhattan Subdistrict B, for Parcels 1 and 2/3, as shown on Map 4 (Waterfront Access Plan: Parcel Designation) in the Appendix to this Chapter, the following regulations shall apply.

- (a) Applicability of #waterfront public access area requirements# to Use Group 16

In Subarea B1, as shown on Map 1, #developments# of #buildings# containing exclusively commercial or public utility vehicle storage, including #accessory# fuel pumps, as listed in Use Group 16C, shall be exempted from #waterfront public access area# requirements.

(b) #Shore public walkways#

On Parcel 1, no #shore public walkway# shall be required.

(c) #Upland connections#

On Parcel 2/3, #upland connections# shall be provided along the shared boundary between Parcels 1 and Parcel 2/3, and within the area located between a line parallel to and 20 feet south of the prolongation of the centerline of West 218th Street and a line parallel to and 30 feet north of such centerline.

(d) #Supplemental public access areas#

(1) on Parcel 1, #supplemental public access area# shall be bounded by Ninth Avenue to the west, the shared boundary of Parcels 1 and 2/3 to the south, and the stabilized shore to the east. Section 62-571 (Location and area requirements for supplemental public access areas) shall not apply to such #supplemental public access area#;

(2) on Parcel 2/3, #supplemental public access area#, if required, shall be located at the intersection of the #upland connection# and the #shore public walkway#. Section 62-571 shall be modified to allow the longest side of such #supplemental public access area# to adjoin the #upland connection# provided that the maximum depth measured perpendicular to the #upland connection# does not exceed 1.5 times the width measured parallel to the #upland connection#.

(e) #Visual corridors#

#Visual corridors# shall be provided at three locations as shown on Map 6 (Waterfront Access Plan: Visual Corridors) in the Appendix to this Chapter:

(1) within the prolongation of the #street lines# of West 220th Street;

(2) within the prolongation of the #street lines# of Ninth Avenue;

- (3) within the area located between a line parallel to and 20 feet south of the prolongation of the centerline of West 218th Street and a line parallel to and 30 feet north of such centerline. In the event that such #visual corridor abuts# an open area with a minimum depth of 20 feet along the entire length of such #visual corridor#, and an easement for such open area has been recorded against the property, the minimum dimension of a #visual corridor# set forth in 62-512 (Dimensions of visual corridors) may be reduced to 30 feet.

142-63

Sherman Creek Subdistrict A

In the Sherman Creek Subdistrict A, Parcels 5, 6, 7, 8 and 9, as shown on Map 4 (Waterfront Access Plan: Parcel Designation) in the Appendix to this Chapter, the following regulations shall apply.

(a) #Shore public walkways#

- (1) #Waterfront zoning lots# that have a #shoreline# measuring more than 100 feet shall provide a #shore public walkway# as required by Section 62-53 (Requirements for Shore Public Walkways).
- (2) #Zoning lots# within or partially within 40 feet of the #shoreline# that do not #abut# the #shoreline#, or that contain a #shoreline# measuring 100 feet or less shall provide either:
- (i) a #shore public walkway#, located partly on the #zoning lot# and partly on an adjoining #waterfront zoning lot#; or
- (ii) a #shore public walkway# on any portion of the #zoning lot# within 40 feet of the #shoreline#. Such #shore public walkway# shall have a minimum width of 14 feet, and its pedestrian circulation path shall connect to and provide access from adjoining public #streets#, parks or public places. Such #shore public walkway# shall extend beyond 40 feet of the #shoreline# as necessary to satisfy the minimum dimensional requirements, but the total area of the #shore public walkway# need not exceed an area equivalent to that portion of the #zoning lot# within 40 feet of the #shoreline#. The provisions of Section 62-62 (Design Requirements for Shore Public Walkways and Supplemental Public Access Areas) shall be modified to allow the circulation path to have a minimum width of 10 feet and to be located entirely beyond 10 feet from the #shoreline#. In addition, for Parcels 6, 7 or 8, the planting requirements set forth in paragraph (c)(1) of Section 62-62 need not apply.

Where the #zoning lot# does not include all of the adjacent #shoreline#, the design of the #shore public walkway# shall be compatible with the future improvement of public access areas on the land between the #zoning lot# and the #shoreline#.

(3) The primary circulation path required pursuant to Section 62-62 shall be provided at a minimum elevation of 7.5 feet above the #shoreline#, except that such requirement need not include portions of a circulation path that slope downward to meet the elevation of an existing publicly accessible sidewalk.

(b) #Supplemental public access areas#

On Parcel 5, no #supplemental public access area# shall be required.

142-64

Special Regulations on Parcel 5

(a) Section 62-811 (Waterfront public access and visual corridors) shall not apply to Parcel 5, as shown on Map 4 (Waterfront Access Plan: Parcel Designation) in the Appendix to this Chapter. In lieu thereof, the following regulations shall apply. Required Certification

No excavation or building permit shall be issued for any #development# on Parcel 5 until the Chairperson of the City Planning Commission has certified to the Department of Buildings, that:

(1) a site plan has been submitted showing compliance with the provisions of Sections 62-50 (GENERAL REQUIREMENTS FOR VISUAL CORRIDORS AND WATERFRONT PUBLIC ACCESS AREAS) and 62-60 (DESIGN REQUIREMENTS FOR WATERFRONT PUBLIC ACCESS AREAS) as modified by Section 142-60 (INWOOD WATERFRONT ACCESS PLAN);

(2) the Chairperson has certified that an easement, the requirements for which shall be determined in consultation with the Department of Transportation, has been provided to enlarge the adjoining mapped #streets#, an instrument creating such easement has been recorded in the Office of the City Register, and a certified copy of such easement has been submitted to the Department of City Planning; and

(3) an acceptable restrictive declaration is executed and filed pursuant to Section 62-74 (Requirements for Recordation).

(b) Buildout of Adjoining #Streets#

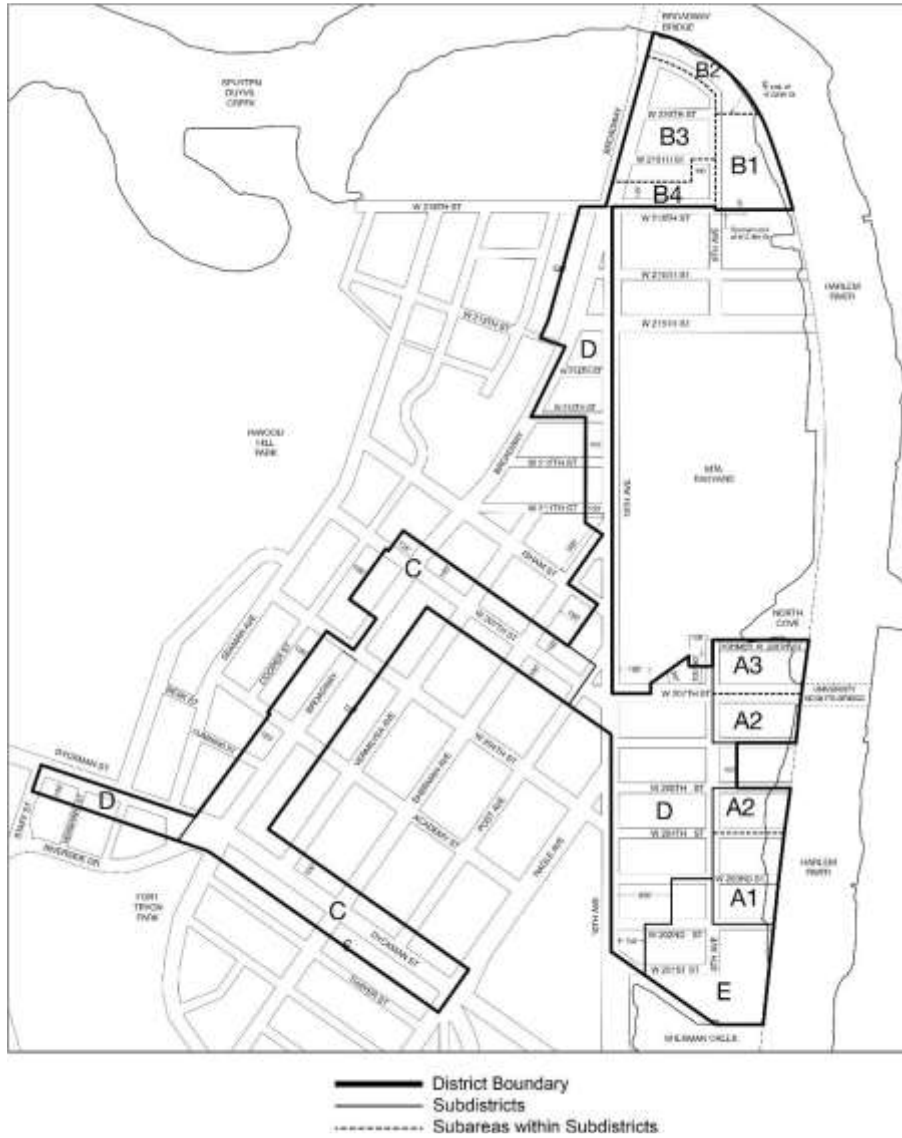

No certificate of occupancy for any #development# on Parcel 5 shall be issued until the Department of Buildings has been furnished with a certification by the Department of Transportation that adjoining mapped #streets# have been built out to Department of Transportation standards.

Within 45 days of receipt of a complete application, the Chairperson shall either certify that the proposed #development# complies with the requirements of this Section or disapprove such application, citing the nature of any failure to comply. Failure to certify or disapprove such application within the 45 day period will release the Department of Buildings or the Department of Small Business Services from any obligation to withhold the excavation or building permit and authorize such agency to determine compliance with the provisions of this Section.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSIONS

The City Planning Commission filed a letter dated August 6, 2018, with the Council on August 7, 2018, indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Salamanca and Moya offered the following resolution:

Res. No. 506

Resolution approving with modifications the decision of the City Planning Commission on ULURP No. C 180207 PQM (L.U. No. 138), for acquisition of property in the amount of approximately 18,000 square feet of space located at 4780 Broadway (Block 2233, Lot 13 and p/o Lot 20) for use as a library; to acquire property along the Harlem River (Block 2197, Lot 47) to enlarge an existing City-owned property (Block 2197, Lot 75) to establish street and waterfront frontage; and by the Department of Citywide Administrative Services and the Department of Parks and Recreation, for the acquisition of property located along the Harlem River (Block 2183, p/o Lot 1; Block 2184, p/o Lot 1) for use as a public open space and waterfront access, Community District 12, Borough of Manhattan.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision") on the application submitted pursuant to Section 197-c of the New York City Charter by the New York City Department of Citywide Administrative Services, for the acquisition of property in the amount of approximately 18,000 square feet of space located at 4780 Broadway (Block 2197, Lot 13 and p/o Lot 20) for use as a library; to acquire irregularly shaped property along the Harlem River (Block 2197, Lot 47) to merge with an irregularly shaped City-owned lot to facilitate two regularly shaped lots with street frontage; and, by DCAS and the Department of Parks and Recreation (DPR), to acquire property along the Harlem River (Block 2183, p/o Lot 1; Block 2184, p/o Lot 1) for use as publicly accessible waterfront access, which in conjunction with the related actions, would facilitate a series of land use actions, including a comprehensive rezoning plan, to advance the goals of the Mayor's *Housing New York: A Five-Borough, Ten-year Plan* and to begin implementation of the Inwood NYC Action Plan, a comprehensive planning effort aimed at supporting growth and vitality by fostering a vibrant mix of uses, public access to the waterfront and the preservation of areas with an existing strong built context in the Inwood neighborhood of Manhattan, Community District 12, (the "Site"), (ULURP No. C 180207 PQM), Community District 12, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to applications C 180204(A) ZMM (L.U. No. 135), a zoning map amendment; N 180205(A) ZRM (L.U. No. 136), a zoning text amendment, as modified; C 180206 PPM (L.U. No. 137), a disposition of City-owned property; C 180208 HAM (L.U. No. 139), an urban development action area project (UDAAP) designation and project approval and the disposition of City-owned property; and C 180073 MMM (L.U. No. 140), a city map amendment to eliminate portions of streets in the Sherman Creek subarea;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on July 10, 2018;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the positive declaration (CEQR No. 17DME007M) issued on August 11, 2017 and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 14, 2018, which included an (E) designation to avoid the potential significant adverse impacts related to hazardous materials, air quality and noise (E-459) and the Technical Memoranda dated June 22, 2018 and August 3, 2018 (the "Technical Memoranda").

RESOLVED:

Having considered the FEIS and the Technical Memoranda, with respect to the Decision and

Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable;
- (3) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating, as conditions to the approval, those project components related to the environmental and mitigation measures that were identified as practicable; and
- (4) The Decision, together with the FEIS and the Technical Memoranda constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 180207 PQM, incorporated by reference herein, the Council approves the Decision of the City Planning Commission with the modification that the acquisition of property located at 4780 Broadway (Block 2233, Lot 13 and part of Lot 20) for use as a library shall be in the amount of approximately 20,000 square feet.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSIONS

The City Planning Commission filed a letter dated August 6, 2018, with the Council on August 7, 2018, indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Salamanca and Moya offered the following resolution:

Res. No. 507

Resolution approving with modifications the decision of the City Planning Commission on Application No. N 170381 ZRM (L.U. No. 148), for an amendment of the Zoning Resolution of the City of New York, modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, Community District 6, Borough of Manhattan.

By Council Members Salamanca and Moya.

WHEREAS, the City Planning Commission filed with the Council on June 25, 2018 its decision dated June 25, 2018 (the "Decision"), pursuant to Section 201 of the New York City Charter, regarding an application submitted by 33rd Street Acquisition, LLC, for an amendment of the text of the Zoning Resolution of the City of New York, modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, which in conjunction with the related action, to facilitate the development of a mixed-use building at 339-345 East 33rd Street in the Kips Bay neighborhood of Community District 6 in Manhattan (Application No. N 170381 ZRM), Community District 6, Borough of Manhattan (the "Application");

WHEREAS, the Application is related to application C 170380 ZMM (L.U. No. 147), a Zoning map amendment to change from an existing R8A district to a C1-9A district;

INTRODUCTION AND READING OF BILLS

Int. No. 1052

By The Speaker (Council Member Johnson) and Council Members Rodriguez, Lander and Rose.

A Local Law to amend the administrative code of the city of New York, in relation to benefits for taxi and for-hire vehicle drivers

Be it enacted by the Council as follows:

Section 1. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-548 to read as follows:

§ 19-548 Benefits. a. For the purpose of this section, the term “benefits” may include, but need not be limited to, primary medical care, specialty medical care, mental health care, vision services, disability insurance, sick pay insurance, unemployment insurance and supplemental workers’ compensation insurance.

b. The commission shall establish a program to offer benefits to taxi and for-hire vehicle drivers. Such program shall be administered by the city or an entity with experience in benefits administration. The commission shall establish by rule eligibility for such services and coverage.

c. To pay the costs of providing benefits and expenses in carrying out the powers and duties under this section, the commission shall determine, by reasonable estimate, the total funding necessary to carry out such operations. Based upon its estimation of operating costs, the commission shall establish by rule a uniform surcharge to be added to each taxicab and for-hire vehicle fare.

d. Each medallion owner leasing their taxicab to an eligible driver and each for-hire vehicle base, black car base and luxury limousine base dispatching an eligible driver shall be liable for payment to the commission of an amount equal to the product of (i) the uniform surcharge established pursuant to this section and (ii) the total number of trips performed by eligible drivers, regardless of whether such surcharge was billed or charged. Such payments shall be submitted to the commission in such a manner as prescribed by rule.

§ 2. The taxi and limousine commission, in consultation with the department of health and mental hygiene, shall conduct a study regarding benefits for taxi and for-hire drivers, including, but not limited to, primary medical care, specialty medical care, mental health care, vision services, disability insurance, sick pay insurance, unemployment insurance and supplemental workers’ compensation insurance. For each such benefit, the commission, in consultation with the department of health and mental hygiene, shall assess the feasibility and cost of offering such benefit and the potential utility to taxi and for-hire vehicle drivers. The commission shall submit the results of such study to the speaker of the council, including an explanation of why or why not each such benefit will be included in the program established pursuant to section one of this local law, no later than 120 days after this local law’s enactment.

§ 3. This local law takes effect 270 days after it becomes law, except that the taxi and limousine commission shall take all measures as are necessary for the implementation of this local law, including the promulgation of rules, prior to such date.

Referred to the Committee on For-Hire Vehicles.

Int. No. 1053

By The Speaker (Council Member Johnson) and Council Members Ampry-Samuel and Ayala.

A Local Law to amend the administrative code of the city of New York, in relation to requiring water tank inspection companies to submit annual inspection reports directly to the department of health and mental hygiene

Be it enacted by the Council as follows:

Section 1. Subdivision a of section 17-194 of the administrative code of the city of New York is amended by adding a new paragraph 6 to read as follows:

6. *“Water tank inspection company” shall mean any company authorized to inspect the water tank of a building.*

§ 2. Subdivision b of section 17-194 of the administrative code of the city of New York, as amended by local law number 239 for the year 2017, is amended to read as follows:

b. Any owner of a building that has a water tank as part of its drinking water supply system shall have such water tank inspected at least once annually. Such inspection shall ensure that the water tank complies with all provisions of the administrative code of the city of New York, the construction codes of the city of New York and the health code of the city of New York. The results of such inspection shall be recorded in a manner prescribed by the commissioner. Such results shall be maintained by the owner *and by the water tank inspection company* for at least five years from the date of inspection and shall be made available to the department upon request within five business days. Documentation of such annual inspection shall be submitted *to the department directly by the water tank inspection company, prior to submitting such documentation to building owners*, in a form and manner prescribed by the department. Such documentation shall state whether or not all applicable requirements were met at the time of inspection and provide a description of any non-compliance with applicable requirements.

§ 3. This local law takes effect 30 days after it becomes law.

Referred to the Committee on Health.

Preconsidered Res. No. 469

Resolution supporting additional financing by the Hudson Yards Infrastructure Corporation.

By the Speaker (Council Member Johnson).

Whereas, The Council adopted Res. No. 760 on January 19, 2005, Res. No. 1214 on October 27, 2005, and Res. No. 547 on October 11, 2006 (collectively, the “Resolutions”), and Local Law 73 of 2005 (“the Local Law”) was adopted on July 20, 2005, in connection with the redevelopment of the Hudson Yards Financing District (“HYFD”) as defined in Res. No. 547;

Whereas, The Council, pursuant to the Resolutions and the Local Law, supported the borrowing by the Hudson Yards Infrastructure Corp. (“HYIC”) of approximately \$3 billion for the financing of infrastructure projects within the HYFD (including the construction of the first phase of the Hudson Boulevard and Park from West 33rd Street to West 36th Street);

Whereas, The repayment of the outstanding HYIC bonds, together with the additional bonds authorized by this resolution, will be payable from various sources as more particularly described in the Resolutions;

Whereas, The Council, pursuant to the Resolutions and the Local Law, also supported an undertaking by the City to pay current interest, to the extent not paid from revenues of HYIC, on all HYIC indebtedness issued for such infrastructure projects; and

Whereas, There is a need for additional financing to complete the infrastructure projects in the HYFD, including the expansion of the Hudson Boulevard and Park three blocks northward from West 36th Street to West 39th Street (defined as Phase 2 Hudson Boulevard and Park in the New York City Zoning Resolution); now, therefore, be it

Resolved, that the Council of the City of New York hereby:

(i) Supports an additional borrowing in an amount not to exceed \$500 million by HYIC to be repaid in the same manner and from the same sources as the outstanding HYIC bonds to finance the completion of infrastructure projects in the HYFD, including Phase 2 Hudson Boulevard and Park;

(ii) Supports an undertaking by the City to pay current interest, subject to appropriation, to the extent not paid from revenues of HYIC, on such HYIC indebtedness; and

(iii) Ratifies, confirms and authorizes that interest support payments may be made by the City, subject to appropriation, in connection with interest on any bonds heretofore or hereafter issued by HYIC to refund or refinance any HYIC bonds for which the City was or is currently obligated to provide interest support.

Adopted by the Council (preconsidered and approved by the Committee on Finance).

Res. No. 470

Resolution calling on the State Legislature to pass and the Governor to sign A.4738-A/S.4840-A, legislation that would establish the New York Health program, a universal single payer health plan for all New York State residents.

By The Speaker (Council Member Johnson) and Council Members Rodriguez, Espinal, Torres, Grodenchik, Levine, Perkins, Barron, Levin, Eugene, Chin, Williams, Cohen, Kallos, Brannan, Rivera, Powers, Ayala, Cumbo, Lander, Ampy-Samuel and Rosenthal.

Whereas, New Yorkers have experienced a rapid rise in the cost of health care and coverage in recent years; and

Whereas, This increase has resulted in a large number of people without health coverage or with reduced coverage; and

Whereas, Despite the more than 4.3 million people acquiring coverage through the New York Health Plan Marketplace as of February 2018, an unacceptable number of New Yorkers have no health coverage, and many more are severely underinsured; and

Whereas, According to data released by the Centers for Disease Control and Prevention (CDC) in 2018, New York's uninsured rate was 4.9 percent in 2017; and

Whereas, Voluntary and public hospitals, health centers and other providers who care for patients regardless of their ability to pay now experience substantial monetary difficulties due to treating the uninsured or underinsured; and

Whereas, Patients and health care professionals are sometimes pushed into medical care decisions based on what the insurance company will cover rather than what patient and provider agree is the best course of treatment; and

Whereas, A.4738-A/S.4840-A, sponsored by Assemblyman Richard Gottfried and Senator Gustavo Rivera, would create a universal single payer health plan called New York Health to provide comprehensive health coverage for all New Yorkers; and

Whereas, Every New York resident would be eligible to enroll, regardless of age, income, wealth, employment, or other status; and

Whereas, Under New York Health, coverage would be publicly funded and there would be no premiums, deductibles, or co-payments; and

Whereas, The benefits of the New York Health program would include comprehensive outpatient and inpatient medical care, primary and preventive care, prescription drugs, laboratory tests, rehabilitative, dental, vision, and hearing; and

Whereas, A.4738-A/S.4840-A would authorize health care providers to form organizations to collectively negotiate with New York Health and providers would be paid in full by New York Health; and

Whereas, The plan would develop and phase in alternative payment methods to replace fee-for-service systems, which incentivize volume but not necessarily quality; and

Whereas, New York Health would be paid for through a progressively-graduated payroll tax (supplemented heavily by employers) and a progressively-graduated tax on other taxable income; and

Whereas, Federal waivers would be sought that would allow funding for Medicare, Medicaid, Family Health and Child Health Plus to be folded into a New York Health Trust Fund, along with State funds; and

Whereas, The single-payer New York Health plan would drastically increase access to health care and improve health outcomes for residents in New York; now, therefore, be it

Resolved, That the Council of the City of New York calls on the State Legislature to pass and the Governor to sign A.4738-A/S.4840-A, legislation that would establish the New York Health program, a universal single payer health plan for all New York State residents.

A Local Law to amend the administrative code of the city of New York, in relation to creating online applications for fire alarm plan examinations

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 15 of the administrative code of the city of New York is amended by adding a new section 15-132 to read as follows:

§ 15-132 Online applications for fire alarm plan examinations. The department shall make all components of applications for fire alarm plan examinations available for online submission.

§ 2. This local law takes effect 120 days after it becomes law, except that the fire department may take such measures prior to such date as are necessary for implementation of this local law, including the promulgation of rules.

Referred to the Committee on Fire and Emergency Management.

Int. No. 1055

By Council Members Constantinides, Richards and Holden.

A Local Law to amend the administrative code of the city of New York, in relation to the examination, survey and mapping of all methane leaks in New York City

Be it enacted by the Council as follows:

Section 1. Section 24-424 of title 24 of the administrative code of the city of New York is amended by adding a new subdivision (d) to read as follows:

(d) An office or agency designated by the mayor shall examine, survey and map all methane leaks, both hazardous and nonhazardous annually within the city. The mayor shall also provide written notification to any relevant gas utility of the city's intent or the city's grant of consent, to any other entity to open the ground on any public way for any nonemergency purpose including to survey or map leaking natural gas infrastructure. Such notification may also allow the gas utility to survey the area to be opened for the presence of natural gas and to repair or replace any aging, leak-prone or leaking natural gas infrastructure located on or in any public way. Where any leaking natural gas infrastructure is the source of a large volumetric leak, having a migration area of five hundred square feet or more, that is not repaired within ninety days after notice to the relevant gas utility, the designated agency shall repair the leak and seek cost recovery on behalf of the city.

§ 2. This local law takes effect 120 days after it becomes law, except that the commissioner of environmental protection may take all actions necessary for its implementation, including the promulgation of rules, prior to such effective date.

Referred to the Committee on Environmental Protection.

Int. No. 1056

By Council Members Constantinides, Levine, Torres, Diaz, Ampry-Samuel and Ayala (by request of the Bronx Borough President).

A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of health and mental hygiene to conduct periodic inspections of water tanks and to post the results online

Be it enacted by the Council as follows:

Section 1. Section 17-194 of the administrative code of the city of New York is amended by adding a new subdivision g to read as follows:

g. Periodic inspections. 1. In addition to other inspections required by this section, the department shall conduct periodic inspections of water tanks. Such inspections shall ensure that such water tanks comply with all provisions of the administrative code of the city of New York, the construction codes of the city of New York and the health code of the city of New York, and shall audit for accuracy the annual inspection report required under subdivision b of this section. The department shall conduct such inspections without prior notice to the building's owner.

2. The department shall post the results of the periodic inspections required by paragraph 1 of this subdivision on its website and the web portal within 35 days of conducting such periodic inspections.

§ 2. This local law takes effect 60 days after it becomes law, except that the department of health and mental hygiene shall take such measures as are necessary for the implementation of this local law, including the promulgation of rules, before such date.

Referred to the Committee on Health.

Int. No. 1057

By Council Members Dromm, Holden and Ayala.

A Local Law to amend the New York city charter, in relation to conflict of interest disclosures from executives of city-funded not-for-profit organizations

Be it enacted by the Council as follows:

Section 1. Section 111 of the New York city charter is amended to read as follows:

§ 111. Self-dealing among [members of the governing boards of] *persons in leadership positions at charitable institutions.* a. Any charitable institution which receives any payment from the New York city charitable institutions budget shall pass and implement by-laws which will:

1. Require disclosure to the agency responsible for the administration of charitable institutions budget and approval by such agency of the material terms of any contract or transaction, direct or indirect, between an institution and any [member of its governing board] *person in a leadership position at such institution*, any partnership of which [he or she] *such person* is a member or any corporation in which [he or she] such person holds ten per cent or more of the outstanding common stock.

2. Preclude any [member of the governing board of] *person in a leadership position at any institution* from sharing, participating or benefiting, directly or indirectly, in the proceeds from any contract or transaction entered into between the institution and any third party unless such participation or benefit has been approved in advance by the agency and the governing board of the institution has approved the transaction by a two-thirds majority excluding the vote of [member] *any such person* to be benefited.

3. Require each [member of its governing board] *person in a leadership position* to submit to the agency each year a disclosure statement including such [member's] *person's* name, home address, principal occupation

and business interests from which such [member] *person* or such [member's] *person's* spouse or domestic partner received income equal to or greater than ten per cent of their aggregate gross income during the previous year.

b. *For purposes of this section a person in a leadership position means a person who is a member of a governing board of a charitable institution or the president or chief executive officer of a charitable institution.*

c. At the discretion of the agency, any payment or any portion of any payment may be withheld from any institution which has failed to pass and implement such by-laws.

§2. This local law takes effect immediately.

Referred to the Committee on Contracts.

Res. No. 471

Resolution calling upon the New York State Legislature to pass and the Governor to sign A.7016-A/S.5693-A, which would restore regular free bus service for visitors to correctional facilities.

By Council Members Dromm, Richards and Ayala.

Whereas, The New York State Department of Corrections and Community Supervision (“DOCCS”) is responsible for rehabilitating incarcerated individuals to prepare them for successful reentry after their sentences, and visitation is a crucial component of that rehabilitation; and

Whereas, According to a 2013 Yale University study, visits reduce the risk of recidivism and felony reconvictions, and allow for a safer prison environment that facilitates a healthy transition during the reentry process for both incarcerated individuals and their families; and

Whereas, DOCCS houses a daily population of approximately 49,500 and oversees approximately 35,500 parolees, statewide; and

Whereas, From 1973 through early 2011, DOCCS provided free transportation to New York State run prisons to help individuals stay connected with incarcerated family members; and

Whereas, In early 2011, the State terminated free transportation to correctional facilities in an effort to save approximately \$1.5 million; and

Whereas, According to a report published by the New York State Division of Criminal Justice Services, the lack of and cost for transportation are the most frequently identified barriers to visitation of correctional facilities; and

Whereas, Additionally, sixty percent of incarcerated individuals in state prison reported having a living child upon admission to the DOCCS system; and

Whereas, In-person visits can not only have a positive impact on incarcerated parents, but can also contribute to the emotional well-being and future life outcomes of visiting children; and

Whereas, Research shows that visits are an important component of managing prisoner behavior, reducing recidivism and promoting positive parent-child relationships; and

Whereas, A.7016-A, introduced by New York State Assemblymember Carmen N. De La Rosa, and companion bill S.5693-A, introduced by New York State Senator Velmanette Montgomery, would amend the New York State Correction Law to restore transportation for visitors from certain cities to state run correctional facilities; and

Whereas, A.7016-A/S.5693-A would restore free transportation service from cities, including New York, Rochester, Syracuse and Albany, to correctional facilities as determined by the DOCCS commissioner; and

Whereas, Restoring free transportation services to correctional facilities for family members of incarcerated individuals would benefit both the visiting family members and incarcerated individuals; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass and the Governor to sign A.7016-A/S.5693-A, which would restore regular free bus service for visitors to correctional facilities.

Referred to the Committee on Criminal Justice.

Preconsidered Res. No. 472

Resolution approving the new designation and changes in the designation of certain organizations to receive funding in the Expense Budget.

By Council Member Dromm.

Whereas, On June 14, 2018 the Council of the City of New York (the “City Council”) adopted the expense budget for fiscal year 2019 with various programs and initiatives (the “Fiscal 2019 Expense Budget”); and

Whereas, On June 6, 2017 the City Council adopted the expense budget for fiscal year 2018 with various programs and initiatives (the “Fiscal 2018 Expense Budget”); and

Whereas, The City Council is hereby implementing and furthering the appropriations set forth in the Fiscal 2019 and Fiscal 2018 Expense Budgets by approving the new designation and changes in the designation of certain organizations receiving local, youth, and aging discretionary funding, and by approving the new designation and changes in the designation of certain organizations to receive funding pursuant to certain initiatives in accordance therewith; and

Whereas, The City Council is hereby implementing and furthering the appropriations set forth in the Fiscal 2019 and Fiscal 2018 Expense Budgets by approving new Description/Scope of Services for certain organizations receiving local and youth discretionary funding and funding pursuant to certain initiatives; now, therefore, be it

Adopted by the Council (preconsidered and approved by the Committee on Finance; for Exhibits, please see the attachment to the resolution following the Report of the Committee on Finance for Res. No. 472 printed in these Minutes).

Res. No. 473

Resolution calling upon the United States Congress to introduce and pass, and the President to sign, legislation to expand the Earned Income Tax Credit and, further, calling upon the New York State Legislature to introduce and pass, and the Governor to sign, legislation that would enable the City of New York to increase the City's Earned Income Tax Credit from five percent to ten percent of the federal Earned Income Tax Credit.

By Council Members Dromm and Ayala.

Whereas, The Earned Income Tax Credit ("EITC"), first enacted by the federal Government in 1975, reduces tax burdens and provides the working poor with a tax credit on federal personal income taxes, which can exceed the taxes paid, as an incentive for low income workers to work; and

Whereas, The EITC is a refundable tax credit so that if workers' income tax liabilities are less than the amount of the credit for which they qualify, the workers would receive the remaining amounts as a refund; and

Whereas, Studies have shown that families use the EITC to pay for necessities and tuition, to make home and car repairs and, in some cases, to obtain additional education or training, which in return can increase earning power; and

Whereas, To be eligible for the EITC, one must have a qualifying child or be between the ages of 25 and 65; and

Whereas, For 2017, both earned income and adjusted gross income (AGI) must each be less than \$48,340 (\$53,930 married filing jointly) with three or more qualifying children; \$45,007 (\$50,597 married filing jointly) with two qualifying children; \$39,617 (\$45,207 married filing jointly) with one qualifying child; or \$15,010 (\$20,600 married filing jointly) with no qualifying children; and

Whereas, In addition, investment income must be \$3,450 or less for the year; and

Whereas, In 2017, the maximum credit is \$6,318 with three or more qualifying children; \$5,616 with two qualifying children; \$3,400 with one qualifying child; and \$510 with no qualifying children; and

Whereas, In 1994, New York State adopted the New York EITC equal to 7.5 percent of the federal EITC; and

Whereas, After several increases throughout the years, the State's credit is now equal to 30% of the federal EITC; and

Whereas, According to the New York State Division of the Budget, the State EITC will provide approximately \$1.1 billion in tax credits to eligible taxpayers in 2018; and

Whereas, In 2004, at the Council's urging, the State authorized the City to adopt an EITC, and the Council by local law adopted a refundable City EITC equal to five percent of the federal credit; and

Whereas, According to the New York City Department of Finance, as a result of this program, in 2015 the City EITC provided approximately \$103.5 million annually in tax credits to 912,818 eligible taxpayers with an average credit of \$113; and

Whereas, Research indicates that the EITC is an essential tool in reducing poverty because it provides targeted tax benefits to moderate- and low- income taxpayers, encourages work, assists families and communities and reduces welfare receipts among single parents; and

Whereas, While the EITC is available to workers without qualifying children, the credit is small and phases out at very low incomes, so it provides little assistance to childless individuals at or near the poverty line and little incentive to enter the workforce; and

Whereas, Moreover, the current age restriction prevents workers younger than age 25 from claiming the EITC; and

Whereas, Citing the EITC as one of the most significant tools for reducing poverty and encouraging people to enter the workforce, in March 2014, President Barack Obama announced a proposal to expand the federal EITC; and

Whereas, In his proposal, the federal EITC would double the maximum credit for individuals without children to approximately \$1,000, decrease the age of eligibility for such individuals from 25 to 21 and increase the upper age limit of such individuals from 65 to 67; and

Whereas, Since the City EITC is a function of the federal EITC, the eligibility criteria of the City EITC must mirror the federal EITC; and

Whereas, Amending the federal EITC would encourage employment among young workers living independently without children and incentivize those who are currently working to remain in the workforce longer; and

Whereas, Another way to deepen the credit would be for the State to allow the City to offer an EITC of ten percent of the federal EITC; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Congress to introduce and pass, and the President to sign, legislation to expand the Earned Income Tax Credit and, further, calling upon the New York State Legislature to introduce and pass, and the Governor to sign, legislation that would enable the City of New York to increase the City's Earned Income Tax Credit from five percent to ten percent of the federal Earned Income Tax Credit.

Res. No. 474

Resolution calling upon the U.S. Congress to pass and the President to sign the Gun Violence Research Act (H.R. 1478), which would repeal the Dickey Amendment and restore the ability of the federal government to fund gun violence research.

By Council Members Dromm, Richards and Ampry-Samuel.

Whereas, In 1996 the United States Congress voted to prohibit the Centers for Disease Control and Prevention (CDC) from funding research that may be used to “advocate or promote” gun control; and

Whereas, The National Rifle Association lobbied for this provision, known as the Dickey Amendment, based on bias they perceived in a CDC funded study published in 1993, which found guns in the home were associated with an increased risk of homicide; and

Whereas, The CDC interprets this ban to extend to all research on gun violence prevention, and as such has not funded any reliable research since; and

Whereas, Over the years, several organizations including the American Psychological Association, Doctors for America, the American College of Preventive Medicine, American Academy of Pediatrics and the American Association of Science have called for the Dickey Amendment to be repealed; and

Whereas, On March 23, 2018 President Donald Trump signed an omnibus spending bill into law that added language clarifying that the CDC can, in fact, conduct research into gun violence; and

Whereas, While the omnibus spending bill clarified the CDC's role, it did not explicitly repeal the Dickey Amendment, which limits the agency's ability to fund research that may promote or advocate for gun control; and

Whereas, H.R.1478 known as the “Gun Violence Research Act,” sponsored by U.S Representative Stephanie Murphy, repeals the provision that in practice prohibits the Department of Health and Human Services, including the CDC, from sponsoring research on gun violence and for other purposes; and

Whereas, Limiting any agency's ability to sponsor evidence-based research that examines the causes of gun violence and identifies methods to reduce gun-related fatalities and injuries threatens the safety of the City of New York and our ability to find a solution to gun violence; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the U.S. Congress to pass and the President to sign the Gun Violence Research Act (H.R. 1478), which would repeal the Dickey Amendment and restore the ability of the federal government to fund gun violence research.

A Local Law in relation to a report on community garden food processing and agriculture

Be it enacted by the Council as follows:

Section 1. The department of parks and recreation shall conduct a study on the prevalence of urban farming and agriculture and submit a report with the findings of such study to the mayor and the speaker of the council within six months of the effective date of this local law. Such report shall include, but not be limited to:

1. The number of community gardens under the jurisdiction of the department of parks and recreation presently engaged in farming or food processing;
2. The amount and types of foods produced by such gardens;
3. Information on the types of equipment used by such gardens for agricultural purposes, including, but not limited to, greenhouses, hydroponic systems, food processing systems and composting systems;
4. A list of the resources provided by the department of parks and recreation and other government agencies to aid in farming and food processing;
5. Information on the availability of potential sites throughout the city that could be developed for urban agricultural purposes;
6. Information on the feasibility and costs associated with expanding the number of farmers markets operating on department of parks and recreation property and the number of community gardens that engage in urban agriculture; and
7. Recommendations on how the city can provide more technical assistance and financial resources to expand the number of community gardens that engage urban agriculture.

§ 2. This local law takes effect 90 days after it becomes law.

A Local Law to amend the administrative code of the city of New York, in relation to licenses for community gardens

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 18 of the administrative code of the city of New York is amended by adding a new section 18-157 to read as follows:

§ 18-157 Community garden licenses. a. For the purposes of this section:

Community garden. The term “community garden” means any garden that is registered and licensed by the department.

Gardening group. The term “gardening group” means an organized group of individuals who are licensed by the department to maintain a community garden.

b. If a gardening group defaults on a material term of a license for a community garden, such license may be revoked, pursuant to rules promulgated by the commissioner, only after a notice of such default has been issued to such gardening group and (i) 270 days have elapsed after such issuance or (ii) 30 days have elapsed after such issuance, if such default constitutes a public nuisance or poses a threat to the health or safety of the public.

c. If a license is issued to a gardening group to maintain a community garden, jurisdiction over such garden may not be transferred to an agency other than the department unless at least one year has elapsed from (i) if such license remains in effect, the date that notice of such proposed transfer was provided to such group or (ii) if such license was revoked and a new license has not been issued to maintain such garden, the date that such license was revoked.

§ 2. This local law takes effect 180 days after it becomes law, except that the commissioner may promulgate rules or take other actions for the implementation of this local law prior to such effective date.

A Local Law to amend the administrative code of the city of New York, in relation to installing radar speed display signs in school zones

Be it enacted by the Council as follows:

Section 1. Subchapter 3 of chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-177.1 to read as follows:

§19-177.1 Installation of radar speed display signs. a. Definitions. For the purposes of this section, the following terms have the following meaning:

Radar speed display sign. The term “radar speed display sign” means a traffic control device that uses a radar to determine an oncoming vehicle’s speed and then displays the speed as the vehicle approaches.

School. The term “school” means any buildings, grounds, facilities, property, or portion thereof in which educational instruction is provided to at least 250 students at or below the twelfth grade level.

b. Installation of radar speed display signs around schools. As soon as practicable and by no later than October 31, 2018, the commissioner shall install radar speed display signs so that there is at least one radar speed display sign adjacent to every school in the city.

§2. This local law takes effect immediately.

A Local Law to amend the administrative code of the city of New York, in relation to the risk of loss with respect to digital payments in the taxi and for-hire vehicle industries

Be it enacted by the Council as follows:

Section 1. Section 19-502 of the administrative code of the city of New York, as amended by chapter 503 for the year 2017, is amended by adding a new subdivision ff to read as follows:

ff. “For-hire vehicle base” has the same meaning as the term “for-hire base” in subdivision (f) of section 59B-03 of title 35 of the rules of the city of New York.

§ 2. Title 19 of the administrative code of the city of New York is amended by adding a new section 19-548 to read as follows:

§ 19-548 Risk of loss on digital payments. a. For any completed trip, the for-hire vehicle base, technology system provider, as such term is defined in 51-03 of the rules, agent or medallion owner shall assume the risk of loss with respect to all digital payments that passengers make or attempt to make for a completed trip as such risk of loss relates to the driver. Notwithstanding any inconsistent contract provisions, regulations or provisions of law, if a passenger’s transaction for a completed trip fails, the for-hire vehicle base, technology system provider as such term is defined in 51-03 of the rules, agent or medallion owner shall ensure that the driver of such passenger receives the entire deposit of funds for rendering services under the relevant contract terms, regulations and provisions of law.

b. Any for-hire vehicle base, technology system provider, as such term is defined in 51-03 of the rules, agent or medallion owner that violates this section is liable for a civil penalty of not less than \$250 nor more than \$500 for each offense.

§ 3. This local law takes effect 120 days after it becomes law, except that the New York city taxi and limousine commission shall take such measures as are necessary for the implementation of this local law, including the promulgation of rules, before such date.

Referred to the Committee on For-Hire Vehicles.

Int. No. 1063

By Council Members Holden, Yeger, Cabrera, Vallone, Borelli, Dromm and Ulrich.

A Local Law to amend the administrative code of the city of New York, in relation to requiring notice when contaminants are found in soil

Be it enacted by the Council as follows:

Section 1. Title 4 of the administrative code of the city of New York is amended by adding a new section 4-212 to read as follows:

§ 4-212 *Notice of soil contaminants in city development projects.* a. *Definitions.* For the purposes of this section, the following terms have the following meanings:

City development project. The term "city development project" means a project undertaken by an agency, a city economic development entity, or by a party in contract with the city, for the purpose of improvement or development of real property, including, but not limited to, street, road and sewer improvements and maintenance.

City economic development entity. The term "city economic development entity" means a local development corporation, not-for-profit corporation, public benefit corporation, or other entity that provides or administers economic development benefits and with which the department of small business services serves as a liaison pursuant to paragraph b of subdivision one of section 1301 of the New York city charter.

Contaminant. The term "contaminant" means any element, substance, compound, or mixture, including disease-causing agents, which after release into the environment and upon exposure, ingestion, inhalation, or assimilation into any organism, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions (including malfunctions in reproduction) or physical deformations, in such organisms or their offspring.

Relevant civic organization. The term "relevant civic organization" means any city-wide or borough-wide organization or any labor union, trade association or other group that requests notification pursuant to this section.

Triggering amount of contaminant. The term "triggering amount of contaminant" means any amount of contaminant over the maximum level set forth in applicable regulatory guidelines established by the United States environmental protection agency, the United States department of health, the New York state department of environmental conservation or the New York state department of health.

b. Within 24 hours of discovering or becoming aware of a triggering amount of contaminant in any city development project, a party in contract with the city, the commissioner of citywide administrative services or the commissioner of design and construction, or any other agency, city economic development entity or party in contract with the city that is supervising a city development project, shall:

1. Notify by phone, email or written letter the council member, local community board and relevant civic associations of the district identifying the type of contaminant and the geographic areas in which such contaminant is located;

2. Notify by phone, email or written letter the council member, local community board and relevant civic associations of the district of any remedial actions being taken to address the contamination;

3. Make such information available publicly on the agency's or city economic development entity's website; and

4. Post conspicuous signage in such area where the triggering amount of contaminant is located, identifying the type of contaminant and the geographic areas in which such contaminant is located.

c. In the event that the triggering amount of contaminant is located within 1,500 feet of a school, the commissioner or agency shall additionally notify by phone, email or written letter the principal or principals of the school directly.

§ 2. This local law takes effect 60 days after it becomes law.

Res. No. 475

Resolution calling on the United States Congress to pass, and the President to sign, H.R. 5722, H.R. 5718, H.R. 5685, H.R. 5675, H.R. 5590, H.R. 5809, and H.R. 5197 to combat the opioid crisis, including actions to address the needs of those with Medicare coverage.

By Council Member Holden.

Whereas, Opioid abuse and death are at epidemic levels in the United States (U.S.), and, according to the National Institute on Drug Abuse, nearly 64,000 people died of drug overdoses in America in 2016; and

Whereas, According to the American Association of Retired Persons (AARP), nearly 14,000 people over the age of 45 died from overdose in 2015, which accounted for 42 percent of all such deaths in the U.S.; and

Whereas, According to the New York State Department of Health (DOH), of the 668 individuals in New York City who died from an opioid overdose in 2015, 320 were between the ages of 45 and 64; and

Whereas, According to New York City's Department of Health and Mental Hygiene (DOHMH), every 7 hours someone in New York City dies from a drug overdose, and an estimated 1,441 people died in New York City from drug overdose in 2017, surpassing the number of overdose deaths in 2016; and

Whereas, According to the City of New York Office of the Mayor, of the people in New York City who died of a drug overdose in 2016, an estimated 80 percent involved an opioid, and, of that 80 percent, 18 percent involved prescription opioid painkillers; and

Whereas, Opioids include narcotics intended to manage pain from surgery, injury, or illness, and individuals who require surgery are at higher risk of opioid addiction; and

Whereas, According to a survey conducted by the Kaiser Family Foundation and the Washington Post, 25 percent of long-term opioid users started taking opioids because of pain after a surgery and another 25 percent started because of pain after an accident or injury; and

Whereas, According to the Office of the Inspector General of the U.S. Department of Health and Human Services (HHS), one out of every 3 Medicare beneficiaries received at least one prescription opioid through Medicare Part D in 2016, totaling 14.4 million beneficiaries; and

Whereas, Of those beneficiaries, one out of every 10 received opioids on a regular basis, meaning for 3 months or more, and research shows that the risk of opioid dependence increases substantially for patients receiving opioids continuously for 3 months; and

Whereas, Over 500,000 Medicare beneficiaries, not including those receiving hospice care or cancer-related care, received high amounts of opioids, having more than 2.5 times the dose the Center for Disease Control and Prevention (CDC) recommends avoiding for chronic pain patients; and

Whereas, Of these beneficiaries, almost 90,000 are at serious risk, most because they received prescriptions for extreme amounts of opioids while others appear to be "doctor shopping," meaning they had multiple prescribers and pharmacies; and

Whereas, According to the CDC, between July 2016 and September 2017 there was a 32 percent increase of individuals over the age of 55 who received treatment for opioid overdoses in emergency rooms, and, according to AARP, the hospitalization rate due to opioid abuse has quintupled for those 65 and older in the past two decades; and

Whereas, H.R. 5722, sponsored by Rep. Jackie Walorski, will help address the opioid epidemic by directing the Secretary of HHS to conduct a study and submit to Congress a report containing recommendations on how to improve the use of non-opioid treatments for acute and chronic pain management for individuals entitled to benefits under part A or enrolled under part B of the Medicare program, and for other purposes; and

Whereas, H.R. 5718, sponsored by Rep. Jason Smith, will help address the opioid epidemic by calling for a technical expert panel to provide recommendations on reducing opioid use in the surgical setting and on best practices for pain management; and

Whereas, H.R. 5685, sponsored by Rep. John Faso, will help address the opioid epidemic by directing the Centers for Medicare and Medicaid Services (CMS) to compile educational resources regarding opioid use, pain management, and alternative pain management treatments, and include these resources in the *Medicare and You Handbook*; and

Whereas, H.R. 5675, sponsored by Rep. Gus Bilirakis, will help address the opioid epidemic by building off of work done in the Comprehensive Addiction Recovery Act (CARA) and require prescription drug plan sponsors under the Medicare program to establish drug management programs for at-risk beneficiaries; and

Whereas, H.R. 5590, authored by Vice Chairman Adam Kinzinger, will help address the opioid epidemic by establishing an action plan, including studies, reports to Congress authored by HHS, and meetings with stakeholders, for the purpose of addressing the opioid crisis; and

Whereas, H.R. 5809, sponsored by Rep. Scott Peters, will help address the opioid epidemic by creating a pass-through payment extension to encourage the development of non-opioid drugs for post-surgical pain management in Medicare; and

Whereas, H.R. 5197, otherwise known as the Alternatives to Opioids (ALTO) in the Emergency Department Act, sponsored by Rep. Bill Pascrell, will help address the opioid crisis by directing the Secretary of HHS to conduct a demonstration program to test alternative pain management protocols to limit the use of opioids in emergency departments; now, therefore, be it

Resolved, That the Council of the City of New York calls on the United States Congress to pass, and the President to sign, H.R. 5722, H.R. 5718, H.R. 5685, H.R. 5675, H.R. 5590, H.R. 5809, and H.R. 5197 to combat the opioid crisis, including actions to address the needs of those with Medicare coverage.

Resolution calling on the New York State Legislature to pass, and the Governor to sign, A.327/S.5879 and A.8538/S.5670, to require prescribing physicians to perform additional actions, such as counseling the patient on the risks of addiction and overdose, when prescribing certain opioids.

By Council Member Holden.

Whereas, Opioid abuse and death are at epidemic levels in the United States (U.S.), and, according to the National Institute on Drug Abuse, nearly 64,000 people died of drug overdoses in America in 2016; and

Whereas, Opioids include narcotics intended to manage pain from surgery, injury, or illness, and individuals who require surgery are at higher risk of opioid addiction; and

Whereas, According to a survey conducted by the Kaiser Family Foundation and the Washington Post, more than 4 in 10 long-term opioid users say they started taking painkillers for chronic pain, 25 percent started because of pain after a surgery, and 25 percent because of pain after an accident or injury; and

Whereas, According to the New York State Department of Health (DOH), there was a total of 8,811,216 opioid analgesic prescriptions provided to New York State residents in 2016, and 30 million prescriptions provided from 2014-2016; and

Whereas, The crude rate of opioid analgesic prescriptions in 2016 was 443.8 out of 1,000 individuals in New York State and 288.9 out of 1,000 in New York City; and

Whereas, Between 2013 and 2015, at least 5,240 people in New York State between the ages of 18 and 64 died from opioid overdose, and 1,645 of those individuals were located in New York City; and

Whereas, According to New York City's Department of Health and Mental Hygiene (DOHMH), overdose deaths in New York City remained at epidemic levels in 2017, and every 7 hours someone in New York City dies from a drug overdose; and

Whereas, An estimated 1,441 people died in New York City from drug overdose in 2017, surpassing the amount of deaths due to overdose in 2016; and

Whereas, According to the City of New York Office of the Mayor, of the estimated 1,300 people in New York City who died of a drug overdose in 2016, an estimated 80 percent of those overdose deaths involved an opioid; and

Whereas, Of those who died from opioid overdose in 2016 in New York City, 18 percent involved prescription opioid painkillers; and

Whereas, In New York State, all registered opioid overdose programs are furnished Naloxone (Narcan) by DOH, which is a prescription medicine that reverses an overdose by blocking opioids in the brain for 30 to 90 minutes; and

Whereas, In 2015, the New York City Health Commissioner authorized an order to make naloxone available without a prescription in participating pharmacies, and naloxone is currently available without a prescription in 750 pharmacies citywide including all major chains; and

Whereas, It is crucial for those who are at risk of opioid overdose to know about the risks of opioids and how they can get assistance if they were to become addicted or experience an overdose; and

Whereas, A.327/S.5879, sponsored by Assembly Member Edward Braunstein and Senator Michael Ranzenhofer, would help combat the opioid crisis by requiring that, for the first opioid analgesic prescription of a calendar year, the prescribing physician shall counsel the patient on the risk of overdose and inform the patient of the availability of an opioid antagonist; and

Whereas, A.8538/S.5670, sponsored by Assembly Member Linda Rosenthal and Senator Fred Akshar, would help combat the opioid crisis by requiring practitioners to counsel their patients regarding the details of their prescriptions and risks once they issue a prescription for a schedule II opioid; and

Whereas, Both bills will help prevent opioid misuse and overdose by ensuring all New Yorkers receive the information they need to have a basic understanding of the risks of taking opioids once they receive a prescription; now, therefore, be it

Resolved, That the Council of the City of New York calls on the New York State Legislature to pass, and the Governor to sign, A.327/S.5879 and A.8538/S.5670, to require prescribing physicians to perform additional actions, such as counseling the patient on the risks of addiction and overdose, when prescribing certain opioids.

Resolution calling on the United States Congress to pass, and the President to sign, H.R.5228 and H.R.5752, to strengthen the authorities of the Food and Drug Administration to address the importation of certain drugs.

Whereas, Opioid abuse and death are at epidemic levels in the United States (U.S.), and, according to the National Institute on Drug Abuse, nearly 64,000 people died of drug overdoses in America in 2016; and

Whereas, According to New York City's Department of Health and Mental Hygiene (DOHMH), overdose deaths in New York City remained at epidemic levels in 2017, and every 7 hours someone in New York City dies from a drug overdose; and

Whereas, An estimated 1,441 people died in New York City from drug overdose in 2017, surpassing the amount of deaths due to overdose in 2016; and

Whereas, Of those who died from opioid overdose in 2016 in New York City, only 18 percent involved prescription opioid painkillers; and

Whereas, More Americans are dying from synthetic opioids, and, according to the Centers for Disease Control and Prevention (CDC), synthetic opioid overdose deaths rose more than 72% from 2014 to 2015, and many of those deaths were due to illicit fentanyl; and

Whereas, According to the House Committee on Energy & Commerce, the use of internationally manufactured synthetic opioids have sharply increased over the last five years and were responsible for 20,000 overdoses in 2016; and

Whereas, The Food and Drug Administration (FDA) is tasked with monitoring FDA-regulated products arriving at the nation's international mail facilities (IMFs) to prevent unsafe, counterfeit, and unapproved products from entering the country; and

Whereas, According to a January 2018 report by the U.S. Senate Permanent Subcommittee on Investigations, from 2013 to 2015 the number of packages processed by IMFs nearly doubled, and the nine IMFs located throughout the U.S. are now receiving more than 275 million packages a year combined; and

Whereas, According to the FDA, from the end of September 2017 through January 2018, 376 of about 5,800 suspicious packages that the FDA was tasked with inspecting contained controlled substances, including opioids, and were referred back to Customs and Border Protection for seizure; and

Whereas, According to the FDA, it is estimated that they are only able to physically inspect less than 0.06 percent of the packages that are presumed to contain drug products that are shipped through the IMFs; and

Whereas, The FDA requires additional resources in order to inspect more packages, and would benefit from more power and decision-making capability; and

Whereas, H.R.5228, otherwise known as the SCREEN Act, sponsored by Rep. Frank Pallone, will provide the FDA with stronger recall and seizure authority to disrupt the entry of counterfeit and illicit drugs through IMFs partly by allowing the FDA to order any person who distributes a drug that may cause serious adverse health effects or death to immediately cease distribution, and by providing the FDA with the authority to treat all drug products from a single manufacturer, distributor, or importer the same if that entity has a pattern of offering adulterated or misbranded drugs for import; and

Whereas, The SCREEN Act will also increase funding to the FDA to go towards addressing the opioid crisis, including increasing funding at the IMFs; and

Whereas, H.R.5752, otherwise known as the Stop Illicit Drug Importation Act of 2018, sponsored by Rep. Marsha Blackburn, will streamline and enhance the FDA's tools to intercept illegal products by increasing the FDA's ability to seize drugs that are of concern and debar particular individuals who import concerning substances; and

Whereas, Both bills will assist with the opioid crisis by supporting the FDA which will increase the FDA's ability to search articles and prevent dangerous substances from entering the U.S.; now, therefore, be it

Resolved, That the Council of the City of New York calls on the United States Congress to pass, and the President to sign, H.R.5228 and H.R.5752, to strengthen the authorities of the Food and Drug Administration to address the importation of certain drugs.

Res. No. 478

Resolution calling on the United States Congress to pass, and the President to sign, a bill which requires expanding access to breakthrough drugs for individuals with all serious diseases.

By Council Member Holden.

Whereas, The United States (U.S.) Food and Drug Administration (FDA) defines a serious disease or condition as a disease or condition associated with morbidity that has substantial impact on day-to-day functioning, yet the morbidity need not be irreversible, provided it is persistent or recurrent; and

Whereas, Whether a disease or condition is serious is a matter of clinical judgment, based on its impact on such factors as survival, day-to-day functioning, or the likelihood that the disease, if left untreated, will progress from a less severe condition to a more serious one; and

Whereas, The FDA defines a "breakthrough drug" as one that is intended alone or in combination with one or more other drugs to treat a serious or life threatening disease or condition, and preliminary clinical evidence indicates that the drug may demonstrate substantial improvement over existing therapies on one or more clinically significant endpoints; and

Whereas, The FDA will expedite the development and review of breakthrough drugs; and

Whereas, The FDA's Center for Drug Evaluation and Research (CDER) has received 64 breakthrough therapy designation requests since October 2017, and has granted 23 applications, including for a drug which helps individuals with cystic fibrosis and one for individuals with human immunodeficiency virus type 1 (HIV-1); and

Whereas, Thousands of New Yorkers are living with serious diseases; and

Whereas, According to the American Cancer Society, an estimated 110,800 New Yorkers across the state have been diagnosed with cancer in 2018; and

Whereas, According to the Department of Health (DOH), the crude rate of deaths resulting from all invasive malignant tumors is 141.8 per 100,000 from 2011-2015 in New York City; and

Whereas, According to the Department of Health and Mental Hygiene (DOHMH), roughly 2,300 people were diagnosed with HIV in New York City in 2016; and

Whereas, In 2018, Congress passed and the President signed S.204, otherwise known as the Trickett Wendler, Frank Mongiello, Jordan McLinn, and Matthew Bellina Right to Try Act of 2017 or simply the Right to Try Act, which authorized the use of unapproved medical products by patients diagnosed specifically with terminal illnesses in accordance with State law by expanding access specifically to experimental drugs under certain conditions; and

Whereas, Individuals, including those with serious yet not terminal illnesses, should have access to breakthrough drugs; and

Whereas, In 2014, H.R.5805, sponsored by Rep. Michael McCaul, was introduced, and it called for a similar process to be created for breakthrough drugs, which treat individuals with both serious or terminal illnesses; and

Whereas, Under H.R.5805, a covered breakthrough drug refers to breakthrough drugs as well as products designated as fast track products, products which will have accelerated approval under section 506, qualified infectious disease products, or products with sponsors of which are awarded a priority review voucher; and

Whereas, Under Section 2 of H.R.5805, no later than 30 days after the date on which a drug meets the definition of a covered breakthrough drug, the sponsor of the covered breakthrough drug shall submit to the Secretary and make publicly available the policy of the sponsor with respect to requests submitted for use of said medication; and

Whereas, Any person, acting through a physician licensed in accordance with State law, may request from a manufacturer or distributor, and any manufacturer or distributor may, after complying with the provisions of set forth in Section 561 of the Federal Food, Drug, and Cosmetic Act, provide to such physician a breakthrough drug or breakthrough device for the diagnosis, monitoring, or treatment of a serious disease or condition; and

Whereas, Such a bill would expand access to medications which could assist individuals who would otherwise have no choice yet to wait for the medications to be approved; now, therefore, be it

Resolved, That the Council of the City of New York calls on the United States Congress to pass, and the President to sign, a bill which requires expanding access to breakthrough drugs for individuals with all serious diseases.

Res. No. 479

Resolution calling on the United States Congress to pass, and the President to sign, H.R. 5799 and H.R. 5808 to combat the opioid crisis specifically for those with Medicaid coverage.

By Council Member Holden.

Whereas, Opioid abuse and death are at epidemic levels in the United States (U.S.), and, according to the National Institute on Drug Abuse, nearly 64,000 people died of drug overdoses in America in 2016; and

Whereas, According to New York City's Department of Health and Mental Hygiene (DOHMH), every 7 hours someone in New York City dies from a drug overdose, and an estimated 1,441 people died in New York City from drug overdose in 2017, surpassing the number of overdose deaths in 2016; and

Whereas, According to the City of New York Office of the Mayor, of the people in New York City who died of a drug overdose in 2016, an estimated 80 percent involved an opioid, and, of that 80 percent, 18 percent involved prescription opioid painkillers; and

Whereas, According to the Medicaid and Children's Health Insurance Program Payment and Access Commission (MacPAC), the opioid epidemic disproportionately affects individuals with Medicaid, and Medicaid beneficiaries are prescribed pain relievers at higher rates than those with other sources of insurance; and

Whereas, According to the Kaiser Family Foundation, Medicaid covers 4 in 10 nonelderly adults with opioid addiction, and, as of March 2018, nearly 6.5 million New Yorkers are enrolled in Medicaid or the Children's Health Insurance Program (CHIP); and

Whereas, Medicaid beneficiaries age 18 to 64 have a higher rate of opioid use disorder than privately insured individuals, comprising about one-quarter of those with an opioid use disorder; and

Whereas, In 2016, nonelderly adults with Medicaid were twice as likely as those with private insurance or no insurance to have received opioid addiction treatment, and Medicaid expansion, which has occurred in most states including New York, has made opioid treatment accessible for thousands of Americans; and

Whereas, According to MacPAC, while State Medicaid programs are responding to the opioid crisis in several ways, such as working to reduce misuse of prescription opioids and promoting the use of non-opioid pain management therapies, there is considerable variation in available services across states since many are optional under the Medicaid statute; and

Whereas, Current Medicaid policies focus on using clinical protocols and guidelines to limit both the duration and dosage of prescriptions, restricting the types of opioids available, and identifying high-volume users, prescribers, and dispensers; and

Whereas, As of 2017, all states but Missouri had prescription drug monitoring programs (PDMPs) to track dispensing of controlled substances, including opioids, yet these programs are often operated by state boards of pharmacy and, as of December 2014, only 31 state Medicaid programs had access to their state's PDMP; and

Whereas, While Medicaid programs in 48 states and the District of Columbia utilized patient review and restriction programs, which prevent pharmacy and doctor shopping, the size and implementation of these programs vary by state; and

Whereas, According to the Kaiser Family Foundation, although New York State's Medicaid program has adopted various strategies to reduce opioid misuse, such as opioid quantity limits and step therapy requirements, not every state has certain measures in place; and

Whereas, H.R. 5799, sponsored by Rep. Marsha Blackburn, helps combat the opioid crisis by building on current state Medicaid drug utilization review activities by requiring safety edits for opioid refills, monitoring concurrent prescribing of opioids and certain other drugs, and monitoring antipsychotic prescribing for children; and

Whereas, H.R. 5808, sponsored by Rep. Gus Bilirakis, helps combat the opioid crisis by requiring all state Medicaid programs to have a beneficiary assignment program that identifies Medicaid beneficiaries at-risk for substance use disorder by setting reasonable limits on the number of prescribers and dispensers that beneficiaries may utilize, similar to programs already in place in many states; now, therefore, be it

Resolved, That the Council of the City of New York calls on the United States Congress to pass, and the President to sign, H.R. 5799 and H.R. 5808 to combat the opioid crisis specifically for those with Medicaid coverage.

Res. No. 480

Resolution calling upon the New York State Legislature to pass, and the Governor to sign, A.6853/S.3638, legislation that would require drivers to submit proof of being medically fit to operate a motor vehicle upon their seventh application submission; and further calling upon the New York State Department of Motor Vehicles to require drivers over 80 years of age to pass a vision test every two years.

By Council Member Holden.

Whereas, On June 25, 2018, Madeline Sershen, a 17 year-old high school student in Queens was killed when an 88-year-old driver ran a red light at the intersection of Utopia Parkway and 16th Avenue in Whitestone; and

Whereas, Ms. Sershen's tragic death has spurred her family and the community at large to advocate for the way New York State assesses its senior drivers with more than 21,000 people signing an online petition urging New York State to introduce retesting every 2 years once a driver turns 80; and

Whereas, According to the Federal Highway Administration, there were more than 221 million licensed drivers in United States in 2016, including approximately 42 million who are aged 65 and older; and

Whereas, Data obtained from the New York State Open Data Portal reveals that there are approximately 11.7 million licensed drivers in New York State, including roughly 2.7 million drivers 65 years of age or older; and

Whereas, The national automobile membership organization AAA reports that by 2030, 85 to 90 percent % of the 70 million Americans older than 65 are projected to have driver's licenses, a substantial increase from the 33 million that was reported in 2009; and

Whereas, AAA also said that while seniors are safe drivers compared to other age groups, they are more likely to be injured or killed in traffic crashes due to age-related vulnerabilities; and

Whereas, The Centers for Disease Control and Prevention indicates that fatal crash rates increase starting at age 75 and increase notably after age 80; and

Whereas, According to the Governors Highway Safety Association, 33 States and the District of Columbia have special provisions for mature drivers, including accelerated renewal frequency; restriction of online or mailed renewals; and required vision and road tests; and

Whereas, An analysis of State license renewal procedures conducted by the Insurance Institute for Highway Safety ("IIHS") found that 18 states require shorter renewal periods for drivers older than a specified age and 18 states require more frequent vision screening/testing for older drivers; and

Whereas, The IIHS analysis further indicates that the District of Columbia requires a physician's approval for drivers 70 and older to renew their licenses, while the State of Illinois requires applicants older than 75 to take a road test at every renewal; and

Whereas, New York State currently does not have any additional mandatory requirements for mature drivers, but only requires a vision test upon the initial application and then at every subsequent renewal which occurs every eight years; and

Whereas, The New York State Department of Motor Vehicles ("DMV") currently administers the Driver Re-evaluation Program which allows the DMV to reevaluate drivers in the state if the Commissioner has "reasonable grounds" to believe that a person holding a license is not qualified to drive a motor vehicle; and

Whereas, Assembly Member Marco Crespo and State Senator Kevin S. Parker have introduced A.6853/S.3638, a bill that would enhance the fitness and safety requirements for certain licensed individuals and establish a state task force on the effects of aging; and

Whereas, A.6853/S.3638 would require that upon the seventh application submission for the renewal of a driver's license, applicants must submit proof of a physical examination, conducted by a licensed physician, to prove that the licensee is medically fit to operate a motor vehicle; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign, A.6853/S.3638, legislation that would require drivers to submit proof of being medically fit to operate a motor vehicle upon their seventh application submission; and further calls upon the New York State Department of Motor Vehicles to require drivers over 80 years of age to pass a vision test every two years.

A Local Law to amend the administrative code of the city of New York, in relation to nutritional standards for beverages included in meals aimed at children

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 17 of the administrative code of the city of New York is amended by adding a new section 17-199.9 to read as follows:

§ 17-199.9 Beverage options for children's meals. a. Definitions. For the purposes of this section, the following terms have the following meanings:

Children's meal. The term "children's meal" means any combination of food and drink items offered for sale together for a single price and intended for consumption by children.

Default beverage. The term "default beverage" means any beverage that is offered as part of a children's meal.

Food service establishment. The term "food service establishment" means any establishment inspected pursuant to the restaurant grading program established pursuant to subdivision a of section 81.51 of the health code of the city of New York.

b. A food service establishment that offers a children's meal shall make the default beverage one of the following:

1. Water, sparkling water or flavored water, with no added sugars, caloric sweeteners or non-nutritive sweeteners;

2. Nonfat or one percent fat milk or non-dairy milk alternatives containing no more than 130 calories per container or serving as offered for sale; or

3. One hundred percent juice, or fruit juice combined with water or carbonated water, with no added sugars, caloric sweeteners or non-nutritive sweeteners, in a serving size of no more than eight ounces.

c. Nothing in this section prohibits a food service establishment from offering upon request a beverage other than the default beverage offered with a children's meal.

d. Any food service establishment that violates any of the provisions of this section shall be liable for a civil penalty of not less than \$200 nor more than \$500 for a first violation thereof; not less than \$500 nor more than \$1,000 for a second violation thereof within any 12 month period; and not less than \$1,000 nor more than \$2,500 for a third or subsequent violation thereof within any 12 month period.

§ 2. This local law takes effect 120 days after it becomes law, provided that the commissioner of health and mental hygiene may take all actions necessary for its implementation, including the promulgation of rules, before such effective date.

A Local Law to amend the administrative code of the city of New York, in relation to the development of a cigarette butt receptacle and recycling program

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 16 of the administrative code of the city of New York is amended by adding a new section 16-143 to read as follows:

§ 16-143 Cigarette butt receptacle and recycling program. a. Definitions. For the purposes of this section, the following terms have the following meanings:

Cigarette butt receptacle. The term "cigarette butt receptacle" means a fireproof container into which cigarette butts may be safely disposed and retrieved for recycling purposes.

Pilot district. The term “pilot district” means a geographical portion of the city designated for participation in the pilot program that includes five or more locations where frequent cigarette smoking activity occurs immediately adjacent to a business, building or other property.

Pilot program. The term “pilot program” means a program established pursuant to this section for the installation of cigarette butt receptacles in where frequent cigarette smoking activity occurs.

b. Development of pilot program. The department, in consultation with the department of transportation, shall establish a pilot program for the installation of cigarette butt receptacles in a pilot district in accordance with this section. The pilot program shall continue for at least one year following the full installation of cigarette butt receptacles in such pilot district and provide for the collection and recycling of disposed cigarette butts.

c. Identification of pilot district. In consultation with the department of transportation, the department shall identify a pilot district and install and maintain at least five cigarette butt receptacles in such district except in areas where smoking is prohibited by chapter 5 of title 17.

d. Signage. The department shall install signage adjacent to each cigarette butt receptacle encouraging smokers to dispose of their cigarette butts in such receptacles and informing them that disposed butts may be recycled in accordance with the pilot program.

§ 2. This local law takes effect 120 days after it becomes law, except that the commissioner may take such measures as are necessary for the implementation of this local law, including the promulgation of rules, before such date.

A Local Law to amend the New York city charter and the administrative code of the city of New York, in relation to reporting of promptness of agency payments to contractors

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 332 of the New York City Charter, as amended by local law number 192 for the year 2017, is amended to read as follows:

b. The procurement policy board shall promulgate rules for the expeditious processing of payment vouchers by city agencies and departments including (i) the maximum amount of time allowed for the processing and payment of such vouchers from the later of (a) the date such vouchers are received by the agency, or (b) the date on which the goods, services or construction to which the voucher relates have been received and accepted by the agency, (ii) a program for the payment of interest, at a uniform rate, to vendors on vouchers not paid within the maximum amount of time pursuant to clause i of this subdivision, (iii) a process for the allocation and charging of any such interest payments to the budget of the agency responsible for the delay leading to the interest payments, [and](iv) *a process for the agency to inform vendors of the reason for the lack of prompt payment on vouchers not paid within the maximum amount of time pursuant to clause i of this subdivision and* (v) agency reporting on the promptness of such payments in such form and containing such information as the board shall prescribe. The board shall coordinate and publish such agency prompt payment reports. Such rules shall facilitate the development and implementation of programs pursuant to subdivision a of this section.

§ 2. Section 6-131 of the administrative code of the city of New York is amended by adding a new subdivision a-1 to read as follows:

a-1. All agencies shall provide to the Mayor's Office of Contract Services reports on any payments made after the maximum amount of time allowed for the processing and payment of such vouchers pursuant to rules promulgated by the Procurement Policy Board. Beginning January 1, 2019, and every six months thereafter, the Mayor's Office of Contract Services shall submit a report to the mayor and speaker of the council that includes, at a minimum, the information reported by each agency pursuant to this subdivision and a summary of such information.

A Local Law to amend the administrative code of the city of New York, in relation to requiring that single-use liquid detergent packets sold in the city of New York be in child-resistant packaging

Be it enacted by the Council as follows:

Section 1. The administrative code of the city of New York is amended by adding a new subchapter 14 to chapter 4 of title 20 to read as follows:

SUBCHAPTER 14

LIQUID DETERGENT PACKETS

§ 20-699.7 a. Definitions. For the purposes of this section, the following terms have the following meanings:

Liquid detergent packet. The term “liquid detergent packet” means single-use detergent product that contains a liquid detergent enclosed in a water soluble outer layer (or film).

Special packaging. The term “special packaging” has the same meaning as set forth in paragraph (4) of section 1471 of title 15 of the United States code.

b. No person shall sell or offer for sale any liquid detergent packet to which any of the following applies:

1. The packet is not in special packaging;
2. The packet is not labeled with a clear and conspicuous warning informing consumers of the potential risks of injury and death caused by liquid detergent packets; and
3. The packet:
 - (a) Has non-uniform colors; or
 - (b) Is not opaque.

Director. The term “director” means the director of the office of inclusion.

Driver. The term “driver” means any driver licensed by the commission.

Office. The term “office” means the office of inclusion.

b. The commission shall establish an office of inclusion. Such office shall be headed by a director.

c. The director shall have the power and duty to:

1. Compile and report statistics relating to driver demographics, disaggregated by ethnicity or race, gender and other categories as appropriate.

2. Compile and report statistics relating to which communities are affected by service refusals.

3. Examine and address issues related to racism and discrimination in the for-hire vehicle industry, including but not limited to refusals by drivers to provide service to passengers or prospective passengers on the basis of race, color, ethnicity, disability, gender, sexual orientation or destination.

4. Develop policies and best practices to ensure greater representation of drivers from members of underserved communities.

5. Develop and implement trainings for drivers addressing anti-discrimination and cultural sensitivity towards passengers and prospective passengers. Such trainings shall include best practices on how drivers can meet the needs of passengers with disabilities.

6. Assess the feasibility of a driver-to-driver mentorship and cultural awareness program and may implement one or more such program as warranted.

7. Promote ways to encourage the equitable treatment of drivers by other drivers.

8. Expand public awareness regarding such refusals by drivers to provide service to passengers or prospective passengers, through means such as, but not limited to, running a public awareness campaign and conducting outreach to community groups whose members have experienced service refusals.

9. Establish one or more mechanisms by which passengers and prospective passengers can submit complaints directly to the commission, and ensure service refusal complaints are processed by the appropriate authorities.

10. Serve as a resource to support the needs of persons with disabilities in receiving services from vehicles licensed by the commission.

11. Any other relevant duties as the commission deems appropriate.

d. Within 12 months of the effective date of the local law that added this section, and annually thereafter, the director shall post on the city’s website and submit to the mayor and the speaker of the council a report containing, at a minimum, the findings required by paragraphs 1, 2 and 3 of subdivision c of this section. A Local Law to amend the administrative code of the city of New York, in relation to fines for unreported employees

Be it enacted by the Council as follows:

Section 1. Section 16-515 of the administrative code of New York, as amended by local law number 42 for the year 1996, is amended to read as follows:

§ 16-515. Penalties. In addition to any other penalty provided by law: a. Except as otherwise provided in [subdivision b or subdivision c of] this section, any person who violates any provision of this chapter or any of the rules promulgated thereto shall be liable for a civil penalty which shall not exceed ten thousand dollars for each such violation. Such civil penalty may be recovered in a civil action or may be returnable to the [department of consumer affairs] *office of administrative trials and hearings* or other administrative tribunal of competent jurisdiction;

b. [(i)]Any person who violates subdivision a of section 16-505 or section 16-524 of this chapter shall, upon conviction thereof, be punished for each violation by a criminal fine of not more than ten thousand dollars for each day of such violation or by imprisonment not exceeding six months, or both; and any such person shall be subject to a civil penalty of not more than five thousand dollars for each day of such violation to be recovered in a civil action or returnable to the department of consumer affairs or other administrative tribunal of competent jurisdiction; and

c. Any person who violates subdivision b of section 16-505 of this chapter or any rule pertaining thereto shall, upon conviction thereof, be punished by a civil penalty not to exceed one thousand dollars for each such violation to be recovered in a civil action or returnable to the department of consumer affairs or other administrative tribunal of competent jurisdiction.

d. The corporation counsel is authorized to commence a civil action on behalf of the city for injunctive relief to restrain or enjoin any activity in violation of this chapter and for civil penalties.

e. (i) In addition to any other penalty prescribed in this section for the violation of subdivisions a or b of section 16-505 or subdivision a of section 16-524 of this chapter, or when there have been three or more violations within a three year period of the provisions herein, the commission shall, after notice and the opportunity to be heard, be authorized: to order any person in violation of such provisions immediately to discontinue the operation of such activity at the premises from which such activity is operated; to order that any premises from which activity in violation of such provisions is operated shall be sealed, provided that such premises are used primarily for such activity; and to order that any vehicles or other devices or instrumentalities utilized in the violation of such provisions shall be removed, sealed, or otherwise made inoperable. An order pursuant to this paragraph shall be posted at the premises from which activity in violation of such provisions occurs.

(ii) Ten days after the posting of an order issued pursuant to paragraph (i) of this subdivision, this order may be enforced by any person so authorized by section 16-517 of this chapter.

(iii) Any vehicle or other device or instrumentality removed pursuant to the provisions of this section shall be stored in a garage, pound or other place of safety and the owner or other person lawfully entitled to the possession of such item may be charged with reasonable costs for removal and storage payable prior to the release of such item.

(iv) A premise ordered sealed or a vehicle or other device or instrumentality removed pursuant to this section shall be unsealed or released upon payment of all outstanding fines and all reasonable costs for removal and storage and, where the underlying violation is for unlicensed or unregistered activity or unauthorized activity in a special trade waste district, demonstration that a license has been obtained or a business registered or proof satisfactory to the commission that such premise or item will not be used in violation of subdivision a or b of section 16-505 or subdivision a of section 16-524 of this chapter.

(v) It shall be a misdemeanor for any person to remove the seal from any premises or remove the seal from or make operable any vehicle or other device or instrumentality sealed or otherwise made inoperable in accordance with an order of the commission.

(vi) A vehicle or other device or instrumentality removed pursuant to this section that is not reclaimed within ninety days of such removal by the owner or other person lawfully entitled to reclaim such item shall be subject to forfeiture upon notice and judicial determination in accordance with provisions of law. Upon forfeiture, the commission shall, upon a public notice of at least five days, sell such item at public sale. The net proceeds of such sale, after deduction of the lawful expenses incurred, shall be paid into the general fund of the city.

f. Any person who violates subdivision a of section 16-508 of this chapter shall be liable for a civil penalty not be less than five thousand dollars and not more than ten thousand dollars for each violation of item (ii) of subdivision a of section 16-508 of this chapter.
