Be it enacted by the Council as follows:

Section 1. The administrative code of the city of New York is amended by adding a new section 25-102.1 to read as follows:

b. Unless the local law specifically provides otherwise, any local law changing the name of a street, park, playground or portion thereof, or any facility or structure, located and laid out on the city map, that bears a name indicated on the city map shall not be construed to require a change in such name as it is indicated on the city map; provided, however, that in the case of a local law changing the name of a street or portion thereof, the name added by such local law shall be posted on a sign placed adjacent to or near a sign bearing the name of such street or portion thereof indicated on the city map.

c. The department of transportation may establish different colors for signs bearing a street name not officially indicated on the city map and signs bearing a street name officially indicated on the city map, and may provide for the replacement of any sign bearing a dual name by two separate signs of such color as the department shall determine.

§ 2. This local law shall take effect immediately and subdivisions a and b of section 25-102.1 of the administrative code of the city of New York as added by section one of this law shall apply to all local laws enacted on or after such effective date that name or change the name of a street, park, playground or portion thereof, or any facility or structure, located and laid out on the city map.
