**Proposed Intro No. / Title:** *Int. 233* / Establishment of a police department policy for using facial recognition technology and regular audits to ensure compliance

**Sponsors:** Hudson, Brewer, Fariás, Won, Cabán, Williams, Abreu, Marte, Krishnan, De La Rosa and Louis

**Committee:** Public Safety

**Summary of Legislation:** This bill would require the New York Police Department (NYPD) to develop a written policy that establishes procedures for the department's use of facial recognition technologies. Such policy must include a description of the department's use of facial recognition technologies, restrictions placed on access and use of such technologies by department personnel, and data retention and use policies, including policies applicable to department personnel utilizing such searches through third-party platforms. The policy must also include guidance related to image modification, including the documenting of any modifications to an image along with the date of modification. The bill additionally requires that NYPD conduct annual audits of the department's use of facial recognition technology and provide the audits to the Department of Investigation. Both the facial recognition technology policy and the annual audits must be posted on NYPD's website.

**Effective Date:** September 1, 2025

**First Fiscal Year Legislation Takes Effect:** Fiscal Year 2026

**First Fiscal Year with Full Impact:** Fiscal Year 2026

**Agencies Impacted:** New York Police Department
