

**LOCAL LAWS  
OF  
THE CITY OF NEW YORK  
FOR THE YEAR 1993**

---

**No. 54**

---

Introduced by Council Members Berman, Leffler and Michels (by the request of the Mayor); also Council Member Rivera (Passed under a Message of Necessity from the Mayor).

**A LOCAL LAW**

**To amend the administrative code of the city of New York, in relation to the establishment of fees in connection with the filing of facility inventory forms.**

*Be it enacted by the Council as follows:*

Section 1. Legislative findings. The Council finds that filing fees for facilities submitting facility inventory forms to the city's department of environmental protection are necessary to create revenue for funding of the department's "community right-to-know program". That program, established pursuant to local law number 26 for the year 1988, is currently supported by tax levy funds. Such fees, based upon the amount of hazardous substances present, number of different hazardous substances present and type of hazardous substances present, will defray the administrative costs of the department's right-to-know program, and will allow for restoration of the program's critically needed inspectional staff.

§2. Section 24-706 of the administrative code of the city of New York is amended by adding a new subdivision (d) to read as follows:

*(d) On or before December thirty-first, nineteen hundred ninety-three, the commissioner shall by rule establish a schedule of fees that shall be paid upon the filing of the facility inventory form required by this chapter. Such fees shall be based on the amount of hazardous substances present, the number of different hazardous substances present and the type of hazardous substances present, including the presence or absence of substances classified as extremely hazardous in rules and regulations promulgated by The United States environmental protection agency pursuant to 42 U.S.C. section 11001, et seq.*

I hereby certify that the foregoing is a true copy of a local law of the City of New York, passed by the Council on June 13, 1993, and approved by the Mayor on June 30, 1993.
