Re: City of Yes for Housing Opportunity Citywide Text Amendment  
ULURP No. N 240290 ZRY

Honorable Members of the Council:

The City Planning Commission (the "Commission") has received the attached correspondence, dated November 21, 2024, from the City Council regarding the proposed modifications to the above-referenced application submitted by the Department of City Planning proposing to amend multiple sections of the New York City Zoning Resolution to expand opportunities for housing within all zoning districts and across all Community Districts.

In accordance with Section 197-d(d) of the New York City Charter, the Commission, on December 2, 2024, has determined that the City Council's proposed modifications do not require additional review of environmental issues or pursuant to Section 197-c of the Charter.

Very truly yours,
