Council District No. 27

Dear Madame Speaker:

The referenced property ("Exemption Area") is the site for the proposed development of an affordable housing project under HPD's Mixed Income Program: M².

Under HPD's Mixed Income Program: M², sponsors purchase City- or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing units with a range of affordability in which up to 25 percent of the units are affordable to low income households earning up to 60 percent of the Area Median Income ("AMI") and the remaining units are affordable to other low income households. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

The Exemption Area is owned by HP Jamaica 94th Avenue Housing Development Fund Company, Inc. (the "HDFC"), a not-for-profit corporation organized pursuant to Article XI of the Private Housing Finance Law. Under the proposed project, the HDFC will be the legal owner and 94th Avenue Jamaica LLC, a New York limited liability company, or an affiliate, (the "LLC") will be the beneficial owner and will operate the Exemption Area. The HDFC and the LLC (collectively, the "New Owner") will construct one multiple dwelling, known as 147-20 94th Avenue, consisting of 379 affordable rental units plus one superintendent unit.

In order to facilitate the project, HPD respectfully requests that the Council approve, pursuant to Section 577 of the Private Housing Finance Law, an exemption from real property taxation as follows:
