#### [Int 1397-2025](#)

A Local Law to amend the administrative code of the city of New York, the New York city building code, and the New York city mechanical code in relation to establishing resilient construction standards for tanks in stormwater flood risk areas, requiring the department of buildings to provide information about flood risks on a portal maintained by the department, and requiring a study to make recommendations for new regulations related to the prevention of stormwater flooding

*Proposed Int. No. 1397-A*
