Dear Council Member,

We are writing you in response to your inquiry as we are completing the process of renewal for our unenclosed sidewalk café license. # 1385339

RE: Red Rooster Harlem LLC, 310 Lenox Avenue NY, NY 10027

Since our initial permit was approved and issued, we have organized our sidewalk café soundly within the parameters of the NYC DCA approved plan, which is 15 by 26 feet. There is no impediment anywhere within our site. Our sidewalk café does not block any entrances, bus stops or pedestrian walkways. Concurrent with the mandates of this process we sent notarized letters via registered mail to each of the required civic entities as well as all of our neighbors in the prescribed adjacent vicinity announcing the renewal. All items on the DCA renewal application checklist were sent in with our packet of documents and verified receipt by DCA staff at this point.

Please let us know if you have any further questions, you may reach me at 347-834-4337.

Best regards,

Dear Council Member Weprin,

RE: Support Letter for Red Rooster's application renewal for Side Walk Café.

Red Rooster has been a great economic benefit and cultural destination for the people of Harlem, the City of New York and the rest of the world. Visitors from across the world are enjoying and partaking in the cultural vibrancy that Harlem is known for. They have made Red Rooster one of their favorite restaurants and must visit destination. I agree with the general population and find the food and atmosphere to be a welcoming treat, worthy of repetition.

It's my pleasure to support their side walk café application, as long as all the necessary rules and regulations regarding the boundaries of the café are continuously met.

Sincerely,
