Julia K. Haramis, Unit Head

## **Fiscal 2026 Executive Plan**

### *Campaign Finance Board Overview*

The Campaign Finance Board (CFB or the Board) is an independent City agency that provides campaign finance information to the public, enables more candidates to run for office by granting public matching funds, increases voter participation and awareness, and combats corruption in City elections. The CFB was established with the mission of reducing the influence of large private contributions in the political process. The voluntary Campaign Finance Program, overseen by the CFB, provides matching funds to qualifying candidates for mayor, public advocate, comptroller, borough president, and City Council.

CFB saw significant changes to their budget since the release of the Fiscal 2026 Preliminary Plan in January, which is typical for the Board, as their budget is typically enhanced in the Executive Plan. Only \$13.4 million of CFB's budget is baselined in Fiscal 2027 the outyears of the plan period. The Charter mandates that the Mayor includes, without revision, CFB's budget submission for the upcoming fiscal year in the Executive Plan.

The Executive Financial Plan for Fiscal 2025-2029 (Executive Plan), includes a proposed Fiscal 2026 budget of \$109.5 million for CFB. CFB's Fiscal 2025 budget in the Executive Plan is unchanged since the Preliminary Plan, and the Fiscal 2026 budget in the Executive Plan is \$96.1 million (717.5 percent) more than its \$13.4 million Fiscal 2026 budget in the Preliminary Plan. The current Fiscal 2026 budget is \$6.1 million more than the \$103.4 million Fiscal 2025 budget at adoption and \$44.9 million less than the Fiscal 2025 budget in the Executive Plan.

*Savings in this chart are the sum of all expense savings, from all revenue sources, including but not limited to, City, State, and federal savings.*

### Significant Executive Plan Changes

#### New Needs

- Annual Budget Adjustment.** The Executive Plan includes \$91.9 million in additional City funding, along with 171 positions, in Fiscal 2026 only. As previously noted, this is part of the typical annual adjustment made each year in the Executive Plan, based on CFB's projections for the following fiscal year. This funding includes \$18.8 million for staffing expenditures, \$56.1 million for operational expenditures, and \$21.2 million for CFB's estimate of the public matching funds that will be required for next year's elections. The 171 positions added include 45 new positions CFB requested for Fiscal 2026, as well as 126 positions that are budgeted in Fiscal 2025 only. The operational expenditures include consultant fees; technology maintenance, infrastructure, and development work; voter education guide development, translation, printing, mailing, advertising; and administrative expenditures to improve contracting and procurement.
- Joint Programs.** The Executive Plan includes \$2.9 million in additional City funding in Fiscal 2026 only for expenditures on CFB programs that are operated in conjunction with City agencies.
  - CUNY Institute for State and Local Governance (ISGL).** For Fiscal 2026, \$2.6 million was added to support a partnership with CUNY ISGL to create a new fellowship program next fiscal year. To amplify CFB's work, the partnership with the CUNY ISGL program will be used to engage and empower the next generation of civic engagement leaders and build the capacity of community-based organizations to inform, educate, and empower voters. The focus in Fiscal 2026 will be on

community-based organizations in Bronx Community Districts 1 through 7. The program will recruit CUNY students entering their senior year of an undergraduate program to participate in a pilot two-year Civic Engagement Fellowship at CBOs doing a variety of work supporting voter and community engagement.

- **Other Programs.** For Fiscal 2026, \$300,000 was added to support contracted work with CUNY's graduate school on CFB's interactive mapping services and for legal services. CFB will be working with the Law Department to utilize an existing contract the agency holds for assistance responding to complex public record requests.
- **Lease Adjustment.** The Executive Plan includes \$1.2 million in additional City funding in Fiscal 2026 to pay DCAS for CFB's annual cost of rent on its existing office space.
