Fiscal 2026 Executive Plan

Department for the Aging Budget Overview

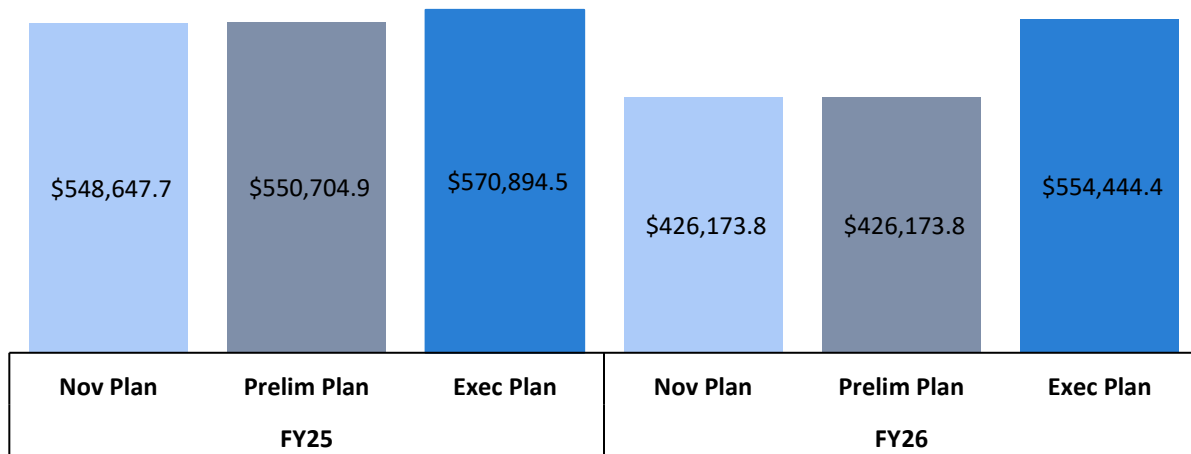

The Department for the Aging (DFTA or the Department) is responsible for the implementation of older adult services and programming throughout the City. As the population of older adults residing in the City continues to increase, DFTA works to eliminate ageism and to ensure quality of life for approximately 1.8 million older City residents. Through its older adult centers and clubs (OACs), home-delivered meals, and older adult workforce programs, DFTA partners with hundreds of community-based organizations to meet the needs of older adults across the City.

There have been significant changes to DFTA's budget since the release of the Preliminary Financial Plan for Fiscal 2025-2029 (Preliminary Plan) in January, including a baseline funding increase of over \$100 million which addressed a funding shortfall vital for the continuation of older adult programs at their current level.

The Executive Financial Plan for Fiscal 2025-2029 (Executive Plan), includes a proposed Fiscal 2026 budget of \$554.4 million for DFTA. DFTA's Fiscal 2025 budget in the Executive Plan is \$20.2 million (3.7 percent) more than its \$550.7 million Fiscal 2025 budget in the Preliminary Plan, and the Fiscal 2026 budget in the Executive Plan is \$128.3 million (30.1 percent) more than its \$426.2 million Fiscal 2026 budget in the Preliminary Plan. The current Fiscal 2026 budget is \$4.2 million more than the \$550.2 million Fiscal 2025 budget at adoption. For additional information on DFTA's Preliminary Budget, please refer to the Fiscal 2026 Preliminary Budget report.¹

Savings in this chart are the sum of all expense savings, from all revenue sources, including but not limited to, City, State, and federal savings.

Significant Executive Plan Changes

New Needs

- Older Adult Services.** The Executive Plan includes an additional \$81.5 million of City funding in Fiscal 2026 and \$75.0 million in baselined funding, starting in Fiscal 2027, for older adult services. Additionally, 16 positions were baselined starting in Fiscal 2026. The funding was added to address a budget shortfall for DFTA related to older adult programs, including OACs, Naturally Occurring Retirement Communities (NORCS), and HDMs.
- Indirect Cost Rate.** The Executive Plan includes an additional \$19.7 million of City funding in Fiscals 2026 and 2027 to support indirect cost rate payments for contracted providers, as the baselined amount is not enough to meet the actual need.
- Case Management.** The Executive Plan includes an additional \$2.0 million of City funding in Fiscal 2026 only to support case management services for older adults. These services are contracted out to providers and assist older adults in obtaining support services.

Other Adjustments

- Minor Home Repair Pilot Program.** The Executive Plan includes an additional \$157,515 in Fiscal 2025, \$601,859 in Fiscals 2026 and 2027, and \$450,288 in Fiscal 2028 for a federal grant from the U.S. Department of Housing and Urban Development (HUD). The HUD grant will be used for a new pilot program to assist older adults with small home repairs.

- **Silver Corps.** The Executive Plan includes a federal funding reduction of \$154,216 in Fiscal 2025 and the addition of \$613,039 in Fiscal 2026 for the Silver Corps program, which provides older adults with volunteer opportunities. The reduction in Fiscal 2025 is due to underspending and the funding added in Fiscal 2026 is the projected need for the fiscal year.
- **Lease Adjustment.** The Executive Plan includes an additional \$315,174 in baselined City funding, starting in Fiscal 2026, for lease payment increases for 20 older adult center sites where DFTA holds the leases. These adjustments cover increases in rent, utilities, and taxes that are part of the lease agreements.
- **Medicare Outreach.** The Executive Plan includes an additional \$203,947 in federal funding in Fiscal 2025 only for support outreach and education to older adults regarding Medicare benefits.

PEG Restoration

- **Older Adult Center (OAC) PEG Restoration.** The Executive Plan includes a City funding restoration of \$23.0 million in Fiscal 2026, increasing to a baseline restoration of \$37.7 million starting in Fiscal 2027 for OACs. This adjustment restores multiple PEGs from the past few fiscal years enabling the OAC network to continue operating at the current capacity.

Budget Response

*Fiscal 2026 Expense Proposal Estimate: **\$177.8 million***

*Expense Proposals Included in the Fiscal 2026 Executive Budget: **\$104.5 million***

- **DFTA Headquarters Relocation.** The Executive Commitment Plan includes \$4.4 million in Fiscal 2026 for the relocation of DFTA's headquarters. The Plan includes \$28.4 million across Fiscals 2025 to 2029. The project's implementation is delayed, as it is currently under review because of issues that arose during the bidding process.
- **Older Adult Center Renovations.** The Capital Commitment Plan includes \$19.0 million in Fiscal 2026 for renovations at multiple directly lease OAC sites. Funding will cover a variety of capital projects including roof repairs; heating, ventilation and air conditioning systems (HVAC); kitchen repairs; and bathroom repairs.
