Res 2166-2009

Resolution calling upon the federal government to pass H.R. 658, which would help to increase community input as the United States Postal Service reorganizes branches throughout the city of New York and the country, and also calling upon the Postal Service to use a significant portion of the \$3.5 billion increase in its operating budget, received when President Obama signed into law Public Law 111-68, to prevent the closing of as many postal locations as possible throughout the City and the nation.
