Res 1721-2001

Resolution in support of the Hudson River cleanup plan ("Alternative 4") proposed by the United States Environmental Protection Agency in its Hudson River PCBs Reassessment Project, urging the Agency to finalize the Reassessment by issuing a Record of Decision, and calling upon the General Electric Company to accept the findings of the Reassessment and to expedite the long-overdue removal of toxic PCBs from the Hudson River and thereby restore the River for the people of the City and State of New York and for successive generations of New Yorkers.
