Tuesday, May 7, 2019

11:00 AM

Committee Room - City Hall

- T2019-4310** Oversight - Are City Environmental Quality Review (CEQR) procedures useful for accurately predicting and mitigating impacts of City Planning Commission decisions?
- Int 0252-2018** A Local Law to amend the New York city charter, in relation to tracking mitigation strategies in final environmental impact statements as part of the uniform land use review process
- Int 1487-2019** A Local Law to amend the New York city charter, in relation to studying the incidence of secondary displacement resulting from neighborhood rezonings
- Int 1523-2019** A Local Law to amend the New York city charter, in relation to studying and reporting on transportation impacts of decisions of the city planning commission in connection with certain land use actions
- Int 1531-2019** A Local Law to amend the New York city charter, in relation to studying and reporting on the education capacity and overcrowding impacts of decisions of the city planning commission in connection with certain land use actions
- Res 0009-2018** Resolution calling on the Mayor, the Mayor's Office of Environmental Coordination, the New York City Planning Commission, the New York City Department of City Planning, and all other relevant City agencies to re-examine the standards in the CEQR regulations and the Technical Manual for

assessing when a possible adverse impact on a neighborhood's character or socioeconomic status requires a detailed analysis and possible mitigation, and calling on the relevant agencies, when such significant adverse impacts are identified, consistently to seek mitigation or development alternatives that provide long-term or permanent protection for the residents, businesses, and character of the affected community, including through the provision of permanently affordable housing and commercial space.
