CHAIRPERSON BREWER: Good

afternoon. I'm Gale Brewer City Council. We're here today to take a vote on two bills that we heard at a recent Governmental Operations. I want to thank, once again, Matt Goab for all of his hard work. We're here to talk about proposed Intro 373-A by Council Member Mark-Viverito.

As we heard, there are lots of opportunities that should be taken advantage of to put hate crime statistics on the city's web site, a specific aspect of their web site. Same with pre-considered Intro, it does not have a number. That particular pre-considered would require the same aspect of the web site to list domestic violence statistics.

We had another bill that I'm the sponsor of regarding Memorandum of Understandings and also Executive Orders on the web site. That will be taken up at a different time. I recommend a yes vote and I look forward to having the roll call. Thank you very much.
