Department of Youth and Community Development (DYCD) Fiscal 2024 Budget Snapshot

DYCD Overview

The Department of Youth and Community Development’s (DYCD or the Department) Fiscal 2024 budget totals \$943 million. This represents approximately one percent of the City’s total Fiscal 2024 Preliminary Budget (Preliminary Budget) of \$102.7 billion. DYCD sponsors a network of community-based organizations and programs with an end goal of providing opportunities for New Yorkers to alleviate the effects of poverty. DYCD’s focus on youth and community development is comprised of a range of programs that includes services to help low-income individuals and families become more self-sufficient, literacy programs that help adults and adolescents further their education and advance their careers, and programs that assist immigrants. DYCD’s programs for young people, NYCHA residents, runaway and homeless youth, including those who identify as transgender or non-binary, and BIPOC (black, indigenous, and people of color) communities represent over 85 percent of program participants.

DYCD’s Fiscal 2024 budget is \$188.2 million less than the Fiscal 2023 Adopted Budget of \$1.1 billion, primarily the result of one-time Council discretionary funding of \$131 million that was added at adoption. Additional decreases to DYCD’s budget are the result of Program to Eliminate the Gap (PEG) actions which total \$1.2 million of expense reductions in Fiscal 2023 and \$2.3 million in Fiscal 2024 and the outyears.

DYCD currently contracts with more 1,339 community-based organizations that serves approximately 330,000 New York City youth in various educational, social, cultural, recreational, and employment-related programs. The Department’s Fiscal 2024 contract budget includes \$600.2

million for 1,132 contracts representing 49 percent of the DYCD budget of \$943 million. The majority of youth are served through one of three program areas:

Comprehensive After-School System of NYC, (COMPASS), is comprised of over 890 programs serving school-age youth grades K-12, a balanced mix of academics, sports, recreational activities, and arts and cultural experiences. The expansion of COMPASS NYC's afterschool program Schools Out New York City (SONYC) for middle schools currently has a presence in practically every middle school throughout the five boroughs.

Workforce Connect, is DYCD's youth workforce development system. This cooperative of programs, including Summer Youth Employment Program (SYEP), Work, Learn and Grow (WLG), NYC Ladders for Leaders, Advance and Earn, Train and Earn, and Learn and Earn, introduces youth and young adults to the job market providing summer job placements, paid internships, and job skills training. The Fiscal 2023 Preliminary Plan includes a baselined budget of \$79.4 million for SYEP, an investment to extend the program as part of the Mayor's Blueprint for Safety efforts to keep the youth engaged and active during the summer months while school is out. In Fiscal 2022 the SYEP program served 91,270 participants while other partnering agencies served 8,730, for a total of 100,000 participants; out of 167,000 applications. This was the first year that participants received MetroCard's through City funding; providing a sure means of traveling to work. Table 1 below presents the breakdown of DYCD's SYEP enrollment by age, borough and ethnicity.

Beacon and Cornerstone, DYCD operates a portfolio of services for runaway and homeless youth, offering a safe place in one of the 91 Beacon community centers. Additionally, year-round programming for youth and adults is provided in the City's 99 Cornerstone community center programs in New York City Housing Authority (NYCHA) facilities.

Financial Plan Projections

The Department's Financial Plan includes a \$943 million Fiscal 2024 budget. Agency spending will remain relatively flat throughout the Plan period with a slight drop of two percent in Fiscal 2026 to \$922 million.

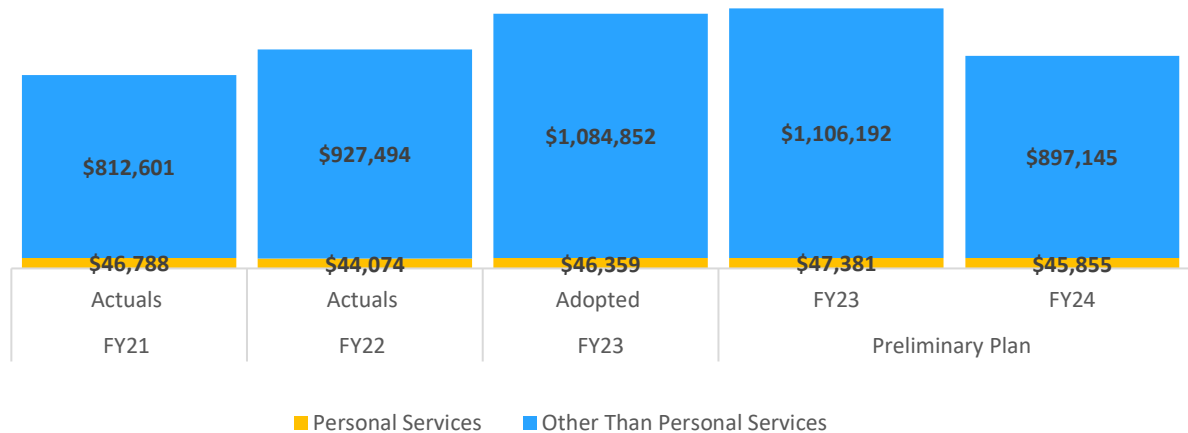

Chart 1: DYCD Fiscal 2023 – 2027 Financial Plan (\$ in Millions)

The Department’s Fiscal 2024 budget is \$943 million, including \$45.8 million for personal services (PS) to support 510 full-time employees which is approximately \$500,000 less than the Fiscal 2023 budget at adoption and \$897.1 million for other than personal services (OTPS) which is \$187.7 million less than the Fiscal 2023 budget at adoption. Almost all of the OTPS budget is for contracts as almost all of DYCD’s programs are contracted out to non-profit providers.

Chart 2 provides actual spending in Fiscal 2021 and Fiscal 2022, followed by the adopted and current modified budget for Fiscal 2023 and planned spending for Fiscal 2024.

The following Financial Summary provides actual expenditures for Fiscal 2021 and Fiscal 2022, the Adopted Budget for Fiscal 2023 and planned spending for Fiscal 2023 and Fiscal 2024 as of the Fiscal 2024 Preliminary Budget. This information is broken down by Unit of Appropriation, funding sources, and headcount.

*The difference of Fiscal 2023 Adopted Budget compared to Fiscal 2024 Preliminary Budget.

DYCD's Fiscal 2024 Preliminary Budget of \$943 million is \$188.3 million or 16 percent less than the Fiscal 2023 Adopted Budget of \$1.1 billion. Excluded from the Fiscal 2024 Preliminary Budget is \$130.8 million of Council discretionary funding (shown in Appendix F) that is typically added at adoption. Additional changes to the budget by Program Area are the result of the following:

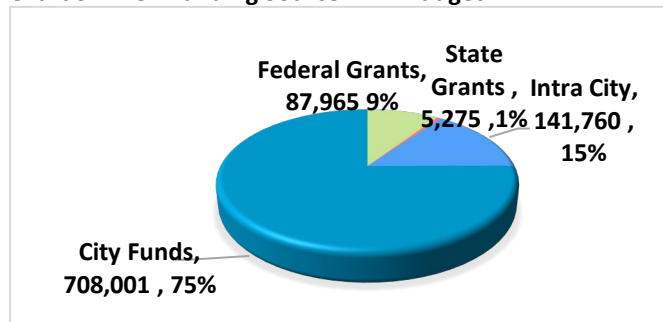

- **Adult Literacy** – The Fiscal 2024 budget for Adult Literacy is \$13.4 million, \$24.8 million less than this program area's budget in Fiscal 2023 at adoption. This is partially the result of the over \$12.5 million that was added to Fiscal 2023 at adoption for one-time Council discretionary and shared priority funding. These funds are not included in the Fiscal 2024 budget. The remaining difference is due to right-sizing of DYCD's Adult Literacy budget based on historical spending patterns.
- **Community Development Programs** – The Fiscal 2024 budget includes \$36.7 million for Community Development Programs, \$73 million less than the amount in Fiscal 2023 at

adoption. The decrease is primarily due to City Council discretionary funding that was added in Fiscal 2023 in the Adopted Budget that is not yet a part of the Fiscal 2024 budget.

- **General Administration** – The Fiscal 2024 budget includes \$64.4 million for General Administration, a decrease of \$7.1 million from the Fiscal 2023 adopted budget. A portion of the decrease (\$1.2 million) is due to the vacancy reduction PEG, the remaining \$6 million is due to realigning revenue from General Administration to the correct program budget structures.
- **Other Youth Programs** – Other Youth Programs includes \$5.4 million in Fiscal 2024, \$50.4 million less than the Fiscal 2023 budget at adoption. The decrease is partially due to City Council discretionary funding in the Fiscal 2023 Adopted Budget that is not currently reflected in Fiscal 2024.
- **Out-of-School Time** - The Department’s Fiscal 2024 Budget includes \$419.4 million for Out-of-School Time, \$14 million less than the Fiscal 2023 budget at adoption. The decrease is due to the right-sizing of after-school budget and savings due to unopened Cornerstone centers.
- **Runaway Homeless Youth** - The Fiscal 2024 Budget includes \$48.8 million for the Runaway Homeless Youth program area, \$4.5 million less than the Fiscal 2023 budget at adoption. This reduction is due to one-time funding in that was included in Fiscal 2023 and not in Fiscal 2024.
- **Summer Youth Employment (SYEP)** - The Fiscal 2024 Budget includes \$206.5 million for SYEP, \$21.7 million less than the Fiscal 2023 Adopted Budget. The reduction is partially due to one-time funding of \$11 million for WLG and SYEP MetroCard’s that was included in Fiscal 2023 as well as savings from SYEP wage underspending.

The Department’s Fiscal 2024 budget is funded through four primary sources: city fund, intra-city transfers, federal grants, and state grants. City funds comprise the largest portion of the Department’s funding providing for 75 percent of DYCD’s Fiscal 2024 budget. .

Chart 3: DYCD Funding Source FY24 Budget:

Fiscal 2024 Preliminary Budget Changes

The Preliminary Plan includes no new needs for DYCD. The Plan includes other adjustments in Fiscal 2023 totaling \$6.6 million, \$2.2 million in Fiscals 2024 and 2025, and \$973,000 in Fiscals 2026 and 2027.

Other Adjustments

- **City Service Corps (CSC).** The Preliminary Plan includes an additional \$668,000 for City Service Corps in Fiscal 2023. The CSC is designed to address critical needs through the recruiting and developing of local workforce pipeline in the areas of education and economic and community development. The additional funding is provided for multiple service areas within the city.

- **Contract Equalization of the Programming.** The Preliminary Plan includes an additional \$1.1 million of intra-city funds for Fiscal 2023 through Fiscal 2025. This is an intra-city transfer from Administrative Children Services (ACS) to fund contract equalization of the programming of the Crossroads and the Horizon facilities. This represents an increase to the contract for Horizon (a pilot program) servicing youth who are justice involved, and a decrease to the Crossroads contract for equal representation. The COMPASS SONYC programs services at Horizon are typically for youth in grades 9th-12th.
- **Language Access.** The Preliminary Plan included an additional \$5 million for language access programming in Fiscal 2023. This represents one-time city funding for translation and interpretation services. The Council negotiated for the expansion of citywide language accessibility for over three years with this funding successfully secured in the January 2023 budget modification. The majority of this funding will be allocated for the creation of a community interpreter bank as well as language services workers cooperatives and Welcome NYC.
- **Runaway Homeless Youth (RHY) State Increase.** The Preliminary Plan includes an additional \$2.8 million in state funds in Fiscal 2023 for the Runaway Homeless Youth. For the period of July 1st until December 31st 813 beds were funded with an overall utilization rate of 74 percent. This additional funding increases the RHY budget in Fiscal 2023 to \$57 million.

- **Workforce Enhancement (WEI)**

The Preliminary Plan includes an additional \$973,000 of city funds for Fiscal 2023 and the outyears of the plan period. Initial WEI funding was allocated to each of the major DYCD program areas. Further evaluation of the programs by DYCD determined that 45 contracts from SYEP, Beacon, Unity Works, COMPASS, RHY and OSY programs required additional annual.

PEGs

- **Vacancy Reduction.** The Department's Preliminary Plan includes headcount reduction of 34 along with an expense reduction of \$1.2 million in Fiscal 2023 and \$2.3 million in each the outyears. This reduction is part of the citywide vacancy reduction plan, eliminating a portion of the Department's full time vacant position.

Headcount

The DYCD's Fiscal 2024 Budget provides funding for 510 full-time positions, a decrease of 41 position from the Fiscal 2023 Adopted Budget and a decrease of seven positions from the Fiscal 2023 current budgeted headcount of 517.

The budgeted headcount by program is illustrated in the table below.

Fiscal 2023 Preliminary Mayor's Management Report (PMMR)

The Fiscal 2023 PMMR reports on four service areas and four goals for DYCD. Noteworthy metrics reported on in the PMMR include:

- **Fiscal Audits.** DYCD's completed 60 fiscal audits during the first four months of 2023 a decrease of 81 (57 percent) compared to the same period in Fiscal 2022. Audits were not able to be completed until two audit contractors were registered for the Negotiated Acquisition Extension, causing the decrease in services. Auditors are currently on track to meet the updated target for Fiscal 2023.
- **COMPASS NYC.** The PMMR indicates that during September and October, DYCD had 101,138 participants enrolled in COMPASS NYC programs compared with 96,894 during the same period in Fiscal 2022.
- **Runaway and Homeless Youth (RHY).** DYCD served a total of 1,445 youth and young adults through case management at RHY Drop-In Centers in the first four months of Fiscal 2023, an increase of 48 percent from the same period in Fiscal 2022 while exceeding the annual target for Fiscal 2023. More young people have utilized Drop-In Centers to access emergency housing vouchers and other behavioral services. There were 1,717 youth and young adults who received mental health support in RHY residential programs and drop-in centers in the first four months of Fiscal 2023, a decrease of 14 percent from the record high of 1,986 during the same period of Fiscal 2022,.

DYCD continues to focus on continuity of service and positive placement. The utilization of Crisis Services Programs rose to 82 percent in the first four months of Fiscal 2023, an increase of 14 percentage points from the same period in Fiscal 2022. 80 percent of youth discharged from Crisis Services Programs were reunited with family or placed in a suitable environment, an increase of seven percentage points from Fiscal 2022 and exceeding the target of 75 percent.

- **Summer Youth Employment Program (SYEP).** DYCD served 91,270 participants in the summer of Fiscal 2023, representing an increase of 22 percent over the 74,884 participants in the summer of

Fiscal 2022 and exceeding DYCD's commitment of 90,000 participants. DYCD worked in collaboration with sister agencies towards a goal of 100,000 youth SYEP participants served citywide. DYCD changed its approach for the SYEP application process by starting in early February and extended the lottery period. Additionally, the total amount of stipends and wages paid through the SYEP increased by 21 percent to \$117.6 million.

- **Beacon Community Centers** – The programs enrolled 12,526 summer youth participants, including 10,707 as part of Summer Rising and 1,819 at additional community centers. This represents an increase of 22 percent over the number of program enrollees in Fiscal 2022, the result of Summer Rising services, Saturday Night Lights programming, and the addition of a new Beacon program (Truman Beacon) that began in January 2022. Adult attendance at Beacon programs totaled 4,342, an increase of 112 percent from the same period in Fiscal 2022 as schools lifted their limitations on evening programming. Cornerstone programs enrolled 9,962 summer youth participants, an increase of 34 percent over Fiscal 2022 as a result of expanded services including Saturday Night Lights and the resumption of service at full capacity

Budget Issues and Concerns

In the Fiscal 2023 Adopted Budget included an additional \$9.7 million to fund an additional 2,220 jobs for the Work, Learn, and Grow initiative. This funding was not baselined and does not appear in DYCD's Preliminary Plan.
