b. to serve as liaison for the city with local development corporations, other not-for-profit corporations and all other entities involved in economic development within the city. In furtherance of this function, the department shall include in any contract with a local development corporation or not-for-profit corporation of which a majority of its members are appointed by the mayor under which such contracted entity is engaged in providing or administering economic development benefits on behalf of the city and expending city capital appropriations in connection therewith, a requirement that such contracted entity submit to the mayor, the council, the city comptroller, the public advocate, [and] the borough presidents *and community planning boards* by January 31 of each year, a report for the prior fiscal year in the form prescribed hereunder with regard to projected and actual jobs created and retained in connection with any project undertaken by such contracted entity for the purpose of the creation or retention of jobs, whether or not such

For projects in existence prior to the effective date of this local law, information that business entities were not required to report to such contracted entity at the time that the project agreement and any other documents applicable to such project were executed need not be contained in the report.

The report shall be submitted by the statutory due date and shall bear the actual date that the report was submitted. Such report shall include a statement explaining any delay in its submission past the statutory due date. Upon its submission, the report shall simultaneously be made available in electronic form on the website of the contracted entity or, if no such website is maintained, on the website of the city of New York, provided that reports submitted in 2012 or after shall simultaneously be made available in a commonly available non-proprietary database format on the website of the contracted entity or, if no such website is maintained, on the website of the city of New York, except that any terms and restrictions on the use or resale of city-owned
