N.Y., N.Y. 10017

Dear Council Speaker Quinn,

This letter should serve as our agreement with your district office that we will commit to the following:

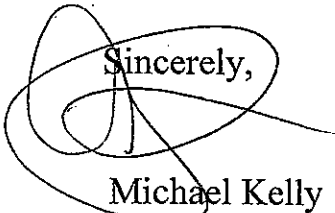

We will not use any umbrellas at our sidewalk café during the hours the barbershop is open, this is 10am-8pm seven days a week.

We will remove the 4 tables and 8 chairs from the south side of the café closest to the barbershop, Yan's Barber Shop 135 7<sup>th</sup> Ave South, from the application. This will lower our seating to 6 tables and 12 chairs.

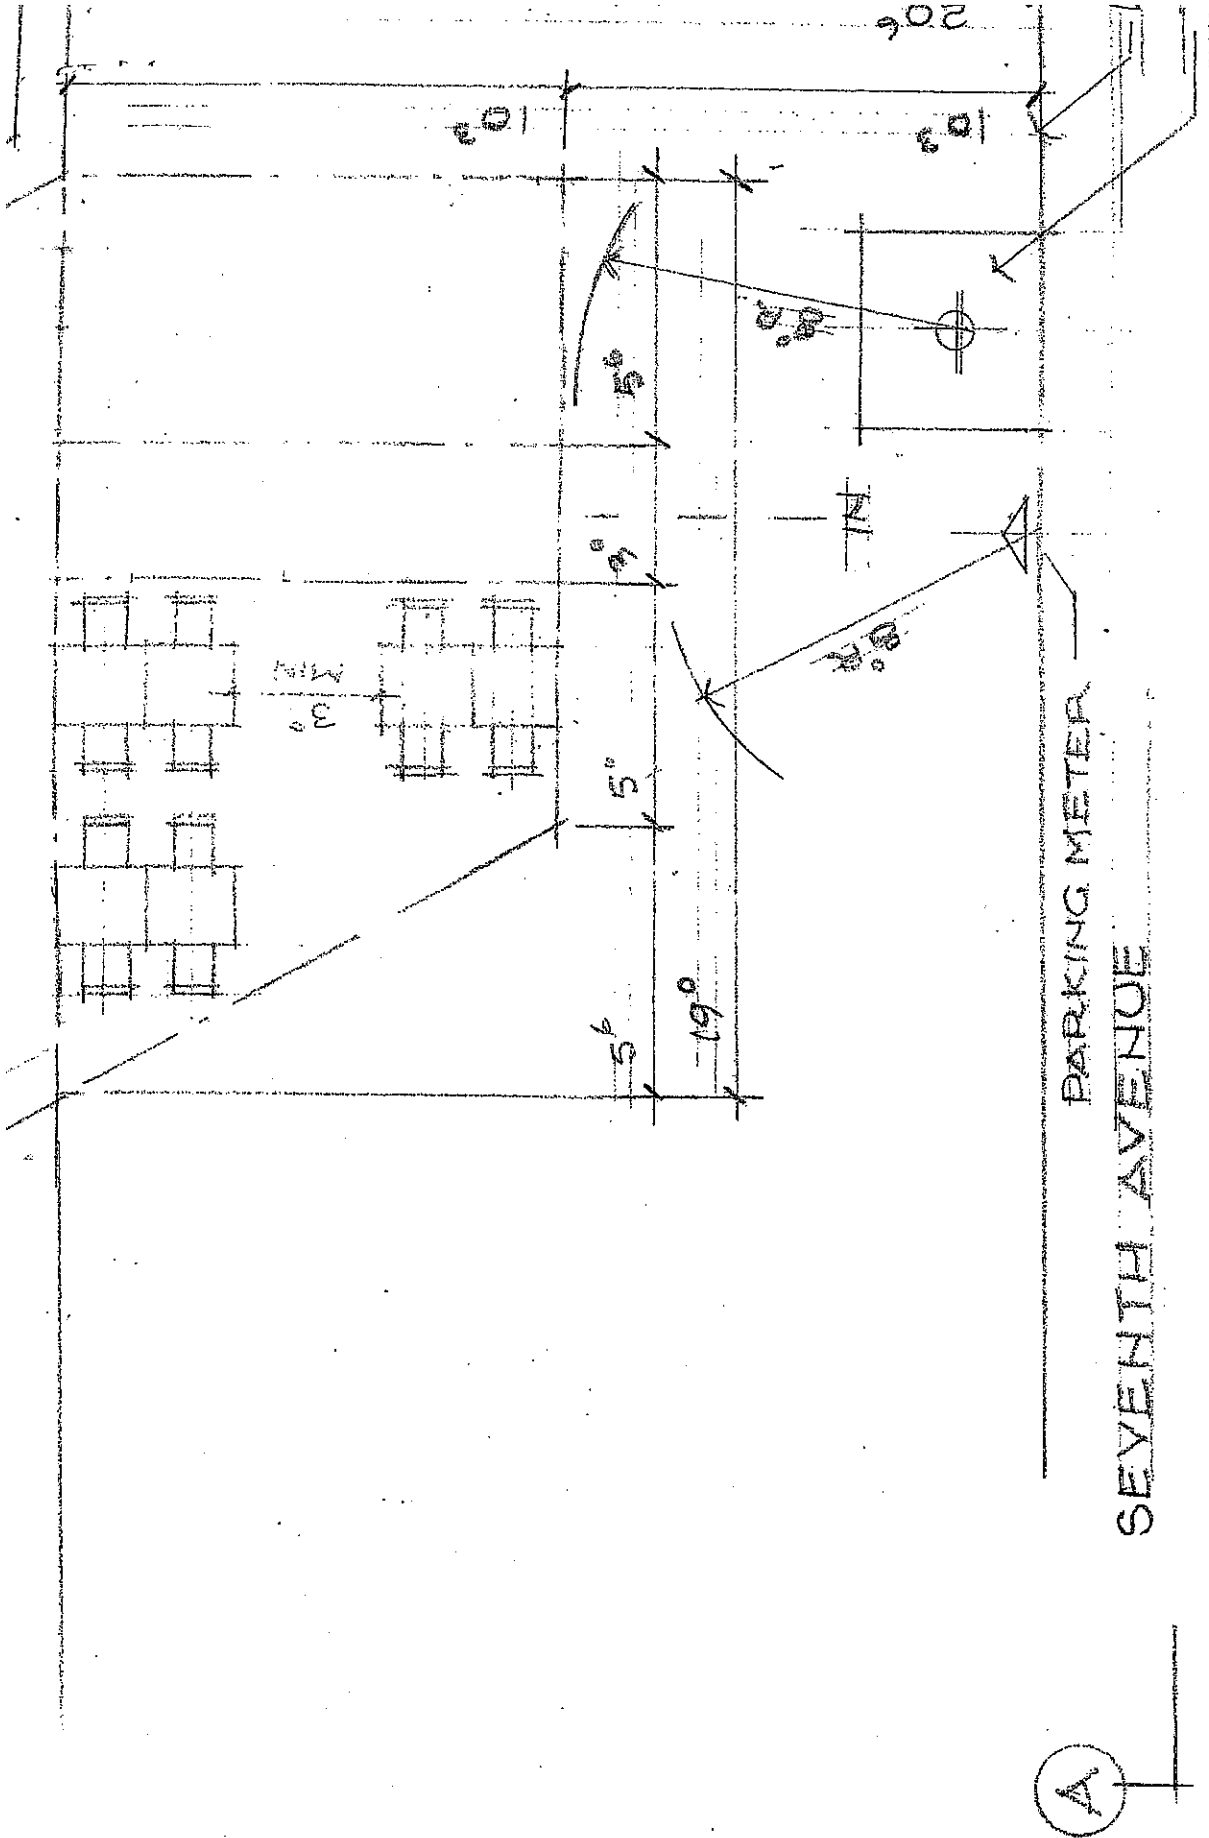

We will work to have an open relationship and dialogue with the owners of all surrounding businesses and residents, including the barbershop located at 135 7<sup>th</sup> Ave South.

If there are any questions please call my office. Thank you.

Sincerely,

Michael Kelly
