

THE CITY OF NEW YORK  
OFFICE OF THE MAYOR  
NEW YORK, NY 10007

M-796

September 17, 2007

Members of the City Council:

I am pleased to submit to you the Mayor's Management Report (MMR) for Fiscal 2007, describing the performance of City agencies from July 1, 2006 through June 30, 2007, and stating expected levels of service for Fiscal 2008 based on the City's Adopted Budget.

The Mayor's Management Report continues to serve the goals of transparency and accountability which are the hallmarks of this Administration. By highlighting relative levels of efficiency and effectiveness across all the important areas of City services, in comparison to past performance and to annual targets, the MMR encourages agencies and their customers to focus on the areas needing improvement and to capitalize on ongoing success.

We will continue to work with you and other stakeholders to develop new, more effective ways of holding government accountable and making management information available in the clearest and most accessible manner.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg".
