The City Planning Commission (the "Commission") has received the attached correspondence, dated September 30, 2021, from the City Council regarding the proposed modifications to the above-referenced application submitted by the Department of City Planning for an amendment of the Zoning Resolution of the City of New York, to establish Article VI, Chapter 6 (Special Regulations Applying Around Mass Transit Stations) and modify related Section.

In accordance with Section 197-d(d) of the New York City Charter, the Commission, on October 4, 2021, has determined that the City Council's proposed modifications do not require additional review of environmental issues or pursuant to Section 197-c of the Charter.

Very truly yours,
