Be it enacted by the Council as follows:

Section 1. Chapter 1 of the New York city charter is amended by adding a new section 20-m to read as follows:

§ 20-m. Historic and cultural marker program. a. For the purposes of this section, the term “marker” shall mean a visual indicator, such as a sign or plaque, to commemorate a person, place, or event.

3. Provide a searchable online database on an official website of the city accessible to the public that shall include a list of all historic and cultural markers.

c. The mayor or, as designated by the mayor, an office of the mayor or any department the head of which is appointed by the mayor shall create a process by which a member of the public may submit a proposal for a historic or cultural marker.
