§17-722 Violations. a. 1. Any person who violates section 17-720 of this subchapter shall be liable for a civil penalty of not more than five hundred dollars for the first violation, and not more than five hundred dollars for each additional violation found on that day; and not more than one thousand dollars for the second violation at the same place of business within a two-year period, and not more than one thousand dollars for each additional violation found on that day; and not more than two thousand dollars for the third and all subsequent violations at the same place of business within a two-year period.

2. In addition, for a third violation occurring on a different day and all subsequent violations occurring on different days at the same place of business within a two-year period, any person who engages in business as a retail dealer, as such term is defined in section 20-201 of the code, shall be subject to the mandatory suspension of his or her cigarette license, issued pursuant to section 20-202 of the code, for such place of business, for a period not to exceed one year. A cigarette license shall be suspended at the same hearing at which a retail dealer is found liable for a third violation or subsequent violations at the same place of business within a two-year period.
