A Local Law to amend the administrative code of the city of New York, in relation to the administration of the senior citizen rent increase exemption program and the disability rent increase exemption program.

Be it enacted by the Council as follows:

Section 1. Section 26-404 of the administrative code of the city of New York is amended to read as follows:

§26-404 City rent agency; division of housing and community renewal. The division of housing and community renewal shall have charge of and conduct through its own counsel any proceeding under this chapter of the code, except for the provisions of subdivision m of section 26-405 and section 26-406 of this chapter which shall be under the jurisdiction of the department [of finance] for the aging and such other agency as the mayor shall designate.

§2. Subparagraph (ii) of paragraph (2) of subdivision m of section 26-405 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

(ii) the aggregate disposable income (as defined by regulation of the department [of finance] for the aging) of all members of the household residing in the housing accommodation whose head of household is sixty-two years of age or older does not exceed twenty-five thousand dollars beginning July first, two thousand five, twenty-six thousand dollars beginning July first, two thousand six, twenty-seven thousand dollars beginning July first, two thousand seven, twenty-eight thousand dollars beginning July first, two thousand eight, and twenty-nine thousand dollars beginning July first, two thousand nine, per year, after deduction of federal, state and city income and social security taxes. For purposes of this subparagraph, “aggregate disposable income” shall not include gifts or inheritances, payments made to individuals because of their status as victims of Nazi persecution, as defined in P.L. 103-286, or increases in benefits accorded pursuant to the social security act or a public or private pension paid to any member of the household which increase, in any given year, does not exceed the consumer price index (all items United States city average) for such year which take effect after the date of eligibility of a head of the household receiving benefits under this subdivision

whether received by the head of the household or any other member of the household.

§3. Subparagraph b of paragraph (3) of subdivision m of section 26-405 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

(b) Each order shall expire upon termination of occupancy of the housing accommodation by the tenant to whom it is issued. The landlord shall notify the department [of finance] for the aging, in the case of a household whose eligibility for such order is based on the fact that the head of such household is sixty-two years of age or older, or such agency as the mayor shall designate, in the case of a household whose eligibility for such order is based on the fact that the head of such household is a person with a disability, on a form to be prescribed by such department or agency, within thirty days of each such termination of occupancy.

§4. Paragraphs (5), (6) and (9) of subdivision m of section 26-405 of such code, as amended by local law number 44 for the year 2009, are amended as follows:

(5) A rent exemption order shall be issued to each tenant who applies to the department [of finance] for the aging or such agency as the mayor shall designate [(which agency may also be the department of finance)] (which agency may also include certain senior centers that are contracted by the department for the aging) in accordance with such department's or agency's regulations and who is found to be eligible under this subdivision. Such order shall take effect on the first day of the first month after receipt of such application, except that where the aggregate disposable income of all members of the household residing in the housing accommodation whose head of the household is sixty-two years of age or older is greater than five thousand dollars per year but does not exceed twenty-five thousand dollars beginning July first, two thousand five, twenty-six thousand dollars beginning July first, two thousand six, twenty-seven thousand dollars beginning July first, two thousand seven, twenty-eight thousand dollars beginning July first, two thousand eight, and twenty-nine thousand dollars beginning July first, two thousand nine, per year pursuant to subparagraph (ii) of paragraph two of subdivision m of this section on orders issued on applications received before July first, nineteen hundred seventy-five, the effective date of such order shall be the later of (1) June thirtieth, nineteen

hundred seventy-four or (2) the last day of the month in which a person becomes an eligible head of household in the housing accommodation in which such person resides at the time of filing the most recent application for a rent exemption order; and further, except that where any other application has been received within ninety days of the issuance of the order increasing the tenant's maximum rent pursuant to paragraph three, four or six of subdivision (a) of this section, or subparagraph (a), (b), (c), or (1) of paragraph (1) of subdivision (g) of this section or pursuant to court order, whichever is later, the rent exemption order shall without further order take effect as of the effective date of said order increasing the tenant's rent including any retroactive increments collectible pursuant to such orders.

(6) A rent exemption order shall be valid for a period of two years and may be renewed for further two year periods upon application by the tenant; provided, that upon any such renewal application being made by the tenant, any rent exemption order then in effect with respect to such tenant shall be deemed renewed until such time as the department [of finance] for the aging or such other agency as the mayor shall designate shall have found such tenant to be either eligible or ineligible for a rent exemption order but in no event for more than six additional months. If such tenant is found eligible, the order shall be deemed to have taken effect upon expiration of the exemption. In the event that any such tenant shall, subsequent to any such automatic renewal, not be granted a rent exemption order, such tenant shall be liable to his or her landlord for the difference between the amounts he or she has paid under the provisions of the automatically renewed order and the amounts which he or she would have been required to pay in the absence of such order. Any rent exemption order issued pursuant to this subdivision shall include provisions giving notice as to the contents of this paragraph relating to automatic renewals of rent exemption orders. Any application or renewal application for a rent exemption order shall also constitute an application for a tax abatement under such section. The department [of finance] for the aging and such other agency as the mayor shall designate may, with respect to renewal applications by tenants who have been found eligible for rent exemption orders, prescribe a simplified form including a certification of the applicant's continued eligibility in lieu of a detailed statement of income and

other qualifications.

(9) Notwithstanding any other provision of law to the contrary, where a head of household holds a current, valid rent exemption order and, after the effective date of this paragraph, there is a permanent decrease in aggregate disposable income in an amount which exceeds twenty percent of such aggregate disposable income as represented in such head of the household's last approved application for a rent exemption order or for renewal thereof, such head of the household may apply for a redetermination of the amount set forth therein. Upon application, such amount shall be redetermined so as to re-establish the ratio of adjusted rent to aggregate disposable income which existed at the time of the approval of such eligible head of the household's last application for a rent exemption order or for renewal thereof; provided, however, that in no event shall the amount of the adjusted rent be redetermined to be (i) in the case of a head of the household who does not receive a monthly allowance for shelter pursuant to the social services law, less than one-third of the aggregate disposable income; or (ii) in the case of a head of household who receives a monthly allowance for shelter pursuant to the social services law, less than the maximum allowance for shelter which such head of the household is entitled to receive pursuant to such law. For purposes of this paragraph, a decrease in aggregate disposable income shall not include any decrease in such income resulting from the manner in which such income is calculated pursuant to any amendment to paragraph c of subdivision one of section four hundred sixty-seven-b of the real property tax law, any amendment to the regulations of the department [of finance made on or after the effective date of the local law that added this clause] for the aging made on or after the effective date of the local law that amended this section, or any amendment to the regulations of such other agency as the mayor shall designate made on or after [October tenth, two thousand five] the effective date of the local law that amended this section. For the purposes of this paragraph, "adjusted rent" shall mean maximum rent less the amount set forth in a rent exemption order.

§5. Subdivision m of section 26-405 of such code, as amended by local law number 44 for the year 2009, is amended by adding new paragraphs (10), (11), (12), (13), (14) and (15) to read as follows:

(10) Quarterly reporting requirement. (a) Whenever used in this paragraph, the following terms shall be defined as follows:

(vi) "Phase II" shall mean the second phase of the application process where the department for the aging has determined that an application is not complete and shall begin on the day after the department for the aging has issued the appropriate notification to the applicant and end on the day the department for the aging determines that such application is complete.

All statistics provided in this report shall include separate totals or, where appropriate, averages for all applications enumerated in this paragraph.

(11) The commissioner of aging shall provide a written description of all rights and responsibilities of, and remedies available to, landlords and tenants under the senior citizen rent increase exemption program, and the disability rent increase exemption program and the process or processes to be followed in order to obtain each such remedy. Such description shall be provided along with the exemption application, the exemption order, and the notice to the landlord that the exemption order was approved, and shall also be made available on the department's website on a webpage dedicated to the senior citizen rent increase exemption program or disability rent increase exemption program. Upon the written request of a landlord or tenant, a Chinese, Korean, Russian or Spanish translation of the written description described in this subdivision shall be provided to such landlord

or tenant.

(12) The commissioner of aging shall designate employees of such department, the number of which shall be determined by the commissioner of such department and each of whom may also be proficient in at least two languages, to respond to written inquiries and verbal communications regarding the senior citizen rent increase exemption program and the disability rent increase exemption program, and the commissioner of aging shall establish a dedicated telephone number to be answered by at least one such employee for such purposes. The contact information of at least one such employee and the dedicated telephone number shall be included in all written communication from the department for the aging regarding the senior citizen rent increase exemption program and the disability rent increase exemption program to the landlords and tenants, and shall also be made available on the department for the aging's website on a page dedicated to the senior citizen rent increase exemption program and the disability rent increase exemption program. (14) The commissioner of aging shall establish by rule guidelines to provide assistance to tenants and landlords applying for an exemption. Such guidelines shall, at a minimum, specify outreach activities and efforts designed to ensure that tenants and landlords are made aware of exemption availability, criteria, and

rights and responsibilities of landlords and tenants under the senior citizen rent increase exemption program and the disability rent increase exemption program. Such outreach activities and efforts shall include assisting government officials, community boards, and community based organizations, upon request, in the completion of an application for an exemption, or the renewal of an exemption.

(15) The commissioner of aging shall establish by rules standard operating procedures governing the operations of the senior citizen rent increase exemption program and the disability rent increase exemption program.

§6. The opening paragraph of subdivision c of section 26-406 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

Prior to the commencement of each fiscal year, such agency as the mayor shall designate shall determine and, if such agency is not the department [of finance] for the aging or such other agency as the mayor shall designate, shall notify the department of finance of the total amount of taxes to be abated under this section with respect to each property for which rent exemption orders [granted to persons with disabilities] were in effect for all or any part of the preceding calendar year. The commissioner of finance shall make the appropriate adjustment in the real estate tax payable in such fiscal year.

§8. Subdivision a of section 26-509 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

a. Commencement of agency jurisdiction.

(1)(i) Notwithstanding any provisions of this chapter to the contrary, [the department of finance] on or after the effective date of the local law that amended this section, the department for the aging shall grant rent increase exemption orders or tax abatement certificates to senior citizens pursuant to this section and applications for such orders and certificates and renewal applications shall be made to the department [of finance] for the aging, provided, however, that such applications may be made to certain senior centers that are contracted by the department for the aging.

(ii) Notwithstanding any provisions of this chapter to the contrary, such agency as the mayor shall designate [(which agency may also be the department of finance)] shall grant rent increase exemption orders or tax abatement certificates to persons with disabilities pursuant to this section and applications for such orders and certificates and renewal applications shall be made to such agency.

(2) The department [of finance] for the aging and such other agency as the mayor shall designate shall have the power, in relation to any application for a rent increase exemption order or tax abatement certificate under such department's or agency's jurisdiction, to determine the lawful stabilization rent, but shall not receive

(3) The department of finance, the department for the aging and such other agency as the mayor shall designate may promulgate such rules and regulations as may be necessary to effectively carry out the provisions of this section.

§9. Subparagraph (ii) of paragraph (2) of subdivision b of section 26-509 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

(ii) the aggregate disposable income (as defined by regulation of the department [of finance] for the aging) of all members of the household residing in the housing accommodation whose head of the household is sixty-two years of age or older does not exceed twenty-five thousand dollars beginning July first, two thousand five, twenty-six thousand dollars beginning July first, two thousand six, twenty-seven thousand dollars beginning July first, two thousand seven, twenty-eight thousand dollars beginning July first, two thousand eight, and twenty-nine thousand dollars beginning July first, two thousand nine, per year, after deduction of federal, state and city income and social security taxes. For purposes of this subparagraph, “aggregate disposable income” shall not include gifts or inheritances, payments made to individuals because of their status as victims of Nazi persecution, as defined in P.L. 103-286, or increases in benefits accorded pursuant to the social security act or a public or private pension paid to any member of the household which increase, in any given year, does not exceed the consumer price index (all items United States city average) for such year which take effect after the eligibility date of the head of the household receiving benefits under this section whether received by the head of the household or any other member of the household;

(ii) Each such order shall expire upon termination of occupancy of the housing accommodation by the tenant to whom it is issued. The landlord shall notify the department [of finance] for the aging in the case of a household whose eligibility for such order is based on the fact that the head of such household is sixty-two

years of age or older, or such agency as the mayor shall designate in the case of a household whose eligibility for such order is based on the fact that the head of such household is a person with a disability, on a form to be prescribed by such department or agency, within thirty days of each such termination of occupancy.

§11. Paragraphs (5) and (6) of subdivision b of section 26-509 of such code, as amended by local law number 44 for the year 2009, are amended to read as follows:

(5) A rent exemption order shall be issued to each tenant who applies to the department [of finance] for the aging, or to certain senior centers that are contracted by the department for the aging, in the case of a tenant who is sixty-two years of age or older or to such agency as the mayor shall designate in the case of a tenant who is a person with a disability, in accordance with such department's or agency's applicable regulations and who is found to be eligible under this subdivision. Such order shall take effect on the first day of the first month after receipt of such application by the department [of finance] for the aging, or by certain senior centers that are contracted by the department for the aging, or such agency as the mayor shall designate, except that where there is any other increase in the legal regulated rent within ninety days of the issuance of the order increasing the tenant's maximum rent which a tenant is not exempted from paying, the rent exemption order shall without further order of the department [of finance] for the aging or such agency as the mayor shall designate take effect as of the effective date of said order increasing the tenant's rent including any retroactive increments collectible pursuant to such order.

(6) A rent exemption order shall be valid for the period of the lease or renewal thereof upon application by the tenant; provided, that upon any such renewal application being made by the tenant, any rent exemption order then in effect with respect to such tenant shall be deemed renewed until such time as the department [of finance] for the aging or such agency as the mayor shall designate shall have found such tenant to be either eligible or ineligible for a rent exemption order but in no event for more than six additional months. If such tenant is found eligible, the order shall be deemed to have taken effect upon expiration of the exemption. In the event that any such tenant shall, subsequent to any such automatic renewal, not be granted a rent exemption

order, such tenant shall be liable to the owner for the difference between the amounts the tenant has paid under the provisions of the automatically renewed order and the amounts which the tenant would have been required to pay in the absence of such order. Any rent exemption order issued pursuant to this subdivision shall include provisions giving notice as to the contents of this paragraph relating to automatic renewals of rent exemption orders and shall include provisions giving notice that the tenant must enter into either a one or two year renewal lease in order to be eligible for a rent exemption. The notice that each tenant receives from the owner relating to the right to a renewal lease shall contain similar information. Any application or renewal application for a rent exemption order shall also constitute an application for a tax abatement under such section. The department [of finance] for the aging and such other agency as the mayor shall designate may, with respect to renewal applications by the tenants who have been found eligible for rent exemption orders, prescribe a simplified form including a certification of the applicant's continued eligibility in lieu of a detailed statement of income and other qualifications.

§12. The opening paragraph of paragraph (7) of subdivision b of section 26-509, as amended by local law number 44 for the year 2009, is amended to read as follows:

(7) Notwithstanding any other provisions of law, when a head of a household to whom a then current, valid rent exemption order has been issued under this chapter, chapter three or chapter seven of this title moves his or her principal residence to a subsequent dwelling unit subject to regulation under this chapter, the head of the household may apply to the department [of finance] for the aging, or to certain senior centers that are contracted by the department for the aging, or such other agency as the mayor shall designate for a rent exemption order relating to the subsequent dwelling unit, and such order may provide that the head of the household shall be exempt from paying that portion of the legal regulated rent for the subsequent dwelling unit which is the least of the following:

§13. Paragraph 9 of subdivision b of section 26-509 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

(9) Notwithstanding any other provision of law to the contrary, where a head of household holds a current, valid rent exemption order and, after the effective date of this paragraph, there is a permanent decrease in aggregate disposable income in an amount which exceeds twenty percent of such aggregate disposable income as represented in such head of the household's last approved application for a rent exemption order or for renewal thereof, such head of the household may apply for a redetermination of the amount set forth therein. Upon application, such amount shall be redetermined so as to reestablish the ratio of adjusted rent to aggregate disposable income which existed at the time of approval of such head of the household's last application for a rent exemption order or for renewal thereof; provided, however, that in no event shall the amount of adjusted rent be redetermined to be (i) in the case of a head of the household who does not receive a monthly allowance for shelter pursuant to the social services law, less than one-third of the aggregate disposable income; or (ii) in the case of a head of the household who receives a monthly allowance for shelter pursuant to such law, less than the maximum allowance for shelter which such head of the household is entitled to receive pursuant to the social services law. For purposes of this paragraph, a decrease in aggregate disposable income shall not include any decrease in such income resulting from the manner in which such income is calculated pursuant to any amendment to paragraph c of subdivision one of section four hundred sixty-seven-b of the real property tax law, any amendment to the regulations of the department [of finance made on or after the effective date of the local law that added this clause] for the aging made on or after the effective date of the local law that amended this section, or any amendment to the regulations of such other agency as the mayor shall designate made on or after [October tenth, two thousand five] the effective date of the local law that amended this section. For purposes of this paragraph, "adjusted rent" shall mean legal regulated rent less the amount set forth in a rent exemption order.

§14. Paragraph (4) of subdivision c of section 26-509 of such code, as amended by local law number 44 for the year 2009, is amended to read as follows:

(4) Prior to the commencement of each fiscal year, the department for the aging shall notify the

department of finance of [shall determine] the total amount of taxes to be abated under this section with respect to each property for which rent exemption orders granted to persons sixty-two years of age or older were in effect for all or any part of the preceding calendar year. Prior to the commencement of each fiscal year, such agency as the mayor shall designate [shall determine and, if such agency is not the department of finance,] shall notify the department of finance of the total amount of taxes to be abated under this section with respect to each property for which rent exemption orders granted to persons with disabilities were in effect for all or any part of the preceding calendar year. The commissioner of finance shall make the appropriate adjustment in the real estate tax payable in such fiscal year.

§15. Section 26-509 of such code, as amended by local law number 44 for the year 2009, as amended by local law number 44 for the year 2009, is amended by adding new subdivisions e, f, g, h, i, and j to read as follows:
