Whereas, The New York State Empire Zones Program contains provisions that apply to Zone Equivalent Areas (ZEAs), which are areas that, although not within the boundaries of Empire Zones, are nonetheless characterized by high unemployment and poverty rates; and Whereas, The Empire Zones Program provides that businesses located in ZEAs or which relocate to ZEAs may become eligible to receive New York State Wage Tax Credits if they receive certification from the New York State Department of Economic Development (DED) and also meet the requirements of the New York State Department of Finance to receive the New York State Wage Tax Credit; and Whereas, The Empire Zones Program requires that businesses which seek State Wage Tax Credits must either project job creation within a ZEA, or, if job creation is unlikely, must state in writing how certification will result in maintaining employment in the firm within a ZEA; and Whereas, The Ramac Corporation (US), Premium Technology Inc.; Bear Stearns Securities Corp.; Briefly Stated Holdings Inc.; LSK Smoked Turkey Products, Inc.; IPI Skyscraper Mortgage Corp.; Harris Nesbitt Corp.; Goldin Associates, LLC; Vanguard Construction & Development Co., Inc.; Clarendon National Insurance Company; Long Island City Laundry, Inc.; FRM Research LLC; McKinsey & Company, Inc. United States; Ohrenstein & Brown, LLP; ScharffWeisberg, Inc.; and Competitrack, Inc. (the Applicants) each desire to be certified to receive, New York State Wage Tax Credits under the ZEA provision of the Empires Zones Program; and Whereas, Under the Empire Zones Program, application for certification by DED to become eligible to receive New York State Wage Tax Credits under the ZEA provision of the Empire Zones Program requires approval by the local municipality within which the business has relocated of the businesses' intent to apply for certification by DED; and Whereas, The applicants have requested that the Council of the City of New York issue a resolution in support their applications to DED for

certification of eligibility to receive New York State Wage Tax Credits under the New York State Empire Zones Program; and
Whereas, The creation or retention of jobs within ZEAs, as required in order to qualify for the New York State Wage Tax Credits sought by the
Applicants will contribute to the economic development of the distressed areas where the applicants are located; now, therefore, be it
RESOLVED, That the Council of the City of New York supports sixteen applications for certification of eligibility to apply for New York
State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.
