A Local Law in relation to requiring a survey and study of racial, ethnic and gender diversity among the directors, officers and executive level staff members of city contractors

Be it enacted by the Council as follows:

Section 1. By January 15, 2017, the department of small business services shall create a voluntary survey, to be distributed to and completed by proposed city contractors and subcontractors in conjunction with employment reports pursuant to subdivision e of section 1305 of the New York city charter. That survey shall solicit information regarding the selection and employment practices, policies, and procedures pertaining to the racial, ethnic and gender composition of such entities' directors, officers, and other executive-level staff members and such entities' plans for diversity in leadership. No information submitted to the department through such survey may be the basis for any decision by the city in relation to any contract award or renewal unless otherwise authorized by law.

§ 2. a. By July 1, 2018, the mayor, or such office or agency as the mayor may designate, shall submit to the speaker of the city council and publish on the website of the department of small business services a report analyzing:

1. Racial, ethnic and gender diversity among directors, officers and executive-level staff members of entities holding goods or service contracts with the city;

2. Such entities' plans for improving racial, ethnic and gender diversity in such positions and such entities' efforts to achieve those plans.

b. The report described in subdivision a of this section may be based on data and information from the surveys described in section one of this local law and any other available source. The information generated for or used in preparing such report shall not be the basis for any decision by the city in relation to any contract award or renewal unless otherwise authorized by law. The report shall not name or identify any contracting entity.

§ 3. This local law takes effect immediately.
