A Local Law in relation to a study of the health impacts from gas stoves

Be it enacted by the Council as follows:

Section 1. An agency or office designated by the mayor shall conduct a study to determine whether there are health impacts associated with the residential and the commercial uses of gas stoves. Such agency shall submit to the mayor and the speaker of the council the results of such study within one year of the effective date of the enactment of this legislation along with a recommendation of whether it would be appropriate to create a phase-out policy of gas stoves.

§ 2. This local law takes effect immediately.
