A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of transportation to review any changes to the public fees charged by a bike share program

Be it enacted by the Council as follows:

Section 1. Subchapter 3 of chapter 1 of title 19 of the administrative code of the city of New York is

amended by adding a new section 19-194.1 to read as follows:

§ 19-194.1 Bike share price adjustment. a. Definitions. As used in this section, the following terms have

the following meanings:

Bike share operator. The term "bike share operator" means the company operating the city of New

York's bike share program under a contract entered into through the department.

Bike share program. The term "bike share program" means the providing of public bicycles for shared

use within the city of New York under a contract with an operator that permits payment for the use of such bicycles.

b. Upon receiving notice from a bike share operator of intent to adjust the amount of any fee charged to the public in connection with the bike share program, the department shall conduct a public hearing to receive input on such fee adjustment. Such public hearing shall be held prior to any departmental determination or consultation with the bike share operator regarding the intended fee adjustment.

c. Any contract between the department and a bike share operator executed or amended on or after the effective date of this section shall include a provision requiring the department to approve any fee charged to the public in connection with the bike share program and any subsequent adjustment to such fee.

§ 2. This local law takes effect immediately.
