By Council Members Cabán, Rivera, Hanif, Nurse, Restler, Hudson and Richardson Jordan

A Local Law to amend the New York city charter, the administrative code of the city of New York, the New York city plumbing code, and the New York city building code, in relation to the terms “inmate,” “prisoner,” and “incarcerated individual” and other similar terminology as used therein

Be it enacted by the Council as follows:

Section 1. Declaration of legislative intent and findings. The council finds that it should be the policy of this city to promote the dignified and fair treatment of persons in the criminal justice system and in other institutions of confinement. The council declares that the use of outmoded terms, including “inmate” and “prisoner,” to refer to persons incarcerated or persons in custody in the criminal justice system and other institutions, is dehumanizing and demeaning to such persons, and that such terms should be eliminated from use in local law and replaced with terms that emphasize persons first, and not their circumstances. Through the

elimination and replacement of such terminology, the council does not intend to alter the substantive meaning of the affected provisions of law.

§ 2. Subdivision e of section 13-c of the New York city charter, as amended by chapter 322 of the laws of 2021, is amended to read as follows:

e. Four-year plan. Within one year after the completion of the first biennial report required by subdivision d of this section, and in every fourth calendar year thereafter, the coordinator shall prepare and submit to the mayor and the council a four-year plan for providing reentry services to those city residents who need such services. Such plan may include recommendations for approaches to serving city residents in need of reentry services, including the establishment of an initial point of access for individuals immediately upon their release from the custody of the department of correction in a location adjacent to Rikers Island or to the correctional facility that releases the most [incarcerated individuals] persons incarcerated daily. Such report and plan shall also identify obstacles to making such services available to all those who need them and describe what additional resources would be necessary to do so.

§ 3. Paragraph (8) of subdivision d of section 556 of the New York city charter, as amended by chapter 322 of the laws of 2021, is amended to read as follows:

Moneys paid by the city to any such institution for the care, support, secular education or maintenance of [its inmates] such children shall not be expended for any other purpose. Whenever the commissioner shall decide, after reasonable notice to such institution and a hearing, that any such child who is received and retained in such institution is not a proper charge against the public, and written notice of such decision is given by the commissioner to such institution, thereupon all right on the part of such institution to receive compensation from the city for the further retention of the child shall cease. The commissioner shall file in the office of the department a statement of the reasons for his or her decision and of the facts upon which it is founded, and shall furnish a copy to such institution where the child is detained. The commissioner's decision may be reviewed on certiorari by the supreme court. Whenever in the judgment of the commission, such investigation discloses that there is reason to believe that an institution is practicing discrimination, the commission shall cause a hearing to be held before the commission or before two or more of its members, as it may direct, upon reasonable notice to such institution. The commission shall dismiss the proceedings if it finds upon the basis of such hearing, that such institution is not practicing discrimination. In the event the commission shall find on the basis of such hearing, that such institution is practicing discrimination, it shall certify to the commissioner its findings of fact, together with its determination of the period of time, not to exceed one year, within which the institution shall be permitted to amend its practices and comply with said provisions. The commissioner shall thereupon serve notice of such certification on such institution. All right on the part of such institution to receive moneys from the city shall cease upon the date specified in said certification unless, prior to the expiration thereof, such institution shall have submitted to the commission proof that it has ceased to engage in said violations and the commission shall have found and certified to the commissioner that said institution has complied with said provisions. The institution shall not be deprived of payments for services rendered prior to the date specified in the certification.
