Int. No. 745-A

By Council Members Farías, Brooks-Powers, Restler, Hudson, Schulman, Won, Rivera, Cabán, Dinowitz,

Brewer, Hanif and Feliz

A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of transportation to provide information about bicycle and other micromobility device activity

Be it enacted by the Council as follows:

Section 1. Subchapter 3 of chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-187 to read as follows:

§ 19-187 Information on bicycle and other micromobility device activity. a. Definitions. As used in this section, the term “micromobility device” means a device intended for personal transportation within the city of New York that is not a motor vehicle, as such term is defined in section 125 of the vehicle and traffic law. The term “micromobility device” includes, but is not limited to, bicycles, electric bicycles, scooters, and electric scooters.

b. Webpage. 1. No later than February 1, 2025, the department shall publish a page on its website providing information about current bicycle and other micromobility device ridership as well as historical trends relating to such ridership. The department shall include on such page data from automated counters as well as data from other relevant sources. The department shall update such page monthly if updated data is available, or within a reasonable amount of time after such data is available, and shall update such page no less frequently than annually.

2. The department shall include, or provide a link on such page to, a description of any projects of the department to enhance the safety and movement of bicycles and other micromobility devices on the streets and bridges under the jurisdiction of the department. The department shall study and consider bicycle crash data, bicycle use data, and any other data the department deems relevant and appropriate to determine the projects described on such page, and shall explain how such projects respond to the needs of users of bicycles and other micromobility devices. The department shall include such project descriptions as part of the update required to be submitted by paragraph 2 of subdivision d of section 19-199.1.

§ 2. This local law takes effect 30 days after it becomes law.
