## Be it enacted by the Council as follows:

Section 1. The undesignated subparagraph of paragraph (a) of subdivision 1 of section 26-301 of the

the relocation of such tenants, including but not limited to the gathering and furnishing of information as to suitable vacant accommodations, the making of studies and surveys for the purpose of locating such accommodations and the provision of facilities for the registration of such accommodations with the department of housing preservation and development by owners, lessors and managing agents of real property and others. For any tenant applying for relocation services pursuant to subparagraph (v) of this paragraph, such services may also include the provision of temporary housing. Such commissioner shall not impose any deadline or limitation of time in which a tenant may apply for relocation services pursuant to subparagraph (v) of this paragraph. Tenants receiving relocation services pursuant to subparagraph (v) of this paragraph shall be relocated at their request to suitable vacant accommodations in the same community district, or an immediately adjacent community district, as the building from which such tenants were displaced. If, following such a request, suitable vacant accommodations are unavailable in such same or immediately adjacent community district, then such tenants shall be relocated to suitable vacant accommodations in the nearest community district in the same borough, where possible. For purposes of this chapter, "temporary housing" includes, but is not limited to, hotels, motels, or other temporary shelter provided to a tenant by or on behalf of the department or provided pursuant to an agreement with the department.

§ 2. This local law takes effect 180 days after it becomes law.
