4. If either of the limits set by paragraph 2 of this subdivision are exceeded during the course of a particular ride, at the ride's conclusion, but no later than one-half hour after either of these limits are exceeded, the operator must immediately cease working, move the horse to an area of shelter, where available, rest the horse and then walk it directly to its stable. All horses so returned to their stable must be unbridled and unharnessed and remain at the stable for at least one hour, and thereafter, until such time as the weather conditions shall once again reach acceptable limits.

5. No violation of this subdivision shall occur unless a written warning of violation is first issued by the authorized enforcement personnel to the operator advising that either of the limits set in paragraph 2 of this subdivision have been exceeded and directing that the operator cease working a carriage horse in accordance with the provisions of this subdivision. § 5. Paragraph 1 of subdivision a of section 17-331 of the administrative code of the city of New York is amended to read as follows:

1. Two members shall be appointed from among the owners of rental horse businesses operating within the city[, one of whom] who shall be representative of the interests of owners of riding horses [and one of whom shall be representative of the interests of owners of carriage horses].

§ 6. Section 17-334 of the administrative code of the city of New York, subdivision a of such section as amended by local law number 80 for the year 2020, is amended to read as follows:

§ 17-334 Construction. a. § 7. Section 17-334.1 of the administrative code of the city of New York is REPEALED.

§ 8. Section 19-174 of the administrative code of the city of New York is REPEALED.

§ 9. Section 20-371 of the administrative code of the city of New York, as amended by local law number 31 for the year 1995, is amended to read as follows:

§ 20-371 Licensing of sight-seeing buses[, horse drawn cabs and horse drawn cab drivers]. Legislative findings. The legislative findings heretofore made in relation to the business of sight-seeing buses [and horse drawn cabs] in the city of New York and set forth in local law number [ten] 10 of [nineteen hundred sixty-four] 1964 continue to be valid; such businesses are vested with a public interest and their regulation and control continue to be necessary and essential in order to cope with certain evils and hazards which existed in the absence of governmental supervision. The supervision formerly was reposed in the police commissioner, but recent experience and study indicate that jurisdiction over such businesses should be transferred to the commissioner. [It is further found that the present number of horse drawn cabs licensed in the city of New York

is adequate to meet the public need and demand and should be preserved, unless the commissioner finds that additional licenses are necessary and advisable.]

§ 12. Section 20-374 of the administrative code, subdivisions d and e of such section as added by local law number 175 for the year 2018, is amended to read as follows:

§ 20-374 Granting and transferring of licenses. a. Any person, firm, partnership, corporation, or association[,], owning or operating a sight-seeing bus[,], or buses [, or horse-drawn cab, or cabs] engaging in the

business of transporting passengers in, about, over, and upon any of the streets, avenues, bridges, highways, boulevards, or public places within the limits of the city [of New York,] shall be issued a license for each bus [or cab] so operating, provided, however any such person, firm, partnership, corporation, or association owning or operating a sight-seeing bus or buses shall first have obtained a license or licenses, as he or she shall be entitled to receive from the commissioner of motor vehicles of the state of New York as made and provided by law.

b. It shall be unlawful for a license, after being issued by the commissioner, to be transferred to any person, firm, partnership, corporation, or association for any cause whatsoever[, except that licenses for horse-drawn cabs may be transferred with the approval of the commissioner. Upon voluntary sale or transfer of a licensed horse-drawn cab by the holder of a license or his or her legal representative, the licensee shall immediately notify the commissioner of his or her intention to replace such horse-drawn cab, or shall surrender his or her license. If the license is surrendered, the vendee or transferee may make application to the commissioner for the licensing of the horsedrawn cab so purchased. A new license shall then be issued by the commissioner in place of the license so surrendered, provided the applicant has demonstrated to the satisfaction of the commissioner that he or she is qualified to assume the duties and obligations of a horse-drawn cab license].

The public hearing shall be called upon his or her own motion or upon written request by any applicant. Notice of such public hearing shall be published in the City Record once a week for two consecutive weeks and shall be mailed to all current licensees. If the commissioner shall determine that additional horse-drawn cabs are necessary and advisable, he or she shall certify the number of new licenses to be granted. Not more than one such public hearing shall be held during any calendar year and the commissioner may refuse to consider any request if it appears that a recent public hearing has adequately considered the question. In making his or her

determination, the commissioner shall consider among other things, the income of the driver, the income of the owner, the effect upon traffic, and the public demand. The new licenses which are granted shall be allocated to the then existent licensees in the ratio of the number of licenses held by the licensee to the total number of licenses issued and in effect. If a licensee does not accept his or her allotted number within sixty days, his or her additional licenses shall be allocated in the same manner among the remaining licensees. If the number of additional licenses authorized is insufficient to permit such allocation, then the distribution among those licensees entitled to the smallest number of additional licenses shall be made so that priority shall be given to those who have been uninterruptedly licensed for the longest period. New applicants for such additional licenses shall be considered only when the present licensees refuse to accept their allocation of licenses in the manner provided above. The distribution of such additional licenses to new applicants shall be in the order of their filing, provided however that each new applicant shall not be entitled to more than one such additional license until each new applicant who has filed at the time of distribution and who is otherwise eligible has received one license.]

[e.] d. An owner of a sight-seeing bus company that does not have a written authorization from the commissioner of transportation because such sight-seeing bus company does not require on-street bus stops for its operations, shall provide the department with information on whether (i) such sight-seeing bus company engages in the pickup or discharge of passengers at various locations in the city, and if so, then (ii) such owner of a sight-seeing bus company shall provide to the department a list of all such passenger pick up and discharge

locations.

§ 13. Subchapter 21 of chapter 2 of title 20 of the administrative code of the city of New York is amended by adding a new section 20-374.1 to read as follows:

§ 20-374.1 Horse drawn cab licenses and license plates. Notwithstanding sections 20-374 and 20-375, the commissioner shall not issue a new license for a horse drawn cab nor accept an application for such license. A valid unexpired license may be renewed for a limited term, and shall expire no later than June 1, 2026.

§ 14. Section 20-375 of the administrative code of the city of New York, as amended by local law number 2 for the year 1994, is amended to read as follows:

§ 20-375 License plate. Upon the payment of the license fee the commissioner shall issue a license to the owner of the sightseeing bus [or horse drawn cab] together with a license plate to be securely affixed to a conspicuous and indispensable part of such sightseeing bus [or securely and conspicuously affixed to the rear axle of such horse drawn cab], on which shall be clearly set forth the license number of such sightseeing bus [or horse drawn cab]. The license plate issued to the licensee may, in the discretion of the commissioner, be a plate of a permanent nature with a replaceable date tag attached thereto, indicating the expiration date of the plate during each license year and the issuance of such a plate with such date tag to a person possessing such a plate, shall be deemed issuance of a license plate. Such license plate and the replaceable date tag to be issued from year to year to be attached thereto, shall be of such material, form, design, and dimension and set forth such distinguishing number or other identification marks as the commissioner shall prescribe. The commissioner upon renewal of the license hereunder, may continue the use of the license plate for as many additional license years as [he or she in his or her discretion] the commissioner may determine, in which event [he or she] the commissioner shall issue and deliver to the licensee a replaceable date tag as evidence of renewal of the license, which shall be attached or affixed in such manner as he or she may prescribe by rule. The failure to affix or display such date tag in a manner prescribed by the commissioner shall constitute a violation of this section.
