RESOLVED:

Having considered the FEIS with respect to the Decision and Application, the Council finds that:

1. The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
2. Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the

action is one that avoids or minimizes adverse environmental impacts to the maximum extent practicable; and

3. The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, those project components related to the environment and mitigation measures that were identified as practicable.

The Decision, together with the FEIS, constitutes the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report C 190338 HAX, and incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission and the HPD Requests.

Pursuant to Article 16 of the General Municipal Law of the New York State, based on the environmental determination and the consideration described in the report (C 190338 HAX) and incorporated by reference herein, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an Urban Development Action Area pursuant to Section 693 of the General Municipal Law.

The Council approves the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law and subject to the terms and conditions of the Project Summary.

The Council approves the disposition of the Disposition Area under Section 197-d of the New York City Charter, to a developer to be selected by the New York City Department of Housing Preservation and Development for the development of the Project consistent with the Project Summary.
